THE snowstorm of Monday night and the unfavorable weather of yesterday caused a small attendance at the market.

IT is expected that Ryan and Haney, who secured the contract for constructing the Sault St. Marie Canal, will also secure the contract for the approaches.

DON'T forget that Santa Claus and Santa G. Claus remain at T. L. Chappelle's Bookstore and Bazar until Tuesday morning, the 25th inst., as will be seen by reference to the advertisement.

THE *Stanley* left Pictou at seven o'clock on yesterday morning, and arrived here about eleven, bringing ninety bags of mail matter, being the first foreign mail received here since Friday last.

GOOD catches of herring are made at Grand Manan, and several vessels will leave this port for the fishing grounds in the course of a few days. Already a small number of cargoes of fresh fish have been brought here for smoking, and from this out, if the weather permit, the fish will be frozen.—*St. John Sun, 13th inst.*

P. J. FORAN, Merchant Tailor, is offering extraordinary bargains in all kinds of Clothing and Gentlemens' Furnishing Goods. Give him a call. Don't forget the place: Upper Queen Street, three doors above Apothecaries Hall. His advertisement will be found in another column of the HERALD.

MORLEY, speaking at Clerkenwell, England, on the 12th inst., condemned the Government's policy in East Africa. He said: "If we are not careful we shall have on our hands another abominable, profitless, purposeless Soudanese war. We are drifting into a policy cruel to the Arabs, useless to Egypt, and disgraceful to England."

THE regular fortnightly meeting of the League of the Cross was held in St. Patrick's Hall on Sunday evening last. The Rev. President delivered an appropriate address, and Rev. Father McLean read some statistics relative to the quantity of liquor drunk, and the amount of crime traceable to drunkenness in the large cities in the United States. These figures exhibit a startling condition of affairs. Appropriate remarks were also made by Messrs. P. Trainor, J. Bowers and J. F. Johnston. Twenty new members were enrolled.

CRIP'S COMIC ALMANAC.—This well-known annual, for 1889, is now in the bookstores. For ten years Canada's "own and only" Comic Almanac has delighted her people, and this number is decidedly the best of the lot. The calendar pages are unique and ingenious; the double page cartoon, "Irrepressible Tug of War," is first-class, while there are several full page cartoons of no less merit, and any number of side-splitting illustrations. The letterpress is capital reading. Ten cents will secure the book at any newsdealer's—a modest tax for so enjoyable a *melange*, surely.

THE steamer *St. Lawrence* left Summerside for this port on Thursday afternoon last; but at dark, on the same evening, she had only got as far as the Lighthouse in Summerside harbor, where she was stuck for the night. On the following day she succeeded in gaining open water, and reached here in the afternoon. About half-past one on Monday afternoon she started for Pictou. She arrived there, after a rough passage, about nine o'clock, and left there early on yesterday morning, arriving here about half-past ten in the forenoon.

UPWARDS of 20,000 sheep have been shipped from Summerside this season. Of this number Mr. Thomas Drummond shipped over 5,000. Sheep-raising is an important and profitable branch of stock-raising, and it is assuming larger proportions every year. Sheep are easily cared, easily housed and fed, and are, at all times, a cash article. Our farmers are beginning to realize that there is money in sheep, and we expect to see them engage more extensively in raising such valuable stock. The market for them is unfailing, and excellent prices prevail almost without exception.—*Agriculturist.*

A DESPATCH from Port Hawkesbury, C. B., dated the 10th inst., says that John D. M. Carr, eldest son of James H. Carr, preventive officer of Steep Creek, Guysboro, twenty-eight years of age, was drowned from the American schooner *Edward H. Horton*, of Boston, on Sunday, the 25th November, at 6.30 p. m. The vessel was dismasted at Saltcate, and the spare all carried away. The captain and whole crew were drowned except one man. Five of the crew were washed ashore. The remains arrived by train at Mulgrave on Friday, and were interred the same day. Mr. Carr lost another son a year ago by consumption.

HIS GRACE ARCHBISHOP O'BRIEN filed a petition in the Supreme Court on Wednesday, that Rev. E. F. Murphy and Canon Carmody be appointed Trustees of the bequest of the late P. Walsh, which was as follows: "I give and bequeath to the Very Reverend Doctor Hannan the sum of four thousand dollars, to be applied for religious or educational purposes in the outer missions of the province." Archbishop Hannan died before receiving the bequest, and in his will he divided the money in trust to Rev. Canon Power, Very Reverend John Canon Carmody, and Rev. E. F. Murphy, to be applied to the purposes mentioned in conformity with the will. Rev. Canon Power has since died. The matter was heard before Judge Weatherbie at Chambers, and the appointment made in accordance with the petition. Rev. E. F. Murphy and Canon Carmody gave bonds for $4,000 to carry out the trust. The bequest has not yet been paid over.—*Halifax Herald, 14th inst.*

Dress the Hair

With Ayer's Hair Vigor. Its cleanliness, beneficial effects on the scalp, and lasting perfume commend it for universal toilet use. It keeps the hair soft and silken, preserves its color, prevents it from falling, and, if the hair has become weak or thin, promotes a new growth.

"To restore the original color of my hair, which had turned prematurely gray, I used Ayer's Hair Vigor with entire success. I cheerfully testify to the

Efficacy

of this preparation."—Mrs. P. H. Davidson, Alexandria, La.

"I was afflicted some three years with scalp disease. My hair was falling out and what remained turned gray. I was induced to try Ayer's Hair Vigor, and in a few weeks the disease in my scalp disappeared and my hair resumed its original color."—(Rev.) S. S. Sims, Pastor U. B. Church, St. Bernice, Ind.

"A few years ago I suffered the entire loss of my hair from the effects of tetter. I hoped that after a time nature would repair the loss, but I waited in vain. Many remedies were suggested, none, however, with such proof of merit as Ayer's Hair Vigor, and I began to use it. The result was all I could have desired. A growth of hair soon came out all over my head, and grew to be as soft and heavy as I ever had, and of a natural color, *and firmly set.*"—J. H. Pratt, Spofford, Texas.
