

ELIGIBLE MEDICINAL SPECIALTIES.

Among remedies which are always in demand are alteratives, laxatives, and tonics.

We have a most eligible and therapeutically satisfactory line of these, and we claim that our facilities for securing the highest quality of drugs and their preparation are unequalled. We guarantee every unopened package from our laboratory absolutely as represented.

Among these classes of preparations we may commend especially as tonics, Coca Cordial, Pepsin Cordial, Esencia de Calisaya, Weld's Syrup of Chloride of Iron.

Of the alteratives, Syrup Trifolium Compound, Syrup of Hydriodic Acid [2 per cent.].

Among laxatives we have many formulæ. As a general laxative, Cascara Sagrada stands easily first. Many of the laxative formulæ meet special indications.

History, literature, and all experience indicate that Medication has to play its part, and that Nature cannot alone restore lost function. The duty of the doctor to the patient is, in prescribing, to specify drugs the purity of which he can vouch for.

A physician with life dependent upon his efforts, equipped with a thorough medical education, with a full appreciation of the case in hand, and who with reliable drugs could effect a cure, often prescribes his remedies with no knowledge of their manufacture, and therefore of their quality.

We invite correspondence from the profession concerning our products, and will afford all information regarding them desired.
