ACE WON THE FREE-FOR-ALL

New Track Record Made in the Pacing Event on Closing Day at London.

MAMIE CALLAN WON THE RUN.

Miss Al Farrow, a 15 to 1 Shot, Must Have Surprised the Fort Erie Ring.

London, June 21.—This was the third and last day of the London Trotting and Pacing Association's annual meet. Close upon 2000 people were in attendance, the fair sex being well represented. The card for the day was unusually good, the chief interest centering in the free-for-all, which was won by the London horse Ace, owned by Henry Simon. In the second heat of this race the track record, previously held by Ace, was lowered ¾ of a second. He is undoubtedly one of the fastest pacers in America to-day.

Nutapra was easily the best of a field of six in the 2.30 trot, taking the last three heats with something to spare. The 2.25 pace and trot brought out a big field, and was won by the buffalo horse Herald in capital style and without a skip. Frank Sage's good mare, Maude Callan, again captured the running event without difficulty. Weather fine, track fast. Summary:

Gossip of the Turf.

Jockey Fred Taral has gone to ride Adjutant Guard in the American Derby. Mitchell will pilot James in the same race. Both are confident of victory.

The judges at Harlem on Wednesday had good ground for action in the steeplechase. Lord Chesterfield, heavily backed at 7 to 2, and ridden by Flynn, had the race all to himself after the last jump, but his rider mistook the course, and finished in the infield, while an outsider at 20 to 1, Viking, galloped home. Flynn was ruled off the course.

The officials for the Hamilton harness race meeting will be: Frank G. Smith, Buffalo, starter; John Moro, Tilsonburg, judge; George Briggs, Toronto, judge; Dr. TenEyck, Ald. Dunn and H. Davis, timers; John Rattenbury, clerk of the scales; George H. Evans, secretary; John G. Gauld, president of the association; A. A. Lees, treasurer.

The American Derby must be run without a betting ring this year. So declared Mayor Harrison Wednesday before he boarded a train for New York. Corporation Counsel Walker, acting Mayor in his chief's absence, was entrusted with carrying out the order forbidding the selling of pools, and Chief Kipley was instructed to keep the bookmakers in order if all the force of the police department had to be mobilized at the Washington Park track to prevent the laying of wagers.

A peculiar disease has broken out among the horses of Horace Argo, near Nashville, Tenn. It has caused the loss of seven head so far, including old White Nose and Bob L., the latter winner of the Tobacco Stake at Latonia as a 4-year-old; the brood mares Golden Spangle and Miss Lillard, and several colts, the get of White Nose and Bob L. The horses would be all right at night, also in the morning, but shortly after feeding they would be taken sick, their necks swelling greatly and in a short time they would succumb to whatever the disease may be.

The Gallus Kerbstone Brokers.

Altho the horses are not running in Toronto, the betting fraternity are still plying the races. About the warmest corner in Toronto at the present day is Leader Lane and King-street. Any time after the first race is run at Fort Erie you can see a crowd of young men waiting to get the odds and place their bets. There are several convenient places where the coin can be placed, especially with one layer, who gives out the odds and takes the money afterwards in regular pool room fashion. Several days in the past week some good things have been sent over, and the kerbstone brokers around these corners were hit fairly hard.

PONIES WHITEWASH BROWDIES

Montreal the Only Visiting Team to Win and Worcester Was Only a Run Behind.

Toronto went down again before the hoodoo, but Syracuse seems content to stay at the bottom. Montreal was the only visiting team to win, Rochester being covered with a coat of whitewash. Manager Barrow wires that he has signed Derby Day and Clymer to replace Herte at shortstop. It so far has said nothing about Infielder Burns, who was reported coming to Toronto according to the despatches. The record:

At Worcester—Montreal defeated Worcester by timely hitting. In the ninth innings the home team made a great effort to even up, and had two men on bases, but failed to bring a man across the plate. Harry Blake was removed from the game by Umpire Hunt. Barry, loaned to Montreal by Boston, played first base in Dooley's place. International League.

At Chatham—Hamilton administered another defeat to the Reds to-day in a fairly good exhibition. Hard slugging and fast but poor fielding were the order of the day. Both Bradford and Thompson were hit freely and often. The Reds rallied towards the last, but the Hamiltons' lead was too great to overcome. Score:

At Saginaw—Mr. Wiggs essayed to pitch for London, but was so wild that Cooper was called in during Saginaw's half of the second, in which the home team made 8 runs, with only two hits. After the second Cooper held the locals down to four hits. Robb was effective for Saginaw, and the home team played an errorless game, with the exception of Eddy at short, who contributed a couple of bad ones. Score:

Emslie called a peculiar balk on Platt in the first inning. Platt was in the act of delivering the ball, when some one threw a ball into the diamond from the bleachers. Wiley stopped after having raised his arm to pitch, and picked up the ball. Emslie sent Van Haltren to base, and a long kick followed, but "Van" remained on first.—Philadelphia Record.

Yesterday, after 9 innings, at Hanlan's Point the Press Nine only beat them by 10 to 3. Howitt and Good, Evans and Bully were the batteries, and the work was the feature on both sides.

The sale of seats, which began yesterday at Nordheimer's, indicates a record crowd. The plan will remain open to-day and to-morrow morning.
