THE LONDONS BROKE UP.

THE PRIMROSES BEAT THEM BY 8 TO 7.

John Teemer's Defeat by Jake Gaudaur—National Baseball League Games Yesterday—Canada Beaten for the Kolapore Cup.

HAMILTON, July 22.—Once more the Londons have been defeated, and though the victorious team won the game by one run only, still the Forest city men feel their defeat keenly, since they were vanquished by the team which for the past few weeks has been wearily supporting the tail end of the race for the championship pennant.

When the Londoners learned that the match between the Primroses and the Torontos had been postponed until after the reception to the troops they were only too glad to remain in the Ambitious city to-day and play the Prims, because they fancied that the whipping they would give the club with the flowery name would more than eclipse their disastrous defeat by the Clippers yesterday. Their calculations in this respect were far-fetched, and as they drove away from Dundurn after the game their appearance was anything but pleasing. To be beaten so badly by the Clippers was disgrace enough, but then to allow the unlucky Prims to vanquish them was too forcible for their massive frames to carry.

As in yesterday's game, so to-day the great weakness lay in the pitcher's box. The phenomenon Seward did the work, Knight taking centre field. Two men quietly took their bases on balls in the first innings. This enraged "the Kid," but he only threw his balls wider, and Captain Dunn, in order to check the evil in the bud, put himself in the pitcher's box, and sent Seward to second base.

Dunn managed to get his balls in over the plate. This wasn't a very difficult performance, seeing that he delivered straight to the plate without the slightest curve. This just suited the Prims, and as the balls were thrown very swift, even the weakest batters made long hits. This thing was kept up until the first half of the ninth innings, when Seward and Dunn changed to their original positions.

Fred Wood caught for the Prims. His work behind the bat was not near up to his usual standard; during the game he had five passed balls, and it was almost impossible for him to throw to second.

The game was very closely contested throughout, and would have been a most interesting one to spectators had they turned out in any great numbers. The match was too quickly arranged to be properly advertised, and besides, a good many expected it would be a repetition of the old story and preferred to save their quarters for Saturday's match between the Clippers and the Torontos. Their eyes were opened wide with astonishment when they saw that the Prims had succeeded in scoring a victory, and that, too, in a quarter where it was least expected.

Dundas Summer Meeting.

DUNDAS, July 22.—The midsummer meeting at the Dundas driving park may safely be pronounced a success. The number of entries (forty-six) has exceeded the expectations of the promoters of the sport. The weather to-day was favorable and the attendance good.

The first race called was the named trot, for which five horses put in an appearance. Hamlet struck into the lead, closely followed by Dolly Baker, the others strung out in the rear. The race was a sort of procession. The Benton mare was flagged and Dagmar barely saved his distance. In the next heat the relative positions of the leading horses were the same as the first, and Dagmar was flagged. The third heat ended with Hamlet leading by a head, Viola second and Dolly Baker third.

DUNDAS, July 22—$100, named trot.

Time—2.32½, 2.48, 2.53.

For the open run four horses faced the starter: Edmonton, Gen. Spike, Williams and Lucy Lightfoot. Only two heats were run, these being sufficient to decide the event. Williams had matters pretty much his own way for first place. He made beautiful running, and had no difficulty in winning. Lucy did some capital work and won second place.

Trotting, 2.35 class.—Eight horses appeared for this event, and the sport was excellent. Mollie B., Grey Frank and Lady Dafoe were favorites from the start, each being well backed. Mollie B. took the first heat, McIntosh the second, Dafoe the third, and the fourth by an extraordinary piece of ruling was given to Grey Frank, who really came in third, while Dafoe, who had won first place by capital trotting, was set back to seventh place. Of course it will be necessary to have several more heats to decide the race.

John Teemer and Jake Gaudaur.

John Teemer, whom his friends delight to call the boy-sculler, has, a despatch informs us, claimed the championship of America, in default of Hanlan covering his stake of $1250 to row the five matches recently agreed upon. Hanlan has undoubtedly been remiss. He first of all challenges Teemer to the races, then travels to Buffalo and ostentatiously signs an agreement which, within less than a week, he finds a reason for breaking, and subsequently goes in for what irreverent people call hippodroming or circus business and others exhibiting. It cannot be denied that the ex champion oarsman figures somewhat discreditably in the premises. But that does not strengthen the claim of John Teemer of McKeesport, Pa., to the American championship. As a matter of fact he has no conceivable right to the title. His unsavory reputation unfortunately does not disqualify him, but his several defeats by Jake Gaudaur formerly of Atherley, Ont., make his pretensions appear rather ridiculous and presumptive. It is true that in their match on Creve Cœur lake last October Teemer gave Gaudaur five seconds start, but the latter gave the former after the dead heat of the first day more than a five seconds' beating. Teemer made the claim that his boat was damaged and it certainly did have much water in it, but isn't it possible that the alleged damage was purposely done and was the subterfuge of a beaten man? However that may be, the fact remains that at the regatta on the Schuylkill Monday last Gaudaur beat Teemer in what is reported as the fastest time on record. It is said the course was short, but that only affects the time and not the fact that the man who wishes to be known as the heir-presumptive to Hanlan's laurels was beaten on his own waters. After a defeat under such circumstances Teemer must at least meet and conquer Jake Gaudaur before he can fairly be considered to have any legitimate claim on the American championship.

The Longwoods About Beat Montreal.

MONTREAL, July 22.—The cricket match between the Longwoods of Boston and the Eastern association was commenced here to-day. The Montrealers won the toss and went to bat, retiring with 49 runs. Longwood then went in and made 202 before being put out. The match will be continued to-morrow. The Longwoods out-played the home team altogether.

Ottawa Beats Peterboro'.

OTTAWA, July 22.—A cricket match was played to-day on the Rideau hall grounds between the Peterboro' and Ottawa elevens. Ottawa won the toss and sent their opponents to the bat. The Ottawa team obtained a victory, their score being 110 for five wickets, while Peterboro's first innings only produced 81. W. H. Steele for Ottawa made 46.

BUFFALO, July 22.—For the first time since he joined the Buffalos, Wood was ineffective to-day. Not only was his delivery wild, but he gave the Boston bases on balls and they batted him at time quite heavily.

General Notes.

An amateur athletic association is being formed at Belleville.

The craze is spreading. Belleville has a baseball club with fifty members.

Arrangements have been made for a scull race for professionals at Geneva on August 19 and 20.

It will surprise nobody to hear that it is openly charged that Teemer sold out Monday's race, which was won by Jake Gaudaur.

Efforts are now being made to arrange a five-mile race with turn between Hanlan and Teemer, to take place at Oak Point, N. Y., some time during August, for a purse of $2500.

It's asserted among sporting men at Pittsburg that the course over which Jake Gaudaur made his fast time on Tuesday is 430 feet short. It's probable the course will be again surveyed.

Dr. Dwight, president of the United States Tennis association, now in England, is covering himself with glory, having already won three big tournaments. His latest achievement was winning the north of England championship.

Bell's Life says that "there is now so much money to be raced for that blood stock must become more valuable than ever, and fortunate indeed are those who have got a good supply of the material in the shape of stallions and brood mares."

A clergyman and a professional gambler had a bicycle race in Arizona. The pastor's congregation brought a charge of unseemly conduct against him, and he has indignantly resigned. He says that it is folly to erect too high a standard of dignity in a border community; and, moreover, he doesn't believe that the brethren would have complained but for the unfortunate fact that he lost the race.

There have been great yearling sales in England lately, the most prominent having been that of the Blankney stud, at which the famous Hermit is the head. Six colts and four fillies by that horse were sold for an average of 1646 guineas. Among them were a sister of Queen Adelaide, for 3900 guineas; a sister to Shotover, the Derby winner of 1883, for 3050 guineas. During the week the trainer, Robert Peck, invested 14,630 guineas in eleven yearlings.

The brown gelding Kelsie started in a public race for the first time at Goshen, N.Y., last week, where there were three days races. He is nine years old, is the property of J. O. Smith, of Newbury, N.Y., the owner of Edwin Thorne. He beat a field of eight horses with hands down. He never before had a record, and won the 2.45 race in three straight heats. He had only three months training by Smith, who bought him of E. C. Barnes about three months ago. He is a machine trotter, and could have turned the half-mile track twice in better than 2.25 if he had been pushed. Smith paid $450 for the horse, won about $1000 with him at Goshen, and in three months after his purchase sold him to the Preston Brothers of Albany for $3000.

The Cincinnati Sporting and Dramatic Journal probably knows as much about baseball as the London Free Press, London Advertiser, Toronto Globe, Toronto World, and Hamilton Times put together. The Journal had this to say about the Bradley business: Geo. Bradley, the old pitcher of the Athletics, after obtaining permission from President McKnight of the association, went to Guelph, Canada, to pitch for the Maple Leafs, a strong Canadian league team. The Clippers of Hamilton, Ont., were to play the Leafs last week, but when Bradley appeared in the box, every player left the field, the Clipper manager claiming Bradley was not eligible to play, being blacklisted. This is not the case, Bradley was only suspended from the clubs of National Agreement association, and the Leaf manager can play Bradley if he pushes the matter.—Guelph Herald. When the Journal says "Bradley was only suspended from clubs of National Agreement association" it ungrammatically admits everything. There are more things than baseball which the Journal would do well to post itself on.

ART-LOVING SCHOOL TEACHERS.

Two Hundred in Town—Received by the Lieutenant-Governor.

There are at present in the city about 200 teachers, male and female, from high schools, model schools and public schools throughout the province who are attending the five weeks' term at the Toronto art school, so as to be in a position to teach drawing, designing, etc., to their respective charges. Yesterday afternoon Dr. May conducted them to government house, where they were received by Lieut. Gov. Robinson. His honor in person showed them around the building and grounds, pointing out the various features of interest. Afterwards the party assembled in the ballroom, where the governor addressed a few remarks to the teachers, expressing his pleasure in welcoming them and complimenting them on voluntarily giving up their accustomed summer vacation in order to perfect themselves in such a valuable art. Dr. May, on behalf of the teachers, thanked his honor for the kind reception he had tendered them. Minister of Education Ross also made a few remarks. After leaving Government house the party betook themselves to the Zoo, where they were welcomed by Ald Piper, and there they inspected the Gatling gun and other wonders.

Don't Miss This Picnic.

—On Monday, 20th instant, commences the big slaughter sale at the Waterloo House; this is the only word that properly conveys any idea of the reductions that have been made in prices of all classes of goods. Mr. McKendry has been very busy for several days using the blue pencil, and those who want dry goods, fancy goods or milinery should not hesitate one moment as to where they should go to spend their money. Waterloo prices are always away down, but with a reduction of 20 to 25 per cent. off; oh! dear, what a picnic. 246

Another Murderous Revelation.

—Toronto is once more the talk of the dominion, and the Canadian Harness company, 104 Front street, opposite hay market, is the cause; and no wonder. They are selling a $35 harness for $18. The people are wild to think they have been paying $10 to $15 more for a set of harness than it is necessary. They must be alive to the fact now, for the above house is selling about 40 set per week. They make an affidavit that they use nothing but No. 1 stock and all hand stitched. Agents wanted in every town. Send for catalogue. 246

Papa's Baby Boy.

—He was the darlingest blue-eyed 4-year-old you ever saw. He was his papa's only pride, and his mamma's dearest darling. But oh, how mischievous he was. Up to his very chin (and a chubby one it was, too) in real, right down cast-iron mischief. But you had to love him. You couldn't help it. He had a sister, too, a charming little blonde of sweet sixteen, and didn't she just dote on ice cream! She had patronized every store in town, but found none so good and pure as that obtained from the Oaklands Jersey dairy, 131 Yonge street. For sale in boxes, or sent to your house in freezers, in quantities of one quart and upwards.

Jamieson's Decorations.

The decorations which adorn Jamieson's palace clothing house at Yonge and Queen streets arrest the attention of every passer-by. The building is liberally festooned with bunting, and the corners and pillars are intertwined with evergreens. Over the main entrance is mottoed "Welcome hame tae your ain fireside." But by far the most striking feature of the decorations is the large painting which fills the north window. It represents Gen. Middleton and the commanding officers of Toronto's different corps, all mounted, with the Grenadiers and Queen's Own in the rear. Across the top runs the inscription, "Canada forever and Jamieson the clothier." The display is much admired; as a spectator remarked, "You can bet Jamieson never gets left."

Caed Mile Failthe.

—Queen's Own and Royal Grenadier Dineen "the hatter" welcomes you. Your deeds have been noble and your privations great. You led the van to victory and won the thanks of all Canadians. Enjoy your well-earned laurels, and may the honest cheers that greet you to-day enter deep into your hearts. Again I say "Caed mile failthe."

Look Before You Leap.

If you intend purchasing a piano do not leap into a bad bargain for a poor instrument when you can get a good one at a good bargain. Whether you wish to buy or not, call at the rooms of C. H. Bigger, Arcade, Yonge street, and see the famous Hardman piano. Observe its three grand leading points—elegance of finish, richness of tone and durability of structure. These are important hints for your benefit.

A Boom in Picture Framing.

—R. J. Licence, 31 Adelaide street west, calls special attention to his facilities for producing cheap picture frames, picture mats, etc. The public can rely upon obtaining from him all the latest and best styles at the very lowest prices. All his goods are made on the premises and finished by competent workmen. We call special attention to his advertisement in to-day's columns. 14

DOWN THEY COME

Having met with immense success in clearing out the balance of our stock of Boys' Clothing, we have decided to adopt the same plan in regard to our Men's Clothing department. We will therefore offer to-day and all this week the whole of our stock of fine All-Wool Scotch Tweed Suits, worth ten and twelve dollars per suit, for "seven-fifty" per suit.

And all of our fine West of England Tweed Suits and Worsted Suits, worth fifteen and eighteen dollars per suit, for "twelve dollars" per suit. This is a grand opportunity for the citizens of Toronto and throughout Ontario to clothe themselves in good-fitting, well-made garments at a very small expense.
