FATAL RACING ACCIDENT SWEDISH LAD DESTROYED

Jockey McCafferty's Skull Crushed and Both Arms Broken—Results on Six Tracks

New Orleans, March 24.—One of the worst accidents that have marred the history of racing in New Orleans occurred today in the second race at the Fair Grounds. The race was a sixty-five furlong affair for 3-year-old colts and geldings. The field of eleven was about to swing into the stretch when Swedish Lad, running sixth, was jumped on by someone of the horses behind him, and his near hind leg broke. Counter-clier following, fell over Swedish Lad. Jockey McCafferty, who rode Court Crier, was thrown directly in the path of the oncoming horses. Hopeless added to the confusion by falling over Swedish Lad and Court Crier. There was instantly a rush of stable hands to the spot. McCafferty, the only one of the jockeys hurt, was carried to a stable and thence to a hospital. It was found that his skull was crushed in both front and back, that both arms were broken and that he had other injuries. Death is expected at any moment. Swedish Lad was destroyed. No Outlaw Horses.

Memphis, March 24.—A special meeting of the board of stewards of the Western Jockey Club was held yesterday. The following resolution was adopted:

"Resolved, that horses entered in the New Memphis Jockey Club stakes, now closed, be permitted to fill such engagements, and that such horses also be permitted to race in purse events at the coming race meeting of said club."

This action relieves the Memphis track of an embarrassing situation. Several prominent owners who are identified with the recently formed American Turf Association have for years wintered their stables in Memphis. Among these are Capt. S. S. Brown of Pittsburg and Pat Dunne of Chicago. Under the outlaw rule of the Western Jockey Club these horses were barred from participating in other than stake races for which they were entered before the American Turf Association was organized.

It was said that President Bush of the Crescent City Jockey Club would ask for an extension of dates at New Orleans in order to compete with the Corrigan track. It was learned from a reliable source that this question was not brought up at session. The Memphis Jockey Club's spring meeting will begin next Monday.

The Royal Canadians.

The Royal Canadian Football Club, senior champions of the city, will hold an organization meeting Monday night at the club parlors, Broadview avenue and Queen. All players and members are requested to turn out and also any persons wishing to join will be made welcome. The most important business will be to arrange for the game to decide the senior championship of Ontario with the Galt football team, which will be played on Sunlight Park about the second week in April.

MARLBOROS WON 7 TO 6 PLAY FINAL GAME TO-NIGHT

Rowing Club Behind at One Stage 6 to 0—Ice Soft and Game Vigorous.

Winnipeg, March 24.—(Special.)—The Marlboros won the second game of the series from the Rowing Club here to-night before a crowd of about 1000 in a most exciting finish by the score of 7 goals to 6.

The Toronto team started off like winners and completely out-played the locals in the first half, scoring six goals, while the Rowing Club was blanked.

In the second half the locals got going properly and in 20 minutes evened the score by tallying half a dozen goals in a row. The Marlboros in this period seemed as much out-classed as the Rowing Club was in the first half.

Both teams settled down after the score was even and it was not till within 30 seconds of the time that Birmingham scored the goal which won the game for the Marlboros. Ridpath went down the side, passed over to centre and Birmingham took the pass neatly.

The ice was in poor condition and covered with water, but the game was a good exhibition of hockey, despite this, especially in the second half.

Young played a great game for the winners, as did Ridpath and Winchester. Breen, Rawlf and Aldous were the best of the locals. Waghorne of Toronto did good work as referee. The game was characterized by close checking and a number of players were ruled off, including eight Rowing Club men and six of the Marlboros. The third game will be played Saturday night. The teams and officials:

Rowing Club (6): Goal, Quinn; point, Browne; cover-point, Aldous; rover, Field; centre, Breen; right wing, Kennedy; left wing, Rawlf.

Marlboros (7): Goal, Tyner; point, Charlton; cover-point, Armstrong; rover, Young; centre, Birmingham; right wing, Ridpath; left wing, Winchester.

Referee—F. C. Waghorne. Judge of play—Art Smith. Timekeepers—Howard Carper, T. A. Welch. Goal umpires—W. Jeffries, E. Latimer.
