ST. JOHN'S TWICE BEATEN BY THE MARATHONS YESTERDAY

Winter, Williams and Tarbell, the Three Latest Additions to the Greeks Line Up, Played Fast Ball and Made Good with the Fans—Large Crowds Saw the Games.

The Marathons and St. John's played two exhibition games of ball yesterday and both were won by the Marathons. In the morning game the score was 6-3 and in the afternoon 9-1. Yesterday's games afforded the first chance for local fans to see the new men of the Marathon team in action, and they certainly made good. Tarbell, the Indian pitcher, was in the box in the afternoon and he had his opponents guessing at all stages. Three hits were made off his delivery and he made seven men fan the air. Winter, at short and Williams at third, also played great ball. They had two errors each during the day but this was due rather to anxiety to cover too much ground. All the new men showed up well at the bat. From the showing made yesterday the Marathons should prove a very tough proposition to any of the other league teams and a steady improvement in their league standing is now looked for..

The Morning Game.

In the morning game Estey pitched for the St. John's, and was found for 11 hits. Nesbitt was in the box for the Marathons and allowed nine hits. Neither pitcher received the best of support in the morning game. The box score and summary are as follows:

BOSTON GLOBE PAYS TRIBUTE TO HARRINGTON

Yesterday Boston Globe says:—"Another Wakefield boy has entered the big league ranks in Frank A. Harrington, star pitcher on the Boston college team. Harrington leaves today for Pittsburg. He has been sought by a number of big league scouts for some time.

"Harrington has just been elected captain of the Boston college nine for next season. He has just completed his junior year at the college, where he stood high in his classes and won honors. Besides being a popular athlete he has also won distinction for the college in debating circles, being a speaker on the Fulton prize debate and a member of the debating team which defeated Georgetown university at Washington in April.

"Before going to Boston college Harrington played with Holy Cross college of Worcester, making the team in his freshman year and alternating in the box and in the outfield. With Boston college has has lost but two games in two years, both being by one run. He has speed, good control and exceptional coolness, and his friends are confident he will make good in his major league debut.

"Besides his college career Harrington has played considerable semi-professional baseball in and around Boston and in Canada. Last summer he pitched for the St. John, N. B. team, and while there attracted the attention of several major league scouts by his record, with the result that he finally was persuaded to sign with Pittsburg. He has also played with Hopedale and other teams in the Mill league.

"Harrington is the third of his family to enter the professional baseball ranks, all three brothers being pitchers. His older brother, Joe, recently signed a contract with the Detroit team and is now at Newcastle, Penn. He was formerly pitcher and captain of the university of Rochester team. Bill, a younger brother, though only 18 years old, signed this spring with the Lynn team, and is now one of the leading pitchers in the New England league. All three brothers are popular in Wakefield, where they played on the high school and town teams.

TWO GREAT BALL GAMES IN HALIFAX

Special to The Standard.

Halifax, June 22.—Baseball enthusiasts enjoyed two of the best games ever played here, this afternoon. The Socials and Standards met in the morning, the former winning by the score of 1 to 0. This game was very interesting and a good exhibition of inside ball. Isnor, the Social twirler, scored sixteen strike-outs, and his team did not make an error.

The finish of the second struggle was very sensational. The Standards had the Socials blanked 2 to 0 up till the ninth inning, when Captain Copeland slammed out a two bagger, bringing in two runs, tieing the score. In the tenth the Socials captured a lead of two. "Shorty" Trites scored for the Standards in the tenth, and with a man on first base, Trayers, the American twirler, hit a home run, the first of the season, making the final score, Standards 5; Socials 4.

FREDERICTON TAKES TWO GAMES FROM WOODSTOCK

Special to The Standard.

Fredericton, June 22.—The local team won both exhibition games from the Woodstock ball players here today.

A holiday crowd, including the 1,000 school children who took part in the parade this morning, saw the Fredericton baseball team win from Woodstock at Scully's Grove in the forenoon struggle between the two teams.

The final score was 4 to 3, both teams getting three runs in the first inning. After that it was a close and hard fought game, Fredericton landing the winning run in the fifth inning.

While play was exciting at times, the game dragged along so much as to make it tiresome; but the excitement got real ripe in the seventh inning when Wessinger got his base on balls and started to steal second. Griffin pegged down to second, and Malloy got his man when he over-ran his base and kicked the bag away. Umpire Staples called Wessinger out and the player lost his temper so much that he grabbed the bag and threw it out to centre field.

Umpire-in-chief Blair then took a hand and Wessinger was ordered to bring the base back to its proper place. He declined and would not obey Manager Allen's instructions to do as he was told. Then Chief of Police Hawthorne was summoned and he escorted Wessinger to the bench to get his coat, and then took him off the field. The crowd started to swarm on the field and there was lots doing while the fun lasted.

Afternoon Game.

The Fredericton team won the afternoon game with Woodstock by a score of 2 to 0, making a clean-up for the day by the local club. It was one grand game and the big crowd of over 1,000 paid admissions, went home well satisfied with the exhibition. The play was almost a duplicate of last Monday's game, except that it was Woodstock's turn to make the fatal errors just when they would do their opponents the most good. Features of the game were the good pitching and Larry Conley's hitting, base running and fielding and particularly his throw into the plate from left field that nipped Woodstock's best chance to score.
