PATERSON WON THE FINAL.

Macdonell Beaten After Two Extra Sets—Handicap and Doubles.

The final in the open singles was finished yesterday afternoon and resulted in a victory for E. B. Paterson after an interesting match. When rain interrupted the game on Saturday the score was 2 sets to 0 in favor of C. D. Macdonell, and he was looked upon as the probable winner. Yesterday, however, when play was continued, it was soon seen that Macdonell was not in his customary form, and his game was not so accurate as usual, while Paterson, on the other hand, played with increased aggressiveness, and was particularly strong at the net. Tho the score of the sets was not close, the points and games were very keenly contested ,and the victor was hard pressed in every stage of the match.

The handicap and doubles events still continue, and will be completed within a day or two. Yesterday's results :

Final, open singles—Paterson beat Macdonell, 3—6, 4—6, 6—1, 6—2, 6—1.

Saves the Dying

Doctors didn't give Mrs. James long to live—but Dr. Agnew's cure for the Heart foiled them and cured her.

For fifteen years Mrs. John A. James of Wiarton, Ont., was a great sufferer from Heart Disease. For days at a time she was confined to bed, and it seemed as though every breath might be her last. Her physicians said that she might "drop off" any minute. With woman's tenacity in suffering, and believing that "while there's life there's hope," she started using Dr. Agnew's Cure for the Heart. Three bottles cured her.

This remedy relieves in thirty minutes and cures every form of heart disease and nervousness. 26

They hardly recognize their complaint under the pretentious title of Dyspepsia, but they do know beyond a doubt that they have hours of discomfort and that the stomach is the cause. Let such read the experience of Mrs. B. S. Rombough, Cockburn Island, Ont. She says:

"I was troubled terribly with my stomach. I got some of Dodd's Dyspepsia Tablets and they did me good. I think they are a good Tablet, and I would recommend them to all who are troubled with their stomach."

Now that is a simple statement regarding a simple remedy for a simple trouble. It simply tells all who have stomach troubles that they can find relief in Dodd's Dyspepsia Tablets.

Commencing Wednesday Morning, July 13th.

MONTREAL SHAMROCKS GREAT TEAM

How They Beat Brantfords in Last Minto Cup Game.

After their defeat on Dominion Day, the challengers were evidently not discouraged, and immediately took steps to get their men in the best possible condition for the second contest, says a special report of the last Minto Cup game. The Shamrocks had apparently not neglected the very necessary work of getting themselves in a fit shape to defend the cup, which they have held the past three years. The Shamrocks are a better team, without any question. It was thought by some critics that when the champions lost Roddy Finlayson and other players of equal renown it would weaken their team to such an extent that the cup might be in danger. But right here let it be understood that the green-shirted aggregation have a twelve at present that will be a difficult proposition for all clubs who propose to meet them this season. The performance of their goal-keeper, Kinney, who made his first senior appearance in the Montreal-Shamrock match a few weeks ago, was one of the most phenomenal ever witnessed in this city. He stopped shots with his stick, body, legs, arms, face, etc. Another junior, Hogan, who played on the home, amply sustained the first impression he made in the M. A. A. A. grounds. His catching, dodging and accurate passing and shooting met with tumultuous applause from the vast audience. The experiment of the Shamrocks ought to be a lesson to other clubs that it is much better to play juniors than the imported variety. It is not necessary to say of the other members of the champions that they played as if their lives depended on the result. Eddie Robinson, Henry Hoobin, Paddy Brennan, Johnny Brennan, and Harry Smith make a home field that cannot be excelled in Canada. At centre, Johnny Currie fed the home and helped the defence on in a manner that showed him as the premier centre in that difficult position. While probably the defence is not as formidable as last year, the fact remains that the guardians of that portion of Shamrock territory can hardly be improved upon. Big Ken Kennedy, the captain, is still able to gather passes that make the opposing home player feel like 30 cents. Howard, McIlwaine and O'Reilly assisted the big fellow splendidly and handled the celebrated Brantford home to the great delight of their supporters.

As to the Brantfords, their showing was unsatisfactory. The twelve the Telephone City have banded together are probably the strongest aggregation on paper that ever played for a championship. One would think that with such a galaxy of talent it would be only a matter of detail to win matches. But here's where the mistake is made, which has been pointed out in the columns of The Citizen time and again, namely, that it is necessary for a team to play as one man and to work like clockwork. The trated attack on the Shamrock goal showed the weakness of the Brantfords was in the field. This is the part of the garden where matches are won and lost. In today's struggle the Brantford field was very weak, with the result that the defence was called upon repeatedly to defend attacks which, under ordinary conditions, should not have occurred at all. Another defect noticeable on the home field was the time wasted in useless passing, instead of boring in on the goals. At times to-day the home of the Brantfords would keep possession of the sphere for probably five minutes, passing from one to another. This is pretty to look at, but it doesn't win games. That's where the trouble lay and has been the cause of so many games which Brantford has sustained this season. The men on the defence are probably the best that can be procured, but their weakness is in not covering properly.

John White, as usual, was the king pin of the visitors. His work in the first two quarters was of the star order, but in the final stages of the contest he seemed to fade away. Collins, Powers and Smith, Bouttings, Fisher and Needham. Umpires—Johnstone and Carpenter. Attendance—2531.

The Father of Baseball.

Henry Chadwick and P. T. Powers, president of the Eastern League, arrived in the city last night and are staying at the Grand Union Hotel. They will watch the Orangemen's procession to-day and then take in the double-header at Diamond Park, Montreal vs. Toronto. Mr. Chadwick has been a notable figure in American baseball for almost a century. He is 81 years old and stands for all that's good therein. He is called the "father of baseball," but since starting to walk the kid has taken on a lot of bad habits unknown to the sire. Mr. Chadwick is an old cricketer and believes in play as exemplified in the grand old English game, where the umpire's decision is always respected and rowdy tactics are unknown, at least outside Australia. President Powers is glad to be with us. He is proud of his league, pointing to our closest-on-record race of any of the leagues, if Toronto is in the second division. Even Rochester showed last week that she is in the running.
