Doubles By Dunn and Neitzke Won In the Tenth.

Special to The Advertiser.

Saginaw, Mich., July 9.—Saginaw cut Bay City's lead to half a game, winning a pitcher's battle in 10 innings, 2 to 1.

Doubles by Dunn and Nietzke sent over the winning run, with one out, in the tenth. Bay City scored on Heitzman's double and Hegedorn's single in the second, while Saginaw tied it on Jeane's triple and Karpus' sacrifice fly in the fourth.

"Lefty" Carmen allowed five hits in the first two innings, but only two in the last eight, and was never in danger after the second. Saginaw filled the bases in the third, and again in the eighth, but could not score.

O.L.A. DECLARES GROUP GAMES PLAYED VOID

Special to The Advertiser.

Wallaceburg, July 9.—A. St. C. Gordon and Dr. H. A. Taylor returned on Saturday morning from Toronto, where they attended an important executive meeting of the Ontario Amateur Lacrosse Association, held on Friday evening at the King Edward Hotel. The matter of a recent protest by Sarnia against a game recently lost by them to Wallaceburg was fully gone into, and also Wallaceburg's elegibility to play a player named Silk, who had previously signed up for Oshawa this season. Oshawa, just previous to the meeting, released Silk, but the executive decided that owing to all the teams in this group being at fault all the games played so far be declared void, and that the temporary suspension of Wallaceburg be lifted upon the condition that Wallaceburg play neither Smith nor Copperthwaite, another player concerned in the investigation, during the remainder of the series.

The local delegates laid their case openly before the meeting, and admitted that Wallaceburg had been in the wrong. However, the president of the O. A. L. A. was not slow in emphasizing the fact that the association had much to thank the Glass Town for in reviving lacrosse in this part of the country.

Leo Watson Discusses Sale Semi-ready Suits

Says it will go on for Ten Days in the face of an Advancing Wool Market.

R. Leo Watson says that their sale of Semi-ready Suits, starting on Thursday morning at 183 Dundas street, will afford better values than they have been able to offer for seven years—for it is just seven years ago, he says, "When the purchasing power of our dollar began to decline."

"The Suits for Young men which we will offer at $14.75 are not of this season's make, but they are still the style in vogue for the slim and well-dressed Young Man type.

"At $19.75 and $24.75 we will have Suits for Business and Professional men which will save the purchaser from $10 to $15.

"In all cases, the Semi-ready label in the pocket will show the true value. That label prevents any misconception, and is a guarantee which has stood the test of a quarter century of good tailoring by the Semi-ready Shops.

"It is not a case of bargaining or shifty price-making in a Semi-ready store. Nothing can be marked up or more presented for the makers stand behind their product, and will not permit of Latin or Chinese methods in trade.

"Some of our finest Botany Wool Worsteds and Tweeds will be offered at $34.75 during the sales. Suits that cannot be reproduced today under $45.00 and $50.00.

"Of course the Salesman does feel bad when he has not just what his customers would like, and to help each man on the floor satisfy his customer I have marked down the price on 36 patterns of our Special Order Patterns. We will offer Suits to measure at $22.50 and $25.00 that are worth $28.00 and $30.00; and on several of the higher grade cloths we can make custom make Suits at savings of from $7.50 to $10.00—only until the end of the month.

"I regret to state that the fall prices show no decline. Woollen prices have advanced, and King's Own Serges which we can sell today at $45.00 will be $50.00 next season. So that our sale goes on, and our prices are down in the face of an advancing market. —Advt. b'

SPAIN FINDS HOLLAND EASY IN DAVIS SINGLES

Associated Press Despatch.

Eastbourne, England, July 9.—Spain today paved the way to its participation in the finals in the European zone of the Davis cup tournament by winning the first two singles matches of the semi-finals contest with Holland.

The ease with which the Spanish players won presages an early termination of the contest since, if they win in the doubles match tomorrow, play would end, and it would be unnecessary to hold the remaining singles. Holland won only one set of the two matches today, Van Lennep taking the first set from Eduardo Flacquer after the Spaniard had led 3--1. The final score was 5—7, 6—3, 8—6, 6—1.

Count de Gomar gave a brilliant display in bringing down the other Hollander, Vanderleen, 6—3, 6—0, 7—5.

SARAZEN LEADS FIELD IN U.S. NATIONAL OPEN

Chick Evans Only Amateur In First Field of Four To Stay.

Associated Press Despatch.

Inwood, N. Y., July 9.—Gene Sarazen, golf wizard of Briarcliffe Lodge, turned the difficult Inwood Country Club course twice today in 148 strokes, the lowest card of any of the eighteen, led a field of ninety and qualified for the 1923 United States national open championship, to be played Friday and Saturday. The field was the first of four who will attempt to qualify. Sarazen had a 73 in the morning, and 75 in the afternoon.

Those who negotiated the 36 holes in 160 today won places in the final 72-hole plan. Emil Loeffler of Pittsburg, Pa., open champion, set the first low mark for the others early in the afternoon, turning in a card of 152. This was equalled by Francis Gallett, the young Scotch professional, at Port Washington, N. Y., who, with Sarazen, had led in the morning round with a 73, one over par. Jock Hutchison of Chicago got in with a 152.

Of the three amateurs who took part in the tournament today, Charles (Chick) Evans of Chicago was the only survivor, with 158 strokes.

Add Mile Relay To Track Meet

Hamilton C.I. Cracks Appeal For Event August 4.

The L. A. A. A. track committee has added a one-mile relay to the Ontario championships program here Aug. 4, which will start London Old Boys' Week off. It may be surmised that this follows a particularly loud howl from Hamilton, where the half-mile relay race, still on the program, was looked upon as a trap for their world renowned quartet. The addition of the mile event has been heralded forth, and the committee has also appended to the broadcast information the suggestion that other events may be added.

The Hamilton C. I. crew look upon the one-mile relay race as already theirs barring the hazards of getting out of their mountain retreat by train, but it is expected that the local crew will contest it right to the tape with them. Whether or not the locals with only one relay team will try to negotiate the two events, is not yet known, but they'll probably take on the Hamilton crew at the mile, the recognized event of the two.

HAMILTON MAN TAKES BISLEY SWEEPSTAKES

Made Possible—Col. Blood, Veteran, Wins Whitehead Memorial.

Associated Press Despatch.

Bisley Camp, July 9. — Splendid weather conditions prevailed at the opening of the Bisley meet, held under the auspices of the National Rifle Association, but later in the day a strong wind interfered somewhat with the shooting. Canada took one prize today, Sergt. A. E. Paddock of the Royal Hamilton Regiment, Hamilton, Ont., winning the 200-yards sweepstakes with a possible.

The Whitehead Memorial Cup competition, ten shots each with match rifles at 1,000 and 1,100 yards, resulted in a win for Col. Maurice Blood, London, with a total of 92, his score of 48 at the 1,100-yard distance placing him one point ahead of Col. Hofton, another veteran who scored a possible at 1,100.

Fair shooting was in evidence in the Alexandra Turp competition at 200, 500 and 600 yards, several shots at each distance. Cadet Guiness of Cambridge University was the winner with a score of 97. The Cheylesmore Cup for rapid-fire competition, open to one team of four from His Majesty's forces, was won by H.M.S. Excellent of Portsmouth after an exciting contest.

Her Majesty Queen Mary's prize, a squadded competition open to past and present members of His Majesty's forces, and shot in four stages, was won by Capt. G. B. Champion of the First Manchester Regiment.

Open New Quoit Pitch Wednesday

All the old-time quoit players and those desiring to take up this favorite sport should be on hand Wednesday afternoon at Thames Park, when the quoiting grounds will be officially opened. A suitable space has been alloted for this game, and from all appearances this form of amusement is going to make considerable headway in the Forest City.

Many of the older men have been lamenting the fact that there has been no place to indulge in this game, but with the opening of the game at the well-known playgrounds the old-timers promise to teach anyone wishing to learn. Two o'clock till 5 in the afternoon has been reserved for boys, and from 5 to 8 in the evening for the men.

A space of 30 feet has been made for the boys, and 52 feet for the men, and everyone is welcome.

SPORT SNAPSHOTS

RIGHT DOWN In Boston Town

Under the noses of the Red Sox owners.

Manager Tris Speaker of the Indians has signed for a tryout Sidney McMillan, outfielding brother of young Norman McMillan, former Tank, and now a valued member of Chance's outfit. Why the Sox did not grab off the new member of the McMillan family is a mystery.

Sidney, nicknamed "Pete," reported to Speaker direct from Wofford College, Spartanville, S. C., where he hung up an enviable record in four seasons on the diamond. His batting over that stretch was .375, and his fielding was brilliant, if not finished.

He is only twenty-one. He throws and bats right-handed. He played left field in college. Physically he is well proportioned. He stands 5 feet 10 inches high and weighs 155 pounds.

Boss Speaker has two other young outfielders who seem to be making the grade in great shape—Summa and Connolly—but the Gray Eagle can use another youngster. McMillan will get a thorough tryout before being sent away for seasoning.

Golf, Gossip and Golfers

By Miss Cecil Leitch,

Canadian Ladies' Open Champion, 1921.

Thrice Winner of British Ladies' Open Championship.

During the golfing season hardly a day passes without some player being penalized through ignorance of the rules. Ninety per cent of these incidents could be avoided if every player were to become acquainted with the rules, or carry a book of them and refer to it whenever necessary.

The majority of these penalties are incurred on and near the green. Many golfers imagine that the putting green is that part of the ground round the hole which is specially cut and prepared. The correct definition of a "putting green" is "all ground except hazards within 20 yards of the hole."

An Unwise Move.

In stroke competition, it is unwise to approach a hole from anywhere near the 20-yard limit unless the flag stick has been removed previously. Even when a ball played from a bunker within twenty yards of the hole strikes the flag stick there is a penalty of two strokes in stroke competition. In match play, however, there is no such penalty, as the rules allow either side "to have the flag stick removed when approaching the hole."

When in Canada last season, a certain hostess entertained thirty golfing friends by submitting to them twenty questions on the rules of the game. One of these asked the dimensions of the hole. The answers to this question confirmed the general opinion that lady golfers are not good judges of distance. The diameter of the hole is four and a quarter inches and the depth should be at least four inches. Many of us when experiencing one of those days on which the ball refuses to find the bottom of the tin are inclined to find the hole unduly small, but, apparently, your Canadian lady golfer finds putting a simple matter, as nearly every guest gave six inches as the diameter of the hole!

Unhappy Experiences.

There were very few answers to the question: Is is possible to lose a hole without playing a stroke? If so, how?" But this was not surprising, as it is not a very frequent occurrence. James Braid has been the unfortunate victim on more than one occasion. When playing at Walton Heath, his opponent holed his tee shot to the short sixth when Braid was conceding a stroke! History does not record the popular Scot's remark as he walked to the next tee, but it certainly would be appropriate and in keeping with his quiet sense of humor.

Under Rule 18, a player in a team match lost the first hole in a disconcerting manner. Her opponent's tee shot was a decidedly poor one. The ball was hit off the extreme end of the driver, flew off at a tangent and hit the player!

When watching competitors in a stroke competition, I never cease to wonder at the nonchalant way in which the majority of the players putt with the other ball near the line. Should the intervening ball be struck by the player's ball a penalty of one stroke is incurred, but no one need run this risk, as a competitor can always have the fellow competitor's ball removed under such circumstances.

CANADIAN NET TOURNEY OPENS UP AT TORONTO

Bud Thomas Beaten Easily By Arthur Ham of Brantford.

Associated Press Despatch.

Toronto, July 9.—Play in the men's and ladies' open singles in the Canadian Lawn Tennis Association's tournament commenced today on the courts of the Toronto Tennis Club, representatives from all parts of the Dominion participating, in addition to a number of United States players. Many close and interesting matches took place, a number of players showing form which will make them worthy of consideration for places on the Davis cup team.

Ottawa players obtained about an even break on the day's play, G. E. Strike winning a stubbornly-fought contest with W. G. Davidson of Toronto, 2—6, 6—3, 6—1. W. J. Lyons lost to P. E. Wright of Winnipeg, the Western sectional champion, while Bud Thomas was beaten somewhat easily by Arthur Ham of Brantford, 6—11, 6—3. E. C. Condon defeated F. G. Dyke 6—2, 6—1, while H. P. Wright and Reg. Quain both came through without losing a set.
