TO CHASE THE GAS COMPANY

An Association to be Formed to Protect the Consumers of Gas in Toronto.

BETRAYED BY FALSE PROMISES.

More Steps to be Taken to Force the Company to Comply With the Law.

A meeting of a few citizens was held in the Rossin House for the purpose of taking steps to form an association to safeguard the interests of the gas consumers of the city of Toronto. Among those present were: Mr. George Faulkener, H. W. Jocelyn, James Stewart, W. F. Sexton, H. M. East, F. N. Kennin, J. A. McIlwain, H. C. Jones, A. W. Harrison, John MacGregor and others.

Mr. J. A. McIlwain was moved into the chair, and stated that it was apparent there was urgent need for an association to be formed to protect the interests of the gas consumers of this city; that we could not depend upon the Council or Mayor to protect our rights, and we must act for ourselves in this matter.

MacGregor Told How it Was.

Mr. MacGregor was called upon to state the position of the gas consumers' rights, as against the Gas Company, and as to what had been done to protect their interests. Mr. MacGregor stated that everything that had been attempted was in the wrong direction, and that the rights of the consumers had very nearly been lost thru the attempted compromise, and that there was an urgent necessity for the gas consumers to protect themselves.

Betrayed by Promises.

Mr. James Stewart stated that the interests of the gas consumers had been betrayed by those who had pledged themselves to protect them, and that we could depend on no one but ourselves, and that he was heartily in favor of the association being formed, and proper counsel being retained to look after the gas consumers' interests.

Mr. H. M. East also spoke in the same line, and urged immediate concerted action. Mr. Jocelyn, Mr. Sexton, George Faulkener and F. N. Kennin spoke, heartily endorsing the move as being in the right direction. The following resolutions were passed:

To Form an Association.

Moved by H. M. East, seconded by George Faulkener, and resolved, that a committee consisting of George Faulkener, J. A. McIlwain and the mover, be appointed to take the necessary steps to have an association formed of the consumers of gas in the city of Toronto, for the purpose of safeguarding the interests of the Gas Consumers of this city, and collecting funds necessary for that purpose, and that a representative of this association be appointed to act as party plaintiff with the corporation of the city of Toronto in the action brought by the city, and that a share of stock be purchased for him by the association.

Compromise Was Checked.

Moved by H. C. Jones, seconded by W. F. Sexton, that the thanks of the consumers of gas in this city be tendered to Mr. George Faulkener and the others who caused a letter to be written to the Mayor of Toronto, which was instrumental in checking the compromise with the Consumers' Gas Company of Toronto, by which the rights of the consumers would have been sacrificed.

A Fund to Get Justice.

Moved by H. W. Jocelyn, seconded by F. N. Kennin, that Mr. George Faulkener, No. 37 Victoria-street, be appointed treasurer pro tem, to receive contributions from the gas consumers of the city of Toronto, to defray the expenses of calling a public meeting for the purpose of organizing the association of gas consumers of the city of Toronto, and that the gas consumers of the city be asked to form a fund to protect the interests of the gas consumers of this city.

MONTREAL AND OTTAWA SYNOD.

Will Meet in May at St. Andrew's Church, Perth—Subjects to be Discussed.

The Synod of Montreal and Ottawa will meet in St. Andrew's Church, Perth, on Tuesday, May 8, at 8 o'clock.

In addition to the regular business, four special subjects will be laid before the approaching Synod, viz.:

Pastoral Work in Town and Country Under Present Conditions, introduced by Rev. D. Strachan, B.A., Brockville.

The Work of the Board of Management, introduced by John R. Reid, Ottawa.

The Decrease of Interest Among Men in the Christian Life and in Christian Work, introduced by Rev. G. Colborne Heine, M.A., Montreal.

Is Spirituality on the Increase in the Canadian Church? If so, what? If not, why not? Prof. Scrimger, Montreal.

That Automobile Race.

The first great automobile race in America took place on April 14, over a 50-mile course, from Springfield, Long Island, to Babylon and return, and was won by an electric carriage which is described in the New York vapers as "something that looked like a grand piano mounted on wheels fat as cheeses." This was a machine built for racing, and was fitted with double batteries containing 64 cells, instead of the usual number, 20. When one battery was used up it could switch to the other without stopping. It weighed 2500 lbs.

The second carriage was in the regular road model of the locomobile, controlled in Canada by the National Cycle & Automobile Company. This carriage made the remarkable time for the first 25 miles of 58 minutes and 15 seconds, beating the electric carriage that distance by two minutes and a half. The stops required to take on supplies of water, and the strong head wind, which affected it more than the heavier carriages, delayed it upon the home run, and it finished fifteen minutes behind the electric carriage and twelve minutes ahead of the first gasoline carriage. The roads were ordinary country roads, and the run of 25 miles in less than an hour, and of 50 miles in two hours and eighteen minutes, gives some idea of the speed and power of these little steam carriages.

Jarvis-street Baptist Church.

The deacons and officers of Jarvis-street Baptist Church tendered an at home to the choir last night in the parlors of the church. An interesting program, consisting of songs and recitations, was rendered by Miss Dora McMurtry, Miss May Hamlen, Miss Jean Crozier, Mr. F. R. Beatty, Mr. B. Wainwright, Mr. V. Hutchinson, Mr. A. L. E. Davies and Mr. Owen Staples. After the concert the 80 guests present sat down to a banquet, which was presided over by Rev. Dr. Thomas. Short speeches were made by Messrs. R. W. Laird, George R. Roberts, Prof. Tracey, James Ryrie and John Firstbrook.

Since advertising in The World, the business of the Canadian Railway Accident Company has taken an extra jump. This popular company issues the best accident and sickness policies at most moderate rates, and as their payment of claims is both prompt and courteous, this company is deservedly popular. Ralph C. Ripley is district agent, with his office at 44 Victoria-street, Toronto.

The employes of the Gold Medal Manufacturing Company held their first annual at home last night, in St. George's Hall. About 80 couples were present, and all spent an enjoyable time. Prior to the dancing, an impromptu concert took
