Over 200 Sat Down to Mr. Beardmore's Dinner at Walker House.

Over two hundred sat down to the complimentary dinner given to the farmers of York, Scarboro and Etobicoke by George Beardmore, M. F. H., at the Walker House last night. The master was in the chair. On his right sat Mayor Coatsworth and on his left Dr. Andrew Smith, the only ex-master of the Toronto hounds.

During the speech by the master to the farmers, he thanked them for their courtesy in enabling the club to enjoy their sport, and pointed out the good sport was doing for the club.

Mayor Coatsworth also responded with a suitable speech.

To the toasts that followed the following gentlemen responded on behalf of the farmers. Levi Annis, Scarboro; Thos. Armstrong, Forest Hill, and Alf. Cooper, Islington.

Arthur Blight, the well-known baritone, furnished the entertainment for the evening.

OKENITE DISQUALIFIED SET BACK FOR FOULING

Yama Christy Won Steeplechase—Pater Beat Bohemia—Elliott at Nashville.

Washington, April 12.—The first serious trouble of the Bennings meeting occurred to-day in the second race, a 2-year-old event, in which August Belmont's Okenite was made an odds-on favorite. After committing what seemed from the stand to be a palpable foul, Okenite jumped out in front in the first furlong and won eased up at the end by four lengths. He was evidently the best horse in the race. Much grumbling has been heard about fouls in previous races that the judges took this matter under consideration. After a long discussion Okenite was disqualified. Orphan Lad ran second, being declared the winner, with Black Knight second and Bettie Landon third. Summary:

TO-DAY WILL BE LARGEST C.L.A. CONVENTION HELD

Since Association Started—Secretary Hall Received Over Sixty Credentials Last Night.

To-day promises to be the largest C.L.A. convention held yet, judging by the credentials received last night by Secretary Hall, over sixty clubs reporting. Last year there were only eight credentials received by the secretary the night before.

The Iroquois last night was the Mecca for lacrosse men, and the hotel corridors were thronged all evening with candidates, delegates and lacrosse men. Quite a bit of money was bet on the presidential candidates. Orillia and Beaverton forces were down, and each was backing its men. One bet was made $60 even. Miller's friends seemed to have the most money, and late last night were offering odds.

For first and second vice, the candidates were doing some tall hustling.

Of the council candidates, Blaney McGuire of Orangeville and Harry Goodall of Dundalk were first on the ground. They used to play lacrosse for the champion Dufferins of Orangeville.

The past presidents held their annual dinner last night at the King Edward Hotel, at which the present candidates were guests.

The representatives of the seniors held a meeting last night and discussed the sixty and forty per cent. division of gate receipts. Nothing further was done.

Last year's council will meet this morning at 9.30 to finish old business left over from last year. At 10.30 the convention will commence.

Ex-President of C. L. A. Honored.

A pleasant little affair occurred at the King Edward on Tuesday night, when a few old friends met to say farewell to John F. Lennox, who leaves for Cobalt Monday to take up the practice of law and look after his mining interests in the new mining centre. An incident of the occasion was the presentation of a handsome pipe to Mr. Lennox.

The Mr. Lennox has not figured so largely in the public eye of late as his brother, T. Herbert Lennox, M.L.A. for North York. It is due to lack of desire rather than anything else. An able lawyer, he has the happy faculty of making friends and keeping them. Back in the days before West Ontario was wiped out of the map by the government he was offered the Conservative nomination for that constituency, but refused it. He was head of his brother's organization in the memorable fights with Hon. E. J. Davis and made himself so popular in North York that when the Conservatives were looking for a candidate to oppose Hon. A. Aylesworth last fall, he would undoubtedly have been the choice had he not firmly refused to make the race. In sporting circles Mr. Lennox has also been to the front. Starting as a player in the old Barrie lacrosse team, he rose to be president of the biggest sporting organization in Canada, the C.L.A., and made one of the best presidents in the history of that body.

Prominent in his profession, prominent in politics, prominent in sport and popular everywhere, Cobalt will be the gainer by Mr. Lennox's change of residence, and incidentally it might be remarked that the Conservative party in New Ontario will be all the stronger because of his organizing ability and the influence he is sure to acquire.

The boxing promises to furnish a series of bouts which will probably be the best that have been put on this winter, coming as they do between the city championships and the Argonauts' tournament. Sergt. Williams of Varsity has very kindly taken hold of the fencing quartet and sabre contests and it is assured that they will be of the first order. The balance of the program is composed of songs, etc., in which the popular comic singer, Bert Harvey, figures prominently.

A number of noted pugilists are gathered at Los Angeles. Among those at that place are Abe Attell, Jimmy Britt, Aurelia Herrera, Battling Nelson, Kid Herman and Frankie Neil.

West End Senior Athletics.

The senior department of the West End Y.M.C.A. closed one of the busiest seasons of its history, with a fine night's program Tuesday night. About 40 of the men presented themselves for the closing dumbbell drill and the various contests and athletic events. The running high jump and the potato race were run off as a part of the program and constituting the last two events in the indoor championships. Ed. Adams won first, with W. Cook second and Ross Thompson third. In the apparatus contest Johnson, Duff, Steward, Mitchell, Connors and Valentine made the trials. Duff made first place with some well-selected movements well done. Johnson run him very close and only lost by taking some hard movements.

The results of the indoor handicap events were made known. These events have been running all winter and the man getting the most points thru the season with his second and third were given medals each.

Arthur W. Gregory won first, with 15 points; Norman Adams second, with 14, and W. R. Worthington third, with 13. In the collegiate contests, Pentathlon, Rowswell took first, with Ferral and Shepherd second and third.

In the handicap events Harold Jessop took first with Wilbur Baulch and Bert Banks second and third. Mr. Walters of the Central and fencing master for the West End Club, gave a very clever exhibition with the bayonets and swords, with Mr. Baker of the same association. Messrs. Tulley and Campbell gave a splendid exhibition with the broadswords. These men were all from the Central Fencing Club. W. H. Scott and Art. Grossi of the West End Fencing Club showed how well their teacher had trained them in a very short time with a few lessons. The feature of the evening was the obstacle race between the Johnny Cakes and the Harriers, who also tried a tug-of-war. The Johnny Cakes were the better of the two teams and, after a good deal of fun in the different men trying to get over the bars, won from the Harriers by half a lap. The same team won the tug-of-war.

The Tennis Club will meet next Tuesday night. All members are requested to be present as some very important business will be taken up. Any one wishing to join the club this year is requested to send in his name or be present Tuesday night.

The track team will get out early this year and will hold trials next Wednesday night at 6 o'clock or directly after for the Buffalo team. This team will be made up of two 220 men, two 440 men, one 660 man and one 880 man. Every member is requested to get out to try for the trip.

Junior Athletics at West End.

The junior department of the West End Y.M.C.A. had a very successful closing of its winter season Wednesday night, when they presented their program in the auditorium to a good-sized audience. The evening was the most successful the department has ever given and in all lines of work the boys did themselves and their overseers credit. The drills were splendidly executed and Clarence Snell made an excellent leader in the wand drill. Warrington Bros. in their boxing and tumbling made good with the audience in their clever work. Frank Clegg was a favorite with the boys in both appearances on the program and in each he was recalled three times. There's no one like Frank to help out a program and for boys especially. The single stick drill by Rabjohn, Taylor, Sleighthome, Findlay, DeGruchy and Stephens was a very clever exhibition of that line of work, and took well. The group work on the parallel bars, with four boys working at once, was a new feature for association exhibitions and the boys did some very fine team work. Snell and Forgie were leaders, with Harris, Clark, McDonald, McBurney, Turpin and Scaggie. The pyramids are always an interesting feature and those put on Wednesday night were exceptionally good. In two or three of them 30 boys took part at once. The apparatus contest brought out more contestants than any other department, for ten presented themselves for the movement on the horse and parallel bars, the two pieces used for contest work Clarence Snell won first place, with John Forgie second and Harold Clark third. All three were very close and the judges were kept busy distinguishing between them. Turpin, McDonald, Free, Harris, Bolton, McBurney and Howard also took part.

The Richard Rabjohn Shield for indoor athletics was presented to Art Daly for the new boys and Irving Douglas for the old boys. In each grade George Clark and Joe Rabjohn were close seconds. As on previous occasions in the closing number the electric clubswinging by six of the boys was the best number and the most artistic. Snell, Forgie, Findlay, Howard, Aldred and McBurney were the manipulators and their work was without a mistake. The people were delighted with it and, as someone said, professionals could not have done better. The boys will now begin their outdoor sports and games. Altogether this has been a most successful season in every way for the department—a fact very gratifying to those in charge, and should be to the friends and contributors.

$10,000 for Breeding Bureau.

New York, April 12.—The stewards of the Jockey Club to-day voted to appropriate $10,000 to establish a breeding bureau, in order that the quality of horses in New York State may be improved. The project was placed in the hands of H. K. Knapp, chairman; H. T. Oxnard, Clarence MacKay, Thomas Hitchcock, jr., and Harry Payne Whitney. The resolutions on the subject adopted by the stewards state that such a bureau is deemed expedient. It also was stated that many stallions already had been appropriated.

Champions Won at Philadelphia.

Philadelphia, April 12.—The National League season was opened here to-day with delightful weather and an attendance of nearly 12,000 persons. The local club had for its opponents the New York world's champion team. The players, preceded by a band, marched across the field, and all joined in pulling rope which raised stars and stripes to the top of the flagpole. Mayor Weaver tossed the ball from the upper pavilion into the hands of Umpire O'Day. New York outplayed the local team, which, however, fielded sharply at time, and thus held the visitors down to three runs, forcing eight men to be left on bases. Three sharp double plays aided materially in suddenly ending promising innings for the champions. Score:

New York .....2 1 0 0 0 0 0 0 0—3 9 2
Philadelphia ....0 1 0 0 0 0 0 0 1—2 4 3

Cincinnati, April 12.—The Cincinnati baseball season of 1906 was opened today before 17,491 spectators. Mayor Dempsey tossed a ball on the diamond, starting the game. Sportoing Notes.

Jack Palmer has issued a challenge in London to any heavyweight pugilist in the world to fight him for £200 a side and the best purse offered. Palmer prefers to meet Jack O'Brien.

Chief Zimmer, a former Eastern League umpire, is now the manager of the Little Rock Club and he says his team will not wind up the procession this year. Besides himself, Zimmer has three former major leaguers in Anderson, Douglas and McKeen. Zimmer will do a good part of the catching himself.

At the St. Cloud (Paris) races yesterday, W. K. Vanderbilt's Lumineuse won the Prix de Fleury and his Bengal came in first in the race for the Prix de Palaiseau.

Paul Rainey of Memphis, owner of the Lippah Stable, has purchased from Barney Schrieber of St. Louis the 2-year-old colt Horace E. Bannockburn—Miss Lynah, for $17,500. The colt will be taken to New York. Mr. Rainey also has purchased from Keene Bros. their contract of the services of Jockey Herman Radtke, paying $20,000.
