Class Trots Decided After Many Heats—Drivers Changed.

Lexington, Ky., Oct. 18.—The 2.18 trot, three heats of which were held Thursday, proved to be the biggest trotting race of the meeting. There were four heat winners, when at the end of the fifth the others were sent to their stables. As on Thursday, Calbetor was favorite, at $50 to field $37, with one heat to credit. On the back turn, in the fifth heat, Neighbor Girl caught her hoof in a boot and went to the track on her head, Jolly, the driver, being thrown to the outer fence. Neither was seriously hurt. Wonderful Play By Travis.

New York, Oct. 18.—Walter Travis, the amateur golf champion, again demonstrated to-day at the Westbrook Golf Club that he was on the top of his game. A gale swept across the links and made record golfing an impossibility. His opponent in the semi-finals was John M. Ward of the Foxhills Golf Club and formerly famous in professional baseball. They halved 8 holes, then Ward, by a lucky drive, won the fourth hole of 145 yards in 2 to 4. This aroused Travis and to the end he played out in nearly an average of fours—to be exact, in 3 strokes over fours. This was a champion's rate of progress, and Ward, after his lucky fluke, was not able to win a single hole. Travis won by six up and 4 to play. The other contestants were Louis Livingston, the club champion, and Charles H. Seeley of Weeburn, who defeated Travis at Apawamis. Seeley beat Livingstone 2 up.

Travis, the amateur golf champion of the United States for the last two years, yesterday smashed all records, professional and amateur. On Wednesday he won the gold medal for the best score in the qualifying round at medal play, making the four rounds of the nine-hole course (36 holes in all), in 160 strokes. Yesterday in the first and second rounds at 18 holes match play he made the unprecedented score of 154 strokes for the 36 holes, winning both of his matches in 77 strokes each time. Score:

Out	5	4	4	3	4	5	5	4	5—39—
In	4	4	4	3	4	5	5	4	6—38—77
Out	5	3	4	3	4	5	4	4	6—38

FOOT RACE AT THE FALLS.

Well-Backed Unknown Beat Newman—100 Yards in 10 1-5 Sec.

Niagara Falls, Ont., Oct. 18.—James Doble of Toronto, with his friend, William Russell of Fort William, came over to Falls about 10 days ago and matched an unknown 100 yards sprinter against Albert Newman, the Niagara Falls famous flyer, for $100 a side. The race came off this afternoon on the river front road, which drew out about 1000 spectators. Doble and Russell had a barrel of money and backed their unknown down to 5 to 3 favorite.

About $1000 was on the race when the two men toed the scratch. At the pistol shot Newman sprang to the front about a yard, which he increased to three yards lead at the quarter and held to nearly the half, when the unknown, with three or four tremendous strides, passed Newman like a pay car passing a tramp, and it was all over.

The unknown won easily by four yards and the visitors left the Cataract Town with well-lined pockets and broad smiles on their faces, while Newman's backers went direct to their homes, much sadder wiser men. The time is said to be 10 1-5 seconds. The unknown is said to be Billy Barry of Fort William.

AMATEURS VS. PROFESSIONALS.

Frank Bonner's Team Plays the Champion Crescents To-Day.

There is little to choose between the champion Crescent Athletic Club team and Frank Bonner's professionals for to-day's game at the Old Upper Canada College grounds. What advantage the professionals may have in experience is offset by the playing together all season of the amateurs. The team that hits the better even by a very slight margin will win. There will be but little difference in the fielding of the two teams. That the Crescents can hit hard is well known; indeed, there is no better hitting amateur team in the country than they. They have not a single weak sticker in the lot. On the other hand, Brown is conceded to be one of the very finest batters playing professional baseball to-day, while Frank Bonner's prowess needs no exploiting. Bill Blakey is the champion home-run hitter of the City League. In fact, the professionals chose their team on stick work first and fielding afterward. It should thus be a hard day for the pitchers, and chances for sharp, fast fielding will be numerous. It is the last game of the year, and should be one of the very best. The game will be called at 3 o'clock. The teams are:

Professionals—Williams 1b., Bonner 2b., Daly s.s., Rodden 3b., Brown r.f., Blakey c.f., Hardy l.f., Gorton c., Cristall p.

Crescents—Benson, Lalley, Dunlop, Benson, Synge, Shepherd, Rowlan, Fitzgerald, Scott, Armstrong.

The Excelsiors' friends and supporters are requested to turn out in force this afternoon at 3 o'clock at the corner of Palmerston-avenue and Bloor-street to cheer their team to victory in their game with the De La Salles. W Tedford is also playing a good forward game on the Broadview line.

The Crescent Association football team of the Junior City League meet the Givens Old Boys on the latter's grounds, Trinity campus, corner Queen and Crawford-streets, at 3.30 sharp. The Crescents have been strengthened a great deal, and hope to finish in a better place than last year. The following are requested to be on hand at 2.30 sharp: Livingstone, Watt, McClure, Baden, Moore, Bragg, Smith, Chambers, Dowdell, Ledger, Greig, Trickey, Stratton, Lea, Hunter (capt.). STUDENTS MEASURE BRAWN

University of Toronto's Annual Athletic Games on Track and Field.

NEW RECORD FOR POLE VAULT.

A Tie at 9 Feet 10 Inches Decided By Toss of a Coin—Summary of Contests.

The annual field day of the Toronto University Athletic Club was held on the Bloor-street grounds yesterday afternoon before a crowd of about 1000 students, including a number of ladies. The weather was anything but agreeable for either the athletes or the spectators, as both had hard work to keep warm during the afternoon. The program was a long one, and as it was late in starting, the last event was not completed till after dark. The enthusiasm ran high, and as the different competitors landed their prizes they were cheered to the echo by the class or school fellows. The events were all of the keenest and were well filled, as the entry list this season was the largest ever known in the history of these meetings. The championship went to the School of Science, with the arts running a close second, the rest being far behind in points. There was only one record broken, the pole vault. The previous mark was 9 feet 4 inches, made by Parker in '95, and yesterday Dalgleish and Hayden tied at 9 feet 10 inches, each clearing it, but could go no higher. They tossed for the medal and Dalgleish won. Another event decided by a coin was the high jump between Ellwell and Ellis. This pair tied at 5 feet 6 inches, and Ellis won the medal on the toss. The rest of the events were all good finishes.

S.P.S. won the championship with 37 points, Arts had 28 and Dentals had 21. W. Worthington won the individual championship.

Field Officers—Referee, G M Higinbotham; starter, James Pearson; track judges, O Heron, Prof Lang, Dr W P Thompson; field judges, A R Williams, W C Michell, Rev D B Macdonald; timekeepers, W J Suckling, S P Grant, H J Crawford; measurers, L B Stewart, Dr George Porter, Prof. Heebner; clerks of course, H D Graham, W J Hanley; scorers, W B Hendry, E R Patterson; announcer, W C Davey.

Queen City Bicycle Club.

The Queen City Bicycle Club's annual big smoker will be held in McBean's Hall on Tuesday evening next and promises to be a regular old-time bicycle club smoker. The very best variety of talent will be there, and judging from the way in which the boys are holding up everybody they meet to buy a ticket standing-room will be at a premium. The program will be in charge of the following committee: F Bush, H Bush, J Clark, George Sperlan, George Maines, W Spires, Wilson, McFarlan, H Christie, J Christie, W Woodward, Espy, N Christian.

Toronto Canoe Club.

The Saturday evening club nights are now in full swing, and the House Committee have been gratified at the interest shown as evidenced by the large attendance of members. This evening will be the annual match of the Upper Canada College yesterday by 6 to 1, the half-time score being 1 to 0 in favor of the winners. Capt. Lash handled the winning team and Capt. Davidson marshalled the losing boarders. U.C.C. plays at Hamilton to-day.

The Nationals will pick their team from the following for their game with the Westerns at Bayside Park at 3 p.m.: Blewitt, Jones, Lamb, J. Crawford, Ingersoll, Pence, Edmunds, W. McConnell, Redford, Dandy, Slean (captain), Chenliworth, Heffernan, Dumphey, Woods, Johnston, Wrist, Higgins, T. Finn, Grant. The Orioles are requested to be on hand not later than 2.30 p.m.

Capt. Butler has the Victorias in fine trim for their match to-day at 4 p.m. There is a good deal of rivalry between these two teams, and they should attract a large crowd, as they are both playing evenly matched and pretty first-class Rugby. A good game is looked for as the result. The Victorias' line-up will be as follows: Cotton, McWilliams, Butler, Green, Gardiner, Jones, Hodson, Ford, Strathdee, Buckley, Palmer, Webster, Sharpe, McWhirter, Love, Yorke, Sheppard.

A big crowd will doubtless be on hand at the Baseball Grounds to-day, when the Toronto Rugby League's championship double-header will be put on. The two games scheduled are attracting great attention, and all the teams have big followings, who will be on hand to cheer their favorites. The crack Wellesley team will take on the fast Marlboro bunch at 2.30 o'clock, and at 4 o'clock the champion Victorias will clash with the Orioles, who beat Parkdale so handily last Saturday. The rivalry between the teams is intense, and two great struggles should ensue.

The Marlboros will play the Wellesleys to-day at the Ball Grounds at 2.30. They have been greatly strengthened in their back and wing lines, and it is expected will give the Wellesleys the warmest game of the season. All players will be on the grounds at 2 o'clock. The Marlboros will pick their team from the following players: Rogers, Burns, Stonehouse, Gallow, Maclean, Marsden, Mooring, J. Stormont, W. Stormont, Brennan, Welsh, Walsh, Stewart, Caldwell, Playter, Kerr, Severs, W. Levack, J. Levack, Settell, Wilson, Evans, Ferguson, Beauchamp. Players who have not received their tickets will get them at the gate.

BRITAIN AND RUSSIA AGREE.

St. Petersburg, Oct. 18.—The British and Russian governments have come to a complete agreement regarding the Afghan situation.

It is asserted in high diplomatic circles here that, even should complications arise in Afghanistan in consequence of the death of Abdurrahman and the accession of Habib Ullah, these would not lead to concurrent intervention.

AN UNLIKELY STORY.

London, Oct. 18.—"An extraordinary version of the Stone abduction comes to-day from Constantinople," says a despatch from Vienna to The Daily Telegraph. "It is declared in Turkish official circles that Miss Stone sympathizes with the Macedonian committee, and herself agreed to the kidnapping so that the ransom would be paid to the committee. Comment upon this story is quite superfluous."

DIGGER ENTOMBED FIVE DAYS.

Berlin, Oct. 18.—A remarkable rescue was effected to-day at Grimma of a well-digger, who had been entombed since Saturday by the caving in of the soil. The rescuers had the greatest difficulty in digging thru the soil, but the man was taken out at noon alive.

WILL BE THE LARGEST YET.

London, Oct. 19.—The Admiralty has sent instructions to Devonport to prepare for the construction of a battleship larger than any now existing. Her displacement will be 16,500 tons and her length 425 feet. She will be the first vessel of the King Edward class.

THE TEAMS FOR ALL THE GAMES

U.C.C. Day Boys Beat Boarders in Annual Match—Notes of the Game.

To-day's Rugby program will be somewhat smaller than a week ago, as there are no games in the Senior O.R.F.U. The Argonauts and Varsity play for the city championship. The program is as follows:

—Intercollegiate Union.—

Senior—Queen's at McGill.

Intermediate—Varsity at Trinity; R.M.C. at Queen's II.

—Ontario Rugby Union.—

Junior—Limestones at Ramblers; Varsity III. at Toronto II.; London II. at Hamilton III.

City championship—Argonauts at Varsity.

Varsity v. Argonauts.

A great deal of interest centres in to-day's game between Varsity and the Argonauts. Some fancy the oarsmen, while the majority pick the students, as they have shown better team play than the oarsmen. Both teams have been strengthened since last week, and the match should be a fast one. The players are:

Varsity—Back, George Biggs; halves, Beatty, Baldwin, Hendry; quarter, F. Biggs; scrimmage, Campbell, Burnham, McLaren; wings, McCallum, McLennan, Bryce, Gilbert, McLennan, Brown, Chown.

Argonauts—Back, Ardagh; halves, Hardisty, Darling, Stollery; quarter, Britton; scrimmage, Russell, Wright, Boyd; wings, Kent, Love, Parsons, Langton, Grant, Haverson, Lambe, Harcourt, De Lisle, Wilson.

Percy Brown will referee.
