Rochester Beat Buffalo.

Rochester, May 4.—Atherton, with his slow ball, mystified the locals up to the sixth inning, when they hit on him for five singles and a double, which, with a disastrous wild pitch that sent two men home, totalled six runs. Only one run should have been scored off McFarlan, and better fielding by Schelbeck might have prevented that. The day was cold, and there was a raw wind. The score: R.H.E.

The First Day of the Six-Day Bicycle Race.

The pavement and part of the road in front of the Canada Cycle & Motor Company's large window at 24 West King-street was blocked at noon yesterday by curious and interested crowd of people, drawn thereto see the start of the six-day bicycle race between Messrs. Harley Davidson and Sam Young.

Apart from the fact that these are two of the fastest riders now figuring in America, the unique nature of the track used on this occasion, proved a great attraction. This is the sixth of two "home-trainers"—a moveable platform, which takes the place in every particular of the road, but prevents the wheels from moving either forward or backward. The audience were able to tell from dials posted on the front of the home trainers just what progress was being made by the riders.

At the completion of the first hour the bulletin showed Young as having covered 32¼ miles and Davidson 26¾. The riders as arranged, started again at 7 and worked until 8 p.m., the score standing at the completion of the time for the two hours as follows: Davidson 56.4, Young 66.2. The race will be resumed again at 12 noon today. The fact that there is no little bit of rivalry between the riders puts some considerable ginger into the affair.

Lacrosse in Chicago.

Lacrosse is booming in Chicago, and there is every indication that the people of the Windy City will be treated to some capital exhibitions of Canada's national game during the coming summer. Last summer there was one club in existence, and its members had a good time, the most of the games were played away from home owing to the scarcity of clubs in Chicago. Another club has now been organized, and the Shamrocks and Calumets anticipate some warm contests during the season.

Of course, the inception of the game in Chicago was due to Canadians, and as there are quite a number of natives of the Dominion in Chicago, and some of these are by no means novices at the game, the article of lacrosse put up is said to be first-class. Mr. Charles J. Donnelly, a former Montrealer, is secretary of the Calumet Club. Mr. Donnelly was a member of the M.A.A.A. and there is another M.A.A.A. man with him in the person of Mr. G. Cameron. The Shamrock A.A.A. is represented, too, and a photograph of the team shows the smiling face of Jack Kearney, who earned his laurels in a green uniform before he left Montreal. There are other familiar names on the Calumet Club's line-up. G. Clews of Toronto, C. Morrison of Cornwall and H. Doucette of the Crescent Club of New York.

A schedule of games is being arranged between the two Chicago clubs, and each has invitations to play matches at St. Paul, Detroit, Flint, Mich., Pittsburg and Winnipeg.
