LISTOWEL STANDARD.

FRIDAY, APRIL 18, 1879.

TOWN AND COUNTRY.

THE Town Council will meet on Monday evening.

THE Bowman & Freir estate is to be sold by the assignee on Tuesday next, 22nd inst.

GOOD FRIDAY was generally observed in town as a holiday. Quietness and order prevailed.

READ Alex. McKenzie's announcement in another column if you wish to know where to obtain bargains in clothing.

MR. E. WILEY, of Toronto, travelling agent for the Michigan Central Railroad, was in town this week, in the interest of that road.

REV. H. NORRIS preached an excellent sermon on "The resurrection of the dead," in the M. E. Church on Easter evening.

HORSES WANTED.—Wanted to purchase, a span of horses or mares, 3 or 4 years old for farm purposes. Apply to THOMAS PAGE.

Farmers wives and daughters—if you want to make good butter, use the fine Liverpool salt sold by Alex Morrow at the West End Grocery. 12a

BURNT.—The saw mill at Conn's corner, Luther, owned by Robert Hassard, was a few days ago totally destroyed by fire. Total loss $4,000, insured for $2,500.

MR. WM. MCKEEVER'S new butcher stall on Wallace street is kept well supplied with fresh meats of all kinds. He will be happy to wait upon all.

THIS week Mr. C. Hacking, agent for the C. S. R., ticketed Mr Samuel Stewart and wife, and Mrs. Wilson, for Bay City, Mich., and two persons for Buffalo whose names we did not learn.

WINTER wheat in this section looks well. The deep snows do not appear to have injured it. Should the season prove favorable, there is promise of a splendid crop.

PRESENT indications point to a late spring, and weather prophets hold out little encouragement. Vennor says we'll have cold weather during the latter part of this month and on into May.

GUELPH'S GREAT DAY.—The Great Western Railway will issue return tickets to Guelph on Wednesday, 23rd inst., at $1.50 for the round trip. Tickets will be good to return on the following day.

ON Wednesday afternoon of last week Miss Essie Martin entertained a number of her school companions at her father's residence on Wallace street, in commemoration of her birthday. The little folks enjoyed themselves immensely.

MR. A. H. RIDOUT, who has held a position in the Bank of Hamilton here, has been transferred to Georgetown, where he assumes a higher position in the Bank. His many friends here are pleased to hear of his promotion.

While the Czar was taking his usual morning walk in St Petersburg on Monday morning four shots from a revolver were fired at him. He escaped unhurt, and the man who fired was arrested by a number of citizens attracted by the firing.

THE average school boy thinks that "Easter holidays" are a farce, since they have been whittled down to their present fine point. A want of confidence vote in the Educational department would be likely to carry unanimously among the juveniles just now.

SHIPLEY.—The annual Easter Vestry meeting was held in the English Church here on Monday afternoon, Rev. Mr. Cooper presiding. Messrs. Jas. Anderson and Wm. Dalley were appointed Wardens, and Mr. Fred. Himsworth was selected as lay delegate to the Synod.

A BILL having been filed in the Court of Chancery to set aside the will of the late Ann McCabe, for whose death her husband and Dr. Bowers were tried at the last assizes at Woodstock, a verdict has been returned by consent, declaring the will void.

LACROSSE.—A meeting of the Listowel Lacrosse Club will take place at the Dominion Hotel, on Thursday evening, 24th inst., for the purpose of organizing for the season of 1879. Parties wishing to become members, and also the old club, will please make a note of this.

GONE TO WALKERTON.—Mr. C. Tabbener left here yesterday for Walkerton, in charge of the stock of the late firm of D. McFarlane & Co. Messrs. Burrell & Boulton, the present proprietors, intend opening in Walkerton. Mr. T. assumes the management for a time.

CONSERVATIVE ASSOCIATION.—A meeting of the Listowel Conservative Association takes place this (Friday) evening in Martin's hall. It is desirable that there should be a large attendance. An interesting debate will form part of the proceedings. Eight o'clock is the hour of meeting.

FRUIT SOCIAL.—Knox Church congregation propose celebrating the re-opening of the Church with a fruit social, to take place on Friday evening next, 25th inst. The proceeds are to be applied towards paying for the improvements which the building has recently undergone. A pleasant time may be anticipated.

STEEL ENGRAVINGS.—A fine collection of steel engravings are on view at the furniture warerooms of Messrs. Hess Bros. Parties wishing to embellish their rooms with really handsome engravings, should inspect this collection. A large variety of Chromos are also on exhibition, and will be sold very cheap. Call early.

RETURNED.—Last week Mr. Thomas Page returned to Listowel after a year's sojourn in Oregon. His impressions of that country are favorable, but the government of the U. S. he thinks one of the most corrupt of any nation claiming to be Christian and civilized, and its treatment of the poor Indians through its agents a monstrous system of injustice and cruelty.

O. Y. B. HOP.—The Orange Young Britons of Listowel held a social assembly in Osborne's Hall on the eve of Good Friday. The "merrie dance" was heartily indulged in by those present, some forty or fifty couples. The Listowel string band provided the music, and Messrs. Bell & Davidson catered in their usual excellent style to the tastes of the party.

THE days when maple sugar making was the chief avocation of the farmer in the early spring time are bygone indeed, and the almost total absence so far this season of either sugar or syrup does not encourage high anticipations of their ever returning again. Thus are the "sweet" associations of pioneer life in Canada obliterated by the march of civilization.

FARMER'S ADVOCATE.—The *Advocate* is the best purely agricultural paper published in Canada, and in many respects is not excelled even by its more pretentious American contemporaries. The amount of useful information contained in each number, makes it a valuable friend to the farmer, and its yearly subscription, only $1, should not prevent it from entering every farmer's residence in Ontario.

PRINCE Edward Island local elections took place on Wednesday of last week, and resulted in such a defeat of the tariff opponents as to leave them with only four members in the Legislature. It would be well for the Grits to hold their peace after this about the discontent existing in the maritime provinces over the N. P. The people's votes bear incontestible proof of the contrary.

SHADE TREES.—The season for planting shade trees is at hand, and yet we notice little or nothing being done in the matter. Other towns are moving, holidays for the special purpose of planting trees on public streets are being proclaimed, and we should like to see Listowel following suit. No town needs improving in this direction more than does our own, and something should be done at once. Who will take the initiative?

APPRENTICES WANTED.—Three apprentices wanted to learn the Millinery business. Apply to GEORGE DRAPER.

CLOVER AND TIMOTHY.—S. Bricker & Co. have just received an unlimited supply of first quality clover and timothy seed, which they are selling at the very lowest figures. Agricultural, garden and flower seeds also on hand, fresh and pure. Drop into the mammoth Hardware emporium and ascertain the prices.

MESSRS. HESS BROS. are arranging to supply Mr. Brook's Woolen factory with steam from the boilers in their furniture factory. Hess Bros. already furnish the motive power for Moyer & Brick's flouring mills, as well as for their own very extensive machinery. However, as the united strength of their engines amount to 150 horse-power, they might drive half the machinery in town for that matter, and then not exhaust their strength.

PERAMBULATORS.—The nobbiest child ren's carriages ever brought to town are to be found at Michener's book and drug store. Splendidly got up carriages, lined with silk, double C. steel springs, very strong and perfect models of comfort; also infants' perambulators of all kinds, from $8.50 up to $23. Husbands and mothers are invited to inspect our stock.

VESTRY APPOINTMENTS.—At the Vestry meeting of Christ Church on Monday, Mr. W. R. Clayton was appointed Warden for the current year. The appointment of the Incumbent's Warden was deferred until the adjourned meeting to be held on the 28th inst. Messrs. John Campbell and A. Hawkins were re-appointed Sidesmen; the auditors, Messrs. W. Corbould and A. Hawkins, were also re-appointed, and Mr. R. Martin was again chosen lay delegate to the diocesan Synod.

STEAM BREAD.—Messrs Bell & Davidson have secured the sole right of manufacture and sale of Wyllie's Patent Steam Baked Bread, for this town, and the townships of Wallace and Elma. This patent bread has met with great favor wherever it has been introduced; its cylindrical form, sweet, light, and white appearance commend it, and it is also said to contain more life-giving nutriment than bread baked by the old process. Our enterprising bakers are making preparations for manufacturing it on an extensive scale.

REMEMBER the special first-class train leaving Listowel for Manitoba, *via* P. D. & L. H. and Canada Southern lines, April 29th, will run through to St. Boniface positively without change of cars, either passengers or freight. The rate per adult will be $22.75 with 200 lbs. of baggage free to each full ticket. First-class coaches will be provided; one car for every 30 passengers. This train will be in charge of experienced conductors and officials of the several roads. This rate is $1.50 lower than any rate advertised by other line, and parties will be consulting their own interests by joining the train at Listowel. Lowest rates for freight. For further information, write to or call on C. H. Hacking,
12 Gen. Agent P. D. & L. H. Ry.

ENTERTAINMENT.—There was a fair attendance at the temperance entertainment given by the Star of Hope lodge I. O. G. T. in the C. M. Church on Monday evening. His worship Mayor Scott occupied the chair and gave a short address on the temperance question. Rev. A. F. McGregor, T. G. Fennell, Esq., and Rev. J. G. Scott also spoke upon the subject of temperance in an intelligent and interesting manner. Several choruses were rendered by the temperance choir; Mr. George Love sang a solo which did no discredit to his musical abilities; and Mr. W. B. Taylor gave a select reading. A number of names were given in at the conclusion of the entertainment by parties who wished to become members of the lodge.

SPRING EXHIBITION.—Thursday 10th inst., the day appointed for holding the Elma & Wallace Agricultural Society's Spring Exhibition of Stallions, Bulls and seed grain, was one of the worst days of the season, consequently the success of the exhibition was greatly impaired. Instead of the accustomed large influx of people, only a very few persons came into town, and in several instances where entries had been made previous to the date of the show, the animals were not brought in. With the exception of the Stallions, which were comparatively well represented, the Exhibition was almost a failure. It is to be hoped that the Society will be favored with better weather next time. The following prizes were awarded.

Heavy draught horse, 1st and diploma, Peter Scott's Derbyshire; 2nd Aylesworth Long's Bismarck. General purpose, 1st and diploma, John Scott's Sir Walter Scott; 2nd Edward Henry's Young England's Glory. Roadster, 1st and diploma, Andrew Tillie's Capt. Jincks; Blood, 1st and diploma, Thos. McDowell's Gilderoy; Thoroughbred Durham Bull, aged, 1st D. D. Hay, 2 year old do., 1st Andrew Aitcheson; 1 year old do., 1st Jas Perrin, 2nd D. D. Hay; 4 bushels Fife or Scotch spring wheat, 1st Alex Smith; Red chaff, 1st Alex. Smith; Club or Russian, 1st Alex. Smith; New Zealand oats, 1st Jno Ingles; Early rose potatoes, James Kay. Judges—Horses, Robert Turnbull, Stratford; W. A. Martin, Brussels; John Reidell, Buffalo. Bulls, R Turnbull, Geo. Carruthers, W. A. Hingston, Brussels. Grain, John A Climie and Wm. Forbes, Listowel.

LISTOWEL NAGS.—A correspondent from Listowel communicates the following to the *Sporting Times*, anent the horse stock in this vicinity: Mr. R. Hay has purchased a very fine 3-year-old colt, a good mover, and will be heard of in future. Mr. R. Shields has sold the trotting gelding, Great Eastern, to a gentleman in Stratford; consideration private. Mr. J. Lowry's stallion is holding his own among the flyers on the road. Mr. J. H. Barnes' black mare is making the snowballs fly pretty high. Mr. Hodgins', Grand Central Hotel, Gold Dust colt promises to be as speedy as he is fine looking. Messrs. O. Wilson and W. Forbes, of Woodstock, have been added to the list of horsemen here; the former gent has a fine Capt. Tom colt. A match has been made between O. Wilson's Elevator and J. Pelton's Lady Peltour for $100, to be trotted on May 24th. Mr. R. Hay's Judge Durrell yearling colt looks like a good one.

Every Moment's Wonderful Work.

Every moment that we live the work of destruction never ceases among what is scientifically called the "tissues" of which our bodies are composed. Every moment, if we are in health, the work of repairing this destructive process goes on with equal pace. When the vital force is great, more vigor is given to the blood and muscular fibre than the ordinary wear and tear of existence uses up. When the vital force fails from any cause, there ensues a wasting away, which, if not arrested, ends in decay and death. Physicians all declare that when these symptoms of decline set in, the only certain remedy is Cod Liver Oil. But their patients, with almost equal unanimity, say that Cod Liver Oil is "so Nasty" they cannot take it. The only resource left is to obtain **Scott's Emulsion of the Oil** with the **Hypophosphites of Lime and Soda.** This is altogether free from disagreeable taste and odor, and is an unequalled tonic, for the nerves and brain.
