Sir Walter Scott's Tragedy, of Montrose, illustrated by Gilbaugh, New edition of Battle after Flodden, by Thos. Jones Barker.....£150 0 0
Round the rath the people crying, "Tell us all, oh tell us true"
Where are they who went to battle, Randolph, Murray, Douglas to wit?
Where are they, our brethren, children? Have they met the Dragon's lair?
Why that alone, unfollowed? Is it weal, or is it woe?
Like a corpse the grisly warrior looks from out his helm of steel;
Yet no word he speaks in answer, only with his armed heel
Chides his weary steed, and spurred up the city streets they rode;
Fathers, sisters, mothers, children, shrieking, praying by his side.
"By the God that made thee, Randolph! tell us what misfortune hath come?"
Then he lifts his silver banner, and the saker's voice is dumb."

ELEGANT AND INVALUABLE ARTICLES FOR THE TOILET.

BOGLE'S HYPERION FLUID,
FOR RESTORING PRESERVING, AND EMBELLISHING THE HAIR.

The following Certificate, from Dr. Wm. Lewis, one of the most eminent Physicians of Boston, will show the estimation in which it is held by the scientific and learned, being one only of many testimonies.

Boston, Feb. 13, 1847.

Mr. Wm. Bogle.—Sir—The preparation furnished by you for the hair, has been extensively used in my family, and they give it the decided preference over all other compositions of the kind. It keeps the hair in its place, imparts a healthy and delicate tint to all persons, and has produced no any ultimate deleterious effects, which seems to be the result of many well-known popular compositions.

WINSLOW LEWIS.

It is an indispensable article for the ladies, as it keeps the hair in place and curl, and the skin of parting of the hair free from dandruff and scurf. For children, it lays the foundation of a good head of hair.

BOGLE'S AMOLE,
A COMPOUND FOR SHAVING.

This delightful article is totally different and far superior to anything yet invented for shaving. The base oil is derived from the *Amole*, or "soap plant," of California, an article used by the natives of that country for washing; and thus the use of strong alkali so hurtful to the skin, is avoided. Its vegetable and mild properties have the purest and most nourishing effects on the skin.—It soothes and allays irritation, and has a fine, thick, creamy lather, which clings to the skin on the face. It is a decided luxury to be shaved with this incomparable soap. It is done up in elegant style, convenient for the dressing case and the easy traveller, or the toilet of the most fastidious connoisseur.

BALDNESS CURED.

The following is from Seymour R. Barrett, Saratoga Street, East Boston.

East Boston, Feb. 2, 1847.

Mr. William Bogle.—Dear Sir: For several years past my wife has been troubled with baldness on the Crown of the head, above ear or seven inches in circumference.—After repeated trials of other so-called remedies to no purpose, she was induced to try your Hyperion, which she used, and in three months a new growth of hair was produced, which has been increased by the advice of friends, she was induced to use your Hyperion now which, for the purpose of restoring her lost hair, and I am happy to say that its effect has been to cause the hair to grow all over the part affected. She has used only two bottles, and that very sparingly, had she used it freely and more regular, I am convinced that the growth of the hair would have been accelerated. I am, Sir, yours respectfully, BENJAMIN F. BARRETT.

BOGLE'S HEBEAION,
FOR REFRESHING AND BEAUTIFYING THE COMPLEXION.

Eradicates Tans, Pimples, and other eruptions of the skin, and renders it fair, delicate, and blooming. It is equally efficacious in protecting the skin from the sun of summer, and freezing blasts of winter, and is the most luxurious and delicate article of the toilet in fashion.

All the above articles have stood the test of the strictest investigation, and are WARRANTED superior to anything yet introduced.

JUDSON'S
CHEMICAL EXTRACT OF

CHERRY AND LUNGWORT,
FOR THE CURE OF
Coughs, Colds, Hoarseness, Spitting of Blood, Night Sweats, Asthma, Liver Complaints, and
CONSUMPTION.

THE most strongly marked and developed cases of Pulmonary Consumption, when the lungs have become diseased and decayed, and the case so utterly hopeless, as to have been pronounced by Physicians and friends to be past all possibility of recovery, and at times sought to be cut short, have been cured by this wonderful remedy, and are now as well and hearty as ever. It is a compound of medicinal extracts which are peculiarly adapted, and experienced Manufacturers are employed.

COUGHS AND CONSUMPTION.

Its operation is mild, yet effectual; it loosens the phlegm which creates so much difficulty, relieves the cough, and assists nature to expel from the system all impurities by a copious, gentle expectoration, which is a choice in the breathing and chest, and thus, after the production of the very last medical aid, and the unanimous of kind and sorrowing friends and nurses, have tried to give the smallest relief to the Consumptive sufferer.

THIS SAME OLD CONSUMPTIVE

persons have been discovered repeatedly in laying medicines which were said to be *sure* to cure, but which have proved only palliatives; let the medicine be only a palliative, but a *cure for incurable lungs*. It comes in the form of a Syrup, and one bottle will prove astonishing effects better than any assertions or certificates in curing Consumption and decayed lungs, such as *spitting of blood, coughs, pain in the side and chest, night sweats, &c.*

Most 100 certificates of almost *miraculous cures*, performed by this remedy, from some of the first Doctors, Clergymen, and Merchants, have been sent to the subscriber. Let the publication of them books be sufficient for a quacker, I will show them to any person calling at my office. Let the public judge for itself and enough is its own tutor wherever it is tried.

Cure for all.—This medicine is put up in large bottles, and by some has been named the Cure for Consumption, Price $1 per bottle, New York, on the splendid wrapper around the bottle. All orders must be addressed to Comstock & Brother, No. 9, John Street, New York.

TO OWNERS OF AND DEALERS IN HORSES.

CARLTON'S FOUNDER OINTMENT.

CARLTON'S RING-BONE CURE.

For the cure of Ring-Bone, Curb, Spavin, Bone Spavin, Windgalls, and the Highest Medical Honors, &c.

CARLTON'S CONSTITUTIONAL LIVER FOR HORSES

The changes of weather and season, with the change of use and food, have a very great effect upon the blood and system of horses. Hence, at the change of season, they require an assistant to nature to throw off any disorder of the blood of the horse that may have accumulated, and which, if not attended to, will result in the Yellow Water, Heaves, Worms, Botts, &c. All of which will be prevented by giving one of these powders, which will at any time, cure when any symptoms of disease appear, based on time. They purify the blood, remove all inflammation and fever, leave a fine skin, clear at the water, and invigorate the whole body, enabling them to do more work with the same feed. The action of these powders is direct upon all the secretive glands, and therefore have the same effect upon the Horse, the Ox, the Ass, and all herbivorous animals—all diseases arising from, or proceeding from impurity of the blood, are speedily cured by them. Remember and ask for CARLTON'S CONSTITUTION POWDERS, and take no *other*.

CARLTON'S NERVE AND BONE LINIMENT FOR HORSES,

and for the cure of all manner of man or beast that require *external* application, and for *contracted cords*, and *wounds, strengthens weak limbs*, and is also *good against sprains, bruises, subdue gails, swelled legs*, cures of all kinds on Horses.

CARLTONS articles for *Horses* and Cattle are prepared from the recipe of a very celebrated English Farmer, and will cure, in ninety-nine cases out of one hundred, any of the above complaints. They have been used by *Farmers, Livermen, Stage Proprietors*, and others, with the most marked and decided success.

CAUTION.—*None can be genuine unless you find the name of J. Carlton Comstock on the wrapper of each article.*

FOR FEMALE AND MALE.

DR. LARZETTION'S UNCORDIAL, or Preservative Elixir, prescribed as an efficient restorative in cases of Debility, Impotency, or Barrenness, and all irregularities of nature. It is all that is professed to be, viz.: Nature's Great Restorative, and remedy for those in the married state without offspring. It is a certain cure for Seminal Emissions, General Debility, Gleet, Weakness of the Genital Organs, Nervous Affections, Leucorrhœa, or Whites. As an invigorating medicine, it is unequalled. Also, a certain remedy for incipient consumption, Indigestion, loss of Muscular Energy, Physical Lassitude, Female Weakness, Debility, &c. It is warranted to please the user in any of the above complaints, and is of priceless value to those without offspring.

CAUTION.—Find the name of Comstock & Brother on the wrapper, or never buy it—the only genuine has their signature on the wrapper.

CARLTON'S LINIMENT FOR THE PILES, &c.

It is now used in the principal Hospitals, and in the private practice in our country, by an immense number of individuals and families, first and most certainly for the cure of the PILES, and also extensively and effectually as to bodily contusions, under where it appears was suggested—*externally* in the following complaints:—

Fog Dropsy—Creating extraordinary absorption at once.

Sweetness—Reducing them in a few hours.

Rheumatism—Acute or Chronic, giving immediate ease.

Sore Throat—By Cancers, Ulcers, or Colds.

Croup and Whooping Cough—Externally and over the chest.

All Bruises, Sprains, and Burns—Curing in a few hours.

Scalds and Ulcers—Whether fresh or of long standing, and Ulcerations.

In operating upon adults and children, in reducing the tumor overlapping, and lessening coughs and tightness of the chest by relaxation of the parts, has been surprising beyond credulity. The common remark of those who have used it is the *Pain is Gone*. It acts like a charm. It is warranted to please any person that will try it.

Comstock and Brother's Liniment is now with the signature of Comstock & Brother, Proprietors, on the wrapper of the genuine article.

DR. HALSEY'S GUM-COATED
FOREST PILLS.

THESE PILLS are warranted not to contain any Mercury or Mineral whatever. They purge without griping, nauseating, or weakening; can be taken at any time without hindrance from business, change of diet, or danger of taking cold. They neither have the taste or smell of medicine, and are five times more powerful than the Pills in use.

For about time have passed some these great and good Pills were first made known to the public, yet thousands have already experienced their good effects. Invalids prejudiced against these Pills, on account of all Impurities, have found out, and been restored to sound and vigorous health from their use.

Never has any remedy had more reliable and stronger proofs of its good qualities than Dr. Halsey's Forest Pills.

Testimonial after testimonial, showing their great powers of curing in almost every class of disease, have been transferred to us by individuals of unbounded character and respectability. The following is a specimen of testimonials from a respectable and wealthy farmer residing near Utica, New York:—

Every fall, for several years back, I have had much sickness in my family of Bilious Disorders, and Ague and Fever. In the fall of 1848, two of my sons were taken at the same time with Bilious Fever. In former seasons, when sickness occurred in my family, I had always employed a Physician. But at this time, I had two bottles of your Forest Pills in the house, I concluded to try them. I gave each of them one Pill, and gave them a small dose of your Pills more. They soon operated, bringing away a quantity of black and green matter. On the following day they fever had left them, and they both recovered without any more medicine. Since this time I have always kept your Pills on hand, and in all cases of sickness we have used them with the most happy results.

T. S. W. HALSEY. L. A. S. GOODMAN.

HEADACHE.—Too much to be said in recommendation which does not contain that striking poison, Colonel Jo Morrow, guarantee. Halsey's Gum-coated Forest Pills, and avoid all others.

If you desire a mild and gentle purgative, which neither gripes nor sickens, use Dr. Halsey's Forest Pills.

If you would have the best concentrated, as well as the best compounded Sarsaparilla, use Halsey's Sarsaparilla for purifying the blood, obtain *Dr. Halsey's Pills.*

If you would have a Medicine which does not leave the bowels costive, but gives strength instead of weakness, procure *Halsey's Pills*, and avoid Salts and Castor Oil and all common Purgatives.

Parents, if you wish your families to continue in good health, keep a box of *Halsey's Pills* in your house.

Ladies, *Dr. Halsey's Pills* are mild and perfectly harmless, and were adapted to the peculiar delicacy of your constitutions. Procure them.

Travellers and Mariners, before undertaking long voyages, provide yourselves with *Dr. Halsey's Pills*, as a sure and speedy remedy.

Almost every day some new Certificates are received from persons of the highest respectability bearing testimony to the great cures made by

DR. HALSEY'S FOREST WINE AND PILLS!

Certificate of Mr. John Crawford, No. 546, Pearl Street, New York.

This is to certify that on Thursday, June 18, I was attacked with violent spasmodic pains in the stomach, attended with high fever and great thirst. So violent was the pain that I could not keep a spoon full of Halsey's Pills and three bale wine-glasses of the Forest Wine, which gave me immediate relief, and on the following day I was able to attend to my business as usual. I continued the use of the Wine. The good effects I experienced from the Wine and Pills, induced me to try them on my son, who had been wasting away with ill-health and had cough for nearly a year, and tears were substituted for food. He took four bottles of the Wine, and I am happy to say that he has recovered entirely, through the use of your excellent remedies. I gave him one Pill every night, and at the same time a tea spoonful of the Wine three times a day. My own experience, and what I have heard others say who have been benefited by your remedies, gives me the most entire confidence in recommending them to the public. Very respectfully,

J. CRAWFORD, 546, Pearl-st., N. Y.

Hear the testimony of Dr. J. P. Dodge, a celebrated Physician, residing at 264, Hudson Street, New York:—

I have great pleasure in testifying to the virtues of Dr. Halsey's Forest Wine, so remarkably spirited general debility and broken constitutions, and consumption in the last stage of disease, I have administered it with entire satisfaction, and have found it to agree with patients in my family for various complaints. My daughter had been in very feeble health for more than fifteen months—she was very weak, had a dry, tight cough, and had lost her appetite, so much so that I began to consider her in an almost hopeless condition, nothing gave her any relief until I procured Dr. Halsey's Forest Wine. She improved greatly by the use of the first Bottle, and, on finishing the third bottle, she was restored to good health. She is delighted with the Forest Wine, and appears to enjoy the most perfect form of health, every symptom of her complaint having disappeared. I am pleased to avail an opportunity I recommending the Forest Wine, as I believe it to be a most valuable preparation of the Vine, and to be in the Medical Faculty as well as those labouring under disease.

DR. HALSEY'S FOREST WINE

THE discovery of the FOREST WINE is the greatest blessing of the age. Put up in Quart Bottles, Twenty Shillings, it will do more good, and goes farther in the cure of Disease, than ten bottles of any Sarsaparilla in use, and warranted to cure without any unpleasanter weakening effects.

The method by which all Sarsaparillas and other similar medicines are prepared, is by boiling the Roots or Plants to obtain the virtues, which are sentimental virtues are thus principally evaporated and destroyed.

It is not to be wondered at then, that ten and even twenty bottles of Sarsaparilla have been consumed, and without any perceptible benefit. Not so with the Forest Wine! By the construction of a wonderful chemical apparatus, a perfect wine is produced without heating; retaining, at the same time, all the primitive healing properties of the vine, medicinal and invigorating, and perfectly physiologic, rendering the Forest Wine the most efficacious medicine the world ever produced, of the most innocuous and agreeable.

NERVOUS DISORDERS

are diseases of the mind as well as of the body, are usually brought on by indiscretion and dissipation, and are most common to persons of delicate constitutions and active intellectual minds. Love spasms, melancholy, frightful dreams, and all mental symptoms have a different origin than those usually accompany nervous disorders. The Forest Wine is a sure and energetic remedy in these complaints.

Extract of a letter from Mr. Joseph C. Pennington, of Philadelphia, Sept. 7, 1848.

Dear Sir,—Your Forest Wine and Pills have cured my wife of a dreadful Nervous disorder, with which she had been afflicted for many years. Her body was almost covered with sores, and she was frequently delirious, and slept by night frightful dreams, awaking quite exhausted and covered with perspiration, and in a state bordering on the delusion that something dreadful was about to happen to her. By the use of four bottles of the Wine, and a box of the Pills she is now in perfect health. She has regained her flesh and color, and enjoys society as well as ever.

GENERAL DEBILITY, EMACIATION, WASTING OF THE BODY, &c.

Many persons are afflicted with some one of the above complaints, without being able to trace to any particular cause, and therefore delay the use of the proper remedy until the disease becomes consumptional. These disorders are often attributed by a course of smoking, or entire exhaustion after exercise. Some experience singlemess, lassitude, and, at times, paleness or flushing of the countenance or palpitation of the heart, or other symptoms.

The excellent effects which have ever attended the use of the Forest Wine and Pills in every species of debility, is conclusive evidence of its happy results in this class of disorders. Many have resorted to these medicines as an alternative, after other specifics failed, and, by perseverance and trifling, the Wine and Pills are taken according to the directions on the wrapper.

AGUE AND FEVER, OR CHILLS,

are conquered by the numerous certificates flowing from marshes, decayed vegetables, and low damp situations. In Fever and Ague, the Forest Wine and Pills are a sovereign remedy. When they have been taken according to the directions, we have never known them to fail in effecting a complete cure. In the first place, take a large dose of the Forest Pills in time, that their operations may subside before the return chill. The stomach being now well cleansed, take three or four large doses of the Wine, at intervals of half an hour, commencing about two hours before the period for the chill to return. The trembling ague, after which the Wine should be continued in small doses to restore strength. See directions round the bottle.

DR. HALSEY'S GUM-COATED FOREST PILLS

Are an important adjunct to the Forest Wine. They are coated with pure gum arabic an invention for which Dr. Halsey has received the only patent ever granted on Pills by the Government of the United States.

The Forest Wine and Gum-coated Forest Pills unite in promoting the same great end, the Purification of the Blood, and restoration of the Stomach and Bowels.

The Forest Wine and Pills are recommended as an efficient and certain cure in the following complaints:—Dyspepsia, Bilious Costiveness, Dropsy, Complaints of the Kidneys, Incipient Consumption, Decline of general Health, and Feminine Weakness, for which it is a powerful remedy; Languidness, Night Sweats, Nervous Weakness, Want of Appetite, Low Spirits, and want of Nervous Energy; Ague and Fever, which it never fails to cure; Scrofula, Erysipelas, Jaundice, Unhealthy Color of the Skin, Weakly and Impaired Stamina of Constitution.

TO THE LADIES.

Nothing in the world is more absurd than the custom of using paints, washes, &c., to adjustment the complexion. True beauty and loveliness accompany the highest perfection of health, which again invariably follow the regular state of the stomach. What artificial adventitious equal the natural charms of complexion and form, resulting from blooming health! What paints compare with the transcendent beauty of a healthy complexion, shining through the transparent texture of the skin? What charms are more captivating than those of nature, in her highest perfection of health! Let Dr. Halsey's Forest Wine usurp the place of all cosmetics. The use of this excellent Wine for a short time exalts pure rich blood which, coursing through the veins, permeates the whole system, and imparts to the surface of the skin, exclusive of all paints, cosmetics and bloomers, an unequaled, pure, and yet rosy color to the skin, and brilliancy expression to the eyes. THIS IS NATURE'S BEAUTY.

In corroboration of these facts, Dr. Halsey has many testimonials from ladies of the most respectable standing in society.
