GREAT ANNUAL SALE

Trotters, Pacers and Drivers

Wednesday Next, Nov. 14,

AT 11 o'CLOCK SHARP,

When the following splendid collection, in addition to many others, will be disposed of to the highest bidder:

GRETCHEN, 2-13 1-2.

Bay mare, 15.3½ hands high, weighs 1050 lbs., 10 years old, sired by Patterson, 1448, he by Harold, sire of Maud S., 2.08¾, grand sire of Robert J., 2.01¾. 1st dam Fleety, by William Trafford, son of Play Boy, by Robert McGregor, sire of Cresceus, 2.06, the fastest race stallion in the world to-day. 2nd dam Bertha by Denning's Shakespeare; 3rd dam by Highland Wonder. Gretchen got her record in a winning race and has been second in 2.12. She is to-day faster than ever, and can pace a mile in 2.10. She is very steady and wears only quarter boots, no hopples; on the road she is perfect; has been driven half a mile on the New York Speedway in 1.03 to wagon. After her days of usefulness are over what a brood mare she will be, as her breeding is of the very best and she has speed and conformation to go with it. Come and see this mare.

ANNIE SPRAGUE, 2-21 1-4.

Bay mare, 15.3½ hands high, weighs 1075 lbs., 7 years old, sired by Sprague Golddust. Annie is much faster than her record, she can show a quarter in 33 seconds any time. On the 4th of last month she was driven a public mile by an amateur driver, and timed by the judges in 2.16½. There is no doubt she can pace a mile in 2.15 on any good half mile track. She is a fine road mare and one that very few can head.

Both of these mares are very handsome and make a good double team. They are safe for a lady to drive and are sound.

"SUNRISE"—Grey mare, 7 years, 15.3 hands, serviceably sound, kind and reliable in all harness. Mr. William Bishop, New Hamburg, writes: "I handled Sunrise about two weeks and drove her a full mile in 2.29, a half in 1.13, and a quarter in 35 seconds. She can pace very fast on the road and requires neither boots nor hopples. She has no record, and will go her best any time called on." There is no doubt Sunrise can show a 2.20 clip any time.

"GREY SALEM"—2.15½ or 2.16½, grey gelding, 16 hands, sound. Was brought into Canada from Indiana, and was raced under the name of "Dan McPhee." He is a specially fine type of the standard bred horse and is easily handled. Can go his top speed without boots, weights or hopples. Very kind and a grand roadster (pacer).

"CHERRY J."—Bay gelding, 6 years, 15.3½ hands, sound, kind in single or double harness; a very handsome, strong, full-made horse, standard bred. Has had very little training, but has any amount of natural speed and can show a 2.30 clip. Have a ride behind him before the sale.

"BOXER"—Brown cob gelding, 6 years, 14.1 hands, sound, an extraordinarily strong-going, high-actioned trotter, with any amount of snap and guaranteed to drive fourteen miles in one hour. No road too long for this fellow.

"RALEIGH"—Brown gelding, 5 years, 15.2 hands, sound, full brother to Wild Rose, 3-year-old record, 2.22¼, sired by Bonnair, 1st dam old Wild Rose, by Rattler; 2nd dam by "Tom Kimball," 3rd dam by "Thunder." This is without doubt the most cheerful gentleman's roadster we have offered in years. Square-gaited trotter, requires no boots or weights. Good, all-round action, perfectly gentle and can pull two men in a buggy a mile in 2.45 or no sale.

"DAN ROACH" and "TEDDY McGEE"—Matched pair bay geldings, standard bred, by "Texas Jack," 2.19¼, sire of Texas Jack, 2.13¾, second at Fort Erie, in 2.07¼, was timed in 2.08¾; first dam of one is by "Henry Clay," sire of the dam of "Corn Cracker," 2.19¼; "Jack the Ripper," 2.16¾. The dam of the other is by "Grandeur," the sire of "The Swift," 2.08¾. Grandeur's sire was "Grand Sentinel." The pair trotted a full mile together this fall in 2.51, and either can go a mile in 2.40, or better, in single harness. They have extra good action, fast roadsters, 15.2 hands, 5 and 6 years.

"SANDRIEGO"—Standard bred bay gelding, rising 5 years, 16 hands, good-looking and rangy, naturally speedy and well worth training, sired by "Sylviego" (24875), g. sire Egotist (5016), sire of 30 in the 2.30 list, g. sire Electioneer (125), sire of 137 in the 2.30 list. Sandriego's dam is Sandrose, by Sandwich (1181s), by Lord Russell (4677), full brother to Maud S., etc. Sylviego's dam is Sylvia, 2.29, by Stranger, son of Goldsmith Maid.

"JACK"—Chestnut gelding, 7 years, 16 hands, weighs 1200 pounds, kind and gentle in single or double harness, by thoroughbred sire.

"PEARL"—Bay mare, rising 5 years, 15½ hands, sound, extra quality and finish, gentle disposition, prompt; stylish roadster and splendidly broken to saddle, safe for any use, one of the handsomest combination horses we have offered.

"RANDY"—Bay gelding, 6 years, 15 hands, sound, kind and true in single or double harness, sired by "Antevola." This is a phenomenal, double-gaited horse, being able to show a full mile in 2.45 or better, either trotting or pacing as it will, without boots, weights, hopples or changing shoes. Any one can drive him or speed him. For real genuine sport or for long hard drives, it would be hard to find his equal. "Randy" has won eleven first prizes in roadster classes this fall. His natural road gait is twelve miles an hour, trotting.

"PRIMROSE"—Bay roan mare, 6 years, 15.3½ hands, sound, extra well broken, strong, free, fast roadster, sired by "Waldorf," dam by "Tester." This would make an exceptionally useful animal for a doctor requiring a prompt driver that will stand long trips. Splendid feet and legs, and any amount of endurance.

"BRUNETTE"—Black mare, 5 years, 16 hands, sound, except scar on ankle, which does not interfere with her usefulness. A strong, useful, good-looking driver or family horse, free roadster, sired by Joe Stanton.

"JESSIE and BESSIE"—Pair brown mares, rising 6 and 7 years, 15.3 hands, sound, kind in single or double harness. Perfectly matched in appearance and drive together like one horse a mile in 3½ minutes easily. This is an ideal road pair, winners of five first prizes and second at the Toronto Industrial Exhibition this fall in the roadster class; splendid condition and very handsome.

"TRENTON"—Bay gelding, 6 years, 16 hands, sound, extra good action, well-bred and so reliable that any timid woman can drive him with pleasure and safety.

"FLASH"—Black gelding, rising 5 years, 15.2½ hands, sound, perfectly reliable in harness and stable. A fashionable high-stepping cob, that can go a mile in 3½ minutes and do it so nicely that one cannot help liking him. Be sure to try him before the sale, you must ride behind him to know his value.

"POPSY"—Bay mare, 5 years, 15.3 hands, kind in single or double harness, a good looking, well-bred mare. Met with an accident in shipping and is going a little lame now, but may be all right by day of sale. However, she will be sold without any reserve, like the others, whether she is sound or not.

"CARMEN"—Black mare, 5 years, 15.3½ hands, sound, kind in single or double harness or saddle, sired by "Pillariet" (thoroughbred), dam by "Tester." For beauty of conformation and finish, this young mare cannot be beaten. She is positively perfection. Very graceful action; with all her life and snap, she has such intelligence and manners that she is safe to drive in any crowded thoroughfare and is not afraid of steam or electric cars; free, prompt roadster and a fine saddle mare; driven well with Lovelight.

"LOVELIGHT"—Chestnut mare, 5 years, 15.3½ hands, sound, kind and reliable in single or double harness and perfectly city broken. This is a handsome, well-bred young mare, with more than ordinary intelligence, shows her breeding, but is gentle in every way and a great pet, safe to carry a lady. Beautiful rich color and in excellent conditions. See her ridden and driven before the sale. Pedigree will be announced at the sale. "Lovelight" and "Carmen" driven well together.

"FRISK"—Bay Gelding, 6 years, 15.3½ hands, sound, kind in all harness, stylish, well broken, safe for city use, good action, fast, free roadster, accustomed to long drives. One of the hardiest and best horses in the sale. Sired by "Combination."

"BENDIGO"—Bay gelding, 6 years, 16 hands, kind in single or double harness, a big, strong, high-actioned, good-going horse. Suitable for brougham or heavy single carriage; sound, except slight curb, which does not interfere with his work.

"ROCKET"—Black gelding, rising 5 years, 15.2½ hands, sound, kind in harness, splendid action, a strong-going, full-made, good boned horse, of the hackney type. If Rocket gets into good hands he will make a show horse.

"YANKO"—Bay gelding, 6 years, 16.1 hands, sound, kind in harness and saddle, an excellent type for riding.

"SAPIO"—Bay mare, rising 5 years, 15.2 hands, sound, kind in harness, a model cob for matching. A pair like her would sell for a fancy price in any market, as she has a nice free action and good manners.

"MISS SUNDAY"—Bay mare, 6 years, 15.2 hands, sound, by Muckle Wilkes, dam half thoroughbred. Has been ridden continuously for two years and hunted, a capital jumper, pleasant to drive. Has good action, but no experience in harness. Strong, thick mare.

"NIAGARA GIRL"—Bay mare, 6 years, 15.2 hands, sound, fast roadster, splendid action, kind in harness.

"MAJOR AND LASSIE"—Pair bays, mare and gelding, 6 years, 16 hands, sound, kind and reliable in every way, perfectly safe for city use, either single or double, having been used for family driving all this year in Toronto. Extra handsome, stylish, well-bred pair, very fast, free roadsters (docked).

"BANKER"—Bay gelding, 7 years, 16.1 hands, sound, kind and true in single or double harness or saddle, very kind, even tempered horse, suitable for family wishing to ride or drive. Sired by "Mikado."

The Immigration Department at Buffalo Has Complained to De Barry, Who Acts at Once.

Buffalo, Nov. 9.—Pauper Roumanian Jews have been coming to Buffalo in such large numbers that the several Jewish societies here have appealed to Inspector De Barry of the Immigration Department to investigate the conditions, and, if possible, stop further entrance of this class of Jews. They ask him also to cause those now here dependent on others for support to be deported.

The first of these people to arrive at the International Bridge was Israel Peritz, from Roumania, who arrived last night. He said he came here thru the aid of the Baron Hirsch funds. He was at once transported to Quebec by Inspector De Barry.
