FAVORITES WON 3 RACES NINTH DAY AT WOODBINE

Three Favorites, Pluck, 4—1, Burdettte 8—1, Taxman, 12—1, Winners.

There was a continual rain Tuesday during the progress of the races at Woodbine Park that started as the horses were going to the post for the first event. Apart from laying the dust, the wet had little more effect and the track was fast till the close.

Three favorites, one second choice and two long shots were the winners besides Loupanga, that had a walk over for the Fashion Plate. Pluck's win in the first race was more disastrous to the ring than had the victory gone to the favorite. Mr. Daly's friends played her strongly three ways and the mare came fast to the wire for an easy first, Hot second, Echinate, that had show support, third.

Incense was in front all the way in the next, but had to drive to beat Gambrinus, that finished strong. The others were strung out, Como, second choice, finishing behind Miss Karl for the show.

Four to five looked luscious odds against Nimble Dick after the third race was run. Hawkins and Nesto raced for the place.

The Scarboro Steeplechase furnished a fine contest thru the field, the four staying up all the way. Conover led to the last jump, and then Imperialist romped home with the money. The field was strung out at the wire. They were all backed.

Burdette took an early lead for the Dufferin Purse, winning with a lot to spare, while Dr. Gurnsey and the little long shot, Gold Cockade, were fighting it out for second. Termagant was backed as if all were over, but McCafferty had his whip tangled up with another horse just as the barrier went up and he accidentally pulled the favorite up to a standstill.

The old campaigner, Taxman, at 12 to 1, ran around his field like a wild horse in the last race, shooting past Cantaloupe at the ring like an arrow. There was a mysterious tip on Et-tu-Brute, but Dynasty beat him a neck for a show. Cantaloupe's defeat was fortunate for the books, tho some of them paid out good bets on the outsider.

The King Edward Gold Cup is down for decision to-day and Fort Hunter's lightweight should give him an advantage over Claude regardless of the mud.

Amateur Baseball.

The West End Juvenile League will hold a special meeting on Thursday night at 7.30 in M. Brew's cigar store, 1200 West Queen. The following teams are requested to send two representatives: Queen City, Maple Leaf, Victors, Beavers, Independents.

Parker Dye Works would like to arrange a game with some factory team for Saturday. Address Fred Pettiwell, Parker's Dye Works.

Col. Cody leads the Manufacturers' League in fielding. "Col." is certainly a daisy. On Saturday, in the game with R. Watson, with the bases full, he made one of the longest drives seen in North Toronto, scoring four runs and winning the game, and fielded secondarily.

"Red" Bonell, the crack catcher, who has been doing such great work for the Twentieth Century team, has received a tempting offer to twirl for a senior league, and will likely accept. 'Red" is one of the best in the city, and would certainly make good.

The Arctics of the Don Valley League are awaiting an answer to their challenge sent to the Stars of Oakville for a game on July 1. They propose running an excursion if arrangements can be made. There has been a great shake-up in the team, and the Marlboros will certainly have to hustle to win on Saturday. Players will practise on Don Flats on Wednesday and Friday nights. The Arctics are arranging a game with a crack team in Buffalo for July 4. R. Ferris, manager.

City Juvenile Baseball League results for Saturday's games:

Strolers II. 7, White Oaks 6; Annettes 10, Westmoreland II. 7; Hamburgs 8, Markham Clippers 7; Victorias 8, Lakeside 6. The game between the Beavers and Canadians later date.

The Henry K. Wampole ball team would like to get a game on with some manufacturing team for Saturday afternoon. If any team having a permit wants a game the Wampole team would be pleased to accommodate them. Address C. B. Russell, care H. K. Wampole Co., 48 Lombard-street.

English Derby To-Day.

London, England, May 31.—The latest betting on the Derby to be run at Epsom to-morrow is: 7 to 4 on Gouvernant, 4 to 1 on Henry I., 4½ to 1 on St. Amant, 5 to 1 on John o' Gaunt, 12 to 1 on Andover. Other probable starters are Lancashire, Mosqueton, Prince Vladimir, St. Dennis and Orme Shore.

Varsity Cricketers Beaten.

Varsity cricketers batted in poor form against St. Andrews yesterday and all were out for 46 runs. The boys ran up well over the score with a loss of only 5 wickets and thus St. Andrews won by 5 wickets.

Orillia Here Saturday.

There was no practice for the Tecumsehs at the Island last night owing to the rain, but the team will practise every night for the balance of the week to keep in shape for the game with Orillia at the Island on Saturday. In this game Donaldson will make his first appearance with the Indians, and it is likely that there will be one or two more changes in the line up. The team from Orillia is one of the strongest in the C. L. A. and will give the local players a hard argument for the honors. Two old Toronto boys will be seen on the Orillia line up in Wilkinson and Pennock. The game will be refereed by Fred Waghorne, and it should be fast and free from any roughness.

English Amateur Golf Tournament.

London, May 31.—The amateur golf championship contest opened at Sandwich today, in wet weather. There were 104 entries, including half a dozen Americans. Four days will be occupied with the championship games.

In the first round, H. W. Orr beat F. O. Horstman (American) four up and three to play.

W. W. Burton (American), beat Norman Cockell, three up and two to play.

Walter J. Travis beat M. Holden by four up and three to play.

E. M. Byers (American) beat C. E. Dick by two up and one to play. This was one of the most surprising results of the day, as Dick, a Scottish international player, showed great form in the recent St. George's Cup contest. The other Americans did not play in the first round.

Byers beat Asa Peto four up and two to play.

In the second round, D. Emmett (American), beat Gilbert Elliott. Crawford Hutchison beat J. Miller (American). Burton beat A. Cent, and Walter J. Travis beat Rolb by one hole.

Travis' opponent in the second round was James Robb of Glasgow, twice runner-up for the championship, and the American's win was considered to be one of the finest performances of the day. At the turn Travis led by two, which he increased, but he lost his advantage at the twelfth and fourteenth holes. Travis reached the home green with one up and halved the last hole.

Moler and Hutchinson played a close match, which they carried to the home green.

In the third round Travis opposes D. Graham Murray, son of secretary for Scotland, and Byers meets J. Williamson.

The American methods of negotiating stymies by knocking an opponent's ball beyond, while your own is dribbled into the hole, was a revelation to the Britishers.

Basketball.

St. Stephen's Boys' Club basketball team have defeated the Ryerson school five times this season by the following scores: Ryerson at St. Stephens, 24—1; St. Stephens at Ryerson, 6—2, 15—2, 10—7, 10—8.
