The hockey match on Saturday evening last between the Hantsport team and a mixed team from the town and college resulted in a victory for the home team, the score standing 7 to 3. Owing to the very disagreeable state of the weather and roads the attendance of spectators was small. Some parts of the game was quite exciting and at times the play was good. The visitors were evidently out-matched, however, from the start.

The carnival which was to have taken place in Aberdeen Rink on Wednesday evening was postponed until Wednesday of next week on account of the stormy condition of the weather.
