50 Cents For a Book

Send us fifty cents for a 96-page book about **ADVERTISING**. Written by Charles Austin Bates, the most successful and widest known advertising specialist in America. It is made up of practical hints and suggestions. No advertiser anywhere can read it without getting at least fifty cents' worth of information. The chances are that many will get fifty dollars' worth.

This fifty cent book is made up of thirteen chapters taken from Mr. Bates' 700-page book, "GOOD ADVERTISING."

One chapter tells about "Display." Another is about "Pictures in Advertising," showing 25 illustrations. A third treats of "Booklets and Circulars." A fourth tells how much money to spend for advertising. Every chapter is worth more than the fifty cents asked for the book.
