## WHEAT CROP THE BIG TOPIC

### Accounts From the Northwest Are Conflicting, According to Dun's Weekly Review.

### NAIL MAKERS ARE KEPT BUSY.

**Boot and Shoe Shipments Have Fallen Off and Cottons and Woolens Are Lower.**

New York, June 22.—Dun's Review tomorrow will say: The damage to the wheat crop of the Northwest is the event of chief importance. How extensive the loss may prove, in view of widely conflicting accounts, can only be judged from the speculative markets, in which information gathered at the West has caused a remarkable advance at Chicago—15 cents in 10 days—and the price here has advanced 11 cents per bushel, tho for the September option only 9 cents.

**The Closing of Factories.**

The closing of manufacturing works at this season usually has a double meaning. The labor organizations seek in the summer vacation a settlement of wages for the coming year. Last year the gains for products was so great that concessions were readily made, and others later, so that the rate of wages became the highest ever known since the currency was depreciated. There will be time to work off excessive stocks in some lines, and to adjust prices to a new basis for the latter half of the year.

**Rail Works Are Busy.**

In iron and steel progress towards that end was made when the structural floorers a week ago reduced the prices of beams to $1.90 and angles to $1.80 at Pittsburg, leaving only rails and tin plates, which have not been reduced from the highest point. The rail works are crowded far ahead, and the question in tin plates depends largely upon wages. There is a wide range of quotations for merchant steel and lower prices named for pipe have only started the demand a little, as buyers expect yet lower quotations. Minor metals are also quiet, with small transactions. In May production of copper was 22,682 tons, which is smaller than the output in April or March.

**Boots and Shoes.**

The shipments of boots and shoes, only 227,743 cases in three weeks of June, are over 20 per cent. smaller than in 1899, or 1895, and smaller by 10 per cent. or more than in other years. The jobbers still appear inclined to wait, and some manufacturers decline quotations recently named and have closed or reduced force.

**Lower Prices for Cotton.**

Lower prices are again reported for several grades of cotton goods, and are expected for others and buying is thereby retarded. The price for raw cotton has again advanced a quarter during the past week, but without clear indications of increased demand for the supply remaining, or insufficiency of that supply. In woolen goods also, the manufacturers and that the demand fails to answer expectations or to support prices asked at the opening, and some large works are now reported running part time or closing.

**The Failures.**

Failures for June thus far have been $3,612,000 in amount; manufacturing $1,673,243 and trading $1,700,921. Failures for the week have been 179 in the United States, against 178 last year, and 25 in Canada, against 18 last year.

**As Canada is Reported.**

Reports from the Dominion of Canada indicate that while the recent improvement in trade has been sustained, there was no further gain this week, and midsummer dulness is noticed at many points.

Gloomy crop conditions in Manitoba naturally affect general business unfavorably but the outlook is satisfactory for grain growers in Ontario. Halifax reports conditions good and collections fair. Wholesale trade is less active at Montreal, owing to the season, but butter and cheese exports are heavy at advancing prices. Toronto reports crop conditions encouraging, and wholesale trade fairly active. Wholesale and retail trade is fairly active at Ottawa and collections fair. Winnipeg reports that continued drought has seriously affected crops, so that orders for fall delivery will be light and collections. Vancouver reports retail trade decreased by wet weather and collections slow, while at Victoria, indications point to an improvement in the near future for wholesale trade.

### AS BRADSTREET'S SEES IT.

**Weakness Noted in the Iron Trade—A Big Business Being Done in Sugar.**

New York, June 22.—Bradstreet's tomorrow will say:

Midsummer dulness in distributive trade and industry, and further reductions of prices of manufactured goods, particularly iron and steel and raw textiles, but a marked upward movement in nearly all agricultural products, are the leading features of the business situation this week.

Weakness of prices is still the leading feature of the iron trade, and lower quotations are noted for pig iron. Talk of a systematic shut-down of iron furnaces producing for the open market comes chiefly from the South, but while this subject is under consideration the disease is finding a partial cure in the going out of blast of a number of less economical furnaces and the summer shut-down of many mills. The other metals are steady and practically unchanged in price with the exception of tin, which is slightly lower.

**Heavy Business in Sugar.**

A heavy business is doing in refined sugar, and the manufacturers are oversold. A good margin of profit exists in this trade.

Reports from boot and shoe industry are of rather unsatisfactory trade prospects, and leather and hides are rather weak at the east, but strong at Chicago, where heavy purchases for the Philippine army have strengthened the situation.

**Lumber Somewhat Quiet.**

Building demand for lumber is not active, but white pine is relatively firmest. Southern pine is in over-supply in a number of markets. Anthracite coal is in seasonable distribution, while the demand for bituminous continues quite active.

**Unfavorable Wheat Prospects.**

Unfavorable spring wheat prospects retard trade operations in the Northwest, and countermands of orders are reported from North Dakota.

The industrial situation has improved at the west and prospects of a final settlement of the Chicago trouble are brightening.

At the leading canning centres operations are active, but an immense new capacity has developed during the past year, and this with the high prices on plates renders the outlook for prices an uncertain one.

**Wheat Shipments.**

Wheat, including flour, shipments for the week aggregate 4,645,180 bushels, against 4,678,269 bushels last week, 3,746,718 bushels in the corresponding week of 1899, 3,759,410 bushels in 1898. Corn exports for the week aggregate 2,514,555 bushels, against 3,634,205 bushels last week, 2,872,432 bushels in this week a year ago, 3,902,321 bushels in 1898.

Failures for the week number 196, compared with 180 last week, 199 in this week a year ago, 220 in 1898.

**Toronto Reports Are Good.**

Few new features are reported in Canadian trade and orders are seasonably small. Crop reports are not encouraging, but it is yet too early to report on this feature, except perhaps to note that wheat crop reports from Manitoba are very poor and not more than half a crop is predicted from that province. Toronto reports June dry goods sales as heavier than last year, partly because of the throwing of much May business into the succeeding month. Ontario crops are promising better than those farther west. The new 33 1-3 per cent. differential tariff is expected to help British trade. Collections are fair, except from the Pacific coast. Montreal reports collections slow. Halifax reports trade quiet, and Victoria reports a lull in Alaskan demand, while that from the interior has improved. Failures for the week number 28, against 23 last week, 22 in this week a year ago and 19 in 1898.

### GILBERT SEEKS AN INJUNCTION.

**Dramatic Author Proposes to Have Janette Steer, American Actress, Brought to Time.**

London, June 22.—Mr. W. S. Gilbert, the dramatist, applied in the Chancery Court to-day for an injunction to restrain Janette Steer, the American actress, from continuing the production at the Comedy Theatre of the former's play of "Pygmalion and Galatea," on the ground that she had materially altered the business as arranged by him and as it had been played under his direction by other actresses. The hearing of the case was not completed and was adjourned for a week.

**The Bible Conference.**

The attendance at the Bible Conference in the Toronto Bible Training School continues to be good, and the interest in the proceedings seems to increase every day. Rev. Dr. Elmore Harris' series of discourses are proving very popular, as are also Principal Stewart's and Rev. Dyson Hague's. The other speakers, too, are doing a splendid work, and their addresses are thoughtful and full of encouragement.

## YORK COUNTY AND SUBURBS

### Dr. Gilmour, Warden of the Central Prison, Has Passed Thru the Crisis of His Illness.

### FAREWELL TO FATHER DODSWORTH,

**Who Leaves on a Tour of Europe—Fell From a Tree—Death of Mrs. Danbrook.**

Toronto Junction, June 22.—Mr. C. C. James, M.A., Deputy Minister of Agriculture, will deliver a lecture on "The Soil" at a meeting of the Horticultural Society to be held in the Town Hall on Tuesday evening.

Dr. Gilmour, warden of the Central Prison, and a late resident of the town, passed thru the crisis of his illness yesterday, and the symptoms now point to convalescence.

The sports at Toronto Junction to-morrow afternoon include the first baseball match in the Pianomakers' and Manufacturers' League, Heintzman & Co. v. Gerhard Heintzman employes on the Willoughby-avenue grounds, the championship lacrosse match in the Senior City League, Young Toronto v. Shamrocks and the Acmes v. Young Shamrocks.

Judge Ferguson to-day, at Osgoode Hall, on an application by Buntin, Reid & Co., made an order for the winding-up of The York Leader and Recorder Newspaper Co., with head office on Dundas-street here, and appointed J. P. Langley interim liquidator.

**East Toronto.**

East Toronto, June 22.—Mr. Joseph Siemin, G.T.R. brakeman, who was thrown between the engine and first car in Belleville last week, and who, it was thought, had received internal injuries, is quite well with the exception of a sprained ankle.

Rev. Father Dodsworth of St. John's Roman Catholic Church leaves this week for an extended tour in Europe. Prior to his departure the ladies of the parish presented him with many articles useful on the voyage; also an address on behalf of the members of the congregation, which was read and presented by Mr. C. Duke.

The annual picnic and games of the G.T.R. employes will take place at Port Perry on July 17.

Pte. Thomas Johnson of Scarboro, writing from Bloemfontein to friends in the village, is evidently not having a picnic in South Africa, and when he gets home is not likely to go back again.

A quiet marriage took place at the residence of Mrs. Alexander Moffatt on Wednesday evening, when her third daughter, Elizabeth, was married to Edward Armstrong, son of John Armstrong, Woodstock. Miss Minnie Armstrong, sister of the groom, acted as bridesmaid, and Rev. F. Burt officiated.

The garden party in connection with St. Saviour's Church in Merton's grove last night was in every respect a success, the proceeds amounting to over $100. The football match for a cup was rather exciting, and resulted in a victory for Ellesmere over Scarboro by 2 goals to 0. Miss Blaylock, as a gypsy fortune teller; Miss Maggie Currie, as Rebekah at the well, and Miss Moffatt, as flower girl, added greatly to the receipts of the evening. A capital orchestra was in attendance, and dancing was continued under the direction of Mr. S. Toms until a late hour.

The troubles of the men working at the Little York roundhouse, mentioned in these columns about two weeks ago, continue, and eighteen men have recently left their employment in consequence.

**North Toronto.**

Mayor Davis, at the request of Chairman Armstrong, has called a special meeting of Council for to-night to discuss the water problem.

Mr. Monty Thayer, a resident of Glenavenue, Deer Park, fell from a tree on Thursday night and broke his collar bone in addition to receiving numerous other smaller injuries. Drs. Foster and Smith were called in to attend to the unfortunate young man.

A hard-fought and exciting football match between the Newtonbrook Stars and East York resulted in a win for the former by 2 goals to 0.

To-day is the last day for making appeals against this year's published voters' lists.

**Aurora.**

Mrs. Danbrook, wife of Mr. William Danbrook, an esteemed and old resident of the town, died after a short illness yesterday morning. Deceased leaves a husband and four children, William Danbrook, Toronto; Mrs. Eli Braund, Aurora; Mrs. E. J. Moseley, Aurora, and Lillian, in the United States. The funeral ceremony will be conducted by the pastor of the Methodist Church, of which deceased was a lifelong member.

The trouble at the cemetery over the peculiarities of a grave stone has been remedied by painting out the figures that had caused so much attraction.

Town Clerk Lundy has left his duties for a recreation in the vicinity of Lake Simcoe.

The Town Council has decided to make necessary repairs to the Town Hall and improve the seating accommodation at the municipal park.

Four notices of appeal to the final court of revision have been served on the clerk.

The tannery of Mayor Daville has now gained a continental reputation, and during the past few days buyers from England have been inspecting the manufactures with the object of purchase for importation.

The committee of the Sons of England are highly gratified at the prospects of the most successful demonstration that has ever been held in the town. Every portion of the program has been carefully arranged, and the sham battle between Boers and Britons is eagerly looked for. Dominion Day, the date of the event, cannot come any too soon for the satisfaction of hundreds here and in the immediate neighborhood.

**York County News.**

Mr. Franklin Brown of Lloydtown died whilst reading a newspaper which he picked up on coming into the house, after taking a walk in the garden. He was 53 years of age.

Thomas Hanley of Con. 12, King Township, raised a large barn on Tuesday, which went together without a hitch.

The fifteenth annual picnic of the Pottageville Public school brought out 2000 people. Nobleton brass band furnished the music, and there was a good program of sports. The tug-of-war between Kettleby and Bond Head teams was won by the former in a keen contest.

The annual garden party in connection with St. John's Church, Oak Ridges, will be held on the lawn of Mr. George Newberry, Yonge-street, on Tuesday evening next.

Mr. and Mrs. Edwards of Kettleby were upset out of a buggy in a runaway caused by the horse taking fright at a passing bicyclist. Mr. Edwards received some severe cuts and bruises.

Snowball Sunday school will hold their annual garden party on the lawn of Mr. James Andrews, Con. 2, King, next Tuesday evening.

In the presence of 200 people, Archibald Murray was married to Delia May, only daughter of Alfred Defoe, on Tuesday evening at Egypt Presbyterian Church, Georgina, by Rev. J. A. Brown of Scarboro.

St. Stephen's Church, Maple, realized $55 at their garden party. Miss E. Keffer, Mrs. G. Cook and Mrs. V. v. Moore took part in the program, and encores were given by Hope Male Chorus Club.

Mr. John Innes of Aurora, whilst driving a horse which took fright at an electric car, was thrown out of his rig and fractured the large bone in his left leg.

A pleasant evening in music and song was spent at the twenty-fifth anniversary of the wedding of Mr. and Mrs. Frank Cosgrove, Bond's Lake Hotel.

Stouffville's civic holiday will be held on July 11.

Markham will celebrate Dominion Day with a lacrosse match between the crack Iroquois team of Buffalo and Markham, a football tournament between the leading teams of Markham, Pickering, Scarboro, York and King; a baseball match between Lambton Mills and Markham; tree-to-all, three minute trot and pony races.

**Locust Hill.**

Upon Mr. and Mrs. James Dimma's return on Wednesday evening from their wedding tour, they found their home in possession of a large number of friends, who had assembled to welcome Mrs. Dimma to the neighborhood, to congratulate both upon the happy event which had made them one, and incidentally to make it known to the fair bride that she had entered into a life contract with a good fellow—one well thought and spoken of by his fellow men. This program was well carried out. After refreshments had been served, ex-Warden A. Forster was called to the chair. Then followed speeches from the chairman, Dr. Hutchison, Councillor Thomas Beare and ex-Councillor David Annis of Pickering Township, Messrs. Harry Lapp, John Clarry, M. H. Hoover, Albert Lapp and James Boyd, interspersed by selections of music by the Green River band.

The chairman and Councillor Beare assured Mr. Dimma that matrimony was all right, but might possibly interfere with a full and free discharge of his duties as municipal councillor. As they both spoke from actual experience in the premises, their remarks made Mr. Dimma look serious. Dr. Hutchison averred marriage to be a divine institution, outside of which no man should remain. Mr. M. H. Hoover would not willingly be without a partner for a day. Bachelors H. and A. Lapp both promised to get there at the first opportunity. Bachelor John Clarry professed being a little timid over venturing into seas matrimonial. In this connection he failed to mention being under contract to remain for a season in a state of single blessedness. Bachelor James Boyd, however, honestly told them he would not be led by the nose by any woman, and had yet to meet the woman who could tempt him to forego the glorious freedom of bachelorhood. Mr. D. Annis spoke from the ladies' standpoint. All the speakers preceding him had selfishly viewed the matter from the masculine pedestal alone. Mr. A. referred to the loss that had been occasioned by Mrs. Dimma's removal from Scarboro Township, to her work in the Centennial Methodist Church and Sunday school, strongly exhorting her to stand by the faith as laid down by John Wesley in preference to the cold Calvinism of John Knox.

In very felicitous terms Mr. Dimma, for himself and Mrs. Dimma, returned thanks for the congratulations that had been showered upon them.

At a late hour a very pleasant time was concluded by the rendition by the band of God Save the Queen.

# IS it a Good Thing to Take?

This is a question frequently asked about

## Abbey's Effervescent Salt.

Ask the thousands who use Abbey's Salt, and who have tried it and tested it. It cures all disorders of the digestive organs, clears the complexion and is unequalled as a refreshing drink.

The late Dr. John Baker Edwards, Official Analyst for the Dominion Government at Montreal, made a careful study and analysis of this preparation. He wrote over his own signature:

"Abbey's Effervescent Salt contains no ingredient of an injurious or unwholesome character, and may be taken freely as a beverage."

A pamphlet explaining the many uses of this fine preparation will be mailed free on application to the Abbey Effervescent Salt Co. Limited, Montreal.

### Led Mr. W. F. Leflar of Williamsford, Ont., to Use Dr. Arnold's English Toxin Pills.

**He Was, in Consequence, Cured of Nervousness and General Debility—A Case That Shows the Wonderful Power of Dr. Arnold's English Toxin Pills.**

Nine of every ten persons in Canada suffer from nervousness and general weakness of the system. The misery caused by these complaints is immeasurable. Money to the amount is spent every year for medicines for these diseases than would buy out half a dozen millionaires. And yet there is a cure, a simple, sure and permanent one, that costs little and produces an effect that is absolutely unparalleled in the history of medicine. The medicine is known throughout the English-speaking world as Dr. Arnold's English Toxin Pills for weak people. It has the effect of permanently cleansing the system of disease, and it has this effect by killing the germs that cause the disease. Besides killing the germs of disease, it counteracts the poisons (toxins) they create in the blood; it braces the nerves, purifies the blood and revitalizes the whole system. Dr. Arnold's English Toxin Pills are prescribed by many of the most successful physicians in their private practice.

Here is a case that shows the power of this wonderful medicine over nervous and wasting diseases:

"I suffered for months with nervousness and general debility. I was utterly miserable, unable to sleep and constantly in the most depressed spirits. My nerves were twitchy, I had splitting headaches, and was as weak as a child. My family physician, Dr. ——, advised me to use Dr. Arnold's English Toxin Pills. I bought and used three large boxes, which, I am happy to state, cured me completely. I am now hale and hearty, strong and vigorous, sound in every muscle, nerve and limb, thanks to Dr. Arnold's English Toxin Pills. W. F. LEFLAR, Merchant."

Williamsford, Ont.

Dr. Arnold's English Toxin Pills are sold by all druggists, 75c a large box, 25c a small box, or sent postpaid on receipt of price, by The Arnold Chemical Company, Limited, Canada Life Building, 44 King-street west, Toronto.

### BRANDIED CHOCOLATES BARRED.

**London Confectioners Who Sold Them Were Let Off, But Told Not to Do It Again.**

London, Ont., June 22.—Police Magistrate Love gave a decision of more than local interest this morning when he dismissed the case against Restaurantkeeper Kennedy, charged with profanation of the Sabbath by selling ice cream soda water. The Police Magistrate's decision was based on the result of the Toronto case of the Queen v. Alberti, in which Judge McDougall held that ice cream and soda water were foods, and legally saleable.

The cases against three local confectioners who sold "brandied chocolates," and were summoned for violation of the liquor license act, were withdrawn, the Police Magistrate remarking that the sale of brandied chocolates was a clear violation of the law and would be punished in future.

**At Sans Souci.**

The North York Agricultural Society held their annual excursion last Wednesday to Sans Souci, about 300 taking advantage of the cheap trip over the Grand Trunk to Penetang, thence by steamer City of Toronto thru the numerous islands of the Georgian Bay, arriving at Sans Souci about 1 p.m., having dinner at the hotel and leaving for return trip at 3.30. The Newmarket and Reformatory Bands accompanied the excursion.

The Hon. A. S. Hardy is enjoying a few days bass fishing at Sans Souci.
