BIG APARTMENT HOUSE.

A ten-storey apartment house is to be erected on the Murray-street side of the Caer Howell property. George Wright, one of the owners of the property, is now having plans prepared for a 42 suited house. Each suite will have seven rooms.

The Caer Howell property has been frequently mentioned as the probable site for an apartment house or hotel, and as the present plan is to utilize but part of the property, it is possible that this is but the beginning of something even more important than the building at present proposed.

ANTICIPATE AN EARLY COLLAPSE OF REVOLUTION

Continued From Page 1.

vinces of Hupeh and Hunan, the revolutionists appear not to be making much headway. It is now said that the insurgents number at the most 6000 drilled men, together with a few armed auxiliaries.

Strong detachments of troops from Honan have united with the government troops from the north, and a joint naval and military bombardment of the city will probably occur on Saturday. This will be followed by an assault. It is predicted here that the collapse of the revolution is only a matter of days. It will, however, have had the effect of intensifying the agitation for the immediate assembling of a national parliament and of radical reforms in the provincial association system, which the throne will be obliged to accept.

Warships Arrive.

Admiral Sat hCen Ping, according to official announcement, arrived at Hankow to-day with eight warships, and there are not less than a dozen foreign warships lying in the harbor. The British vice-admiral, Sir Alfred L. Winsloe, commander of the British eastern fleet, arrived at noon to-day on the British despatch boat Alacrity. As he is the ranking officer, he may assume command of the combined forces.

Demand Surrender of City.

HANKOW, Oct. 16.—(Delayed in Transmission).—The revolutionists outside Kiukang in the province of Kangsi, 130 miles southeast of here have demanded the surrender of the city.

The foreign women are prepared to leave. Republican soldiers with white arm bands can be seene surrounding Kiukiang. Th Chinese cruiser there is reported to have been deserted.

The missionaries write that Siaokan, 30 miles north of here, is in the possession of the rebels.

BERLIN, Oct. 17.—The foreign office to-night received the following despatch from the German consul at Hankow:

"Hankow quiet. Admiral Sah and 40,000 regular troops arrived. Fighting expected near German colony. Coast steamer with non-combatants has left."

It is believed that all the land lines are down and it is considered fortunate that the powerful wireless systems permit them to connect with Tsaotsing.

Aid From Canada.

MONTREAL, Oct. 17.—Seventeen thousand dollars has been sent by Montreal Chinamen thru the Bank of Commerce to the revolutionists in China. The order for payment is to be presented in Hongkong.

The collection of the money is directly due to the call made by Dr. Sun Yat Sen, who is now in the United States. Mr. Charley Sing, of Montreal, presided over a meeting of Chinamen, at which it was decided to raise all the money to bring about the new order of things in China.

Piles, Fissures, etc., successfully treated without an operation. Write for free booklet and references, Dr. Hawke, 21 Wellesley-st., Toronto. 8

HAMILTON HAPPENINGS

CITY WILL BE DIVIDED INTO 2 POLICE DISTRICTS

Will Necessitate Appointment of Another Detective and About Fifteen Patrolmen.

HAMILTON, Ont., Oct. 17.—(Special.)—The long-deferred division of the city into two police districts will take place next Monday, when the new Sherman-avenue station will be opened as the headquarters for the eastern division, with Inspector Coulter, who has been promoted from the position of detective, in charge. The western division will be in charge of Deputy Chief of Police Whately. Sergts. Campbell and Hawkins and Patrol Sergts. May and Gibbs will be attached to the east end station. Sergts. Tuck and Bettles, who were recently promoted from the ranks, will remain in the west.

The reorganization of the police force will make necessary the appointment of another detective, as well as about 15 patrol men.

Wife Beater Sentenced.

Mike Seban, the foreigner charged last week with brutally beating his wife because she refused to provide him with money with which to leave Hamilton, was sentenced to two months in jail this morning by Police Magistrate Jelfs. The cadi had evidently entertained the notion of having the lash applied to Seban, and told the foreigner if he was again brought up on such a charge he would not get off so easy.

George Kennough, whose name has been so closely connected with the $8000 express robbery case, appeared before Judge Monck in county court this morning, on the charge of stealing $15 from his former employers, the Canadian Express Co. His counsel, W. H. Wardrope, K.C., declined to elect, and the prisoner was remanded for an indefinite period. The date of his trial will be set probably by agreement between his counsel and the crown attorney.

It is said that Kennough's wife and child are in needy circumstances. They live in Dundas, Kennough's former home.

Many Assessments Appealed.

Six hundred and ninety-nine appeals have been entered against the assessments recently completed on Hamilton property. This is nearly 300 fewer appeals than were made against last year's assessment figures, and the conclusion is drawn that the assessors this year have, therefore, done their work in a more satisfactory manner. The assessment commissioner is among the applicants this year, he not being satisfied in the case of some property owned by J. J. Scott, which was put in at $1000 an acre, while the owner refused to sell at three times that price to the board of education.

Hotel Hanrahan, corner Barton and Catharine-streets, Hamilton, conveniently situated and easily reached from all parts of the city. Erected in 1906. Modern and strictly first-class American plan. Rates $1.50 to $2.00 per day. Thos. Hanrahan, proprietor. 'Phone 1465. 135

RUSSIAN PRINCE ASSASSINATED.

NOVO TCHERKASK, Russia, Oct. 17.—Prince Troubetskov was assassinated to-day. A student entered a private car in which the prince was traveling to this town, and shot him several times with a revolver. The prince died a few hours later. The murderer is said to be a relative of the prince.

The man assassinated is described as a member of the council of the empire. He is, therefore, believed to be Prince Peter, the only member of the Troubetskov family, who has been elected to that body.

NEW BANK OPENS.

MONTREAL, Oct.17.—(Special.)—The International Bank of Canada opened its doors to-day in Montreal and Paris simultaneously, the amount of deposits taken here being $113,000, General Manager G. Bird announcing that the opening had exceeded their expectations.

As a result of the International Bank opening in Canada, Monsieur Clement, a wealthy shipbuilder of Havre, France, has invested $240,000 in Canadian securities, and will probably remove to Canada. President Forget announced this evening that branches would be opened at once in Toronto, Three Rivers and Quebec, with others later on.

ATTEMPTED SUICIDE.

LEAMINGTON, Oct. 17.—A Southerner by the name of Abbott, who has been employed in the fruit belt during the last season, and who has been drinking heavily of late, took the contents of a two-ounce bottle of lauranum to-day near Ruthven. Dr. Hillier was called and arrived just in time to save the man's life. He was brought to Leamington later by Officers Lamorsh and Wilkinson and locked up.

The officers say he has been engaged in the liquor traffic and is wanted in several places in the south riding.

Sold Timber Limits.

DALHOUSIE, N.B., Oct. 17.—Bearinger and Chapin, Toronto, who purchased the Montgomery timber limits here a few years ago, sold same to the Dominion Iron and Steel Company of Sydney, to-day, for $250,000. Besides one square mile in the Town of Dalhousie, there are eighty miles of timber limits, as well as booms, tugboats, etc. The new owners plan extensive improvements.

Wilson Masonic Lodge.

With the various offices held by the members' sons a meeting of the Wilson Masonic Lodge No. 86, G.R.C., was held in the Foresters' Building last night. R. F. Segsworth was in the chair, and was presented with the Grand Lodge regalia. A musical program in charge of Thomas Cooke was given, after which a banquet concluded a very enjoyable evening.

WHERE RAIL AND NAVIGATION JOIN A CITY SPRINGS INTO EXISTENCE

PORT McNICOLL

THE NEW C.P.R. EASTERN TERMINAL ON GEORGIAN BAY, AT TORONTO'S BACK DOOR

Quietly, and without the knowledge of Toronto people, the Canadian Pacific Railway have been building on the shores of Georgian Bay, at Port McNicoll, what one of their own officials has said will be the LARGEST TERMINAL on their system. For months the work of creating a new shipping port has been going on. Seven Million Dollars have already been spent, ten millions will be spent. Grain elevators are now being erected, freight sheds provided and a city is in the making.

Few cities at their birth have so bright and prosperous a future as is assured to Port McNicoll. It is being built upon the solid foundation of financial and commercial necessity for a city at this particular place.

The surrounding country—the great transcontinental railway — the Georgian Bay—Victoria Harbor—all focusing at this point, compel the building of a city to supply the needs and to give an outlet to their product.

Logically and inevitably a city must and will come into being here, and an important city at that. The geographical position and layout of the country demands it. The growth of Port McNicoll will be phenomenal.

THE history of the fortunes that have been rolled up by the pioneers and founders of other cities will be repeated in Port McNicoll. Are you going to be one of these? The way, the place, the opportunity lie beneath your hand.

THE TIME IS NOW. A FEW DOLLARS PUT TO-DAY INTO PORT McNICOLL CITY LOTS will bring you more than fourfold.

A business established in Port McNicoll now cannot help but grow and prosper. The need is here; the money is here; the place is here.

PORT McNICOLL OFFERS AN OPPORTUNITY UNSURPASSED even in this country and province of opportunity. Over 2,000 men are now at work at remunerative wages in the immediate vicinity of Port McNicoll.

THOSE WHO BUY EARLY WILL GET THE CHOICEST LOTS. SEE US AND TALK THE THING OVER, OR ADDRESS US BY MAIL

HIGH PARK RATEPAYERS

City Will Be Asked to Beautify Surroundings—New Officers Elected.

Many suggested improvements for High Park district will be presented to the city council by the High Park Ratepayers' Association in course of a few days. Last evening at the nomination of officers for the ensuing year, recommendations were passed.

The association recommends that the low lying ground south of the park be filled in and converted into a tennis court and lawn. A pavilion was also recommended. The cultivation of specimen shrubs and plants, the association believed, would be a good example for the citizens, and would result in the beautifying of private grounds.

They also recommended that the High Park Zoo be extended and that more appropriate fences be built and more animals secured. Better police supervision is sought and the enforcement of the 10 p.m. closing rule. A widening of the main thorofares is earnestly hoped for.

Next Tuesday the fourteen prizes for the best kept lawns will be awarded. The mayor and the president of the Toronto Horticultural Society will make the presentations. The meeting will be an open one.

The officers for the coming year are: President, W. H. Price; first vice-president, J. H. Williams; second vice-president, W.H.Shaw; third vice-president, Dr. W. S. Sheck; secretary-treasurer, W. B. Campbell. These men were nominated and are elected by acclamation. The other officers will be elected at the next monthly meeting.

SECURED WESTERN OPTIONS

Canada Life Assurance Company Locate in Calgary and Edmonton.

The Canada Life Assurance Co. have secured options on property in the cities of Calgary and Edmonton. Messrs. E. W. Cox, general manager, and H. L. Watt, treasurer of the company, have just returned from a trip to the Pacific coast, and found the business of the Canada Life Co. in a flourishing conditions everywhere. An important outcome of the trip was the securing of options on properties in the cities of Calgary and Edmonton. These have since been approved by the board of directors of the company, and the Canada Life will erect office buildings in these two cities. Structures of moderate size will be erected, which, while they will be a credit to the company, will insure it permanent quarters in these important cities. The western mortgages of the Canada Life already amount to nearly $14,000,000.

Marvelous Escape.

CALEDONIA, Oct. 17.—A man named Mike McCann, while walking in his sleep, fell out of the third storey window of the Exchange Hotel here on Saturday night, falling a distance of thirty feet. How he escaped with only a badly cut leg was nothing short of miraculous.

Political Intelligence

After a couple of weeks' rest the political organizers are again on the rampage. J. S. Carstairs, the Conservative organizer for Ontario, has returned from a holiday and is already up to the ears in work. He says the outlook is very promising—for the Conservatives.

All the matter has not been even discussed by the central executive of the local Conservatives, it seems to be fairly well understood that the nominating conventions will be held the first week of November.

It is, of course, impossible to set any dates until some decision is reached regarding what lists will be used in the approaching election, and on what date that election will be held.

There is considerable work to be done by the executive before they can set convention dates, and it will take more than one meeting to decide on them. There is one thing certain tho. The conventions will be decidedly interesting and some of the present incumbents of the local legislative seats are likely to meet with warm opposition when Toronto seats in the coming legislature.

A. W. Wright, formerly Conservative organizer, and who did effective platform work in the recent federal contest, is favored for one of the West Toronto seats in the coming legislature.

In East Toronto James A. Macdonald, Mark Irish, Joseph E. Thompson, Ald. Rowland and R. H. Greer are all mentioned as possible candidates for the nomination.

Several ridings have already announced conventions for early dates. The East Kent convention will be held at Ridgetown on Oct. 28, with Hon. W. J. Hanna the principal speaker.

On Oct. 25 the North Essex Conservatives meet at Windsor, and on the same date a candidate for South Ontario will be chosen at a meeting at Whitby.

North Hastings will nominate a candidate at a convention to be held at Madoc on Oct. 26.

The annual convention of the Ontario Reform Association will be held on Oct. 31, at the Temple Building. F. G. Inwood, the Liberal organizer, is also becoming active and getting on his warpaint for the coming campaign.

WRIT FOR YALE CARIBOO.

OTTAWA, Oct. 17.—(Special.)—At the cabinet council this afternoon an order was passed for the issue of the write for the bye-election in the constituency of Yale Cariboo, rendered vacant by the acceptance of office of minister of agriculture by Mr. Martin Burrell.

Nomination day is November 4 and polling, if any, will take place on November 11.

Warrants were issued to be signed by the governor-general for the payment of civil service salaries for September and October. The total amount authorized was $1,900,000. This will bring gladness to the hearts of many civil servants who have been without pay, owing to the failure of the late government to ask for supply.

WILL NOT OPPOSE MINISTERS.

MONTREAL, Oct. 17.—(Special.)—The Liberals of the Province of Quebec, after a good deal of wrangling amongst themselves and in the newspapers, have decided not to oppose the three ministers, Hon. Messrs. Monk, Pelletier and Nantel.

None of This Football in Toronto.

Sporting Editor World: I beg to enquire thru you if there are any amateur football teams in your city who play the American Inter-Collegiate game as played in our large colleges. If so, I would be glad to get in communication with the managers with a view of arranging a game to be played in Toronto or in Buffalo, if they prefer. We have one of the strongest teams in Western New York, and are playing in the tournament for the championship of Western New York and the $600 cup, which goes to the winner.

Notorious "Bill Miner" Overpowers Guard at Georgia Jail Farm.

MILLEDGEVILLE, Ga., Oct. 17.—William Miner and two other prisoners at the State Farm here, overpowered a guard to-day and escaped. A posse with dogs is on their trail. Miner, with Tom Moore, serving a life sentence for murder, and John Watts, in for twenty years for murder, gagged the guard and with his revolver took to the woods.

Miner was the leader of the gang which on February 18 last, held and robbed a Southern Railway train at Gainesville, Ga. He was sentenced to twenty years. He was wanted in Washington State and British Columbia for train hold-ups and escaped from the penitentiary at New Westminster, B.C., where he had been sentenced for robbing a C.P.R. train.
