ST. MICHAELS CHAMPIONS AGAIN WIN O.H.A. FINAL

Defeat Parkdale on Soft Ice Before 3000 2 to 1, Playing 20 Minutes Overtime.

The O.H.A. season of 1910 was brought to a fitting close Saturday night at Mutual-street, when St. Michaels and Parkdale battled twenty minutes overtime for the senior championship, St. Michaels being awarded the verdict by the close score of 2 to 1, thus giving them the honors for the second year in succession. The score on the round was St. Michaels 6, Parkdale 5.

One of the largest crowds of the season witnessed the game, some of the bleacherites being outside the rink waiting till the doors opened since 3 o'clock in the afternoon. Thus with nearly 3000 spectators jammed in the rink, the ice, which was covered with water at the start, soon grew worse, and it was not long before all the players were soaking wet, and the spectators along the edge of the rink as well.

Both teams lined up the same as on Thursday night, Jimmy Dissette taking his place at coverpoint for St. Michaels, altho the muscles of his left arm were still bothering him, and while he was not as brilliant as usual, yet he steadied his team, who without him on Saturday would have likely lost the championship.

St. Michaels on Thursday night seemed to lag towards the finish, but the game only served to condition them for a hard contest, such as Saturday night, for they finished just as strong as the Paddlers, who have won many a game this season by their strong finish, and it was again in evidence Saturday night, when they tied up the score two minutes before full time.

The story of the scoring is easily told, altho both goals in the game were somewhat fluky, Matthews scoring the first for St. Michaels on a shot from the side after twenty-five minutes had been played, the puck hitting Rennie's skate and glancing off into the net, while the one that Parkdale got two minutes before time was a high shot from the press box, which Spratt partly stopped with his hand, the disc caroming off Spratt into the net. There was no fluke about the overtime goal, however it being scored just after resuming play in the third extra period, with Parkdale playing a man short, owing to Lane being banished in the period before. Matthews shot the puck from near centre, the puck hitting the boards and coming back, which Jerry LaFlamme, by fast following up, nailed and with nobody to beat but Wallace, bulged the corner of the net.

Space forbids saying all that could be said of the game, for under the conditions it was the best exhibition seen here this season, with nothing to choose between the two teams. Both had their opportunities and missed them, while thruout the entire match the play never lagged an instance, the players keeping up a furious pace all thru. St. Michaels showed better team work than Parkdale, but the paddlers had more shots than their opponents, and if it had not been for the brilliant work of Thompson in goal, the game would not have been a tie at full time. Wallace, in goal for Parkdale, also showed fine form, and gave his best exhibition of the year.

Referee Steacy of Kingston handled the game in an impartial manner, and he made the teams play clean hockey, the result was that many from both sides were penalized, but only one score resulted with the teams playing a man short, and that was the goal that won the game for St. Michaels.

It would be hard to specialize anybody in particular, for all worked like Trojans, Lawson and Kyle in particular for Parkdale helping out their forwards in fine style all evening, while in the overtime period Ridpath was the troublemaker. Thompson, in goal for St. Michaels, was the star of his team, but all the others did their share and a little more, with Jerry LaFlamme again doing the needful just when it was wanted. The teams:

St. Michaels (2): Goal, Thompson; point, Spratt; cover, Dissette; rover, Roche; centre, LaFlamme; right wing, Matthews; left wing, Richardson.

Parkdale (1): Goal, Wallace; point, Kyle; cover, Lawson; rover, Lane; centre, Rennie; right wing, Hunter; left wing, Ridpath.

Referee—N. Steacy, Kingston.

Berlin Score Two To Wanderers Five For Stanley Cup

MONTREAL, March 12.—About 2000 people saw the Berlin Trolley League champions do battle with the Wanderers, champions of the National Hockey League, to-night, in a sudden-death game for the possession of the Stanley Cup. Not much interest was manifested in the game, altho there was some curiosity to see how the Berlin challengers compared with the Toronto septet which gave the Wanderers such a hard battle just about two years ago. The Wanderers won by 5 to 2. The Berliners were first to appear and were given a hearty reception. They were followed a few minutes later by the Wanderers, and the teams lined up as follows:

Wanderers (5)—Goal, Hern; point, Marshall; cover, Johnston; rover, Glass; centre, Russell; right, Hyland; left, Gardner.

Berlin (2)—Goal, Lehman; point, Seibert; cover, Corbeau; rover, Edmunds; centre, Dumart; right, Anderson; left, Frood.

Referee—Russell Bowie. Judge of play—Chauncey Kirby, Ottawa.

The game started at 8.53 p.m., and Berlin pressed from the start. Dumart rushed the entire length of the rink, but lost to Marshall. After a minute of end-to-end play, Seibert scored for Berlin on a nice bit of combination play. Russell secured on the face-off and evened up for Wanderers in two minutes. For a few minutes the Berlin forwards bombarded the Wanderer nets, Hern being called upon to save repeatedly. Wanderers, who had up to this time been showing signs of staleness, woke up and gave Lehman a busy time, Hyland securing the third goal after ten minutes of end-to-end play on a waist high side shot. Russell and Hyland scored in five and two minutes, respectively. Johnson was given three minutes for tripping, and with the big defence man off, Frood, Dumart and Anderson combined for a rush, Frood netting the puck with a shot from centre close in on the nets. Half-time came with the score 5 to 2 in favor of Wanderers.

Durham Ahead of Mount Forest.

DURHAM, March 12.—In the first final home and home game between Mount Forest and Durham, winners of districts one and two respectively, in the Northern Hockey League, played here to-night before 700 spectators, the home team won by a score of 5 to 3. The locals notched the three first goals in short order before the visitors realized that they had their work cut out for them, and that it wasn't to be the walkover they anticipated. The rest of the game was a stubbornly fought contest, the first half ending with Durham 4 to 2. Both teams started the second half with a determination to win or die; however, as hard a fought game as has been witnessed here this season, ended with each team adding but one goal to their total, making the score 5 to 3. The Mount Forest team ran a special and over 100 rooters accompanied them. Mr. Kinder of Preston refereed with great satisfaction. The following is the line-up:

Mount Forest (3): Goal, Skales; point, Brebber; cover, Langdon; rover, Kennedy; centre, Ross; right wing, Murphy; left wing, McEwing.

Durham (5): Goal, Laidlaw; point, Lavelle; cover, Cowan; rover, Smith; centre, Rolfe; right wing, Saunders; left wing, Falkingham.

OTTAWA CLIFFSIDES FAIL TO TAKE CUP FROM QUEENS.

KINGSTON, March 12.—(Special.)—Altho they were unsuccessful in their attempt to lift the Allan Cup, Cliffsides can well be proud of their showing, and while they went back to the capital minus the silverware, the Ottawa amateurs made a name for themselves in the hockey world by reason of their truly great fight for the honors. Cliffsides were defeated 6 to 3, but the score is no indication of the play, the visiting team leading at half time by 2 to 1, and they were having the better of the play until within 20 minutes of the finish, when Queens tied the score, the blue and white seven falling, after the students went one to the good a couple of minutes later. The game in more ways than one was one of the fastest that have ever been played in Kingston, and nearly 1000 spectators cheered themselves hoarse as the fortunes of their favorites varied.

The ice was in poor condition, and the numerous pools of water along the sides made it impossible for the players to carry the puck with any degree of certainty.

A couple of the goals were disputed, the umpires being changed in each case. Cliffsides raised a holler when the umpire raised his hand for the goal that tied the score, and to many it appeared that the rubber had not gone in.

The Allan Cup holders appeared to be the better balanced aggregation, and their whole team from goal to left wing is without a weak point. Their defence is heavy and showed up to great advantage on the slow going surface.

Cliffsides, had they maintained the pace that they set in the first half, would have carried the trophy by a wide margin of goals. The blue and white team excelled themselves in the first period and the play was confined for the greater part of the half in Queen's territory.

Much criticism was heard regarding the work of the officials, Messrs. Riddell and Kavanagh of Montreal. The pair were given lots of work, but were strictly impartial in their decisions.

Queens will now have to meet St. Michael's College of Toronto, and as this seven defeated the present holders of the trophy early in the season, the Kingston team will have a [illegible] before they can pack the trophy away for the second summer in the lakeside town. The teams:

Queens (6): Goal, Gilbert; point, B. George; cover-point, Trimble; rover, G. George; centre, Crawford; right wing, Dobson; left wing, Campbell.

Cliffsides (3): Goal, McKinley; point, Hall; cover-point, Johnstone; rover, Daragh; centre, Dion; right wing, Broadbent; left wing, Stewart.

Referee, F. Kavanagh, Montreal.

Judge of play, T. Riddell, Montreal.

Timers, A. Sutherland, Ottawa, and Mr. McLaren, Kingston.

Penalty timer, Lester Patrick, Renfrew.

Umpires, J. Foley, Ottawa, and T. J. Sutherland, Kingston.

Kiviat First, Bonhag Third.

NEW YORK, March 12.—Harry Gissing, the New York Athletic Club runner, who was a favorite in the mile Baxter Cup scratch race at the indoor games of Columbia University at Madison-square Garden to-night, was defeated by Abel Kiviat of the Irish-American Athletic Club. Geo. Bonhag of the I.A.A.C. finished third, close on Gissing's heels.

Kiviat had about five yards to spare over Gissing at the finish, and won after a beautiful sprint in the last lap. Bonhag led the bunch, which included most of the best milers in the country, up to the last lap. The time, 4.22 1-5, was a disappointment, as it was expected the winner would lower the world's indoor record.

The Yale team won the two-mile intercollegiate relay (scratch), with the University of Pennsylvania second, and the two-mile graduate relay race (scratch) was captured by Columbia, with Yale second.
