TAVISTOCK NURSE LAID TO REST

WAS ONE OF VICTIMS IN ACCIDENT NEAR BUFFALO.

In referring to the tragic death of Miss Jessie McMillan of Tavistock, daughter of Mr. J. McMillan of this city, in the motor car and train collision near Buffalo Tuesday morning, the Tavistock Gazette among other things says:

"The village was horrified on Tuesday morning when word was flashed over the wires that Miss Jessie McMillan, eldest daughter of Mr. John McMillan of Kitchener and Mrs. McMillan of this village, was instantly killed when a New York Central Railroad passenger train struck the automobile, in which she and six other persons were returning from a party, at a grade crossing on the Eastern outskirts of Buffalo.

Miss McMillan was 24 years of age, and well and most favorably known here. Her mother resides just outside the eastern boundary of the village and her father is employed in Kitchener. A sister, Katherine, resides with her mother and her two brothers, Henry and Louis, are employed in East Zorra and Kitchener respectively. Both the father and brother, Louis, saw action overseas.

Deceased trained in Boston and was known in the nursing profession as a most promising young woman. She was a graduate of the local public and high schools and the Central Business College, Stratford.

The family have the heartfelt sympathy of all in the terrible tragedy that has befallen them so suddenly, claiming a brilliant and beautiful young woman, who was exceedingly popular here owing to her winning manner and pleasing disposition.

The remains were brought here from Buffalo, on Wednesday, and will be interred in the Trinity Lutheran Cemetery, Sebastopol, on Friday afternoon, November 21st. Services at the home at 1.30 o'clock."

Grip, Influenza

Hamlin's Wizard Oil a Reliable, Antiseptic Preventive

During influenza epidemics spray the nose and throat several times a day with one part Wizard Oil and two parts water, using an atomizer. If you haven't an atomizer, gargle the throat and snuff the mixture up the nose. This treatment sets up an antiseptic wall of defense against "Flu" germs.

Chest colds and sore throat lead to grip. Stop them at once with Wizard Oil before they can develop into dangerous influenza.

Get it from druggists for 30c. If not satisfied, return the bottle and get your money back.

Ever constipated or have sick headache? Just try Wizard Liver Whips, pleasant little pink pills, 30c at druggists. Guaranteed.

Former Guelph Man's Success.

Edward Johnson, the Canadian tenor, made his debut in the principal tenor roll in Giordano's opera, "Fedora", with the Chicago Opera Company at Chicago and scored a distict success, the audience in no uncertain manner showing its appreciation of his fine voice.
