HAMILTON BICYCLE CLUB MEDAL

Won by F. H. Skerritt—A Military Man's Farewell From His Companions —General News.

Hamilton, June 29.—(Special.)—The race for the Hamilton Bicycle Club medal to-night between F. H. Skerritt and Harry Holton was won by the former in two straight heats. Skerritt won the first handicap, but had to ride hard to finish in front in the second. The distance was half a mile.

A Farewell Banquet.

This evening officers of No. 4 Field Battery and the 13th regiment tendered E. W. Morrison, a lieutenant in the former organization, who is leaving for Ottawa on Saturday to become editor of The Citizen, a farewell dinner. Thirteen comrades sat down, but as that is supposed to be an unlucky number, covers were not removed till another friend was brought in. Major Hendrie presided, and a delightful time was spent. The dinner was given in the Hamilton Club.

Going to Brantford.

Bishop Dowling has appointed Rev. Father Donovan, who was ordained last week, to the new R.C. church in East Brantford. He will be consecrated to his new pastorate on Sunday next by Rev. Mgr. McEvay. The rev. father is a son of the late School Inspector Donovan, and is a graduate of St. Jerome College, Berlin, and Grand Seminary, Montreal.

Police Points.

Michael Dalton, John Griffin and Robert Brick, north side men, were found guilty this morning of a charge of assaulting and cutting Samuel Harrison, a conductor on the Radial Railway, on Monday night. They were remanded until to-morrow for sentence.

George Mines, Cannon-street, and Alex. Baker, who committed an unnatural offence, were allowed to go with a warning.

Minor Matters.

R. T. Lancefield is laid up, the result of a bicycle accident.

Secretary McKay of the Y.M.C.A. has left for Pictou, N.S. He will be away two months.

John Campbell, Hannah-street, got his arm broken at St. Patrick's School, where he was wrestling with another lad named Thomas Murphy.

W. G. Moore has gone to Denver for a few weeks.

The Reatta Trophies.

In connection with a very excellent window display of the lightest of summer hats for ladies and gentlemen, there are displayed in J. & J. Lugsdin's window, 122-124 Yonge-street, to-day, the prizes to be awarded in the Dominion Day regatta.

Expertism.

The private dental practitioner must generalize in his knowledge of many of the essential branches of dental art. We specialize all of them.

Our work is divided into departments. Each of our force of expert operators, who are all Canadian Graduates, is kept constantly busy at the work for which he is best fitted. The superior experience thus gained eliminates guesswork and experiments and enables him to work better and quicker—consequently easier and cheaper.

But put a fair limit to your ideas of cheapness.

Our charges are the limit.

WEST TORONTO IS TRUE

Words of Cheer Mid Clouds of Smoke—Last Night's Jolly Political Picnic.

There was an enthusiastic gathering of the faithful last night when Messrs. B. B. Osler and E. F. Clarke's much-discussed smoking party came off at Sam Richardson's hotel.

The concert was given on the spacious bowling green, where Chinese lanterns twinkled amidst the shrubbery and around the stand for the musicians, where Antono Glionna's orchestra gave melodious strains. Benches circled the lawn, and two spacious refreshment booths occupied the attention of all for some part of the evening, where all kinds of drinks and a repast worthy the pen of Dickens was served by mine host. The stalwarts, who were there in crowds, swarmed over the lawn, smoking long, slim clay pipes, and a balmy haze of Stewart's Mixture floated over the scene. Business men, lawyers, doctors, politicians, all procure done of the pipes, and the scene was like a German pleasure resort—the smallest men had pipes two feet long, and the larger variety got smaller ones, and they will all keep them as momentos. From all windows in the many storeys of the hotel, fair faces gazed on the scene and never wearied.

When the speaking began the guests formed a solid mass around the platform, and amid the mist from the pipes, listened bareheaded as their leaders spoke enthusiastically of the great Conservative party, and when Sir John A. Macdonald's name coupled with the National Policy, was referred to, they fairly roared.

Mr. W. R. Brock was the first speaker. He predicted that soon a new Cabinet would be formed, whereat cries of "you bet" and "hear, hear" assailed him. "West Toronto has never been as Conservative as it is to-day; scenes like the present should be more frequent, and united among ourselves we are irresistible," was received with cheers, which were enthusiastically renewed when Mr. Osler rose to speak, introduced as "your member."

Mr. Osler thanked those present for their evidence of faith to the party. "If there were an election at the present time, I firmly believe the Conservatives would carry the country." The Liberal party he styled as "opportunists," and was frequently interrupted with applause.

Mr. E. F. Clarke, "The Rose of the West," as some one styled him when he rose to speak, was also given evidence of his popularity. The present prosperous condition of the country was due to the Liberal party only so far as they have adopted the Conservative policy; their prestige was lost at the last election; it only remained for workers to remain loyal and true to their principles, and he would predict a happy future for the party.

"For he's a jolly good fellow," sang the crowd, nad the orchestra joined in, as Thomas Crawford, M.L.A., stood up, which changed to "See him smiling just now," as his risible muscles relaxed at his reception.

"It seems to me," said the local member, "that previous speakers have had something under their wings, giving rise to the question, will there be a Dominion election soon? The Conservative party has ruled, can rule and will rule," emphatically declared he, and the crowd roared assent.

Cries of "Foy, Foy!" were heard, and Mr. J. J. Foy's eye twinkled behind his eyeglass as he responded. He referred to the four Torontos returning Conservative members, and predicted that she would soon have a position in Federal affairs she should have had long ago. A Liberal friend had dubbed the Grit platform as a railway car platform—not to be stood on when the car was once entered.

The crowd waited patiently for Hon. Hugh John Macdonald, who was unfortunately not able to be present.

Harry Rich and Messrs. Bromley and Shirley contributed to a musical program.

Among the many present were: His Worship Mayor Shaw, Ald. Wood, H. A. E. Kent, H. Kelly, Mr. Foy's partner, Ed. Bristoe, C. C. Robinson, J. H. McGhie, S. W. Burns, Ald. Crane, Hubbard, Dunn, J. Hearn, Nicholas Murphy, Q.C., Ed. Dumas, president Young Conservative Club, Dr. Orr, Harry Collins, ex-Mayor Boswell, W. D. McPherson.

The club's launch will leave the town club at 9 a.m., carrying on board the officials. If a blue flag is hoisted on the officials' boat the start will be from east to west, and for a red flag the start will be from east to west.

VICTORIA JUBILEE BRIDGE

Workmen Will Soon Meet on the Centre Pier of the Great Structure—Montreal News.

Montreal, June 29.—(Special.)—The workmen on this side of the new Victoria Jubilee Bridge have completed the twelfth pier and are now waiting for the men on the St. Lambert side to meet them on the thirteenth, or centre pier, which is too wide for one carrier to span. As soon as the St. Lambert men reach this side, the centre, work will be resumed and the girder work completed in a few weeks. In the meantime the men on this side will work at the old tubes, getting them ready to be taken away.

Unrequited Love and Death.

"Suicide while in a state of despondency" was the verdict this morning rendered by the coroner's jury in the case of James Edwin Hughes, a young man residing with his parents in Menai-street, Point St. Charles, who threw himself into the canal last evening.

Mrs. Hughes gave by far the most important testimony. Her son had fallen in love with a young girl in the neighborhood, she said, but he was not successful, and took it very badly. On the Monday before he died he drew the last of his savings out of the bank and gave his mother a portion of it, at the same time telling her that he felt there was a terrible fate before him. From then until Friday he wandered around, frequently saying, "I'm going," but when asked where he was going he would become silent.

Notes.

Mr. A. H. Harris to-day confirms the statement that he has severed his connection with the Canadian Government railway system.

Mr. J. G. H. Bergeron's speech at St. Liboire yesterday is much talked of in political circles.

B. M. E. CONVENTION.

The Church Declines Overtures of Union With the A. M. E. Body.

A full attendance of delegates assembled yesterday morning at the B.M.E. Church Convention. Devotional exercises led by Rev. R. L. Holden of Montreal commenced the day's work. A very important communication was received from Bishop Waters of Jersey City, in which he expressed his desire to see the A.M.E. Church and the B.M.E. Church united. The letter was laid before the conference, and was the subject of a lengthy and heated discussion. Finally, it was decided to adopt the language of Bishop Washington, in a letter previously written, touching this question. The substance of the letter was as regards the union between the B.M.E. Church and the A.M.E. Church: "I have not given it a thought, from the knowledge that attempts of such a character during the past have proved so disastrous and unsatisfactory to the B.M.E. Church's interests, that I would warn you to approach this matter with the utmost caution lest you fall into a serious error and afterwards regret your action."

Other than this rejection nothing but committee work was done during the morning and afternoon. In the evening, however, a lively missionary meeting was held, at which many spoke. Among others growing warm upon this department of the institution's labors were the Revs. Ball, Hatchett, Wright, Holden, Bishop Washington, Rockhold and Colpitts. Mrs. Noran Dunn and Mrs. Emma Pipplis, both of Windsor, also delivered neat and happy addresses.

This morning's will be an important session, as the Bishop will give his annual address and in the evening an open temperance meeting will be held.

AFRICAN MURDERERS PUNISHED.

British Expedition Avenged the Massacre of American Missionaries in Sierra Leone.

Liverpool, June 29.—A mail steamer from Sierra Leone, which arrived here to-day, reports that the British expedition which was despatched to the Sherboro, district of Sierra Leone, West Coast of Africa, owing to the massacre of American missionaries by natives, who destroyed the mission houses (as a result of an uprising against the imposition of the hut tax), fought its way to Potifunk. The British force found the cremated bodies of the murdered missionaries, which, however, bore no traces of mutilation, as had previously been reported.

The expedition severely punished the rebellious natives, but the search for Mrs. Cain, who fled to the bush at the time of the massacre, proved fruitless.

TRACKING THE MURDERER

Seen in a Bush Near Corunna With a Shoe Tied to His Wooden Leg.

Mooretown, Ont., June 29.—A man supposed to be the murderer of London Policeman Toohy came from the bush half a mile below Corunna, Township of Moore, this (Wednesday) afternoon. A young man, riding a bicycle, was a short distance behind him when he came on the road, and when he caught up to him he seemed very excited. His face was very dark and fierce looking. He had an artificial or wooden leg, with a shoe tied on to it, and had a grey beard and whiskers. He made for the river as soon as the young man passed, and is likely now in Michigan.

Five Hundred Dollars Reward.

Port Huron, Mich., June 29.—The Sarnia police are hot on the trail of the tram who murdered Policeman Toohy at London. Last night Policeman Service and another officer claimed to have seen him in the woods below Sarnia. They claimed the murderer was armed with a rifle, which would have made it extremely hazardous for them to attempt to arrest him. While they were reconnoitering he disappeared, and it was reported to the Port Huron police that he had crossed to the American side near Marysville. Five hundred dollars reward is offered for his capture, and a vigilant search is being made by Canadian and American officers.
