Baseball Joe Kelley's Team Winners ⁂ Lacrosse Owen Sound In Semi-Finals ⁂ Racing Opening Heats At Exhibition

NOTE AND COMMENT

Toronto was glad yesterday to have an opportunity to see the Boston Nationals play, and especially to have a look again at Joe Kelley in uniform. Out to win always, was his motto, and no matter how far behind his team, many a winning rally he started, and yesterday he showed that the lustre of his batting eye was not yet nearly dimmed.

Critics are unanimous in their opinion that Joe has done better than any other manager could have done with his Bean-eaters this season, and while his team have no chance of winning, yet Joe is setting lines for next year, and one promising young Toronto pitcher may be with his Doves next season.

In speaking of the National League race, Mr. Kelley said it was between Chicago and New York, but that on form Chicago had the best team, but were handicapped by injuries to players.

It is only eleven short years since Dan McGann formerly cavorted around first base at Hanlan's Point and helped Artie Irwin's Torontos to win the Steinert Cup. Yet on his first time up yesterday afternoon he was greeted by nary a hand. How soon those fans forget.

The Canadian Amateur Athletic Union will pay its attention to one Leslie Boyd, K.C., at a special meeting of the board of governors to-night. Other business concerning real athletics will also be transacted.

Ottawa showed considerable foresight in applying to the C.A.A.U. for a sanction for the Labor Day games at the capital, as under outlaw auspices Bobby Kerr would be impossible. As it is, the world's champion will be a competitor, and there are also entries for the ten-mile race from Toronto, Montreal, Pembroke, Brockville, Renfrew and Hamilton.

The games are being conducted by the Allied Trades and Labor sports, who thus show that they prefer the eastern men to the athletes of the Ottawa Amateur Athletic Association and the track and field men of Montreal.

With the close of Fort Erie on Saturday, the racing across the river from Buffalo is over for the season, and also Windsor will not resume again till next summer. One week at Woodbine, Sept. 19 to 26, and Hamilton's meeting that follows close out racing in Canada for this year. Thus the game hereabouts has been more restricted than ever before, and opponents cannot lay the charge that the gates were kept upon for scape-goats from New York State.

Is Hamilton's meeting only a week? you ask. Good judgment would hold it to seven days, but there is no telling.

The result of the change to the open ring from the syndicate at Fort Erie must have convinced the most rabid supporters of the short odds concern that open bookmaking is the best for everyone except the layers. It is said that the western owners of the Niagara Jockey Club, which operated the track, cleared about $75,000 on the Fort Erie meeting.

While the race horse is being eliminated from benighted states like New York, Illinois and Pennsylvania, the country of Mexico is joining England, Canada, etc., to place the game on a national basis with a national derby as the year's feature. The federal government has guaranteed $250,000, in sums of $25,000 annually for ten years, to begin in 1910, the date for celebrating the centennial festival, and has entered into a formal contract with the Mexican Jockey Club. Nominations for the first derby must be made by Dec. 1, 1908.

Somehow or other, that N.L.U. schedule seems to be arranged to have Tecumsehs meet the Shamrocks at the end of the season, when it is well-known that the Irish are many times better then than at the start of the race, and the Tecumsehs weaker thru the hard season's work, practicing 3 or 4 times a week and so on. Somebody of course has to play the Shamrocks, but they nearly always manage to make Chief Querrie reef in a little to hold the lead. By the way, it is well, when doping out the remaining games to remember that Caps also finish the season very strong, and that one Johnny Powers is in the game again. This little man can be depended upon, should the occasion arise, to go right in on any defence and take a chance of having his head beaten off.

On Sept. 7 at the island the Tecumsehs will likely finish the season by a win over the Torontos. Cornwall is practically out of the running now, as they have no more chance than the proverbial snowball of beating the Shamrocks, as they are playing now, and after that the Nationals—at Montreal. Well, nuff said for Cornwall. Nationals can't finish on top of the heap, but they will beat Cornwall all right, all right.

On Saturday, Sept. 5, the redoubtable Capitals of Ottawa lock horns with the Montreals in Montreal, and those who were in Montreal Saturday found a belief that the M.A.A.A. bunch will put Billy Foran's Senators out of the N.L.U. race for good as far as this season is concerned. Down on the St. Lawrence they do not take seriously the beating Jimmy Murphy's Rosedalers handed out to Montreal, for the reason that Hamilton, and McKerrow and Angus were held for the express purpose of beating up the Ottawa aggregation to a frazzle.

This may be, but somehow its hard to figure out a bunch of hard finishers like the Caps falling down in Montreal when they have so very very much hanging on that game. If they lose they are down end out, but if they win they will, maybe, play off home and home games with Tecumsehs for N.L.U. honors. My, oh my, what a gate 'twill be!

A Protest Entered.

Yesterday James Clegg was fined $5 for driving in front of Johnny. A protest has been entered against Johnny on the ground that he was not eligible, having raced last week at the Dufferin track.

Joe Kelley's Doves Trim Leafs Orioles Advance a Few Points

Baltimore Beats Montreal While Buffalo Shuts Out Providence—Skeeters Wallop Bronchos—Newark Here To-Day.

King Kel and his band of Doves, known thruout the baseball world as the Boston Nationals, visited this Canuck land yesterday and wrested an exhibition game from Schafly's Pets by a score of 7 to 3.

Of course, and naturally so, that estimable personage, Joe Kelley, who cavorted in the Leafs' outfield last season, and incidentally brought home the bacon for the local club, was the big gun, and rightly so. Needless to say that Joe received an enthusiastic welcome from the assembled populace of some 3000 fans and fanatics present.

The visitors arrived in the morning and were driven around the city, but on sojourning to the island they found that their bat bags were somewhere between here and Cincinnati, so there was nothing for them to do but to proceed and put some base hits into the Toronto bats, which they did; and, by the way, the batting must have been contagious, judging by the way Whitney swatted the ball.

Chappelle, a Tri-Stater, started on the slab for the visitors, but proved no enigma. Lindaman, formerly of Jersey City, finished the last four innings and only allowed two hits. Applegate, for Toronto, twirled a good game, errors figuring in two of the scores.

The Leafs scored two right off the reel, Schafly getting a base with one down, advancing a peg on Gettman's single. Whitney hit to short, and Schafly by good jockeying got Hannifan to miss the ball, Schafly scoring, while Jake went to third, from where he scored when Smith threw to centre field trying to catch Whitney stealing, Whitney going to third. Cockman forced Whitney at the plate. Toronto's only other run came in the fourth. Thielman beat out an infield hit, going to second when Chappelle threw to right field. Keenan singled, but Brown forced Thielman at the plate, and Applegate duplicated on Brown. Wiedy singled over short, counting Keenan.

The Doves annexed three in the second, when Ritchie and Hannifan were walked in succession, Sweeney bringing them in with a homer into the bleachers. Two more were corralled in the sixth, Ritchie popped a Texas leaguer over third and Hannifan hit to Whitney, it looking a sure double, but Whitney hit Ritchie with the ball, the sphere caroming off to centre field, Ritchie going to third and Hannifan to second. Sweeney beat out an infield hit, Ritchie scoring, while Hannifan stalled when Smith bunted to Whitney.

Boston gathered in their last cluster in the seventh. Bates singled, while Kelley flied to Wiedy. McGann singled and stole second. Ritchie singled counting Bates. Hannifan forced Ritchie, but McGann scored. The score:

Baltimore Still Winning.

MONTREAL, Aug. 31.—(Special.)—In an errorless game that was marked by the sharpest kind of fielding, Baltimore won to-day, 5 to 1.

The Orioles hit better than the Beavers and played snappier inside ball all thru, making no less than six sacrifice hits, that were extremely valuable. The fielding of the visitors was extremely fast, Hall and Knight especially scintillating. The Beavers made the first tally in the opening innings on a triple by Jones and a single by Evans, but after that they were never threatening. Schmidt, who pitched grand ball, having them cold. The Orioles got the run back in the third on Byers' double, Schmidt's sacrifice and Strang's infield out, and another was added in the next innings on a pass to Hall, a stolen base and sacrifices by O'Hara and Cassidy. In the seventh O'Hara singled went to second on an infield out and scored on Pfeffer's single. Hits by Chadbourne and Pfeffer and Knight, a pass to Hall, and sacrifices by O'Hara and Cassidy, gave the Baltimore team two more in the ninth. Score:

BUFFALO, Aug. 31.—(Special.)—Providence stood no show of winning to-day against the pitching of Vowinkle and the hitting of Murray. The former held the Greys safe at all stages, while there was nothing in Glaze's assortment which the latter could not unravel, slamming out a triple and a pair of two-sackers, Murray made victory easy for the Bisons. Amateur Baseball.

The following players will represent Manager Ed. Renton's team against Manager Ed. Boyd's Pets to-night on the Don Flats: Crawford, Loomis, O'Hara, Greer, Reid, Goff, VanBuren, Goff, sr., Trowbridge. Game to start at 6 o'clock. As these two teams are rivals a good game may be expected.

At Lucknow—On Monday in a loose game, the Sepoys won fro mthe Balmorals of Kincardine by 17 to 5. Batteries—Lucknow, Johnston and McCoy; Kincardine, Allendorf and Hall. Umpire, MacLennan of Goderich.

Clinton-street Christian Workers and Latter Day Saints' baseball teams battled for eleven innings at Christie-street Park on Saturday, Clinton-street winning out in the eleventh by good stock work. Batteries—E. Godfrey, Lefty Hobson and G. Howey; Fred Long and Redy Mulligan. Clinton-street regrets the loss of Martin, their clever little shortstop, who leaves for Parry Sound to-day, having accepted a position as stenographer on the railway. He leaves with the boys' best wishes for a bright future.

Small Scores on Wet Field.

The Friends' A.A.S.C.C. and Weston C. C. played at Centre Island on a very wet pitch. The Friends batted first and were all dismissed for the small score of 16 runs, F. J. Whitlow being the only one to hold the bowling, scoring 9 runs. Weston responded with a total of 20 runs, thus winning by 14. W. Greaves (8) and Reid (13) were the only ones to stand against the bowling. For the Friends, W. Howe bowled with his usual steadiness and for the first time this season succeeded in doing the hat trick, clean bowling three batsmen with successive balls. During the season he has been very near accomplishing this feat several times, when he has dismissed two batsmen with successive balls, but just missed it at the third attempt. Scores:

The Polo Program.

The field for that very popular equestrian game of polo, at the Woodbine Park, is in excellent condition. The polo clubs that will play here on the following dates, Sept. 3, 5, 10, 12, 14, are: Black River, Buffalo and Lieut.-Col. Mighen's team. All of the players are excellently mounted.

The introduction of thorobreds during the past year has been decidedly noticeable, and makes the game much more interesting to look upon.

The Toronto Polo Club have improved wonderfully, which was demonstrated last week by two friendly practice games with the first Buffalo team, held on the Toronto Hunt Club grounds, Kingston-road, in which they made a very creditable showing, and without mishap in the coming tournament, they should again regain the Eastern Canada championship.

Cricket Match Off.

The cricket match between T. A. C. and Toronto for this afternoon has been postponed owing to the death of Dr. Woods' mother.

O.R.F.U. MEET THIS WEEK.

The O. R. F. U. executive will meet this week and appoint a new secretary, as Secretary Jos. B. Hay has resigned, owing to pressure of business in Peterboro.

Thomson in Grand Form.

The Victoria Club held their week-end handicap on their grounds at 320 East Gerrard-street, where some excellent pitching was witnessed. In the final, between W. Carlyle and D. Thomson, both men were at their best form, making a desperate struggle for first money. When the score stood Carlyle 20, Thomson 18, the latter by some excellent pitching brought his total to 21, Carlyle 20. This was probably the best game played on the grounds this season and if Thomson only plays his game in the tournament on Sept. 7, 8 and 9, he will be a hard nut to crack. D. Thomson 1, W. Carlyle 2, J. Polson 3.

American League Scores.

At Detroit—Detroit played very erratic ball to-day, errors giving Cleveland three runs in the fourth, while passes by Summers paved the way to three of the others. Check kept Detroit's hits scattered and was well supported. Goode's home run drive, one of the longest hits ever made on the field, was the feature of the contest. Score:

Aftermath Tecumseh-Shamrock Game.

The Montreal Gazette has the following to say about the Shamrock-Tecumseh game Saturday:

Graydon and Pickering were the two reliable players on the defence end of the Indians. Griffiths was out of the game in every quarter, or for 25 minutes altogether. On a big field, Griffiths seems lost and resorts too much to the cross-check. With strict officials he is always sure to spend considerable time on the penalty bench. He has been long enough in the game to know better, and until the Tecumsehs find another man to fill his position he will only be a handicap to the team.

Gilbert, Durkin and Adamson had difficulty in getting near the Shamrock goal, as Howard, Dillon and Kavanagh kept them closely covered. They never attempted to shoot until they got in close, and it was seldom they got a chance to get in. Much of the credit for the low score of the Indians must be given, however, to young Fyon, for he certainly made some grand stops, and gave an exhibition of goalkeeping that is seldom seen. It did not matter how they came at him, whether straight in front or from the side, he was able to pick them out. When it comes to the trials for the Olympic team, Fyon should have little trouble in landing the goal position from the three western candidates who are looking for it.

It was on the home that the Shamrocks were particularly strong, and Paddy Brennan, who was a little off form in the early part of the season, put up one of his best games, and had Griffiths guessing thruout the match. He was well backed up by Hogan and Jack Brennan, and whenever the trio got possession of the rubber Clark had a busy time. Any home that can score eight times on the Tecumseh goalkeeper, when he is playing as he did on Saturday, has to work hard.

TARTAR MAID 7 TO 1, WON,

was the swell trick I wired away from Blue Bonnets yesterday. I knew all about this filly's fast trials and that she would be put over by that bunch of get-rich-quick agents first crack out of the box. To-day I will put you wise to a Cage Beauty, and you had better be in on it when they open up.

FERGUS THREE BEHIND OWEN SOUND WINS 4 TO 0

Winners Now Meet Galt in Their Last Intermediate Semi-Final C.L.A. Game.

OWEN SOUND, Aug. 31.—The return game of the home-and-home matches between Owen Sound and Fergus in the semi-final for the intermediate championship of the Canadian Lacrosse Association was played off here this afternoon and resulted in a victory of four goals to nothing for Owen Sound.

The previous match, played at Fergus, was won by Fergus by six to five, so that as the result of the games the Owen Sound boys enter the final. There was a record attendance at the match, several hundreds traveling from Fergus.

Despite the tropical heat which prevailed the game was extremely fast from beginning to end.

After the first quarter the Sounders took the game in hand and kept their opponents on the defensive right up to the finish. The passing of the local forwards was great and the victory was well deserved. The players did not indulge in rough tactics and very few were penalized. The line-up was:

Owen Sound (4)—Munroe, goal; Cumming, Hare, W. Patterson, Anderson, Chesney, Armstrong, Thomson, Kemkes, Neving, Kelly and A. Patterson.

Fergus (0)—Gordon, goal; Gow, Bergin, Muir, Reeves, Farnell, Anderson, Tip Curless, Jim Curless, Jake Curless, Mitchell and Dr. Groves.

Referee—J. Madill, Shelburne.

Penalty timekeepers—R. D. Sloane, Shelburne; Arthur Rankin, Owen Sound, and T. Brownridge, Fergus.

Timekeepers—Harold Wilson, Owen Sound, and T. Fitzpatrick, Fergus.

Umpires—Harold Wilson, Owen Sound, and T. Fitzpatrick, Fergus.
