FUNERAL OF LATE GEORGE McCORD

Impressive Service Held at Sackville With Many Prominent Personages in Attendance.

Sackville, Feb. 5.—The funeral of the late George Rankine McCord was held this afternoon from his late residence, Lansdowne street, an exceedingly large concourse of sorrowing friends following the remains to their last resting place in the rural cemetery. Rev. H. E. Thomas conducted the services, being assisted by Rev. Dr. Borden, president of Mt. Allison University. Hymns, "Jesus Saviour, Pilot Me," "Lead Kindly Light," and "Jesus Lover of My Soul," were sung by a male quartette composed of Messrs. C. G. Steadman, H. H. Wood, G. T. Morton and R. Trites. Pall bearers were A. B. Copp, M.P., W. A. Gass, J. L. Dixon, C. C. Avard and L. M. Anderson, Sackville, and A. V. Smith, Dorchester, Sackville. The Citizens' Band with many returned soldiers preceded the funeral cortege to the grave, Handel's Dead March in Saul being played as the procession wended its way via Charlotte, Main and York streets to the cemetery. At the grave Pte. Arthur Cooper blew the last post, and the sad event was over. Among those who attended the funeral from outside points were the following: Fred Magee, M.P.P., C. B. Copp, A. A. Copp, Port Elgin; Clarence Dixon, B. J. Lawson, C. H. Read, Amherst; Hon. F. J. Sweeney, Reid McManus, James Friel, T. J. Allen, Moncton; C. M. Leger, M. P. P.; Memramcook;; J. E. Michaud, M.P.P., Edmundston; A. T. LeBlanc, M.P.P., Campbellton; W. Hazen Chapman, Willard Lawrence, A. A. Steeves, Henry Emmerson, Dorchester, Edward McCord, East Pepperell, Mass.

NEWCASTLE

Newcastle, Feb. 4.—The western part of Northumberland County was organized last night for the Thrift or War Savings Campaign, by Michael McDade, of St. John, who very eloquently and convincingly explained the purpose and procedure of of the Thrift and War Savings Stamps. They would give the children and all who had not enough to invest in the Victory Loans to take a part now with small sums to help the Government pay its enormous war debt. Canada, which used to borrow from outside, had borrowed from its own people during the war, and all the interest was now payable to and would be spent by her own citizens in this country. Merchants would see the advantage of this and encourage the sale of stamps.

Sir Douglas Hazen was giving all his time to the organization of this province gratis. Mr. McDade went on to thoroughly explain everything in detail. Banks, post offices and railways were already selling stamps and the idea was to have many other agencies to relieve the former.

Mayor John H. Troy presided, and strongly supported Mr. McDade.

Other speakers were Revs. P. A. Dixon and W. J. Bate; Postmaster James M. Troy, who reported he had already sold $500 of War Savings and $150 of Thrift Stamps here; Hon John Morrissy, W. A. Park, G. P. Burchill, Chas. J. Morrissy, and others.

It was moved by Warden G. P. Burchill, seconded by J. D. Creaghan, and carried unanimously:

That this meeting endorse the War Savings Campaign as presented by Mr. McDade and proceed to organize for the purpose of carrying out the same in this district.

Following officers were elected:

Chairman for West Northumberland—Warden G. P. Burchill.

Committee for Newcastle—Chas. J. Morrissy, chairman; Mayor J. H. Troy, Walter Amy, Ald. Perley Russell, R. A. N. Jarvis (advertising manager), C. G. Condsi, and W. A. Park, with power to add to their number.

The Newcastle committee meet Monday afternoon at 5 to select subcommittees.

Yarmouth Delighted.

Yarmouth is delighted over the fact that regular steamship service is to be established between that port and Boston. The Telegram of Friday says the Northland will be operating in a few weeks. She has superior passenger accommodation. The Aranmore took a big freight to Boston on Saturday though the fact that she was to go on the route was not officially announced until a few days before the date for her departure.

Newfoundland Fishing.

The Newfoundland fall herring fishery is over. The total catch is considerably below that of last year and will aggregate about 40,000 barrels for Notre Dame Bay, Bay of Islands, Placentia Bay and Fortune Bay. Notre Dame Bay will have about 20,000 barrels, Bonne Bay 5500, Bay of Islands, 12,000, and the remaining Bays 3000. About 10,000 barrels have been so far shipped out of Notre Dame Bay by steamers, schooners and train from Lewisporte. An effort is now being made to get out the balance of the catch before navigation closes. The steamers Sagona, Prospero and Diana will clean up about 9000 barrels this trip if ice conditions permit.—St. John's, Newfoundland.

Another Launching.

On or about February 14th, there will be launched from the plant of the Comeau Shipbuilding Company at Comeauville, Digby County, a beautiful tern schooner, which is now rapidly nearing completion. This splendid vessel is classed A1, for twelve years in the French Veritas and in her construction she surpassed in every particular the requirements of the Bureau.

No name has as yet been chosen for the schooner, which is 344 tons net. Her dimensions are keel, 116 feet; beam, 32 feet; depth, 12.2 feet. Her waterways, keelson and much of her heavy timbering is of Douglas fir. Her cabins are done in native woods, grained, painted and most superbly finished. The vessel will be fully rigged on the ways, and as soon as launched will be ready to proceed to sea.

As soon as the yard is cleared the Comeau Shipbuilding Company will begin the construction of another vessel along the similar lines as the one now on the ways. They are now getting the necessary lumber out of the woods.

THREE SHIPS ARE MINE VICTIMS

Many Lives Lost When the Ships Went Down.

South Shields, England, Feb. 5.—The British sloop Penarth is reported to have been sunk by a mine twenty-three miles off the Tyne river. Two trawlers have picked up forty members of the crew.

Two ships, a Norwegian fishing steamer and a Swedish steamer, have been sunk by mines with the loss of twenty-five lives, according to reports received here. The Norwegian vessel was blown up outside the Norwegian port of Stavanger, and eight fishermen were killed. The Swedish vessel sunk was the steamer Sphynx, of 1,572 tons. It was on its way from England to Sweden and went down near Couquet Island, off the coast of Scotland, with the loss of seventeen members of its crew.

AN OLD RECIPE TO DARKEN HAIR

Sage Tea and Sulphur Turns Gray, Faded Hair Dark and Glossy.

Almost everyone knows that Sage Tea and Sulphur, properly compounded, brings back the natural color and lustre to the hair when faded, streaked or gray. Years ago the only way to get this mixture was to make it at home, which is mussy and troublesome.

Nowadays we simpy ask at any drug store for "Wyeth's Sage and Sulphur Compound." You will get a large bottle of this old-time recipe improved by the addition of other ingredients, at very little cost. Every body uses this preparation now because no one can possibly tell that you darkened your hair, as it does it so naturally and evenly. You dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time; by morning the gray hair disappears, and after another application or two, your hair becomes beautifully dark, thick and glossy and you look years younger.

Wonderful!

"The cuttlefish," remarked the zoologist, "when it becomes agitated scatters ink and slips away in the darkness."

"Wonderful!" exclaimed the man with spots on his vest. "The fountain pen of the sea!"
