Feet of Men.

Take them as nobody,
Lift them with your
Fashionad as nicely—
Young and so fair.

Look at those number 'twelves,'
A sight of themselves!
Made for two or three,
The feet will I tell!
Made for a young bride—
A Pere Hardy belle.

Pinch them not cruelly,
Think of her mercifully
Who has to wear them;
To mount on land or sea,
Under the canopy,
One we compare them.

How were her father's feet?
Heaven her mother's!
How were her mother's feet?
Why were her brothers?
What had the maiden done
Was it a judgment,
Or did she inherit it.

Alas! for the purity
Of Christian charity—
Purer than pearls;
Oh! it was pitiful!
To see a whole city fall
Of lady-footed girls.

Ah! those huge bridal shoes,
Look at their soles!
Looms like a clothes likes
Pass through the holes.
Take them up tenderly;
Lift them with care—
Fashioned so slenderly—
A beautiful pair.

Touch her slippers,
What were her stages?
Fairies of leather, like
Two 'lasingses.'
Droves of horned cattle,
White pasting around,
Look at her brogues,
Then paw up the ground,
Bellowing all the while,
Knowing full well,
The leather required
For a Tuxo Haute belle!

Pinch them not cruelly,
Think of her mercifully
Who has to wear them;
To mount on land or sea,
Under the canopy,
One we compare them.

How were her father's feet?
Heaven her mother's!
How were her mother's feet?
Why were her brothers?
What had the maiden done
Was it a judgment,
Or did she inherit it.

Alas! for the purity
Of Christian charity—
Purer than pearls;
Oh! it was pitiful!
To see a whole city fall
Of lady-footed girls.

Ah! those huge bridal shoes,
Look at their soles!
Looms like a clothes likes
Pass through the holes.
Take them up tenderly;
Lift them with care—
Fashioned so slenderly—
A beautiful pair.

Touch her slippers,
What were her stages?
Fairies of leather, like
Two 'lasingses.'
Droves of horned cattle,
White pasting around,
Look at her brogues,
Then paw up the ground,
Bellowing all the while,
Knowing full well,
The leather required
For a Tuxo Haute belle!

She has a good understanding,
That's morally certain;
Her footing is proper—
So let's drop the curtain,
And pledge in a bumper,
With proper solemnity,
A health to the fair bride's
Pedal extremity.

GEMS AND ENDS.

CREMATION.—"A consumo-ation devoutly to be wished."

The most serious thing in the world is a woman that is not curious.

SOMETHING LIKE A DOCTOR.—One who leaves his patients—in easy circumstances.

On week days you buy your music by the sheet. On Sundays you can have it by the choir.

A definition of polite society—A place where manners pass for so much, and morals for too little.

Anything Midas touched was turned to gold. In these days, touch a man with gold and he'll turn into any thing.

Sir Garnet Wolseley found the women on the Gold Coast much more valuable allies than the men. What man doesn't?

"Good manners," says Swift, "is the art of making those people easy with whom we converse; whoever makes the fewest persons uneasy is the best bred man in the company."

"Those who have money
Are troubled about it,
Those who have none—
Are troubled without it."

WHAT APPROPRIATE.—Child—"Pap, why do so many churches have eagles in them for reading desks?" Father—"Because, my boy, the eagle is a bird of prey."

A philosopher who has studied the subject of cremation, says it is only a question of time, and adds that some persons, if they don't experience it in this world, will do so in the next.

A Western paper says of the air, in its relations to man: 'It kisses and blesses him, it will not obey him.' Bishop says that description suits his wife exactly.

'Bertha,' pathetically observed an Ohio saloon keeper to his wife, 'these drunkards are just like the dog in the manger; they won't drink themselves and they won't let anything else drink.'

The new style of oath is out. Mrs. Marrowfat ordered her husband to peel the onions for dinner before he left the house yesterday, and Mr. Marrowfat, bringing down his fist upon the table with much emphasis, observed, "May I be cremated, madam, if I do!"

An old lady hearing that a young friend had lost his place on account of a misdemeanor, exclaimed: "Miss Demeanor! Lost his place on account of Miss Demeanor! Well, well, I'm afeard it's too true, that there's al'ns a woman at the bottom of a man's difficulties."

SOME OF THE SOIL.—Thirty-seven years ago Sir Robert Peel presented a farmer's club with two iron ploughs of the best construction. On his next visit the old ploughs were again at work. "We tried the iron, Sir Robert," said a member of the enlightened society, "but we all be of one mind, that they made the weeds grow."

A gentleman riding on horseback came upon an Irishman who was fencing in a most barren and desolate piece of land. "What are you fencing in that lot for, Pat?" he asked. "A herd of cattle would starve to death on that land." "And sure, yer honor, replied Pat, "wasn't I tencin' it to keep the poor beasts out av it?"

A lady was recently engaging a new cook, and had apparently settled all details satisfactorily, when the domestic inquired, "How many other servants do you keep ma'am?" "Two," was the reply, "Oh, then, your place won't suit me, ma'am, as I always like a game of whist of an evening, and I don't like playing "dummy."

A German who has not paid much attention to learning English, had a horse stolen from his barn the other night, whereupon he advertised as follows: "Von nite, de oder day, ven I was bin awake in my sleep, I hear something vat I tinks vas not yust right in my barn, and I yust out shumps to bed and runs mit de barn out; and ven I was dere coom, I sees dat my pig gray iron mare, he vas been tied loose and run mid de off; and ever who vill him back bring, I hast as much pay him as vat bin rustomary."

In a Sunday school the other day, when the basket was handed around for a collection for the heathen, the teacher was somewhat surprised to find a bank note in it. Closer examination revealed the fact that it was a counterfeit. The inquiry among the boys brought to the front one who acknowledged having handed in the spurious scrip. "Did you know it was counterfeit?" was the question. "Yes!", "but I didn't think it made any difference to the heathen; they could pass it off."

An inebriate, some little while back, got into a car and became very troublesome and annoying to the other passengers, so much so that it was proposed to eject him; but a kind-hearted and reverend doctor, who was also a passenger, interposed for him, and soothed him into good behavior for the remainder of the journey. Before leaving, however, he moved upon the other occupants and muttered some words of contempt, but shook hands warmly with the doctor, and said, "Good day day, my friend; I see you know what it is to be drunk."

The *Northern Border* says that a graveyard near Bangor has a monument with the following inscription, the first verse of which was written by the wife before her death, and the second by the husband after he had married again:—

"Weep not for me, my dearest dear,
I am not dead, but sleeping here;
Repent, my love, before you die,
For you must come and sleep with I."

"I will not weep, my dearest life,
For I have got another wife;
I cannot come and sleep with thee,
For I must go and sleep with she."

Here's progress. A Troy firm shipped three tons of paper collars to New Zealand last week.

Special Notices.

GOLD MEDAL PIANOS.—Messrs. Gabler Brothers, of this city, are well known throughout the country as manufacturers of first class pianos, and deservedly so, for they have received gold medals for their pianos at several competitive trials of skill, which only serve to more firmly establish the reputation of their instruments. We understand they are now preparing for the Centennial, which may come to many hearty congratulations, for it is well known that they are fully entitled to take a high position among the best makers of this country. Messrs. Gabler Bros. are also agents for the celebrated Chickering, Steinway, Weber, Hallet, Davis & Co., Boston, and Vose & Son, Boston, pianos. Call and see for yourselves at their warerooms, corner of King and Ontario streets, Toronto.

Warerooms or Organ.—We will now give an account of the present stock of Messrs. Bowmanville Organ Co., which is now in the Messrs. Nordheimer's warerooms, King street, Toronto. 1341

TO THE PUBLIC OF
British North America.

IN consequence of fraud's that have been practised upon you by two or three individuals (who for a time took the name of the "New York Chemical Company") making and selling something which they call "Holloway's Pills and Ointment," and which, for a long time, were freely sold in many parts of the British Provinces as my genuine Pills and Ointment, I save for some time past considered it my duty to caution the public, through the medium of the press, against buying those spurious articles.

Judgments have been obtained against this Bankrupt Crew; in one case by a Mr. Jessard, who, when about to levy, at the latter end of October last, found the name of the Chemical Company had been painted out and that of Seaver Vose substituted.

Many respectable Firms in the British Provinces, who obtain my medicines direct from here, have very properly suggested that I should, for the benefit of themselves and the public, insert their names in the papers, that it may be known that my medicines can be had genuine from them.

The following is a list of the Firms alluded to; and I particularly recommend those who desire to get my medicines to apply to some of the Houses named:—

Messrs. Avery, Brown & Co., Halifax, N. S.
Messrs. Forsyth & Co., Halifax, N. S.
Messrs. T. B. Barker & Sons, St. John, N. B.
Mr. T. Des Brisay, Charlotte Town, P. E. I.
Messrs. Langley & Co., Victoria, B. C.
Messrs. Moore & Co., Victoria, B. C.
Dr. John Pallen, Chatham, N. B.
Messrs. Munro & Co., Montreal.
Messrs. J. Winer & Co., Hamilton, Ont.
Mr. B. J. Rose, Toronto.
Mr. A. Chipman Smith, St. John, N. B.
Mr. John Bond, Goderich, Ont.
Messrs. Elliot & Co., Toronto.
Mr. J. Chalmer, St. John, N. B.
Messrs. Hanington Bros., St. John, N. B.
Mr. R. S. Priddy, Windsor, Ont.
Mrs. Orpen, Morden, N. S.
Mr. George C. Hunt, Jun., Fredericton, N. B.
Mr. W. H. Thompson, Harbor Grace, N. F.
Mr. J. M. Wiley, Fredericton, N. B.
Messrs. W. & D. Yule, Montreal.

My Pills and Ointment are neither manufactured nor sold in any part of the United States. Each Pot and Box bears the British Government Stamp, with the words, "Holloway's Pills and Ointment, London," engraved thereon.

The medicines are sold at the lowest wholesale prices, in quantities of not less less than £20 worth—viz., 8s. 6d., 22s., and 34s per dozen boxes of Pills or pots of Ointment, for which remittances must be sent in advance.

THOMAS HOLLOWAY.

N. B.—Chemists and other vendors of Holloway's genuine Pills and Ointment may have their names inserted in the local papers if they will please apply here.—

VINEGAR BITTERS

VINEGAR BITTERS

Dr. J. Walker's California Vinegar Bitters are a purely Vegetable preparation, made chiefly from the native herbs found on the lower range of the Pacific Rocky mountains of California, the medicinal properties of which are extracted therefrom without the use of Alcohol. It is a question is almost daily asked, What is the cause of the unparalleled success of VINEGAR BITTERS? Our answer is, that they remove the cause of disease, and the patient receives his health. They are the great blood purifier and a life giving principle, a perfect Renovator and Invigorator of the system. No matter what your feelings or symptoms are, what the disease or ailment, use these Bitters according to the remaining portion of this advertisement.

The properties of DR. WALKER'S VINEGAR BITTERS are Aperient, Diaphoretic, Carminative, Nutritious, Laxative, Diuretic, Sedative, Counter-Irritant, Sudorific, Alterative, and Anti-Bilious.

Grateful Thousands proclaim VINEGAR BITTERS the most wonderful Invigorant that ever sustained the sinking system.

No Person can take these Bitters according to directions, and remain long unwell, provided their bones are not destroyed by mineral poison or other means, and vital organs wasted beyond repair.

Bilious, Remittent, and Intermittent Fevers, which are so prevalent in the valleys of our great Rivers throughout our United States, especially those of the Mississippi, Ohio, Missouri, Illinois, Tennessee, Cumberland, Arkansas, Red, Colorado, Brazos, Rio Grande, Pearl, Alabama, Mobile, Savannah, Roanoke, James, and many others, with their vast tributaries, throughout our entire country during the Summer and Autumn, and remarkable for during seasons of unusual heat and dryness, are invariably accompanied by extensive derangements of the stomach and liver, and other abdominal viscera. In their treatment, a purgative, exerting a powerful influence upon these various organs, is essentially necessary. There is no cathartic for the purpose equal to Dr. J. WALKER'S VINEGAR BITTERS, as they will speedily remove the dark colored viscid matter with which the bowels are loaded, at the same time stimulating the secretions of the liver, and generally restoring the healthy functions of the digestive organs.

Fortify the body against disease by purifying all its fluids with VINEGAR BITTERS. No epidemic can take hold of a system thus fore-armed.

Dyspepsia or Indigestion, Headache, Pain in the Shoulders, Coughs, Tightness of the Chest, Dizziness, Sour Eructations of the Stomach, Bad Taste in the Mouth, Bilious Attacks, Palpitation of the Heart, Inflammation of the Lungs, Pain in the region of the Kidneys, and a hundred other painful symptoms, are the offsprings of Dyspepsia. One bottle will prove a better guarantee of its merits than a lengthy advertisement.

Scrofula, or King's Evil, White Swellings, Ulcers, Erysipelas, Swelled Neck, Goitre, Scrofulous Inflammations, Indolent Inflammations, Mercurial affections, Old Sores, Eruptions of the Skin, Sore Eyes, etc. In these, as in all other constitutional Diseases, WALKER'S VINEGAR BITTERS have shown their great curative powers in the most obstinate and intractable cases.

For Inflammatory and Chronic Rheumatism, Gout, Bilious, Remittent and Intermittent Fevers, Diseases of the Blood, Liver, Kidneys and Bladder, these Bitters have no equal. Such Diseases are caused by Vitiated Blood.

Mechanical Diseases.—Persons engaged in Paints and Minerals, such as Plumbers, Type-setters, Gold-beaters and Miners, as they advance in life, are subject to paralysis of the Bowels. To guard against this, take a dose of WALKER'S VINEGAR BITTERS occasionally.

For Skin Diseases, Eruptions, Tetter, Salt-Rheum, Blotches, Spots, Pimples, Pustules, Boils, Carbuncles, Ringworms, Scald-head, Sore Eyes, Erysipelas, Itch, Scurfs, Discolorations of the Skin, Humors and Diseases of the Skin of whatever name or nature, are literally dug up and carried out of the system in a short time by the use of these Bitters.

Pin, Tape, and other Worms, lurking in the system of so many thousands, are effectually destroyed and removed. No system of medicine, no vermifuges, no anthelmintics will free the system from worms like these Bitters.

For Female Complaints, in young or old, married or single, at the dawn of womanhood, or the turn of life, these Tonic Bitters display so decided an influence that improvement is soon perceptible.

Cleanse the Vitiated Blood whenever you find its impurities bursting through the skin in Pimples, Eruptions, or Sores; cleanse it when you find it obstructed and sluggish in the veins; cleanse it when it is foul; your feelings will tell you when. Keep the blood pure, and the health of the system will follow.

Prove that our Instruments in the opinion of competent judges are incomparably superior to all others.

Sole Proprietors and Manufacturers of the
ORGANETTE,

Containing Scribner's Patent Qualifying Tubes, acknowledged by all to be the greatest improvement yet introduced. Their superiority is conceded by other makers from the fact that at Guelph they withdrew from competition, thus acknowledging their inability to compete with them.
