Best Trotting Records at Different Ages.

The fastest mile trotted by a gelding previous to this year was the 2.10 of Jay-Eye-See at Providence, R.I., Aug. 1, 1884. Already this season the champion record of the little black son of Dictator has been equalled or excelled by three different geldings—Guy 2.09¾, Walter E. 2.10 and Little Albert 2.10, the two latter having race records.

There are a few odd things that crop out in the color of trotters this year. No black trotter ever took a record below 2.10 until Guy went in 2.09¾ at Detroit.

The fastest mile by a 13-year-old trotter was the 2.14¾ of Harry Wilkes, made in 1889, which has been reduced to 2.09¾ this year by Guy.

The fastest mile by a 12-year-old trotter is the 2.13 1-4 of Rarus, made in 1878. There are not many of this age out this year, and the best mile is that of Marquis in 2.16 3-4 at Denver early in the spring. Globe, Mr. Hamlin's fast gelding, is 12 years old, and if he is given a chance ought to be able to lower the record of Rarus that has stood so long.

The fastest mile by an 11-year-old trotter is the 2.08 3-4 of Maud S. in 1885. Nelson's 2.10 3-4 this year is the nearest approach to that mark.

Maud S. also holds the record for a 10-year-old trotter by her mile in 2.09 1-4 in 1884, not counting Stamboul's rejected performances of last year, and the nearest approach by one of that age this year is the 2.11 1-4 of Martha Wilkes at Pittsburg.

Trainer Donovan Charged With Murder.

LONG BRANCH, N.J., Aug. 8.—P. S. Donovan, familiarly known as "Snip" Donovan, one of the best known trainers in the East, and a man whose good humor and good nature are a proverb on the turf, is in the county jail at Freehold, N.J., charged with murdering his bosom friend, John Chew, at Pierre Lorillard's stables at the Monmouth Park race track.

Donovan was asked why he had killed Chew and replied that Chew might as well be killed as he.

Chew was an agent and buyer for Mr. Lorillard and was a subordinate and assistant to Donovan.

At the preliminary inquest Watchman Redcliffe testified that Donovan had frequently threatened to murder Chew.

Donovan is universally popular with turfmen. He has a big, round, smooth-shaven, good-humored face, and has never been known to quarrel with anyone. He is about 40 years of age, unmarried, and weighs probably 250 pounds.

The Elks of the Toronto Junior Amateur League would like to arrange a game for Civic Holiday with some team outside the city. Address W. C. McDonald, 74 Berkeley-street.

The report of the Stricker incident at Philadelphia was exaggerated. He merely threw the ball on the ground and it bounded into the crowd. The man who was injured said it was an accident and refused to prefer charges. Stricker was released from custody.

The National League players who have the highest batting averages up to yesterday are: Merritt .432, E. Smith .400, Robinson .399, Duffy .397, Hamilton .397, Tebeau .394, Brouthers .381, McCarthy .377, McKean .372, Delahanty .371, Burkett .366, Browning .365, Davis .349, Connor .347.

NEW YORK ATHLETICS.

Many Old Timers Will Appear Against Toronto at Rosedale.

The team of the New York Athletic Club will leave New York on Friday night to play the Toronto Lacrosse Club at Rosedale on Saturday. One of the N.Y.A.C. team writes:

"Of course we will be more than surprised should we do the 'Canucks' up, but at any rate we will give a good account of ourselves."

The New York team is going to play in Chicago in September for the championship, and intend taking a trip as far as Montreal. Jimmy Garvin, now of New York, will likely play if he gets in condition. Also Billy Pape, who played with the Ontarios. E. H. Gerry, also well known here a few years ago, will be one of the team. It is 13 years since he first played with the Torontos.

Uxbridge Beats the Elms.

A large number of people, mostly from Uxbridge, Ont., visited Island Park yesterday afternoon to witness what proved a very interesting game of lacrosse between the Electrics of Uxbridge and the Elms of Toronto. The game was fast from the start, good combinations being shown by both sides. The ball was kept going from one end of the field to the other in a style very interesting, but at times exceedingly dangerous to the spectators. The teams were pretty evenly matched, but the visitors had the best of the play from the first, which is no doubt in some part due to the fact that they had at least four, and perhaps five, seniors on their team. Yet the Elms played a plucky game and made the visitors work for all they got. At the end of 45 minutes' hard play the Electrics scored a game. After another 45 minutes' play one of the Elms received a severe scalp wound, which prevented him from finishing the match, and as the visitors had to return to Uxbridge by the 6 o'clock train the game was declared finished by mutual consent.

The Civic Holiday Races.

The race committee of the Toronto Bicycle Club is hard at work on the Civic Holiday race meet. It is expected that the Toronto's twelfth annual meet will equal if not surpass any of the previous ones. The committee has decided to give nothing but diamonds as prizes, consequently the entry list should be the largest ot any meet ever held in Canada. Some weeks ago the committee thought of putting on a special invitation race for Wells and Hyslop, but as such a race would be of little interest to the general public, it was decided rather to send an invitation to Wells to compete in all the open events.

Bicycle Bits.

Over $10,000 in prizes will be awarded the successful wheelmen at the present international meet in Chicago.

An effort is being made in Kingston to have an exhibition game there between the Capitals and Shamrocks.

The Toronto lacrosse team arrived home from Chicago last night on the C.P.R. They enjoyed everything hugely in the fair, but nothing better than the elephant.

A lacrosse match of the Midland League series was played in Lindsay yesterday between Lindsay and Port Perry and resulted in favor of Lindsay by 4 to 1.

Charles W. Price, the well-known Milwaukee racing man, has joined the Cash Prize League and will compete in all the races held under the auspices of that organization on the Wheelmen's Circuit.

The Athenaeum Cycling Club's run Saturday will be by boat to St. Catharines, leaving here at 3 o'clock. They stay there all night and wheel to Grimsby Park on Sunday to hear Dr. Talmage and have dinner. Then they go to Hamilton for tea and spend Monday witnessing Hamilton races.

ROYAL VICTORIA'S RACES.

LONDON, Aug. 8.—The week's racing of the Royal Victoria Yacht Club opened today off Ryde, Isle of Wight, where the club house is situated. The yachts entered for the cup, valued at $300, given by the Earl of Deft, vice-commodore, were the Satanita, Britannia, Navahoe and Calluna. The course over which the race was sailed was 50 miles long. The wind was blowing a moderate breeze from the east southeast. The start and finish were as follows:

Yacht.	*Start.*	*Finish.*
Britannia	10 00 45	3 54 33
Navahoe	10 00 50	3 56 23

THE NATIONAL REGATTA.

Opening To-day—Canadian Entries Makes it International.

DETROIT, Aug. 8.—Notwithstanding the absence of foreign oarsmen, the National Association of Amateur Oarsmen's Regatta will undoubtedly surpass all previous ones given by the association. After all, there is a tinge of international effect thrown over the whole by the fact that our Canadian friends have advanced several good entries. The races, which take place on Aug. 9 and 10, are to be rowed as follows: 1, senior single sculls; 2, junior single sculls; 3, senior double sculls; 4, senior pair-oared shells; 5, senior four-oared shells; 6, junior four-oared shells; 7, senior eight-oared shells; 8, intermediate eight-oared shells; 9, special international four-oared shells. All the races except 7, 8 and 9 will be a mile and a half with a turn, the others of the same distance, but straightaway. The prizes will be challenge cup and plate of the association to winners of races 1, 3, 4 and 5, individual medals in each event to every winning oarsman or sculler and a silk banner to his club.

The course is of ample width and well sheltered. The river is divided into two channels off Belle Isle, one being named the American and the other the Canadian channel. The latter lies to the south and is used for navigation, while the American channel, on the north is especially set aside for pleasure craft, and here the races will be rowed.

The annual meeting and election of the Executive Board will be held at the Russel House, in Detroit, on Aug. 9. The terms of four members will expire. They are Charles L. Catlin of Chicago, Walter Stimpson of Boston, A. R. Swest of Pawtucket and O. P. Schmidt of Washington. The three former will likely succeed themselves, as there has been no opposition shown to date.

Records of Dixon and Pierce.

George Dixon is the recognized featherweight champion of the world. He was born in Nova Scotia 23 years ago, but has spent most of his life in Boston. He began his great fistic career six years ago and won over 20 battles before his name was known outside of the Hub. Dixon has figured in 36 finish battles, defeating the champions of three countries, and never suffered a single defeat outside of this great record, and he has won over 450 four-round contests. Among the men Dixon has defeated are Eugene Hornbacher, Cal McCarthy, John Murphy, Abe Willis, champion of Australia; Fred Johnson, champion of England; Nunc Wallace and Jack Skelly.

Eddie Pierce was born in New York city on July 26, 1871, of German-Irish parentage, and received a thorough commercial education and was in the employ of a well-known Wall-street house up to one year ago. He first began boxing six years ago at a tournament given by the Pastime Athletic Club.

His first victory was over Willie O'Day. He then subsequently met and defeated Mike Benn in four rounds, Jerry Barnett in three rounds, Batty Weldon, Willie Butler and Eddie Lonsbery in three rounds each, all in one night, Billy Frazer in two rounds, Johnny Waits in three rounds, Mike Leonard in three rounds and Willie Joh in four rounds. The latter fight, by the way, was one of the bloodiest and most desperate fights that taken place in New York for years. His next important victory was that over Billy Kenny, whom he literally chopped to pieces in three rounds. It was his first professional contest, and occurred before the Coney Island Athletic Club. Some months later he was matched against George Siddons for a purse of $2000. The fight took place on Aug. 2, 1892, and resulted in a 41-round draw.
