The Shamrocks Wiped Out in Short Order—Victory of the Montrealers Over the Ontarios—International League and Other Baseball Matches.

The Toronto Lacrosse club are still unconquered. Their match with the Shamrocks Saturday afternoon proved a complete walk-over, not more than 8 minutes actual play being required for the taking of three straight games. The match was witnessed by 3000 people and was intensely exciting while it lasted, the play being almost too quick and the checking too sharp to keep track of. The weather was glorious. The Torontos appeared in new suits of the old Royal Blue color. Referee Lewis's duties consisted in facing the ball.

Game.	*Won by.*	*Scorer.*	*Time.*
First	Toronto	Irving	1 min.
Second	Toronto	Irving	5 min.
Third	Toronto	Irving	1 min.

The first game started at ten minutes to 4, the Torontos playing down. The ball quickly traveled to the Toronto defence. Coulson got it away and gave it to Dixon, who threw on home. After a short skirmish around the Shamrock goal Eckardt threw from behind to Irving, who shot the first goal after a minute's play.

The second game commenced immediately, neither team leaving the field. Again the ball traveled in the vicinity of the Toronto goal. Garvin threw it up field and Sewell put it in front of the Shamrock goal after a piece of fine play. Cregan relieved his goal, and a few seconds afterwards Martin stopped a hot shot from Ahearn. Bonnell got the ball up field and Cregan again got it down. Finally Irving dodged Canadien neatly and scored the second game. During the six minutes this game was in progress the play was of the sharpest. The ball traveled from end to end continually, its stays being longer about Prior's post. There was more actual play crowded into six minutes than sometimes takes place in an hour.

Dixon captured the ball at the third face and threw it on the Shamrock goal, where it stayed till Sewell tobied to Irving, who again scored. Time, one minute.

The Toronto literally swarmed all over their opponents. Wherever there was a red shirt here appeared to be four blue ones to watch it. The Toronto defence was a stone wall and their home lightning, so to speak. It would be impossible to discriminate as to the merits of the twelve players. Captain Massey did his work nobly. The Shamrocks came on the field not cock sure of winning, as in the premises would have been absurd, but honestly confident of victory. They felt themselves to be in fine trim and they were. They did not miss a catch or run over a ball when they got there first, but the Torontos generally got there first and defeated them before they got their eyes open.

The Montrealers Beat the Ontarios.

MONTREAL, Que., July 25.—The Ontario team met the Montrealers on Saturday in their second championship game in the lacrosse series. The weather was splendid and the attendance about 3000. M. J. Polan was referee, J. Carrothers and Dr. Guerin umpires. The Montrealers lost the toss, and played towards the west, against the hill and the sun.

Montreal—Aird, Cleghorn, Elliott, Shepherd, Cameron, Fraser, Patterson, Carlind, McNaughton, Paton, Hodgson and Grant.

Ontario—Clowes, Small, Wilson, Hull, Clark, Rose, Crowa, Gerry, Martin, McPherson, Foley and O'Neill.

The first game lasted twenty-one minutes, of which fourteen was for a stop, Hull getting his leg hurt. The play was all in favor of the Montrealers, who put shot after shot on goal. At last McNaughton got the Shamrock's goal. In the second game the Montrealers were playing a very loose game and evidently holding Ontario too cheaply. McPherson scored a game for the visitors after 26 minutes' play, in which Clowes had stopped no less than 14 straight shots on his goal. The third game saw the Montrealers go to work and in 16 minutes Hodgson scored. The fourth game was short, Montreal, represented by McNaughton, making the winning shot.

Peninsular C. C. v Bracondale C. C.

This match was played Saturday afternoon on the Bracondale ground, the Peninsulars being victorious by a score of 113 to 73. D. McDonell, F. S. Treen, D. Fenton and G. Barker all showed good form for their respective scores of 37, 18, 12, 12, for the Peninsulars; and F. Huntley and J. Clarke for the Bracondales. The bowling of J. Ball for the Peninsulars was grand, he performing the hat trick by taking three wickets in three successive balls. The fielding of both teams was well up to the mark, the Peninsulars not letting the Bracondales make one extra.

The Interprovincial Cricket Match.

OTTAWA, July 24.—The result of this match was hardly what was expected. The shelving of the second venture of the Quebec representatives from Friday afternoon till Saturday afternoon had a different effect than was anticipated. The Ontario captain acceded to the proposal of the Quebec captain that a cricketing matinee be held, and that the Ottawa Club, which had been at some expense in arranging this contest, should be allowed to benefit by the extra gate money which would be induced by the postponement of the conclusion of this game till the following afternoon. The poor state of the wicket on Friday was forgotten, and on Saturday the weather was of the best and the crease in admirable condition. Runs came easily and the Quebec men got the required number of runs with four wickets to spare. Few spectators came to the ground, and financially the home club did not much benefit by the playing of the match. Little, Bell and Wilson proved themselves better players than their record of the previous two days goes to infer and their scores of 46 not out, 23 and 24 respectively, were the means of bringing the contest to a successful conclusion. Little played an almost faultless innings, being marred by an uncertainty of his leg play. Neither Gillespie nor Jones shone in the bowling line and the changes which were made were unproductive. The Ontario fielding was hardly up to the standard of the previous day, and nearly it seemed to be their off day. The Ottawa men were truly hospitable and they did everything in their power to make the stay of the Upper Canadians pleasant. The good results of this match are the bringing out of three new men, Little, Bell and Coste, the last named proving himself an exceptionally effective bowler. To take all the wickets in an innings is a very unusual thing in a match of this calibre, but Coste did this obtaining as a result of this bowling 17 wickets for an average of a little over 4 runs per wicket. The Ontario team was weak in batting, and had there been a few more batsmen of the same worth as Vickers, Jones and Winslow the runs would have been more prolific. Ontario has won two matches and Quebec has won one in this new series.

Pete Wood Buys his Release.

BUFFALO, N.Y., July 25.—Pete Wood has shaken the dust of Buffalo from his feet. When he was suspended for the season a short time ago he offered the directors of the club $300 to be released. The latter hardly knew how to act in the matter and laid it before the recent meeting of the league at Syracuse, when they were told to do as they pleased regarding it. The result has been that Wood has obtained his release after paying the Buffalo club the sum of $400 for the same.

St. Louis v. Toronto.

The St. Louis National League team arrived in Toronto yesterday morning and took up quarters by the Rossin House. In the afternoon they drove around the city and found the day hot and dry, especially the latter. Mr. Bert. Bennett, secretary of the Torontos, had Mr. G. Schmelz, Manager of the Maroons, under his charge and indefatigably did the amiable. The St. Louisians are honorable people and have brought along their very best nine, including one of the finest infields ever got together. Healey, the pitcher, is said to have the speed of a Stemmyer with more steadiness. The Torontos reached home last evening, wearied out by their run of hard luck and the long journey from Syracuse. Smith and Spill are still on the ailing list. The former wishes very badly to play to-day, but Manager Humphries does not think it wise to allow him, his knee still being very bad. The boys did not seem over communicative, evidently being desirous to get to their quarters as speedily as possible. To-day's game will be called at the usual hour, 4 o'clock. The teams will be:

St. Louis: Dunlap, 2b.; Glasscock, s.s.; McKinnon, 1b.; Denny, 3b.; Seery, r.f.; Kirby, c.f.; Graves, c.; Healey, p.

Toronto: Osterhout, r.f.; Albert, 3b.; Morrison, c.f.; Faatz, 1b.; Darling, s.s.; McGuckin, l.f.; Humphries, c.; Emslie, p.; Curry 2b.

Our Defeats Explained.

From the Syracuse Standard, July 24.

The colored mascot of the Torontos has been released. He was released by Manager Humphries at Binghamton for insubordination and tardiness and was refused all back pay. The mascot beat his way to Syracuse and came to the Standard office yesterday. He declares that the Torontos should not blame him for their poor success on this trip as he has spit on their bats until he is weary. Had he known that he was to be released he would have struck for a new pair of shoes. He has his blue and gold uniform only, and will sign with any respectable club. The mascot, who did good service for the Stars last year, left this note for publication: "Syracuse, N.Y., July 23, 1886. Mr. J. H. Humphries has lost his mascot and he came to Binghamton to strike Mr. Olin, manager of the Stars, for his position."

Fair Balls.

Goldsmith has been distinguishing himself at Detroit as a league umpire.

The International games to-day are Rochester at Buffalo, Syracuse at Oswego and Binghamton at Utica.

Buffalo has won eight straight games. Wonder whether the string will break when Toronto meets the Bisons to-morrow.

President Young of the National League, has submitted a plan to the clubs for a supplementary season, which will extend the championship to October 20 to enable the playing off of postponed games.

New Yorker—"Our boys just swiped the Detroits the other day in good style, didn't they?" Boston—"Yes, and we swiped you yesterday." New Yorker—"Excuse me, sir, we never use that word when the New Yorks are out-umpired."—Tid Bits.

Nothing Like It.

There's a symmetry of motion
To my sympathetic notion
In the pitcher as he curves the ball;

There's an idyl, great in diction,
Quite exciting as a fiction,
In the batter when he flies the wall;

And the poes of grace and beauty
Of the catcher doing duty,
Is an epic quite excelling all.

But for poetry of motion,
To my unpretentious notion,
There is nothing like the umpire's gall.
