CLOSING SALE

BY

Gordon, Mackay & Co.

OF THE

McMaster Bankrupt Stock

ON

TUESDAY, 15th MAY,

(Premises, 41 FRONT-ST. WEST, to be vacated on or before the 31st inst.)

Balance of stock still embracing many large lines in Woolens, Hosiery, Gloves, Smallwares, etc., together with the balance of season's production of some of the principal Canadian mills, which they have succeeded in securing at a tremendous discount for spot cash.

This enables them to make prices for the closing sale which even they have not been able to approach before, and affords the trade a final opportunity of obtaining really staple desirable goods at less than cost of production.

They would also call attention to the warehouse and office furniture, including one of the finest safes in the city for merchant's office, desks, counters, tables, trucks, trunks, etc. which will be sold at ridiculously low prices.

Every dry goods dealer should be represented at this sale.
