Results of the Trading in Grain and Stocks on Wednesday—Local and Foreign Markets.

WEDNESDAY EVENING, May 28.

The tone of the stock market this morning on the whole was stronger, and values, where changes were recorded, had an upward tendency. Trading, which was only fairly active, was not very well distributed, most of the stocks changing hands being bank stocks; a larger volume of business was transacted, however, than yesterday. The feature was the trading in Ontario Bank stock and Farmers' Loan. In the former there were four transactions, varying from 118¾ to ¼ higher, and in Farmers' there were four transactions, covering 146 shares at 121¼. Montreal ruled ⅛ stronger at 217½ asked and 217¼ bid, with sales of 30 at 216¾ and 5 at 217¼. Merchants' advanced ¼. Commerce was ⅜ higher, Imperial ¼ better. There were sales of 31 Northwest Land Co. at 80¾; otherwise miscellaneous stock dragged. There were no changes whatever to chronicle in loan stocks, the sales being confined to Farmers' L. & S. as recorded above. In the afternoon trading was inactive and little business was done. Values in most cases were regular. Commerce advanced ⅜ to 124 asked and 123¾ bid, with sales of 20 shares at the latter figure. Dominion was ¼ lower, otherwise bank stocks were unchanged. In miscellaneous, British America advanced ¼. There was some trading in Consumers' Gas at 177, but C.P.R. was by all odds the most active stock. Quotations advanced ⅛, but this did not affect sales of 50 shares at 83¼ the opening quotation.
