The Argonaut Rowing Club's eight, who will compete at the Henley Royal Regatta, will leave Toronto this afternoon on the 2 o'clock boat, from Yonge-street wharf, for New York, whence they will sail on Wednesday for Liverpool. St. Alban's Club Match.

The young bachelors of the St. Alban's Club on Saturday proved themselves no match for the older benedicts, making but a poor show against the bowling of such old hands at the game as Green and Wheeler, who divided the wickets equally, with six for 11 and 17, respectively. Grew, as a batter, also showed to advantage, making the top score of 18. C. Edwards and W. Parker ran him close with 17 each. Bachelor innings secured six wickets for 14, and Garrett finished strong, doing the hat trick at the end of the innings.

Cricket Slips.

The Philadelphia cup match between Germantown and Merion, played at Haverford Saturday afternoon, was notable for the fact that a century was scored on each side, H. C. Thayer scoring 127 for Merion, and R. W. Krause 106, not out, for Germantown. The match resulted in a victory for the home team by a margin of 55 runs.

The Halifax Cup match between Belmont and Germantown Team B. was commenced Saturday afternoon at Elmwood, near Philadelphia. In the short time that remained to play Bates and Brown, the first two Germantown batsmen, made 62 runs without being separated.

Some notable cricket marked the opening of the New York League championship season at Bayonne, where the Nelson Lodge team had to submit to a severe drubbing at the hands of the Knickerbocker A.C., who won by 214 runs and 7 wickets to spare. Laurie carried off the batting honors with a vigorous inning of 103, not out, while F. F. Kelly performed the feat of capturing four wickets in consecutive balls. R. W. Powell was the only Nelson man who showed form. He carried his bat right thru the innings of his team, and was responsible for the three wickets which fell. The totals were: Nelson Lodge 17, Knickerbocker A.C. 231, for three wickets.

W. C. Grant and Robert LeRoy gained the honors in the doubles after a hotly contested match.

ENGLISH POLO TEAM VICTORIOUS.

American Team Badly Beaten at Hurlingham, Score 6 to 1.

Hurlingham, England, June 9.—A fashionable crowd assembled at Hurlingham to-day to witness the second match in the series being played for the American Polo Cup. The betting favored the winners of the game was still in favor of England in spite of the Americans' success in the first half, of the game May 31. The teams were:

Americans: R. L. Agassiz, J. E. Cowdin, Foxhall Keene and Lawrence Waterbury.

British: Cecil Nickalls, Frederick Freake, George Miller and Wilfred Buckmaster.

England won by 6 goals to 1.

The game won by the Englishmen to-day was one of the most brilliant ever played at Hurlingham. "The only thing we have to complain of," said Mr. Keene after the game, "is that they beat us. There was nothing the matter with ourselves or with our ponies. We hope to give a better account of ourselves June 14."

The English team seemed to take the ball down to the American goal as they liked, and nothing but the superb defence prevented them from making a still higher score.

The spectators were at very high tension when play began. The English stood on their chairs, yelled, cheered and waved umbrellas whenever their side scored. Buckmaster was the special hero of the home crowd. He was accorded a great ovation when he rode off the field at the finish.

English hopes of winning the final game are now high, and there is no question that next Saturday's contest will draw out one of the greatest fashionable sporting crowds ever gathered at an international contest here.

Bouts at Fort Erie To-Night.

Buffalo, June 9.—To-morrow night Curley Supples and Art Simms, two of the cleverest boxers in the country, will meet in the arena of the International A. C., across the river. They have been training hard for two weeks, and they are both in good condition for a hard battle.

The boxers who have been engaged for the preliminary bouts are probably the best drawing cards that Manager Herman has yet signed. Bonnie O'Brien is sure to put up a good contest with Flynn, despite the fact that the youngster is touted as a sure winner by the Nineteenth Ward crowd.

Keefe and Zurbrick will likely furnish fully as interesting a match as the boxers in the main contest, and, as both are very popular and evenly matched, it will be a good betting bout.

Dominion Day Regatta.

The first meeting of the Dominion Day Regatta Committee was held at the Queen's Hotel last night. Mr. Andrew Cottam of the Toronto Rowing Club was appointed chairman, and Mr. J. W. Barry of the Argos hon. secretary-treasurer. Other clubs were represented by Messrs. J. J. D'Arcy, H. J. Page, T. D. Bailey, Bush Thompson, C. J. Levy and R. K. Barker.

It was decided to hold the annual regatta on the Island course at Hanlan's Point, and to offer special inducements to outside clubs to compete. Owing to the city's small grant, it was decided to ask the local aquatic clubs to contribute to the prize fund, to make the events more attractive. Splendid bronze shields will also be given in each event, besides individual prizes. For outside clubs competing the Transportation Committee will make arrangements to carry boats and canoes at special rates.
