BOARD OF WORKS RECOMMENDS THAT TENDERS FOR PERMANENT PAVING BE CALLED FOR AT ONCE

The Board of Public Works yesterday afternoon decided to recommend that tenders for permanent street paving be called for. No particular class of pavement is to be named. The action of the Board was brought about by the appearance at the meeting of a delegation of residents of Germain street anxious that permanent paving be laid on that street between Princess and Queen streets. Director Murdoch informed the Board that before any attempt at permanent paving could be made on Germain street the water and other services on that street would have to be put in perfect condition. It is hardly likely that this will be done this year so the probability is that the calling for tenders will result not in permanent paving being laid but in the acquiring of a considerable fund of information concerning paving materials, their relative merits and cost. The Germain street petition has been declared illegal and a new one is to be prepared.

The Board also decided to recommend that the Spar Cove Bridge be repaired at a cost of one thousand dollars.

The proposal to make direct connection between Carleton and North street was discussed at some length and it was finally decided that the members of the Board should visit the locality and make a personal inspection of the ground.

Those in attendance were Ald. McGoldrick, Ald. Elkin, Ald. Holder, Ald. Codner, Ald. Scully, Ald. Sproul, Director Murdoch and Superintendent Winchester.

'Phone for Mr. Murdoch.

It was decided to install a telephone in the residence of Director Murdoch and also to make some further minor alterations to the upper story of the City Building.

Orders were issued to give the department's employes the usual holidays.

To Repair Spar Cove Bridge.

Director Murdoch recommended that one thousand dollars be expended on repairs to the Spar Cove Bridge. Ald. McGoldrick said that funds should be raised by the issue of bonds.

On Ald. Holder's motion it was recommended to Council that the repairs be made.

A communication from Thos. L. Potts, Esq., concerning the Marsh Bridge aboideau was ordered to be filed.

R. F. Goodridge, foreman of the Public Works Department, applied for an increase in saldry from $2.00 to $2.50 per day. The application was laid over nutil the next meeting.

John Thompson asked that repairs be made to a retaining wall at his premises, 44 Moore street.

The application went to the director to report at the next meeting.

Mr. Enoch W. Paul appeared before the Board in connection with his request that the city pay for damage done his house at the corner of Dorchester and Hazen streets, by the Hazen street retaining wall sliding out.

Germain Street Paving.

A delegation of the citizens of Germain street appeared before the board in connection with the petition for permanent paving on Germain street between Princess and Queen streets. Those composing the delegation were Lt.-Col. Sturdee and Messrs. S. A. M. Skinner, Percy W. Thomson, Tremaine Gard, L. G. Crosby, J. R. Stone, W. E. Raymond, F. E. Williams, T. H. Bullock, F. A. Peters and F. Rankine.

Petition Illegally Drawn.

An opinion of Recorder Skinner with regard to the legality of the petition of the residents of Germain St., was read. The opinion was to the effect that the petition was illegally drawn. Reasons assigned among others were that the petitioners had mentioned a certain kind of pavement, (Hassam Company's) and had mentioned an amount as that which they were willing to pay.

Ald. McGoldrick explained that open tenders for the paving would be called for and suggested that the Recorder properly draw up a new petition and have it ready for presentation at the meeting of the Common Council on Monday.

Those of the delegation who stated their views to the board were Messrs. Raymond, Crosby, Peters, Williams, Sturdee, Stone, Rankine, Bullock and Thomson.

Opinions varied. The majority of the members of the delegation favored the Hassam pavement. Some favored immediate action, others thought information concerning the class of pavements and particularly their cost should be obtained before tenders were called for.

Mayor Bullock thought the city should go ahead and call for tenders. If the residents of Germain street thought the cost would be excessive, a petition signed by a third of the residents could prevent the laying of pavement on that street.

The delegation withdrew and the board took up consideration of the applications.

The complaint of Mr. E. W. Paul was referred to the director and the superintendent to report back.

Discussion on Germain street paving ensued.

Old Mains On Germain Street.

Director Murdoch warned the board that the old water main on Germain street would have to be removed before permanent pavement could be laid. He said that there was a new main on that street which could be, but was not, used for service distribution.

In reply to Ald. Sproul, Director Murdoch said that the Germain St. main could be put in good condition this summer.

He was asked to make a statement of the probable cost and present it at the meeting of the Water and Sewerage Board today.

On Ald. Codner's motion it was decided to call for open tenders for permanent paving.

Carleton Street Extension.

Director Murdoch reported concerning the proposal to connect Carleton and North streets. His report recommended that the owners of property in that section be asked to give the city the land necessary to run a street through from Carleton to North street without going near the edge of the bluff sloping down to Pond street. A street run in this way will run quite close to the Y. M. C. A. building.

It was decided to let the matter lie over until the members of the Board could make a personal inspection of the ground.

The director's recommendation that pavement be laid before the Bank of New Brunswick West Side branch was adopted.

A communication asking for the improvement of Seely and Spruce streets streets was referred to the director.

A communication from Manchester Robertson Allison was received, asking that some regulation concerning the hours for washing windows be made.

The matter was referred to the Council.

A bill from Edward Doherty for four years' attendance on the lifeboats was sent to the Harbor Board.

A bill from C. W. Stewart for rent of land which the owner claimed was used by the Street Department was referred to Director Murdoch to report back.

Horse for Supt. Winchester.

It was directed to purchase a horse for the use of Superintendent Winchester at a cost of $200.

Ald. Holder brought up the matter of sidewalks for the Strait Shore Road The director said he had an appointment with Ald. Wilson to look over the needs of the street mentioned.

Director Murdoch asked for authority to make experiments with pitch pine paving blocks.

Ald. Baxter suggested that a stretch of street on Mill street be laid with granite blocks on the side on which the New Brunswick Telephone Co. is laying conduits.

BRILLIANT SOCIETY WEDDING

A very pretty society wedding took place last evening, when Miss Florence Upham Harding, daughter of Charles S. Harding, of Mountain street, Montreal, was united in marriage to Dr. Connol Edward Avery DeWitt, of Wolfville, N. S., in the Germain street Baptist Church, by the pastor, Rev. W. W. McMaster. The church, which was prettily decorated for the occasion with marguerites, buttercups and white lilies, presented a beautiful appearance. There was a very large number present to witness one of the most brilliant and fashionable weddings of the season. Mr. Stanley E. Fisher acted as organist, and the choir under direction of Mr. George T. Cooper, furnished very excellent and appropriate music.

The bride was given away by her uncle, Mr. James S. Harding, and was attended by Miss Mary Trueman, as maid of honor and Miss Nellie DeWitt, sister of the groom, and Miss Zillah Rankine, as bridesmaids. Little Miss Brenda Beryl Harding, sister of the bride, acted as flower girl, and carried a very pretty basket of buttercups, daisies and poppies. Mr. Herman DeWitt, brother of the groom was best man, and Messrs. Wm. Vassie, J. W. Harding, Royden Harding and Harold Peters acted as ushers.

Mr. and Mrs. Harding, the parents of the bride, were present, as was also their little daughter Brenda, the flower girl.

The bride's costume was of white satin, with princess lace and pearl and cut crystal trimmings. She wore a veil of old Limerick lace with orange blossoms. The veil was the one worn by her aunt at the time of her marriage. The bride carried a shower bouquet of white roses and lilies of the valley.

The maid of honor will be gowned in white crepe de chene and wore a black hat with white plumes. She carried a shower bouquet of white and mauve sweet peas.

The two bridesmaids wore maize colored satin trimmed with gold, and their hats were of white straw trimmed with marguerites and buttercups. Their bouquets were of buttercups and daisies.

The little flower girl wore a white dress embroidered with marguerites and a white satin sash.

As the bridal party entered the church the choir sang: "The voice that breathed o'er Eden," and during the service chanted the seventy-second psalm. At the conclusion of the ceremony the organ pealed forth the wedding march from Lohengrin, and the bridal party left the church after registering, to the strains of Mendelssohn's wdding march.

After the wedding ceremonies were finished, a reception was held at the home of Mr. and Mrs. J. S. Harding, at 244 Germain street. The dining room was handsomely decorated for the occasion.

Dr. Daniel proposed the toast to the bride, which was responded to by Dr. DeWitt. Dr. Daniel made a brilliant and witty speech. Speeches were also made by Hon. W. H. Tuck, ex-Chief Justice of New Brunswick, and Dr. DeWitt.

Mr and Mrs. DeWitt left on the late train and will sail from Quebec on Saturday on the steamer Megantic for an extended trip through Europe. On their return they expect to reside in Wolfville.

Mr. and Mrs. Charles S. Harding, the parents of the bride, returned to Montreal last evening.

The bride and groom were the recipients of many handsome presents.

Miss Harding has been one of the most popular young ladies in the city and many friends who will miss her from the city will follow her with their warmest good wishes.

Lammion—Mallory.

Last evening at 59 Metcalfe street, Rev. David Hutchinson united in marriage, Miss Maude Rachael Mallory, of Sussex, to Mr. Garfield John Lammion, of this city. The ceremony was performed in the presence of the immediate relatives and friends of the interested parties. The groomsman was Mr. James Armstrong, of this city. The bridesmaid was Miss Minnie Cunningham.

Mr. and Mrs. Lammion are the recipients of many beautiful wedding gifts. The young couple will reside at 64 Metcalfe street.

Redmore—Straight.

The home of Mr. Alexander E. Logan, 114 Chesley street, was the scene of a very pretty, but quiet wedding which took place last evening. Mr. Harry A. Redmore was united in marriage to Miss Laura J. Straight of McDonald's Corner, N. B. Rev. Geo. W. Titus was the officiating clergyman, and only the immediate friends and relatives were present. The happy couple will today leave for Whitehead, Kings county, N. B., where they will reside.

SENT UP FOUR PRISONERS FOR TRIAL

Bartie Grogan and William F. Rogers, the Boston youths, charged with robbing the poor boxes in the Cathedral, St. John the Baptist and St. Peter's church, also with stealing $5.00 from the till in Mrs. McCormack's restaurant on Prince William street, were formally committed for trial by Police Magistrate Ritchie yesterday morning. The boys were given a chance to make any statements they desired.

It is understood that the superintendent of the the Children's Institute at Boston has written the police authorities at Moncton concerning the boys. It is also said that Rogers' mother was very anxious about him; but little dreams that he is here facing a serious charge.

In the afternoon Dennis Sullivan was committed for trial on a charge of stabbing Policeman Perry, a short time ago. Sullivan had no statements to make.

Ramsey Sent Up.

James Ramsey, charged with striking Mrs. Mary Bushara, an Assyrian, with an axe in her yard in Erin street, was also sent up for trial. His Honor reviewed the evidence and decided that there was sufficient evidence to commit Ramsey for trial.

The charge against Amelia Francis, of Sheffield street, accused of selling liquor without license, was given a hearing in the police court yesterday afternoon. One witness was examined and the case was adjourned until 9.15 o'clock this morning when John Johnston, of the chain gang, will be brought before the court to testify.

The evidence of the witness examined, "Pete" McAllister, was not very damaging to the defendant, owing to the fact that on the night in question his memory was not clear as he had imbibed rather freely. Witness swore that he was in Amelia's house on the 21st inst. the night in question, but could not recollect at what time he went in, what time he came out, how long he was there, or whether or not he had purchased liquor there. He explained his failure to remember as due to the state of intoxication. Witness, however, was aware that it was after dark when he entered. He said he did not go in alone but on being asked by Mr. Henderson who accompanied him he replied: "That's one question I refuse to answer, and you can't make me answer it."

Mr. Henderson thought it a reasonable question, but His Honor decided that the question did not pertain to the facts of the case and he could not force witness to answer. Witness proceeded to argue concerning the evidence but was quietly hushed up by the magistrate. Mr. Geo. A. Henderson is conducting the prosecution and E. S. Ritchie is appearing for Amelia.

SPECIAL MEETING FOR AGREEMENT

The Harbor Board yesterday afternoon decided to hold a special meeting, at which Recorder Skinner's articles of agreement for the transfer of harbor property to the C. P. R. will be considered. The city engineer will be present at this special meeting and will submit a draft of his recommendations concerning the transfer.

Sub-Committee Discharged.

The sub-committee, appointed to look into the matter of the leases of property near the Wiggins wharf, west side, held by Messrs. Jarvis Wilson and George McKean, was discharged. This action was taken on account of the illness of Ald. Likely. The chairman was empowered to appoint a new sub-committee.

Lease Granted.

Mr. H. C. Schofield was granted a lease of a warehouse on the Quinn wharf, Lower Cove, until May 1, next.

Engineer Murdoch reported that the D. A. R. warehouse needed a new wharf. The cost was estimated at $800. Ald. Holder and the engineer were appointed a committee to look into the matter and make inquiries with regard to it.

Sand Point Dredging.

Engineer C. McN. Steeves, of the local office of the Dominion Public Works Department appeared before the board and requested that the steamer now docked at No. 6 berth be moved in order to enable the dredge Cynthia to work there. Harbor Master Flemming pointed out that the steamer would be away from that berth within a few days, and that in the meantime had room to work elsewhere.

The matter was left to Mr. Steeves and the Harbor Master to settle.

Engineer Murdoch reported that the floors of No. 1 and No. 2 warehouses at Sand Point, where the freight had been removed from them in the spring, after the Winter Port season, had risen several inches. The cause of this had been the falling out of the blocking between the flooring and the supporting piles. The necessary repairs were ordered to be made.

A communication was received from Mr. George Cushing claiming that the rate of 10 cents per thousand for top wharfage, and the same rate for storage on dry lumber at the New South Rodney berths, was excessive. The board decided that the top wharfage was not to be foregone, and that the Common Clerk be instructed to inform Mr. Cushing that no change in the rate was to be made.

CLOSING OF CONSOLIDATED SCHOOL AT HAMPTON; PRIZES AND CERTIFICATES AWARDED

Special to The Standard.

Hampton, N. B., June 29—Commencing at a few minutes before two o'clock this afternoon the Hampton Consolidated School rounded out its second year's work by a series of closing exercises in the school assembly hall. On the platform were the Rev. J. R. Campbell, D. D., Rev. H. F. E. Hailey, Rev. E. J. Grant, Rev. J. MacKeighan, Rev. G. A. Ross, Rev. H. B. Dickson, John March, Principal Perry, Secretary-Treasurer Brittain and Trustee H. Flewelling, who acted as chairman. Every available spot in the hall outisde the seats reserved for the children was filled with ladies and gentlemen who evidenced the greatest interest in the proceedings. A delicately printed double folder contained the order of exercises and the names of the graduating class. The children marched from their rooms to the hall to the music of the piano in an orderly and quiet manner and opened the programme with a song of welcome. Arthur Gass followed with an essay on Heroism which was well received by the visitors as also by his fellow students.

Praised the Founders

Later came an oration in praise of the founders by Agnes B. Williamson which in crisp sentences traced in a brief but succulent form the general history of education in New Brunswick down to and including the school in which they then were. The young lady's effort was received with applause. The valedictorian was W. Arnold Mersereau who rehearsed the steps of progress made by the school during the year, expressed the obligations of the graduating class to their principal and teachers and pointed in a cheery manner to the various avenues of life opening before them. It was a splendid testimony to the fine spirit cultivated in the school. There were readings by Jean Schofield, Gladys Smith, Ethel Brittain and Maud Blair, a vocal musical duet by Sybil Barnes and Ruth Humphrey, a piano duet by Scovil and Kathleen March and motion songs by several classes of the first and second primaries.

Medals and Prizes.

The presentation of medals and prizes to the successful pupils was both interesting and stimulating as the gentlemen to whom this duty was assigned addressed words of praise to the winners and of sound advice for their future guidance.

The Fowler history prize was won by Arnold Mersereau and that in the third department by Muriel Seely. The Humphrey medal for mathematics fell to the lot of Marguerite Adams, sister of the young lady who won last year. The science prizes were accorded, ten dollars to J. Trimble and five dollars to Russell Bennett. Judge Wedderburn's prizes for readnig were won by Maude Blair and Arthur Schofield in first department, Jean Schofield and George Watson in the second and Ethel Brittain and Arthur Gass in the third. Honor certificates were granted to Dorothy Mabee and Allen Purdy grade II. Helen Flewelling and Lilian Fowler, Grade II, Maud Blair and Annie Gallagher, Grade III second department, Arville Stafford and Jean Schofield Grade IV, Ed. Harrington and Ruth Humphrey, Grade V., Helen Schofield and Hilda Whalley, Grade VI. Muriel Seely and Ethel Brittain, Grade VII, Arthur Gass and Helen Desmond, Grade VIII.

Certificates Granted.

Certificates were also granted to the most successful pupils in the domestic science and manual training departments. To Helen Whalley, Ethel Brittain and Agnes B. Williamson in the former, and to Ren Smith, Cecil Langstroth and Arthur Seeley in the latter. Graduation rolls were granted to Agnes Belle Williamson, Elizabeth Jane Adams, Annie Hazel Duffy, Harriet Alexander Alward, William Arnold Mersereau and Henry Mersereau Allaby. The class motto was Duty.

All the pupils in standard 8 passed with a good percentage the entrance examination for the High School. The Revs. Messrs. MacKeigan, Dickson and Whalley and Mr. J. March presented the prizes and made appropriate speeches in doing so.

Inspector Steeves wrote regretting his inability to be present and also the removal of Principal Perry, a feeling universal in the community.

Gave A Reception.

At the close of the exercises the graduating class gave a reception with refreshments in the domestic science room, which was participated in by many friends. The class served salmon salad, biscuits, icecream and coffee. And the class leader, Miss Agnes Williamson provided a class cake with confections outlining H. C. S. 1909, of which all joyfully partook with best wishes.

The exercises were held a day in advance of the closing of the schools to enable the teachers of domestic science and manual training to be present with their classes, as tomorrow they have to be at Sussex.

DEDICATION OF NEW CATHOLIC CHURCH AT RIVERSIDE A. CO.

Special to The Standard.

Riverside, Albert Co., June 29.—The dedication ceremonies in connection with the new Roman Catholic Church at this place took place today. The Right Reverend T. Casey, D. D., Bishop of St. John, celebrated Pontifical High Mass at ten o'clock this morning. At the hour set for the opening service, the bishop and the visiting clergy walked in procession from the rectory to the main entrance of the beautiful new church and after a short prayer on the threshold continued in procession completely around the church, chanting the fifty-fifth psalm, "Have Mercy Upon Me, O God."

Afterward they entered the church chanting the litany of the saints and other prayers laid down in the Roman ritual. The bishop as celebrant and the other officers of the mass then robed themselves for the high mass.

The choir was a very efficient one led by Rev. Fr. Porier, of St. Martins.

Mrs. B. F. Harper presided at the organ. A number of the young ladies of the parish constituted the remainder of the choir.

In the celebration of the pontifical high mass the bishop had the following assistants: The Very Rev. W. F. Chapman, V. G., St. John, as high priest; Rev. J. Ryan, of Norton, as deacon, with sub-deacon Rev. J. McDermot, of Sussex; Rev. C. P. Carleton, of Petersville, as master of ceremonies.

Sermon by Rev. Fr. Borgman.

The preacher was Rev. Fr. Borgman, C. SS. St. John. He delivered an eloquent sermon, his subject being "The necessity of religion for mankind and the outward manifestations of man's love for God." Hence the efforts of Christians to build houses of worship to the living God. The reverend gentleman congratulated the Catholic people of Albert county on the erection of this beautiful edifice, for whose dedication the vast assemblage had gathered from all parts of the county today. He spoke fittingly of the zeal of the priests of the parish. Rev. Francis Lochary, who has for the past two years has been the priest in charge of the parish and to whose untiring energy and financial ability seconded by the hearty co-operation of a loving people, had enabled to erect a splendid monument, which would be remembered by future generations.

His Lordship Pleased.

Bishop Casey and all the visiting clergy expressed their surprise and delight at the beauty of the new church and its surroundings and the Catholic people of Albert county may be justly proud of their fine church property, which consists not only of the fine church but also a neat and commodious rectory on the same block of land. Despite the threatening weather a very large concourse of people were assembled at the services.

Tonight a concert was held in Oulton Hall, Albert, which was packed to the doors. The proceeds will go towards the building funds. A grand picnic will be held tomorrow on the especially prepared grounds near the church.

SIXTY-FOUR GRADUATES IN HIGH SCHOOL

The city schools will close today, and will not re-open until the seventh of September. There will be but one session in the schools today, which will be taken up with the carrying out of the programmes which have been prepared as previously published in The Standard. The following are the names of the High School graduates, also the names of those who have succeeded in getting an honor division by making an average of 75 per cent. or over.

Honor Roll in Order Of Merit.

Rosalie Waterman, Arthur Anglin, Arthur Carter, Wm. Walsh, Grace Ferguson, Marion Chesley, Etta Sampson, Mildred Dobson, McLellan Balcom, Clarence Dunlop, Nellie Williams, Edith Kee, Jennie Hatheway, K. Seymour Barnes, Dorothy Perley, Rebecca Segal, William Read and Doris Reade.

The graduating class is as follows:

Marguerite Adams, May Blizard, Marion Chesley, Ethel Coles, Helen Corbett, Muriel Denham, Mildred Dobson, Gertrude Dunlop, Bessie Duval, Dora Evans, Hazel Evans, Edna Everett, Grace Ferguson, Katherine Goodrich, Jennie Hatheway, Enid Hutchinson, Muriel Jordan, Edith Kee, Beulah Knowlton, Hazel Maxwell, Isabel Millidge, Hazel McKay, Vera McKay, Grace McKim, Elizabeth McKinnon, Marion Peters, Dorothy Perley, Annie Powers, Doris Reade, Etta Sampson, Fanny Sampson, Rebecca Segal, Hilda Shaw, Edna Simond, Olive Sulis, Harriet Vanwart, Myrtle Vanwart, Rosalie Waterman, Nellie Williams, Alice Wilson, Elsie Woodrow.

Arthur Anglin, McLellan Balcom, K. Seymour Barnes, Geo. Cameron, Arthur Carter, Clarence Dunlop, Raymond Haley, Harold Hayes, Kerr Higgins, Arthur Hopkins, Edward Lawlor, Mason Linton, Kenneth Machum, Guy Merritt, Thomas Morrison, Cyril McDonald, William Reade, Frank Scully, Donald Skinner, Frank Stephenson, William Walsh, Kenneth Wilson, Basil Winter.

The graduates in grade XII are:—Hazel Holder, Dora Jones, Helen Hannah, Agnes Ross, Charles Bennett, Henry Morrisey and Frank Smith.

AND THE LONG SUFFERING PUBLIC WAITS

Dominion Day baseball in the city is as yet an uncertain quality. As stated elsewhere, the intersociety league is so far disorganized that it is not known whether there will be games between teams of that league on the holiday.

One possibility is that there will be games on the Shamrock grounds between the St. Peters and the Clippers. The Marathons on the one hand and the other society league teams on the other, have kept the St. Peters and Clippers in such a state of uncertainty that they have not been able to complete arrangements as yet.

Mr. D. B. Donald, when asked as to the movements of the Marathons on the holiday stated with all the manner of a captain of industry that he had nothing whatever to say.

It is understood however, that the Marathons have proposed to the Clippers that the teams play on the holiday. The Marathons are asking however, for two-thirds of the gate receipts after the deduction of expenses and the Clippers say that they will not consent to such a division.

According to the Fredericton Gleaner the Marathons have also been dickering for games in the capital on Dominion Day, but it is not yet known there whether or not they will come up.

The Clippers have received an offer to play in Woodstock on the First.

A game in the Marathon-Clipper series is scheduled for this evening and another is to be played on Friday.

To Wed Today.

The wedding of Miss Gladys Roberts and Mr. Stanley C. Webb, both of this city, will take place this afternoon at the home of the bride, 88 Metcalfe street.

Mr. F. R. Taylor returned to town by last night's Boston express.

THE ARTISTIC SUPREMACY OF THE

KNABE PIANO

is born of its capacity for interpreting the musical ideals of great composers and players with rare subtlety. This artistic supremacy may be traced through three generations to the creative genius of the founder of the House of Knabe, whose lofty conception of worthy musical expression continues an impetus to the maintenance of that standard of perfection which makes

CAMP SUSSEX NOW GETTING INTO SHAPE

Special to The Standard.

Sussex, June 29—The first day of Camp Sussex opened with a driving wind from the northeast with blinding sheets of rain. The advance parties suffered greatly from the cold and wet, being caught unprepared. At noon the wind shifted and clearing followed. At one o'clock the special trains bearing different corps which make up Camp Sussex 1909 began to arrive. The trains were behind schedule time but as this is an annual occurrence little hardship was felt. Blankets and rubber sheets were issued to the men at four o'clock. The men had tea at five o'clock and all are under canvas tonight. No disorders or casualties have been reported.

On Picket Duty

One company of the 71st Regt. are doing picket duty tonight. They have patroled the town but found everything quiet and orderly. The 71st also furnish camp guard tonight.

Camp Orders, by Col. Geo. Rolt White, Camp Commandant.

Capt. H. M. Jacques, P. A. M. C., having been detailed as sanitary officer for Camp Sussex 1909, reported for duty on the 26th inst.

The undermentioned units will parade for musketry tomorrow, as follows: 73rd Regt, right half 8.30 a. m. to 9.30 a. m.; 73rd Regt, left half, 9.30 a. m. to 10.30 a. m.; 74th Regt., right half 11.00 a. m. to 12.00 a. m. 74th Regt., left half, 2.00 p. m. till 3.00 p. m.

The particular attention of officers commanding units, is drawn to No. 23 camp standing orders. It must be strictly understood that all units must be ready for muster at the hour mentioned.

8th Hussars: To be lieutenant (supernumerary)—Wm. James Brown, gentleman, 28th May, 1909.

3rd Regt. C. A. (heavy brigade): To be provisional lieutenants—Corporal Geo. Alex. Gamblin, vice Lieut. R. T. Brittain who is permitted to resign his commission the 24th February, 1909. Thomas Scott, rider, gentleman, vice Lieut. S. F. Mosher is permitted to resign his commission 21st May, 1909. Roy Hay MacKendrick, gentleman, vice Lieut. J. E. Sayre, who is permitted to resign his commission 26th May, 1909. Provisional Lieut. F. S. Morgan is permitted to retire 27th May, 1909.

71st Regt.: To be provisional lieutenant (supernumerary)—Theodore Rand McNally, gentleman, 30th May, 1909.

73rd Regt.: To be major—Capt. D. McNaughton, vice Lieut. G. W. Mersereau promoted, 1st March, 1909. To be captain.—Lieut. J. W. McNaughton, vice D. McNaughton promoted 1st March, 1909. To be provisional lieutenant—Corporal George McNight, vice S. Smith resigned 20th May, 1909.

The G. O. C., M. P. will carry out inspections for the inspector general as follows—Woodstock Camp, July 5th; Sussex Camp, July 6th and 7th; St. John, 3rd Regt. C. A., July 16th; St. John, 62nd Regt., July 17th.

The 19th Field Battery will fire a salute of 21 guns on the 1st day of July, 1909, being the anniversary of Dominion Day, at noon. The salute will be fired from the high ground north of the water tank facing the railway.

Sanitary Fatigues.

The following sanitary fatigues to be detailed daily in accordance with memo for camp for instructions, 1909, page 10, par. 4, staff 2, Bat. A. S. C., 1 N.C.O. and 2 men; No. 8 F. A., 1 N.C.O. and 2 men.

Gentlemen Cadets Lawson and Fisher having reported in camp for duty are attached to the 71st Regt. Pte. Porter, P. A. M. C., having reported for duty is taken on the subordinate staff as clerk to the A. M. O., Pte. Crawford P. A. M. C., servant to Capt. Jacques, P. A. M. C., is attached to the R. C. R. for ration. (Signed) G. H. Ogilvie, Lieut. Col. C. S. O.

Entries Close Today.

Entries for the Dominion Day aquatic meet at Lily Lake, Rockwood Park, close with Mr. Frank White at six o'clock this evening. So far a goodly number of entries have been received and everything points to a big success at the park tomorrow.

The entries received to date are as follows:—

Single Scull.

Hilton Belyea, James Ross.

Double Dinghy.

Harry Nice and Sam Sullivan; Bobby Belyea and James Donovan; Allie Nice and Harry McLeod; James J. Ross and Hilton Belyea.

Single Dinghy.

Harry Nice, Bobby Nice, Sam Sullivan, James Donovan, Allie Nice, Harry McLeod, James J. Ross and Hilton Belyea.

Notice of Meetings

Our Returned Missionary, the Rev. John Morton, D. D., of Trinidad, will address the united prayer meeting in St. Andrew's church this evening at 8 o'clock. Dr. and Mrs. Morton have labored in Trinidad for 42 years, and are now on a well earned furlough. All interested in missions are cordially invited.

York L. O. L. will hold their regular meeting tonight instead of Thursday evening, as usual. A large attendance is expected as final arrangements will be made for the celebration on the 12th. Several degrees will also be given.

NOTICE.

Tenders will be received by the undersigned up to noon on the Sixth day of July, A. D. 1909 at the office of the Secretary-Treasurer of the Municipality of Restigouche at Dalhousie, N. B., for the purchase of Ten Thousand Dollars of Municipality of Restigouche Debentures, issued by the said Municipality in amounts of five hundred dollars each, payable at five per cent, ten of said Debentures maturing on the fifteenth day of June, 1914, and the other ten maturing on the fifteenth day of June, A. D. 1919. Tenders will be received for the whole or any part of the said issue and for further particulars apply to

ALEXANDER J. LeBLANC,
