In this age of quackery, it is consoling to discover that there is something solid in existence, and that, though there are vendors who lie most cheerfully about their wares, there are others who tell the truth and allow time to test the merits of what they offer for sale. As year after year rolls over, the frauds and the shams sink away out of sight in the pools and morasses of obscurity, while what is really good and true stands boldly forth all the grander for its age and solidity. Thus while within the present decade thousands of patent medicines, puffed at one time to inflation, have shrunk before the test of analysis, Sr. Jacobs Oil has bravely borne the strain, and is to-day renowned all over the world for its famous curative powers. It is truly one of the phenomena of the age we live in. The sale of this article is incredible. It is to be foundall over the civilized world and in a good many places which are not civilized-for, unfortunately, the bones of sorrowing man are racked and ache with pain no matter what region he inhabits-and we believe it is yet destined to be found in every house, and to supersede the many nostrums which still remain abroad to roband defraud humanity of its money and its health. The firm of A. Vogeler & Co, Baltimore, spend half a million dollars yearly in advertising Sr. Jacous Oil, and hence we may guess at the full extent of their enormous business. It is truly marvelous, or would be, did we not know the circulation of this inestimable blessing-

IT SAVED MY LIFE.

The value of human life is so supremely important that anything which tends to its prolongation is entitled to the highest consideration. Speaking to us recently on this subject, Charles Nelson. Esq. proprietor Nelson House, Port Huron, observed: I suffered so with rheumatism that my arm withered, and physicans could not help me. I was in despair of my life, when some one advised me to try St. Jacobs Oil I did so, and as if by magic, I was instantly relieved, and, by the continued use of the Oil entirely cared. 1 thank heaven for having used this wonderful remedy, for it saired my life.
