A JAPANESE LORD

On a Visit to Canada in the Interests of His Fellow-Countrymen.

A distinguished visitor in the person of Hon. Masana Mayeda of Tokio, Japan, arrived in the city yesterday from Ottawa, where he had been interviewing the Government in regard to the furtherance of trade between this country and Japan, and a better understanding as to the treatment of his countrymen on the Pacific Coast.

Mr. Mayeda is perhaps one of the most influential members of the House of Lords of the Imperial Japanese Diet, having been working for the advancement of Japanese commerce and industry for the past 30 years.

In speaking of his visit to this city, Mr. Mayeda said that he merely came here to see and study for himself what his countrymen are doing here, and how they might become useful to Canada. The apparent determination of the authorities to treat the people of Japan in the same manner as the Chinese is another cause for his visit, Mr. Mayeda says the two peoples are entirely different in their characteristics, the Chinese coming here to make money enough to take them back to their native land, while on the other hand the Japanese are a prodigal people. Many of them amass wealth, but they spend it in extravagance. He believes that the Japanese laborer will be of great service to this country, and intends to see that none but the right people are allowed to settle in Canada.

The Toronto Hotel Project.

Canadian Architect and Builder.

From a reliable source we learn that a Chicago architect and capitalist have been in Toronto during the last week in connection with the project for the erection in that city of a first-class modern hotel. These gentlemen have made careful enquiries into the cost of building materials, and other matters affecting the carrying out of the enterprise. We have not learned what steps are being taken to finance the scheme, but hope to see the undertaking take tangible form in the near future. The Old Upper Canada College grounds on King-street west seem to be regarded as the most favorable location for the proposed structure. Toronto has reached the point where improved hotel accommodation has become a necessity. There seems, therefore, no reason why the undertaking should not prove successful. So far as the cost of erecting the building is concerned, there is never likely to come a more favorable time than the present, when prices of building materials and labor are at a minimum.

Business Embarrassments.

Miss Sovereign, fancy goods, Queen street west, has assigned to James P. Langley. Creditors will meet on the 28th inst. Liabilities $500.

W. A. Ross, tailor, Fergus, has assigned to J. A. Wilson.

The shareholders of the Guelph Norway Iron & Steel Co. will meet on August 5, when it is likely a liquidator will be appointed.

Rich and Rare Furniture by Auction.

Mrs. J. G. Beard has instructed Messrs. Charles M. Henderson & Co. to sell the whole of her costly household furniture, etc., at her residence, No. 53 Alexander-street, on Thursday, July 29. This sale will no doubt attract a very fashionable audience.

TORONTO FRUIT MARKET.

There was an abundance of fruit on the market yesterday, and almost every part of the Niagara Peninsula was well represented by shipments. Many other points of Ontario are sending fruit here as well. Canadian peaches, apples and pears appeared on the market for the first time. There seemed to be a brisk market, and it was almost impossible to get through the building at times for want of space. It is about time that the city provided a suitable building, with ample space. It is much needed, so that dealers can properly display their fruit, and purchasers be able to move around to see the same without suffering the many inconveniences that now exist. Toronto is away behind the times in this matter.

Red raspberries sold from 4c to 5½c; black, 4c to 4½c; white, 4½c to 5c. Red currants, 25c to 35c per basket; black, 60c to 75c. Gooseberries, 25c to 30c. Blueberries, 90c to $1. Cherries (eating), 50c to 75c per basket; cooking, 25c to 40c. Apples, 40c to 50c per basket. Peaches, 75c to $1. Celery, 25c per doz. Cucumbers, 40c to 50c per basket. Cabbage, 75c per bbl. Beans, 20c per basket. Fruit is not keeping so well this year, and many baskets of cherries were badly damaged.

TORONTO LIVE STOCK MARKET.

There were about 100 carloads of live stock on the market yesterday, 42 cars having arrived on Thursday and 60 on Friday. They consisted of 1500 cattle, 1400 hogs, 800 sheep and lambs, 100 calves and 25 milk cows. There seemed to be more export and butchers' cattle than were really needed, and the market was slow.

Prices ruled lower, and nearly all the dealers reported that values had receded from $3 to $4 per head on all kinds of fat cattle since Tuesday. Export cattle ranged from $3.65 to $4.40, the latter price being paid only for choice cattle. Butchers cattle, choice, sold from $3.50 to $3.75 and slow at that. A. W. Mayroe stated that he had paid $4 for two loads of choice butchers' to ship to St. John, N.B., but this was the only sale that we heard of at that price for this class, and they were a picked lot.

Mr. McDonald of Huron County sold a picked lot of steers and heifers, weighing from 1000 to 1100 each, at $3.50.

George Robinson of Orangeville sold seven cows and heifers at $2.75.

Thomas Heel of Mitchell sold 22 cattle, export and butchers' mixed cattle, at $3.70 for the exporters and $3.50 for butchers'.

Heavy bulls were worth $3 to $3.50, and few, if any, light ones on the market, and quotations remain the same as Tuesday. Stockers were in good demand at from $2.60 to $3. E. Maybee bought four carloads to ship to Ohio.

Mr. Murby was buying stockers for Buffalo, and J. H. McRoberts for Illinois market, and he will be on Tuesday's market for the same purpose.

Cows sold from $20 to $35, and about 25 changed hands.

Calves sold at $3 to $6 each, the latter price for extra choice only.

Sheep were worth $3 per cwt. for export ewes; bucks, $2.50 per cwt.

Lambs sold from $2.75 to $3.25 each.

Mr. Verral bought three double-deck carloads for export to Liverpool market.

Hog market firm, with an upward tendency; the best are worth $5.87½ per cwt. Mr. Harris shipped four carloads per C.P.R. and three cars per G.T.R.

The shipments per C.P.R.: J. & J. W. Dunn, five double-deck cars of sheep and three cars cattle; R. Ironsides, five cars; A. McIntosh, two cars; W. Levack, three cars; S. Halligan, five cars for Montreal; M. Vincent, two cars, and A. W. Maybee, two cars for St. John, N.B.
