FREE SKATING TO-NIGHT.

Where and How City is Providing Winter Sport for All.

Park Commissioner Chambers reported that there will be good skating to-night at the following free rinks provided by the city, if the weather continues cold:

Harbor-square.
Stanley Park.
Dovercourt Park.
St. Albans-square.
Ketchum Park.
Cottingham-square.
St. Helen's and St. Mary's Schools.

The Armories rink has proved a failure on account of the land being about five feet above the level of the street and Leslie Park is in the same condition.

At Bellwoods Park it was found impossible to construct a rink. A toboggan slide has been made on the steep incline, which affords an equal degree of sport to the boys and girls. The middle road in High Park has also been closed for vehicular traffic in order that the hill may be used for coasting. Gzowski Park cannot be used for rink purposes, as it will need special work to put it in condition. There is no skating at Exhibition Park, but the commissioner expects that St. Lawrence-square will be in good condition to-day.

Mr. Chambers will strongly urge that a sufficient sum be placed in the estimates this year to provide for skating rinks in every part of the city. It is necessary to prepare the ground in many of the parks, it being in the majority of cases too high to retain the water.

The commissioner will select the locations and have the work done during the summer, when his men can attend to it wit hmuch better advantage. They have been compelled to haul cinders and other material to bank up the rinks, and have worked to all hours of the night in endeavoring to comply with the demands of insistent aldermen and their constituents.

Inquest Begun.

Coroner Crawford last night commenced an enquiry into the cause of the death of Rachel Crozier, who was killed Monday morning by a C.P.R. train near O'Hara-avenue. The jury reviewed the body. The inquest will be held next Monday evening.

Manning Ave. Ex-Pupils.

The ex-pupils and old boys of the Manning-avenue school are considering an organization meeting and supper for some time in the near future. All those interested are requested to send in their name and address to E. A. Stevens, principal Manning-avenue school, at once.

Ladies Play Hockey.

The Wellington and Broadview Ladies' Hockey Clubs clashed for the first time this season Tuesday night on the Broadview Rink. A large crowd of spectators was present and enjoyed the game. It was a stubborn contest, especially the first half, the score at the conclusion of the first 30 minutes' play being 1 to 0 in favor of the Wellingtons. In the second half the Wellingtons added three more, while the Broadviews were unable to get one at all.

The Wellingtons had considerable good combination. Both teams were good at skating and stick-handling. Chuck Tyner of the Marlboros refereed to the satisfaction of all. Vera Rundle in goal for the Wellingtons stopped everything. Mabel Rae was a fast rover and was well supported by Amy Rundle at centre. The teams:

Wellingtons (4)—Goal, Vera Rundle; point, Minnie Hamilton; cover, Mabel Wallace; rover, Mabel Rae; centre, Amy Rundle; right, Annie Allen; left, Bell Wright.

Broadviews (0)—Goal, Rose Murphy; point, Lily Melville; cover, Lowta Copping; rover, Annie Woollens; centre, Ada Loose; right, Mina Rowlin; left, Lil Melville.

Referee—Chuck Tyner.

Galt Won at Preston.

Preston, Jan. 17.—Over 1400 spectators crowded the Preston rink to-night to see the Preston and Galt O.H.A. intermediates battle for supremacy, and a battle royal it proved to be. Galt won out by 8 to 5, but the result was uncertain until the end. The visitors started off by landing four goals to their opponents' nil in the first half, and then Preston started off on the home stretch by tying the score. The Manchesterites eventually came out on top, but only after the hardest kind of a fight. The game was rough and fast and the checking hard. Munn and Robson were each injured in the first half by being hit in the face with the puck. The line-up was:

Preston (5): Goal, Blackie; point, McGinnis; cover-point, Bowman; forwards, Foster, Roche, Kinder and Bernhardt.

Galt (8): Goal, Whitney; point, Codling; cover-point, Twaits; forwards, Preston, Robson, Munn and Clare.

W. B. Lillie of Toronto acted as referee.

Berlin Blanked Ayr.

Berlin, Jan 17.—What the Berlin team could have done to the Ayr club this evening in an O.H.A. district game would be a shame to tell. What they did do was gooseegg the boys from the Scotch town to the tune of 6 to 0. The Ayr players on the big Berlin rink were like the children of Israel in the wilderness—wanderers. They were not by any means a match for the locals, who were also their superiors in weight. The score at half-time was 5 to 0, and in the second Berlin played to kill time. About 500 spectators were present, but the exhibition was a tame one, Referee McIntyre of Toronto not finding it necessary to penalize anyone. The players:

Ayr (0): Goal, Elliott; point, Robson; centre, Rennie; rover, W. Willison; cover, G. Willison; left wing, R. Watson; right wing, M. Watson.

Berlin (6): Goal, Bricker; point, Forest; centre, Gross; rover, C. Cochrane; cover, Knell; left wing, Schmidt; right wing V. Cochrane.

Gravenhurst Juniors Won.

Gravenhurst, Jan. 17.—The large rink was again packed to watch Wasley's bunch defeat the Midland team in the junior O. H.A. series by a score of 19 to 4. The start was fast and fairly even, but at half-time the score stood 5 to 3 in favor of the locals. The last half was mostly a defensive one for the visitors, with the exception of a few rushes, which resulted in their scoring one more goal, and the home team repeatedly and steadily piling up their score. The town people are jubilant over the victory and the non-defeat thus far of the boys. The line-up follows:

Midland (4): Goal, Fred Hansen; point, H. B. Adams; cover-point, McLennan; centre, McDonald; rover, Laidlaw; right wing, McFarlane; left wing, Jeffrey.

Gravenhurst (19): Goal, Harry Baillie; point, Ernest Ireland; cover-point, Alvin Baillie; centre, Frank Lafrance; rover, Mason Clendennan; right wing, Floyd Clendenuan; left wing, Charles C. Hughes.

Roy Thomas of Barrie refereed the game very satisfactorily to all.

J. L. McPherson, M.A., of Toronto, has been appointed by the international committee on Y.M.C.A. work to go to Hongkong. He sails for Vancouver about February 20.

J. TURNBULL,
General Manager.

Bank of Hamilton, Hamilton, Nov. 30, 1904.

Senator Gibson, in moving the adoption of the report, said: It is very gratifying to the Board of Directors, and I am sure it will be to the shareholders, that in six months the assets of the bank have increased nearly two million dollars, or, to be more exact, $1,840,000. It must, indeed, be gratifying to those gentlemen who have been connected with the institution from its inception, and who are with us to-day, to see that our total assets have reached over $26,500,000 by this increase of $1,800,000. As you know, this has been what is called the lean half year, yet, notwithstanding that, we have been able to report a profit at the rate of 16 1-3 per cent. per annum on the capital stock of the bank in that time. If you look at the first page of the report you will see that we have carried to reserve over $95,000, which, together with the $5,000 premium on new stock, makes a total of $100,000 added to the rest. This addition to our reserve leaves us, in round figures, only $135,000 more to carry to that account to make our reserve equal to our total capital. While this bank is not much given to prophesying, I think I can safely say that by the next annual meeting we will see our reserve and our capital the same. That will indeed be a proud position to have attained. (Applause.)

It cannot be denied that in the general prosperity of the country we, as a bank, must also expand, and, while we are not rushing into every new field, the directors are carefully considering every point and selecting such as they consider will prove sound and permanent. We have had under consideration, and have purchased a new site in Toronto. We have invested in good property there, and I am sure that the shareholders will approve. In the property at the corner of Spadina avenue and King street we have an excellent investment and a good class of tenants. We also purchased property in the electrical city of Niagara Falls, to meet the increasing demands of our business there, which realizes handsomely on the investment.

In the new districts of the Northwest we are pursuing the same careful policy in making extensions from time to time, and our investments in bank premises there have resulted entirely satisfactory to the board.

Since our last meeting, indeed, shortly after we last met here, we lost one of our directors, A. B. Lee, Toronto, and our board felt that the importance of having a representative in that important city should not be overlooked. The members of the board and the shareholders are to be congratulated upon the man whose services we were able to secure, Mr. C. C. Dalton, a gentleman who has made a success of his own business, and who, I am sure, will be approved of at this annual meeting.

I regret also that our friend and fellow-director, Cyrus Birge, met with a serious loss in the death of his wife, and it is due to him that the cause of his absence should be mentioned at this meeting and our sympathy extended to him.

I need not speak of the loyalty of the staff and General Manager, for the General Manager is as loyal to them as they are to him, and both are at all times loyal to the bank. I can assure you with great satisfaction that the greatest harmony exists between the board, the General Manager and the staff.

For the six months since our last meeting the Bank has paid a dividend at the rate of ten per cent. per annum, and I am sure that everyone will be satisfied with the half year's results.

Mr. Gibson concluded by moving, seconded by Mr. John Proctor, the adoption of the report, which was carried.

Moved by Mr. Hendrie, seconded by Mr. F. W. Gates: "That the thanks of this meeting be given to the President and directors for their services during the past half year."

Both mover and seconder spoke in congratulatory terms in presenting the resolution, and the Chairman called upon Col. J. S. Hendrie to reply on behalf of the Board. As the youngest member of the Board he was much pleased to reply to the resolution, particularly as it was moved and seconded by two of the oldest gentlemen present, and two of the original stockholders. He could not add much to what had been said, except a few words in regard to securities. He had submitted the American securities to a very high authority, and the report which he had received upon them was most satisfactory. It was to the effect that better securities could not be held.

Mr. Adam Brown moved, seconded by Mr. John A. Bruce: "That the thanks of this meeting be given to the General Manager, inspectors, agents and other officers of the bank, for the efficient performance of their respective duties."

The resolution was unanimously adopted, and Mr. Turnbull replied:

On motion of Mr. Wm. Hendrie, seconded by Mr. F. W. Gates, and carried, the President was asked to cast one ballot for the Board of Directors, and the following were declared elected:—Messrs. Hon. Wm. Gibson, John Proctor, Col. S. Hendrie, M.L.A., George Rutherford, J. Turnbull, C. A. Birge and C. C. Dalton.

At a subsequent meeting of the Directors, Hon. Wm. Gibson was re-elected President, and Mr. J. Turnbull Vice-President.

BIG CHEWING GUM FACTORY.

Proposed for East End, But Civic Consideration is Required.

The American Chicle Co. propose to erect a $35,000 chewing gum factory and chicle storehouse between Logan and Carlaw-avenues, just south of the G.T.R. tracks. It has purchased all of the property between Thackeray and Dickens-street and the tracks excepting the lot at the corner of Logan-avenue and Dickens-street, and has asked the council to close up two lanes on the property to allow it to run in a switch.

Commissioner Fleming refused to dispose of the corner lot, as the city owns a block of 13 1-2 acres directly to the south, which is available for manufacturing purposes, but can be reached by a switch only thru this lot. The board of control will probably deal with the matter to-day.

DIDN'T CONTEMPLATE COMPETITION

C.M.A. Correct a Popular Impression —To Place Insurance Only.

"The insurance committee of our association have no intention whatever of abandoning any scheme ever decided upon in regard to an insurance department. A manager will be appointed by whose advice the department will be guided as to any further step."

So said Secretary Stewart of the local C.M.A. branch yesterday in reference to a statement in an evening paper last night that the association intended to shelve the original project, and to merely appoint an agent who would place the risks of the members.

Asked if it were true that the association would not carry any portion of the insurance itself as the primary intention was understood to have been, the secretary replied that it had never been decided to shoulder any amount, altho under consideration, and that the new manager, whose appointment would probably be made within two weeks, would give his advice upon the advisability or otherwise of such an allotment of risk.

Deceased was the son of the late Charles Corin, painter, and for the past [illegible] manager of the meat department of the T. Eaton Co. Deceased was a member of St. George, A.F. & A.M., also recording secretary of Court Ivanhoe, No. 168, C.O.F.

STEWARD SAT WITH HAT ON WHISTLED IN THE OFFICE

Charge Made to Hamilton Hospital Governor by New Lady Superintendent.

Hamilton, Jan. 17.—(Special.)—More details of the charges against Dr. Ed. B. Dawson, the Baltimore dentist, under arrest here, have been received. This afternoon he was taken before Judge Snyder and remanded till Monday. He is held on four charges. Detective Burns will arrive in the city from Baltimore to-morrow.

John Toner was arrested this evening on the charge of arson. He boarded with Thomas Nugent at 110 Birge-street. He had a quarrel with some of the boarders this evening, and it is alleged that he set fire to the house.

This afternoon the hospital governors decided to engage six more nurses, bringing the staff up to 40. A house will have to be rented to accommodate this addition to the staff. The governors also agreed to make many other important improvements. They ordered several dozen knives and forks, 30 storm windows, and a sterilizing apparatus, to cost nearly $1000. The governors said they would expect more generous treatment from the council this year, as they did not propose to run the institution on the thin edge of nothing any more.

The new lady superintendent complained that the steward sat with his hat on and whistled in the office. The medical superintendent was told to see that this did not occur again, and that the steward did not enter the dining room while the nurses were there. In the future the lady superintendent will not be allowed to communicate with the board except thru Dr. Freeman. She was instructed to engage an assistant superintendent to take charge of the operating room.

To-day Ed. O'Connor, 26 Harriett-street; Oscar Hartman, 169 York-street, and George Smith, Locomotive-street, were arrested on the charge of theft for the Brantford police.

WON A $10 GOLD PIECE.

Master J. White the Winner of the Dancing Contest at the Majestic.

Sixteen local buck and wing dancers competed for a prize of $10 given by Al. W. Martin of the Uncle Tom's Cabin Co. at the Majestic Theatre last evening, and the efforts of the various contestants provided a great deal of amusement for the large audience. The judges were M. Manton of New York and James J. McCaffrey of Toronto.

For twenty minutes the local dancers went thru the various movements so pleasing to the colored man and the finding of the judges met with the approval of the entire house. The winner was one of the youngest contestants, Master J. White, who was given a $10 gold piece.

After the Puck.

There will be acouple of new faces in the senior game Friday night. Clemes, the speedy forward of the champion Toronto Bank team, has turned out with the Argos, and he will greatly strengthen the line. The St. eGorges have lured A. McArthur, who played point back of Rolly Young on the McMaster team, and he should prove an acquisition. Both teams are hard at work.

The Ketchum A. A. defeated North Toronto in a junior Lacrosse Hockey League game by the score of 8 to 2. The line-up of the winners: Goal, Burton; point, Freen; cover, Hutt; rover, Rowland; centre, Warwick; left wing, Lynn; right wing, Yeaman (captain).

The following West End Y.M.C.A. juvenile players are requested to be at the Metropolitan waiting room, North Toronto, at 7.30 o'clock, for the game with the North Toronto: Kyle, Hunter, Skinner, Read, Tait, Lowry, Tilston, Hewer.

Colborne, Jan. 17.—The second match of the Trent Valley League, Picton v. Colborne, played at Picton, resulted 8 to 5 in favor of Colborne. E. F. Rawson refereed the game, giving satisfaction to both parties.

Barkey Bros., owners of the Electric Rink in Hillsonburg, purpose holding a professional hockey tournament the first two weeks of February, and playing off two game each night until played off. The prize offered is seven $20 gold pieces (coin) as medals, to the team that can win out. Entrance fee, $5, to be paid at time of making entry. All entries must be by Jan. 24; open to all except champion O.H.A. senior teams.

The Morrison line-up in the game Tuesday night was: Goal, J. Cann; point, G. Howard; cover, W. Hewitt; centre, R. Hortop; rover, S. Morrison; right wing, W. H. Morrison; left wing, H. Scott. J. Cann was injured and had to retire.

The Baracas will pick their team from the following players in their T. L. H. L. League game to-night, at Aura Lee Rink, Avenue-road, at 8.45 sharp: Dowdell, Good, Croft, King, Crawford, Granner, Moore, Robertson, Avison.

The president of the O.H.A. writes us in reference to one grievance at the rink: Too many in the press box; there are 12 seats in the box, six for the representatives of the Toronto newspapers, three for the time-keepers and the remainder for the men who are put off by the referee. Undoubtedly interlopers get there, some brought in by reporters (not The World). Six seats should be partitioned off for the press and then the blame could be put on the other fellows.

A Dollar's Worth Free To Any Rheumatic Sufferer

I ask no deposit—no reference—no security. There is nothing to risk—nothing to promise—nothing to pay, either now or later. Any Rheumatic sufferer who does not know my remedy may have a full dollar's worth free to try.

The poison accumulates and crystalizes. The crystals look like little grains of sugar or of fine white sand. The blood carries them and they increase in size. Then, when it can carry them no longer, it deposits them in a joint, on a bone—anywhere.

The twinge in your leg—the dull ache in your arm on a rainy day—these are the outward signs of the unseen crystals. And the twisted limbs and unspeakable anguish of the sufferer who has allowed his symptoms to go unheeded and unattended for years—these are the evidences of what Rheumatism, neglected, can do.

Rheumatism includes lumbago, sciatica, neuralgia, gout—for all these are the results of rheumatic poison in the blood.

Plainly, the first thing to do is to
