HARD HITTING AT SPRINGFIELD.

Toronto Made Three Baggers Galore, But They Lost by 14 to 9.

Springfield, Mass., June 15.—Heavy batting characterized to-day's game between the Ponies and Torontos. The home team found both Moran and Staley quite easily, and Toronto kept Gruber's delivery in the air a good share of the time, knocking out two three-baggers, a double and three singles in the third. CASPER LEON IN 9 ROUNDS.

Johnny Connors Beaten for the Bantam Weight Championship—His Backers Threw Up the Sponge.

Niagara Falls, N.Y., June 15.—Caspar Leon of New York and Johnny Connors of Springfield, Ills., met before the Niagara Falls Athletic Association at the Park Theatre to-night in a 25-round contest for the bantam championship of America. Leon was seconded by Frank Erne, Frank Zeimpfer and Charley White, and Connors by Eddie Myers, brother of the "Streater Cyclone," Charley Davis and Fred Fitzsimmons. Jim Kennedy acted as referee. The boys weighed in under 105 pounds, and entered the ring in prime condition.

First round—The boys fiddled a few moments, and then went to work in earnest. Leon led first, reaching Connors' neck lightly. Connors came back with a tap on the face. A mix-up followed, both landing lightly on head and neck. The gong sounded as they were warming up.

Second round—Connors got the left on wind and right on the face. Leon landed the left on face. Leon reached the jaw with right hard and left on wind. Leon's round.

Third round—Leon came up to the scratch eager for fight, and lost no time in mixing it up, landing repeatedly on Connors' face and head. Connors seemed to be unable to get inside Leon's longer reach. Leon landed a hard right on the face, and Connors came back with a right on the head. The boys were putting up a good battle.

Fourth round—Leon chopped with left on face and swing on the wind. Connors staggered with a right on teh head. They mixed up, and Leon uppercut with right. Leon uppercut again with right.

Fifth round—Leon landled on face as soon as they came to the centre, and proceeded to mix it up. Connors stood up well, but did not appear able to land to get inside Leon's long arms. A rapid exchange followed, and then eLon landed right and left hard on the face. Leon had the best of it up to this stage of the fight, and Connors looked tired.

Sixth round—Leon continued chopping with left on face. Leon landed right on wind twice. Connors swung left on wind hard and a hot exchange followed. Honors were even in this round.

Seventh round—Again Leon led with straight left, reaching the face lightly. A lively mix followed, both landing on the head. Leon kept after his man, landing right on head and left on the body, and then swung right on face twice and uppercut on chin. Connors was game and stood up well. In a mix-up Connors went down, and tok his time in rising. The gong sounded before the 10 seconds were up.

Eighth round—The boys came up to the scratch appwarently fresh. Leon uppercut Connors, who went to the floro, and Connors took his full time in rising. Connors went down again before a right-hand swing. He rose, only to go down again by a hard right-hander. The gong saved Connors.

Ninth round—Connors came up remarkably fresh after the punishment of the preceding round. Leon continued to make the pace, and after some sparring knocked Connors down with a right on the neck, and a few moments later knocked him down again twice. The last time the gong caught the 10 seconds, and Connors went to his corner. His seconds saw he had no chance, though he might have stayed a few rounds more, and they threw up the sponge.

Referee Kennedy declared eLon the winner, and everyone was satisfied. The preliminary event was an light-round "go" between Jack Batty and Tom Brownsey of Buffalo, and both indulged in pretty tame sparring. The referee declared it a draw.

TECUMSEHS OR CORNWALL?

The Tecumsehs will be in fine shape for Saturday's great game with Cornwall at the Island. Hartley's injured leg is quite well again. Trainer White says the "only Bill" is playing the game of his life this year, and will be fit as possible against Cornwall. Peaker is putting in some hard work, and the whole twelve can be relied upon as far as condition goes. The Eastern combination is composed exactly of the same men that managed to defeat Toronto two weeks ago. The betting places the local men favorites at 2 to 1.

Gone for Liquor.

Look in at a pawnbroker's window and try to fit a history to the various articles there displayed. A strange assortment. From the old family signet ring of the broken gentleman to the well used hammer of the once skilful and industrious artisan; gone to supply the craving of the victim of the drink disease. This dread disease is no respecter of persons. Clergymen lose their gowns, doctors their practice, wealthy merchants their business, laboring men their work. It spares none. Yet all alike may be permanently cured of the disease and freed from the curse by scientific treatment at Lakehurst Sanitarium. Send for full particulars concerning the drink disease and its treatment, to the Manager, Lakehurst Sanitarium, Oakville, Ont. 25

THE SUBURBAN BETTING.

ODDS AGAINST CANDIDATES FOR NEXT TUESDAY'S BIG RACE.

Clifford is Favorite Over Henry of Navarre by a Point—Sir Walter Next Fancied—The Seagram Horse Quoted at 100 to 1—A Paying Game for the Brooklyn Jockey Club.

New York, June 15.—The Brooklyn Jockey Club's spring meeting concludes next Saturday. The experiment of running six days a week proved highly remunerative. Monday, Wednesday and Friday were considered as off days. The average attendance upon these days was something in excess of $4000. Gate receipts were adequate to meet stake, purse and track operating expenses, leaving the betting enclosure, pool room and privilege revenues of $4000 a day net profit for the club.

Of the 12 stakes to be run off this closing week, two are of the guaranteed value of $10,000 each. They are the Brooklyn Derby, for 3-year-olds, one mile and a quarter, and the Tremont Stakes, for 2-year-olds, distance six furlongs. The Derby is to be run to-morrow and the Tremont on Saturday.

Eighty-two youngsters have remained in the Tremont. Should George Kessler start he would be obliged to carry 123 pounds. A big field will go to the post, and the contest promises to be equally as interesting as was the Great American.

The Suburban Handicap of the Coney Island Jockey Club is scheduled for decision opening day, a week from to-morrow. This year the stake is worth $7500. From the 22 horses undeclared, a field of 10 or a dozen may be gleaned. Latest winter book quotations are as follows:

Clifford, 126 lbs., 2 to 1; Henry of Navarre, 129, 2½ to 1; Sir Walter, 125, 6 to 1; Keenan, 122, 8 to 1; Nanki Pooh, 112, and Halma, 117, 12 to 1; Senator Grady 109, Handspring 112, and Counter Tenor 119, 15 to 1; Lazzarone 120, Belma 110, and The Commoner 113, 20 to 1; Hornpipe 111, 30 to 1; Dorian 116 and Lake Shore 104, 40 to 1; Stephen J. 98, 60 to 1; Dutch Skater 108, 75 to 1; Emma C. 100, 80 to 1; Connoisseur 102, and Saragossa 104, 100 to 1; Vinctor 107 and Flora Thornton 95, 200 to 1.

Of the above, no one of the nine last named looks to have a ghost of a chance, and Counter Tenor, Belmar, Hornpipe and Keenan will be bliged to improve wonderfully in the next half dozen days in order to have a look in.

Since the Brooklyn Handicap, won by Sir Walter, 12 days ago, Henry of Navarre has taken a number of long gallops at Sheepshead Bay. A majority of the persons who have noted his outings think him about to racing pitch. Clifford has been kept going regularly on work days, and appears very good. Some one evidently in close touch with his stable thinks he has a royal chance in the Suburban, for during the past week a raid on the winter books cut his price in two, and made him favorite over Henry of Navarre. Sir Walter is good and fit, and the Commoner and Halma are reported doing well.

NORTH TORONTO'S GOOD SCORE.

The Brampton cricketers were defeated by the North Toronto Cricket and Athletic Association by an innings and 14 runs on Saturday afternoon. North Toronto disposed of the visitors in the first innings for 13 runs, F. Smith having to his credit 9 wickets for 6 runs, and Dunbar 4 wickets for 6 runs. Toronto then went to bat and put together a total of 80, Smith contributing 18, Dunbar 16, and Fitzsimmons 12. Brampton then went to bat again and scored 53, W. Stewart scoring the only double figures (10) for the visiting team.

THE TWELFTH GAME.

Boston, June 15.—The 12th game in the chess series between Barry an Showalter was adjourned at 10 o'clock to-night until 2 o'clock to-morrow afternoon, Black's 48th move being sealed. It was a Queen's pawns opening, Showalter playing white. At 40 moves it looked for the statement that Barry had the game won, but he was unable to hold his advantage. At adjournment white had the advantage of a pawn, and may win, though black hopes to draw.

Mothers

Anxiously watch declining health of their daughters. So many are cut off by consumption in early years that there is real cause for anxiety. In the early stages, when not beyond the reach of medicine, Hood's Sarsaparilla will restore the quality and quantity of the blood and thus give good health. Read the following letter:

"It is but just to write about my daughter Cora, aged 19. She was completely run down, declining, had that tired feeling, and friends said she would not live over three months. She had a bad

Cough

and nothing seemed to do her any good. I happened to read about Hood's Sarsaparilla and had her give it a trial. From the very first dose she began to get better. After taking a few bottles she was completely cured and her health has been the best ever since." MRS. ADDIE PECK, 12 Railroad Place, Amsterdam, N. Y.

"I will say that my mother has not stated my case in as strong words as I would have done. Hood's Sarsaparilla has truly cured me and I am now well." CORA PECK, Amsterdam, N. Y.

Be sure to get Hood's, because

THE SLATER SHOE

SOME STRANGE METHODS.

GUINANE BROTHERS MAKE A VERY SERIOUS CHARGE

Against a Toronto Evening Paper—A Claim That an Attempt Was Made to Coerce Them Into Advertising in The News—The Reason They Give for an Attack Being Made Upon the Firm Last Night.

Mr. John Guinane of the firm of Guinane Brothers, the well-known boot and shoe merchants of Yonge-street, called at The World office last night in regard to the following paragraph, which appeared in yesterday's News:

CLAIMING WHAT IS NOT TRUE.

"Guinane Bros., the Yonge-street shoe men, are endeavoring to lead the public to conclude that they are selling their shoes at cheaper rates because of an alleged damage of $20,000 to their goods as the result of the McKendry fire. As a matter of fact, Guinane Bros. did not suffer $20,000 loss—nor $20 loss—to their stock. A few panes of glass and the skylights were broken, but we have the authority of the fire department for the statement that there was practically no damage by fire or water on the stock. Nor did Guinane Bros. make any claim for loss to the insurance companies. One of the firm called and stated that they had some damage from broken windows, but were not going to make any claim, as they could make more money by a fire advertisement than if a fire claim were paid."

In regard to this paragraph, Mr. Guinane wished to make a statement, because he considered that it was not only libellous to his business, but was intended to place him in an unenviable slight before the people generally, and especially before the many patrons of the store. He said it was true that the firm's stock of boots and shoes had been damaged on the night of the McKendry fire by water, and the papers next morning had reported their loss to be $4000. This was even stated in the special edition of The News, published the night of the fire.

Not only does Mr. Guinane object to the above paragraph, in regard to which he intends to enter an action for damages for libel, but he said there was something else which the public ought to know.

Mr. Guinane then proceeded to give the following narrative of what actually occurred between that paper and himself:

"On Friday morning, while we were in the hurry and turmoil of our fire sale of shoes damaged by water only, a reporter of The News called and handed me the proof of the following article, under a large scare heading:

BEWARE OF THE FAKIR!

Attempt to Deceive the Public Which Should be Frowned Down.

Never Lost a Dollar.

Nor Was Any Claim Made to the Insurance Companies to Settle Losses.

The News and its readers are one. What the reader of a paper sees in its columns that reader accepts as fact and holds his paper responsible. Realizing this, The News has invariably declined to publish advertisements in its columns which bear on their face the stamp of fraud and untruthfulness. It has been its duty on more than one occasion to expose advertisers who in their announcements made statements contrary to fact. It therefore needs no apology for exposing the
