In Memory of Alice VanEvery.

You're leaving us, dear Alice
Ne'er sorrow shalt thou know;
Yet, O! we'll not forget thee,
Though we are still below.

But God saw fit to take again,
The lovely gift he gave,
And now they've laid thee in
The cold and silent grave.

Thou'rt like some tender flower,
Cut off in [illegible] days;
But [illegible] maker,
And [illegible] praise.

Thy loving friends shall mourn thee,
And days of sorrow see;
We know that thou canst not return
But we may come to thee.

Then farewell now dear Alice,
We'll hope to meet again;
And dwell above the bright blue skies
Where God and angels reign.

ONE WHO KNEW HER.

PAINFUL ACCIDENT.—An employee of the Stapleton Salt Works, named Hays, while attending to the boilers on Monday night, unfortunately walked into the boiling brine, the steam being so dense as to obscure from sight the open pans. Fortunately the pans are not deep so that only his feet were scalded. He is under the care of Dr. Appleton, and, we understand, is doing as well as can be expected.—*New Era.*

Petroleum V. Nasby has forwarded to Gen. Grant his resignation as post-master, with the announcement that he has gone into the grocery business.

HALIFAX.

MINUTE OF COUNCIL—MR. HOWE'S STATEMENTS CONTRADICTED. A PROTEST.

HALIFAX, Nov. 12.—The following minute of Council, contradicting some of Mr. Howe's statements, has been published by the Local Government:—

The undersigned, all of whom were present at the Convention, remember that some suggestion was made by Mr. Howe as we believed, in a spirit of banter, to the effect that one mode of getting free from Canadian Confederation was, that the members of both Parliaments should declare their independence, and head an insurrectionary movement. But a proposal so absurd only provoked a general smile around the benches. With respect to the second personal—that the executive Council should go up to General Doyle, tender their resignations, and inform His Excellency that they would not work for or under him, while he held a commission from Lord Monck, and not from the Queen—we have no hesitation in stating that no proposition in the terms, and to the extent mentioned by Mr. Howe was made by that gentleman. As there was no reporter present, which we now deeply regret, we will not venture to state the exact language used by Mr. Howe; but we are free to say that the advice for the Executive Council to resign, and in conjunction with the members of the Dominion Parliament appeal to the country, and pile up such a majority as could not be misrepresented in England, was never given. Had such a proposition been seriously made, by resolution or otherwise, it must have anxiously engaged the attention of the Treasury Benches, as Mr. Howe is pleased to facetiously designate the members of the Local Government and Local Legislature, but in the absence of any such resolution, or any desire expressed by other members of the Dominion Parliament, to vacate their seats and offer themselves for re-election, we are compelled, in justice to ourselves and those we represent, to protest against the aspersion upon the earnestness and patriotism of gentlemen who will not yield to Mr. Howe in the determination to maintain their honor and integrity untarnished.

(Signed,) WILLIAM ANNAND,
M. J. WILKINS, and others.

The Mints of the United States have coined since they commenced operations (some seventy years,) the large amount of Eight hundred Million dollars, about one-fifth of the whole metalic currency of the world, of which amount $500,000,000 has been derived from their own mines; we are not without mines, but while we feel that they will not produce so much gold, we have the pleasure of knowing there is a sovereign remedy in the "Canadian Pain Destroyer," for sudden colds, rheumatism, neuralgia, tooth-ache, &c. Sold by all Medicine Dealers, at 25 cts per bottle.

TWO QUESTIONS EASILY ANSWERED.—Why should men wear beards? Because they are a great protection to the throat and lungs, and add much to their personal appearance.

Why should we use "Bryan's Pulmonic Wafers?" Because when used for coughs, colds, tickling in the throat, Hoarseness, &c., they act like a charm. Ministers and Lawyers use them, physicians recommend them, and singers and public speakers say they are the very best medicine in existence for the cure of such complaints. Sold by all medicine dealers, at 25 cts per box.

ADVANCES to BORROWERS.

By borrowing of this Company, there is no possibility of the borrower ever being called on suddenly or unexpectedly to pay off the debt. He pays to the Company in all 10 per cent. per annum—8 per cent being for interest and the expenses of management, and 2 per cent, his own money, he pays into a sinking fund, at compound interest, and which cancels the debt in 26 years. He has, however, always the privilege of liberating his estate from the mortgage at any time, on giving six months' notice, whilst the Company remains bound to the end of the term of twenty-six years and the amount he has paid into the sinking fund, with compound interest, is then allowed in settlement. He has the privilege, as he may find it convenient of paying into the sinking fund, over and above his regular contribution, any even sum above $100, in reduction of his mortgage, and for which he is allowed 5 per cent, compound interest.

GENTLEMEN.—The Tea I purchased of you in March has given great satisfaction, and the flavour of it is very fine. It is very strange, but since I have been drinking your Tea I have been quite free from heartburn, which would always pain me after breakfast. I attributed this to the purity of your Tea, and shall continue a customer.

MOTHERS, READ THIS!—HOLLOWAY'S WORM LOZENGES are a certain and safe remedy for Worms in Children and Adults.—As it is a well-known and melancholy fact that one great cause of death among children is from Worms alone, it cannot be too deeply impressed upon the minds of parents the necessity of closely watching their children. By so doing, and understanding the symptons and true cause of the disease, thousands of children might be saved from early graves. SYMPTOMS OF WORMS:—The following are a few of the very numerous symptoms and diseases which are caused by Worms: Deranged appetite, emaciated extremities, offensive breath, frequent picking at the nose, grinding of the teeth during sleep, hardness of the belly, with frequent slimy stools, and silent fits convulsive fits; pain in the head and stomach, unquiet sleep, faintings, trembling, doughs, indigestion, low spirits, frightful dreams, and a gradual wasting away of flesh.

They are palatable and self-administered to the child—drive out the worms thoroughly without pain and completely cleanse the stomach—thereby doing away with the necessity of administering Castor Oil or other unpleasant cathartics—as in the use of other Worm Medicines.

☞ Each box contains the fac-simile signature of NORTHRUP & LYMAN, Newcastle Ontario, who are the sole proprietors.

ANOTHER WONDERFUL CURE OF CONSUMPTION IN CANADA.

Messrs Young & Chamberlin:

SIRS,—I feel it a duty I owe to you, as well as to the public, to inform you of the most wonderful cure of Consumption, accomplished in my person, by the use of the Great Shoshonees Remedy and Pills. [illegible] I was almost despaired of [illegible] could hardly stand alone. I was under the care of a physician for a length of time, but finding no benefit I tried different remedies, but all without any good result. Squire Patterson, of Bath, recommended me to use the Great Shoshonees Remedy. I procured these bottles and some with the Pills. So soon as I commenced using them I began to get better, and when I had finished this course of Pills the cough, expectoration of matter, pains about the lung, chills, sweating, &c., left me, and by continuing to use it I became strong and healthy. It is now over two months since I quit the remedy, and there have been no symptoms of the disease returning, and I have been, and am now, healthier and better than I have been for many years. I feel you will cause this to be known to the public that they may be aware of the peculiar virtues of this truly wonderful Indian Remedy.

PETER C. V. MILLER.
Ernestown, Co. of Lennox and Addington, Ontario.

To all whom it may concern. This is to certify that I have been acquainted with the above-mentioned gentleman, Peter C. V. Miller, Esq., for many years, and have known him always to be of the very highest respectability, and very candid and considerate person, and I am confident that I can safely vouch for the truth of the above, or any statement made by him.

Rector of Bath, Ontario.

STOP AND SEE,

THE following remarks on Consumption, of many [illegible] in Canada by the GREAT INDIAN REMEDY. They are worth, and [illegible] armed after the [illegible]

SHOSHONEES REMEDY

for Diseases of the Throat, Lungs, Liver, Digestive Organs, Kidneys, &c., as well as Scrofula, and the various Skin Diseases, Humors, and all diseases arising from impurities of the Blood, we boldly state that this great remedy has NEVER BEEN EQUALLED. Where was there ever such a cure as that of the person of Wilson Storms, of Brighton, C. W., of Consumption; or that of Peter C. V. Miller, Ernestown, C. W., of Consumption, or that of Ambrose Wood, of Belleville, C. W., of Dyspepsia and Liver Complaint, or that of John Hendry, of Napanee, C. W., of Rheumatism, who had actually been on crutches for years, in spite of all treatment heretofore, and is now well. Scores of such cases might be mentioned had we space.

☞ Call at the Drug Store and get a Circular of unquestionable certificates of the GREAT SHOSHONEES REMEDY and PILLS, and satisfy yourselves.

Price of the Remedy in large pints $1
