# NIGHT COUGHS PREVENT SLEEP

## WEAR OUT THE SYSTEM.

The dry, hacking cough, cough, day and night is very wearing on the system. The constant coughing disturbs the rest and keeps the lungs and bronchial tubes in such an irritated and inflamed condition they get no chance to heal.

You will find in Dr. Wood's Norway Pine Syrup a remedy without an equal for curing coughs and colds, soothing the lungs, loosening the phlegm, strengthening and healing the breathing organs and fortifying them against serious pulmonary disease.

Mrs. Fred Fairburn, Copper Cliff, Ont., writes: "I caught a heavy cold, got a sore throat and had a terrible hacking cough that I could not get rid of. I could not sleep at night. I had tried quite a few remedies, but they did not seem to do me much good until I took Dr. Wood's Norway Pine Syrup. By the time I had taken two bottles my cough was all gone.

"It seemed to loosen the cough right away so that I could spit up the phlegm that gathered in my throat, and also took that hot, raw, burning fever out of my bronchial tubes. I feel that Dr. Wood's has no equal."

Price 25c and 50c, at all dealers. Put up only by the T. Milburn Co. Limited, Toronto, Ont.

# AMERICAN OFFICERS AND WOMEN TAKEN BY REDS, IS REPORT

## Red Cross Party and Engineers Prisoners, Consul Hears.

## TELEGRAM GARBLED

### Entire Polish Army Captured Also, According To Word Received At Irkutsk.

Chita, East Siberia, Monday, Jan. 19, via Harbin, Manchuria, Tuesday, Jan. 20.—(By the Associated Press).—Col. Blunt and seven other American engineers, Miss Ford, Capt. Charette and several other members of the American Red Cross had an entire Polish army composed of other prisoners have been captured by the Bolsheviki at Klinchinskaya, according to a garbled telegram received from Joseph H. Ray, former American consul at Irkutsk.

The dispatch from Mr. Ray was sent from somewhere beyond Nichniudinsk, Jan. 14. It was somewhat garbled in transmission. Klinchanskaya, is on the Trans-Siberian Railroad, one hundred miles west of Nichniudinsk.

The Czechs are fighting a rear-guard action with the Reds near Krasnoyaska. Bolshevism is gaining in Chita.

The British, Japanese and French missions and many members of the American Red Cross have arrived in Harbin.

The only officer in the American army named Blunt is Major (captain of cavalry) Wilfred M. Blunt, who according to the latest available army directory was stationed at Fort Oglethorpe, Georgia. He is probably a member of the railway corps sent to Russia under Major Stevens to renovate the Trans-Siberian road.

A Bolsheviki wireless communication received in London January 13 announced the capture by the Bolsheviki forces in the Krasnoyarsk region of 17 columns of Polish Legionaries, together with sixteen guns and 20,000 rifles.

A dispatch from the London Daily Mail's correspondent received in London January 20 said there was an unconfirmed report in Harbin that the Bolsheviki had destroyed a Polish division near Krasnoyarsk.

The Polish troops in Siberia were prisoners of war in Russia, prior to the revolution, having been formerly in the German army. When the Czechs retook Siberia they armed these prisoners as well as many Serbs, Italians, Rumanians and others.

# FROM A CHILD WAS CONSTIPATED

According to the best medical authorities, fully three-fourths of the people of the civilized world suffer in some form from costiveness or irregular action of the bowels. There is no doubt that many distressing diseases are caused by constipation. It gives rise to sick and bilious headaches, jaundice, heartburn, floating specks before the eyes, catarrh of the stomach, billousness and the painful, troublesome piles. Therefore, it is of supreme importance to health that the bowels be kept regular. Simple food, fruit, etc., should be used, and rich food and stimulants of all kinds avoided. This, with the use of Milburn's Laxa-Liver Pills to regulate and establish healthy action of the bowels cannot fail to give permanent relief in the most obstinate cases.

Mrs. Letitia Wainman, Orillia, Ont., writes: "From a child I was always very badly constipated, and I can well remember when quite young my mother giving me senna tea nearly every morning, and I got to dread it. After taking Milburn's Laxa-Liver Pills for a while I am not troubled with constipation any more."

Milburn's Laxa-Liver Pills are 25c. a vial, at all dealers, or mailed direct on receipt of price by The T. Milburn Company, Limited, Toronto, Ont.

# WESTERN ONTARIO TO HAVE WINTER FAIR; ASSOCIATION FORMED

## Provisional Directors and Committees Appointed At Meeting in Chatham Saturday.

## READY FOR NEXT YEAR

### Finance and Sites Committees Have Plans Well in Hand.

CHATHAM, Jan. 25.—J. A. Duke of Harrow was chosen chairman of the Western Ontario Winter Fair Association, organized Saturday afternoon at an enthusiastic meeting of farmers from all parts of Western Ontario, held at the Chamber of Commerce rooms. It is purposed to hold the first winter fair in Chatham before another year rolls round. P. L. Fancher, corn specialist, was appointed secretary.

A winter fair for this section of the province has been advocated for years, but it was not until the recent corn show that definite action was decided upon. At the annual meeting of the Corn Growers a committee was appointed to arrange for a meeting of representatives of kindred associations, and their efforts resulted in an assembly of 40 enthusiasts. The scheme was discussed from all angles, and an opinion expressed that every effort should be put forth to make a winter fair a reality for next year.

After appointing provisional directors the meeting adjourned till Wednesday next.

The provisional directors are as follows: G. Gregory and P. L. Rancher for the Corn Growers' Association; Charles Austin and H. Stokes, the Chatham Chamber of Commerce; H. F. Scott and James Chinnick, cattle breeds; R. W. Knister and H. F. Mansell, horse breeders; Cecil Stobbs and G. Bennett, sheep raisers; C. Pullin and H. Jenner, West Kent Agricultural Society, and J. O. Duke and L. McFarlane, swine breeders.

That the fair will find favor with the farmers of the district was indicated when M. M. Maxwell, manager of the Chamber of Commerce, read some twenty letters and petitions from various farmers' clubs. Some of the petitions were signed by as many as 50 members.

Immediately after the meeting concluded the directors got busy and went fully into organization details. The main difficulty to be overcome is the problem of finance, but so earnest were the directors to get the scheme under way that committees will immediately gather data, so that the directors may be in a position to request the various county councils to consider grants when they meet in session during this week. At the present time it is impossible to estimate the cost of the undertaking, but it is expected that the committees will have definite data to submit to the meetings of the new association on Wednesday next.

At the conclusion of the directors' meeting the members of the site committee became active, and for an hour conferred on likely sites for the proposed winter fair grounds. While the members of the committee were unable to make a statement, it is understood they already have a definite plan in mind.

The members of the site committee are: Charles Austin (chairman), Arthur J. Dunn, H. Jenner, C. Pullin, R. W. Knister and W. H. Mansell. The finance committee comprises Cecil Stobbs, Kingsville; H. Stokes, Chatham; C. Pullin, Burleigh; J. O. Duke, Harrow; J. A. King, Wardsville; W. A. Galbraith, Iona; Brandon Brothers, Forest; E. Bennett, Chatham Township; L. Gregory, Kent's Bridge; H. Jenner, Harwich; Walter Anderson, Amherstburg; Len McFarlane, Essex; A. McKenney, Walkerville.

# NO OPPOSITION YET FOR DRURY IN HALTON SEAT

## Liberal Executive Takes No Action Toward Nomination.

## W. MIDDLESEX DOUBTFUL

### Withdrawal in October of J. C. Elliott Complicated Matters For Raney.

TORONTO, Jan. 25.—It is not yet known definitely whether Premier E. C. Drury will be opposed in Halton County or not. The executive of the Halton Liberal Association discussed the question for three hours on Saturday at Milton, but did not decide it definitely. At the end of the conference a statement was given out as follows:

"Owing to the bad condition of the roads and the inclement weather the attendance of members of the executive today was very small, and it was decided to take no action in the matter of bringing out a candidate at present."

**Regarded as Statement.**

This statement is regarded as virtually an announcement that there will not be a Liberal candidate put up against the premier in the coming by-election. However, it is said that if an independent candidate comes out he may have the support of Liberals and Conservatives. The executive of the Conservative Association will meet on Tuesday to decide whether the Conservatives will nominate a candidate, but it is believed here that they also will take no action.

Charles Redhead of Nelson Township, an ex-warden of Halton County and the Liberal-Unionist candidate in the federal election of 1917, so far has declined to make any statement as to whether he will run or not.

**Doubtful Proposition.**

West Middlesex as a field for Attorney-General W. E. Raney is now regarded as a doubtful proposition. It is understood that the U. F. O. member-elect, Mr. Lethbridge, is willing to resign, but there is a complication to be reckoned with. This is the withdrawal last October of J. C. Elliott, former Liberal member of Parliament for West Middlesex from the contest because many of his supporters were farmers, and he, being a lawyer, did not wish to embarrass them. Mr. Elliott is a farmer as well as a lawyer.

Mr. Raney isn't a farmer, and it is thought his chances of carrying West Middlesex under the circumstances would not be as good as desired. If he ran in this riding he might have to fight the Liberals, who formerly were behind Mr. Elliott, as well as the Liberty Leaguers and the race-track betting men.

So far Mr. Lethbridge has not resigned his seat.

It is probable that the Government will make an announcement in a few days as to whether Hon. Mr. Raney will run.

The Citizens' Liberty League has decided to oppose Premier Drury and Attorney-General Raney in the by-elections because of the Government's refusal to have a recount in the referendum ballots, according to a statement made on Saturday by T. L. Carruthers, secretary of the league.

"We carried out our side of the contract suggested regarding pointing out irregularities in the polling in two ridings," Mr. Carruthers said. He claimed that the Government had broken a promise made to the league to have a recount in two ridings.

# RUSH OF DIAMOND HUNTERS EXPECTED IN SOUTH AFRICA

## Many Leaving Good Jobs To Go To Flaring Desert.

Johannesburg, S. A., Jan. 25.—Tlaring, a waterless, treeless and virtually gameless desert near Taungs, in Bechuanaland, promises to be the scene of one of the biggest diamond claim staking rush in the South African history. It is understood that Tlaring will be proclaimed open for diamond digging about March 20.

Amazing stories are afloat concerning the wonderful richness of the district and the prospective diggers from the cape and to the Mozabique, and even the Congo, are preparing to try their luck in the new field. Despite warnings of possible failure, men are abandoning good jobs in various parts of the country in order to be free to stake out claims when the proclamation is issued. Hundreds of women are also arranging to go to the new diggings. The Government is preparing to cope with the anticipated rush to Tlaring township.

Taungs is situated about 40 miles south of Vryburg and about 100 miles north of Kimberley, the last named place famous for its great diamond mines.

## MEN! MEN! TRY IT TONIGHT— FEEL FINE TOMORROW

Simple Way To Get "Pep," To Be Put Right On Your Feet.

When a man has lost ambition to "dig in" and stay at things—when he complains of headache, fullness in the right side, pains in the shoulder blade—it's purely a case of "Liver."

These symptoms invariably indicate a clogged, inactive liver. The body can't get rid of its wastes, and the whole system is half-paralyzed.

Dr. Hamilton's Pills stimulate the liver into activity in one night. Being a mild vegetable laxative they produce results in a few hours. The bilious headache and constipation are cured, spirits rise, complexion clears, animation returns. Nothing in the calendar so efficient for that tired, lazy feeling as Dr. Hamilton's Pills. Very mild, don't interfere with work, invariably do lots of good. Try a 25c box, all dealers.
