The Grand Prize Medal at Vienna!!
THE WILSON Shuttle SEWING MACHINE
ACKNOWLEDGED TO BE
The Best Sewing Machine
MANUFACTURED!
THE Great Mechanical Engineers and Experts selected by His Excellency, the Emperor Francis Joseph, to award Prizes at the famous World's Exposition at Vienna, Austria, in the year 1873,
AWARDED THE
Wilson Shuttle Sewing Machine
—THE—
GRAND PRIZE MEDAL
Over all other competitors, for
The Best Sewing Machine for Family Use, General Purposes, and all kinds of
MANUFACTURING.
The WILSON NEW UNDER FEED Shuttle Sewing Machine is extremely simple in its mechanism, very strong and durable in its construction, elaborately finished in its design and ornamenting, combining great capacity and adaptation to every variety of family sewing.
It embraces all the important and essential elements embodied in Sewing Machines patented within the last 20 years, together with late and important improvements and patents.
All we ask to convince the most skeptical that we have the best, is a critical examination of our New Wilson Underfeed Machine. Each purchaser is furnished with the company's guarantee to keep it in thorough working order for five years free of charge.
These Machines will be sold on the most liberal terms. Special arrangements made to suit all classes, so that in future no woman, however limited her means, need be without a first-class Sewing Machine.
