Trotting — Major Delmar Beats Sweet Marie ✦ Rugby — Argonauts Ask For Board of Governors ✦ Athletics — Walking Running

NOTE AND COMMENT

In reply to the official letter acquainting the donor with the result of the race for the Durham Cup, run at the Woodbine on Sept. 18 last, Lord Durham in a letter from Beauly, Scotland, received yesterday, stated it was most gratifying that the cup, which is for horses foaled in Canada, at 1 3-4 miles, was won by the late Mr. Hendrie's stable, as he had always been told Mr. Hendrie did so much to improve Canadian racing. Lord Durham expressed the hope that he might some day see the race which bears his name.

The Valley Farm pair, Kelpie and Glimmer, ran one-two in the race in question, with Sea Wall third. The year before the Durham Cup was won by Inferno.

TWO-YEAR-OLDS.

The feeling in the east seems to be veering to the English idea of the elimination of early races for two-year-olds. This was the impression brought by W. P. Fraser, secretary of the Ontario Jockey Club, who has just returned from a pleasant visit to Belmont Park. It would be too much to expect the curtailment of the juvenile contests altogether, but those who have the interest of the "sport of kings" at heart will be glad to know that at the best tracks where short races are generally discountenanced they are inclining that way.

Mr. Fraser gives a vivid description of last week's handicap, in which Tourenne, in his own colors, was beaten a nose, after bad racing luck, by the long-shot, Faust. Besides Tourenne ran with a bad hind leg, having been cut down in a previous race at Gravesend.

The filly, Margot, by Griffon—Irvana, reached the Woodbine yesterday from Windsor, and is still the property of the McKenzie estate, tho she ran her recent races in the colors of J. McLennan, her last time out winning the Ferry Handicap from such good ones as Ketchemike and Goes Fast.

WARD ON PROS.

Controller Ward, speaking last night on the Shrubb-Longboat controversy, said that the C.A.A.U. should not allow any race of any kind on a track or road "one hour or 500 hours apart" to take place. Shrubb is an out and out professional, who appears to be alone in his class. Longboat is an amateur, and all Canadians are looking forward to his bringing to his native country the Olympian Marathon championship from England next year. Mr. Shrubb is out to get all the advertising he can get, and nobody can blame him, as that is part of the professional game. Mr. Flannagan, who is a good amateur sport, and his friends of the Irish-Canadians, should leave Mr. Shrubb and the Cockney and anti-Cockney letter-writers alone and declare once and for all that the Indian boy is going to remain amateur and will have nothing to do with professionals. President Stark of the C.A.A.U. should take a determined stand against Longboat and Shrubb having any understanding of any kind in any sort of competition, even if one runs on the Atlantic coast and the other on the Pacific. Amateurs must not compete in any way with professionals.

VARSITY CONFIDENT.

Don't think that Varsity athletes have been disheartened by the reports from Montreal about McGill's athletic prowess. Only in the long distance events will the Toronto students concede McGill anything. With first and second in the three shorter races, second and third with the weights, first in the high and broad jumps, and show money in some of the other events Toronto looks to have the championship well in hand. McKinnon of Queen's is again expected to win the weights.

With certified cheques to back their talk and with an enthusiasm that knows no limit, two prominent citizens of New Westminster have announced that next season they will finance the trip of the Royal City Lacrosse Club to these parts, probably the island, and, should they win the Minto Cup, will send them to London to see the sights. This announcement has been made by Mayor Keary, according to a Vancouver despatch, and altho he does not divulge the names of the enthusiasts who are such strong supporters of the New Westminster team, his word is there and that's sufficient. No one will doubt New Westminster's ability to play for the Minto Cup, but its a safe offer to send the team across the pond after they have won it.

THE VILLAGE BARBER.

James Reynolds, the village barber of Port Hope, looks to have an even chance to walk from Port Hope to Toronto and back in thirty-eight hours, altho he says he will do it in thirty-six. Reynold's arrival in Toronto was greeted at the King Edward by a great crowd of people, who cheered the fifty-seven-year-old "bed" heartily. He was at once taken to his room, where he indulged in a bath and was rubbed down by that well-known trainer, Tom Eck. Outside of a blister on his right heel the walker's feet were in good shape. Reynolds was given some beef soup and milk, but his stomach was not equal to the occasion, and he was taken sick immediately afterwards. By the way, he had a bad fall at the Halfway House, a loose plank projecting making him go down with a thud on his back. However he set out full of confidence for the home trip, advising his friends to back him if no better than 1 to 2 were offered, tho he does not look better than an even money chance.

MAJOR DELMAR EVENS SCORE WINS POUGHKEEPSIE RACE

Tommy Murphy's Colt Loses Match Race—Rythmic Bell Beats The Native—McHenry Drives the Winner.

POUGHKEEPSIE, N.Y., Oct. 22.—Maj. Delmar defeated Sweet Marie in a match race here to-day for a purse of $2500 at the Hudson River Driving Park, winning two out of three heats. The race was the three fastest heats ever trotted on the track in a race. About 1500 people saw the match.

Maj. Delmar drew the pole and had a length's advantage at the quarter. The Major lead all the way. It was a great race in the home stretch, both drivers urging their horses, but Delmar won by a neck.

In the second heat Delmar broke on the word and lost ten lengths. He was fast however, when he caught, and was little more than a length back at the half. Sweet Marie led by two lengths at the upper turn, and maintained the distance to the finish.

McDonald stole the pole for the third heat on the turn, and was two lengths in the lead at the quarter. Andrews moved up a little on the back stretch, and was only a length back at the half. At the three-quarters the horses were on even terms, but entering the stretch the mare broke, and Delmar won easily by two lengths. Summary:

Match race for $2500, best three in five—

Maj. Delmar (1.59¾), b.g., by Delmar (McDonald)	1	2	1
Sweet Marie (2.02), b.m., by McKinney (Andrews)	2	1	2

Time—2.07¼, 2.06¼, 2.06½.

Match race, purse $5000—

Rythmic Bell, blk. c., by Rythmic (McHenry)	2	1	1	1
The Native, b.c., by Moko (T. Murphy)	1	2	2	2

Time—2.17½, 2.15¾, 2.17½, 2.18¾.

McGILL ATHLETIC TEAM.

Expect to Land Field and Track Championship at Kingston.

MONTREAL, Oct. 22.—The team to represent McGill in the intercollegiate track and field meet at Kingston against Varsity and Queens, on Thanksgiving Day, will be composed of R. A. Donohue, O. S. Waugh, R. E. Powell, J. C. Kemp, M. J. Carney, E. S. Blanchard, H. V. Wood, T. M. Ballantyne, A. Kerr, H. T. Logan, R. E. Bates, G. A. Boyd, A. E. Williams, J. S. McLeod and K. W. Dowie.

Eleven of these men, the eleven first in the list, are students of the final year, and unless there is a large influx of good athletes next year McGill will then drop back. Boyd is a third-year student, Dowie and Williams, second, while McLeod is a freshman.

This year, however, McGill should score a victory. Carney and Donohue may be counted to win places in the 100-yard dash; Carney and Blanchard in the 220 yards, Blanchard and Powell in the 440 yards, Kemp and Logan in the half-mile, Kemp and Kerr in the mile.

Waugh is good for the high jump, for which he holds the record. Donohue holds the record for the pole vault, which he should capture with ease, and these two latter, too, should stand well in the 120 yards hurdle race. Powell and Wood are the men selected for the running long jump event.

In the weight-throwing events, McGill's chances are not so good. Ballantyne, Bates and Williams are all showing up well, but are not expected to do any record-breaking stunts.

TURF AFFAIRS IN IRELAND.

Richard Croker Heads Winning List With a Total of $18,430.

Richard Croker, owner of Orby, winner of this year's Derby, heads the list of winning owners in Ireland with a total of $18,430, the result of 22 racers. None of the English races captured by the ex-Tammanyite are included in this list, only those confined strictly to the Green Isle being reckoned. Second to Croker comes E. P. Gall, who for five races made a total of $15,642; therefore his percentage is considerably better than that of the owner of the Derby winner. J. J. Parkinson, the third man, made $12,808, and he won more races than Croker and Gall put together. His total wins was 31. Parkinson is a professional trainer and he comes first in that list by a comfortable margin.

In the department of winning sires Croker's Americus is on top with a total of more than $20,000. The horse recently returned from abroad much improved and he is now at Glencairn. Orme, Gray Leg, Desmond, Count Schomberg, St. Frusquin, Florizell II. and Wildflower figure in the list, but not to any great extent. Gallinule, the sire now at the head of the English list, is stationed in Ireland, but any of his stock did not score in Ireland worth mentioning. J. Thompson heads the list of professional winning jockeys with 43 firsts, 34 seconds and 18 thirds out of 130 mounts. Among the gentlemen riders J. E. Manley is the foremost with 30 firsts, 18 seconds and 21 thirds out of 116 mounts.

A coughing epidemic has broken out among Croker's horses at Newmarket. Dr. McCabe, the manager of the stable, had intended to run Rhodora in the Middle Park Plate, one of the last big races of the season for 2-year-olds, but she, being one of the sufferers, had to be scratched.

Trotting in Austria.

The most valuable stake of the trotting turf in Austria, the Graf Kalman Hunyady Prize, worth 50,000 kr., about $12,000, was won this year by Countess Cald, a daughter of Cald (2.07¼)—Sonnet Stranger, by Stranger. The mare trotted the course, a little over 2 miles, in 4.49 1-5.

Important Fights in California.

SAN FRANCISCO, Oct. 22.—California will be the battleground of two more important fights this month. One of them will be a championship battle, while the other will bring together two big heavyweights. In the former contest the principals will be Abe Attel and Freddie Weeks, who are to battle 20 rounds for the featherweight title before the Pacific A. C., of Los Angeles, on Oct. 25. In the other fight, Jack Johnson and Jim Flynn of Pueblo, Col., will meet in a 25-round contest Oct. 26, before the Colma Club.

Britannia Brigade Boxers.

The Britannia Naval Brigade, with Bert Haley, the well-known wrestler, as mentor, will have a class of amateurs in next week's boxing tournament, all new men. They have trained carefully for several weeks, and are sure to give a good account of themselves. They are in the 112-lb., 118-lb., 125-lb. and 135-lb. classes, and a bantam may also be added to the list.

The new Royal Canadian alleys on Broadview-avenue will be formally opened to-morrow (Thursday) night at 8 by matches between the four-club league teams, A v. B and C v. D. The Royals have four of the most modern alleys.

No Sunday Lacrosse.

Owing to a mistake in the date, it was stated yesterday that the St. Andrew's and Berwick Clubs played on Sunday in Cornwall for the championship of Stormont County, when the match actually took place on Saturday.

OLYMPIC GAMES.

Rules Modified for Hammer Throwing and Shot Putting.

At a recent meeting of the English Amateur Athletic Association, the rules of hammer throwing and shot putting were considerably changed and they are now built on the plan in vogue in this country. Heretofore in England the hammer, since 1887, has been thrown from a nine-foot circle, and the handle was a straight one with no loops or crossbars allowed at the end. The shot was put from a seven-foot square and only three tries were allowed in the contest. In future, that is as far as the Olympic games are concerned, a man can use a wire handle to his hammer, and it may be of any shape or plan imaginable, that is, provided it does not measure more than four feet. The rule now reads:

"The head and handle may be of any size, shape, and material provided that the length of the complete implement shall not be more than four feet and its weight not less than 16 pounds. The competitor may assume any position he chooses and use either one or both hands. All throws shall be made from a circle seven feet in diameter. Each competitor shall be allowed three throws and the best three competitors of the first trial shall be allowed three more throws each. The furthest throw of all shall win. All distances shall be measured from the circumference of the circle to the first pitch of the hammer along a line drawn from that pitch to the centre of the circle. Foul throws and letting go of the hammer in an attempt shall count as trial throws."

The shot will be put from a seven foot circle, but the new law of the English does not speak about a toe board in front but there is a new interpolation regarding where the shot shall be held at the moment of putting. It shall be held in front of the shoulder, not on the shoulder as the rule read formerly.

It appears these changes were the result of a conference with the Scottish A. A. and the Irish A. A. A.

Betting at the Olympic games came in for some attention and no wagering will be allowed around the entrance gates or enclosure and efforts will be made to prevent it elsewhere in the Stadium if found necessary.

In the high jumping a man may begin at any height he pleases, but as soon as he does he must continue until he either falls or retires. Particular stress has been laid on the dress of competitors and no one will be allowed to start unless properly attired; that is, jersey with half sleeves and loose drawers to the knees. In the steeplechase, Marathon race and wherever there will be water dark colored clothes must be worn.

Fast Yearling Pacer.

Will Evans, the well-known Kentucky horseman, who gave the early lessons in speed to Kentucky Todd (3), 2.08¾, and many other noted performers, showed up a sensational yearling at Lexington that paced a quarter in 30¾ seconds. The youngster is by the trotting stallion, Jay McGregor, 2.07¼.

Who Will Represent Varsity in the Long-Distance Events in the Intercollegiate Games at Kingston.

EARLY HOCKEY NEWS LOCAL PROS. IN LINE

Kenneth Mallen, Calumet's Fast Rover, Now Attending Varsity—Other Gossip.

Judging from this distance, it looks as if Torontonians will have a chance to see better hockey furnished this winter than has been served up for some time. The amalgamation of the Marlboros and St. Georges should make a fairly strong senior team, while Argos will no doubt again have a team in the senior series.

In opposition to the O. H. A., a professional league will likely be organized, consisting of Toronto, Berlin, Guelph and possibly Galt, and these games should furnish some excitement in the local hockey world.

Toronto has the material in the city for a good professional team, with Lamb, Rolly Young, Jack Carmichael and Liffiton of last year's team in line. Others here are Kenneth Mallen, the fast rover and captain of the Calumet team last season; Howard Gee and Smith of Regina. Mallen is taking a course in arts at Varsity.

Altho a little early as yet to say who the goalkeeper will be, it is hinted that a well-known O. H. A. man will be in the flags for the pros. this year.

Berlin will have all their last year's senior O. H. A. team, and also Goldie Cochrane, who will captain them this season. Guelph and Galt are unknown quantities at present.

Paris, who have organized for the coming year, with J. H. Fisher, M.L.A., hon. president, Donald Sinclair president and J. Sinclair secretary, have nominated Harry Housser, formerly of Toronto, for the O. H. A. executive.

They Did Not.

Subscriber: London did not have a team in the O. H. A. last year.

Kenora's Stanley Cup Team.

WINNIPEG, Oct. 21.—Whether Kenora will have a Stanley Cup team this winter or not depends largely on the action of Sox Griffis and Roxy Beaudro.

The two sterling players mentioned are both in Vancouver, being partners in a transfer business. They are doing well, but those thorobred sports down in the little lake town have made the two great players an offer that even the Mesdames Griffis and Beaudro can hardly hope to prevail on their husbands to resist.

With Kenora it promises to be either a case of a crack-a-jack team or nothing. If Griffis and Beaudro return both Phillips and Hooper will no doubt be in the game again, otherwise the two Toms will be content to rest on their well-earned laurels of previous years, and permit the younger blood to get into the limelight.

It is understood, also, that a good offer has been made to Arthur Ross, of Brandon, to play with the Thistles this year, and it is not unlikely that he will be found on the line of the Manitoba champions. It is not unlikely, in addition, that Charley Quinn, the Winnipeg and Portage la Prairie goal man, may be found between the sticks for Kenora, while Hogan, a former Quebec and Pittsburg defence man, is slated for point.

This would bring together a team hard to beat. Here is the way it would line up:

Goal, Quinn; point, Hogan; cover-point, Griffis; rover, Ross; centre, Beaudro; right wing, Hooper; left wing, Phillips.

A Stanley Cup team, surely.

Sporting Editor World: Hearing so much talk of races these days, it makes me feel like getting on my shoes again. Now, if the Toronto Driving or the Toronto Club will give a nice cash purse for a five, ten or twenty mile race on their course on Thanksgiving Day, I for one will enter and start. Now, there are several professionals in this city who will start race open to Canadians, or let Mr. Shrubb in on a handicap. A few years back I would not ask any favors of Mr. Shrubb, but I am not a dead one yet. Old-Timer.

The Indoor Tournament.

The choice huskies of the 48th Highlanders, Royal Grenadiers and Body Guard are already getting busy for the tug-of-war at the coming indoor tournament of the Garrison Athletic Club, and these are active practice nights at the armories after the drills are over. A number of prospective entries in the running events are now getting used to the floor. A big entry list is assured for all the events. The executive of the association meets at the armories to-night.

Maple Leaf Quoit Club.

The Maple Leaf Quoiting Club's handicap on Saturday resulted:

First draw—J. Denford 21, F. Fiddes 11; C. Ellis 21, A. McLeod 15; W. Lewis 21, J. McBain 12; W. Fogg 21, G. Croft 19.

Second draw—W. Lewis 21, C. Ellis 15; J. Denford 21, W. Fogg 19. W. Lewis 1, J. Denford 2. W. Fogg 2.

BOARD OF GOVERNORS WANTED BY ARGOS

For Interprovincial Rugby Union—Ottawa's Claim for Protest—Gossip.

The Argonaut Rugby executive, at a meeting in the King Edward last night, decided to start a movement to have a board of governors, one from each club, appointed to the Interprovincial Rugby Union. The other clubs will be communicated with at once.

Ottawa, who are sore at being beaten by Montreal Saturday, are talking of lodging a protest to the Interprovincial Union on the following grounds:

1. Referees admitted they were unacquainted with the rules, and therefore incompetent.

2. When Ottawa, per Church, made a touch-down in the third quarter, the whistle was not blown till after the ball was grounded, Craig claiming an offside, which McPherson allowed, and called the ball back. There was no offside committed.

3. Montreal's last touch-down was made on two forward passes, one from Craig to Kelly and one from Kelly to Craig. McPherson permitted the play to go.

The proper score should read: Ottawa 12, Montreal 11.

Upper Canada III. defeated St. Andrews III. yesterday by 28 to 0. The winners lined up as follows: Beck, McLean I., halves, McCaul (captain), Crowther, O'Grady I.; quarter, O'Grady II.; scrimmage, Morse, Gilder, Ellis; wings, McLean II., Carruthers, Curry, Dawson, Woods, Dean and Another.

The Tammany Tiger Rugby Club will take over the Eurekas of the City League and play in the Junior O.R.F.U. under the name of Tiger III.

Kingstone, the Montreal Rugby player, left last night for New York, but efforts are being made to have him return for Saturday's game with the Tigers.

Argos go to Ottawa Saturday and then play Montreal, the league leaders, here on Thanksgiving Day, and the scullers may be depended on to win all their home games.

Montreal Rugby Club are in receipt of a letter from the University of Vermont, asking for a date, and suggesting that the game be played half under American and half under Canadian rules.

If practice counts for anything, Varsity should be in the pink of condition for their game with McGill here Saturday.

Murray Kennedy, who had the muscles of his hips wrenched in the game with Ottawa College Saturday, will be unable to play Saturday against McGill. and Newton, centre half of the intermediates, will take his place. Newton is a sure catch and a strong left-foot kicker.

The Shamrock Junior Rugby team would like to arrange a game with any junior city team for Saturday, Oct. 26. Address M. Russell, 28 Kensington-place.

The Parkdale Canoe Club Rugby team will practise this afternoon at 5 o'clock on Diamond Park.

BARNUM & BAILEY'S CIRCUS.

Sold to Ringling Brothers for $410,000.

LONDON, Oct. 22.—At an extraordinary general meeting of the shareholders of the Barnum & Bailey show today, a resolution was adopted ratifying the provisional contract providing for the sale of the property for $410,000 to the proprietors of an American circus.

With the other assets this will give the shareholders $2 to $2.25 per share. When the company was formed in 1899, British investors almost fell over each other in their anxiety to subscribe the capital of the company—$2,000,000.

The American purchasers are Ringling Brothers of Wisconsin.

CHARGED WITH LIBEL.

LONDON, Oct. 22.—(C.A.P. Cable.)—Thomas Hayes Sheen, general manager of the Canadian Copper Mining & Smelting Co., of Ontario, is charged with publishing a defamatory libel concerning Louis John Abrahams. Charles Osborn, secretary of the company, stated he received from the defendant a letter containing an enclosure addressed to Abrahams. The letter alleged that Abrahams was an active conspirator in the attempt to rob the shareholders of the company and bring about its ruin, with the avowed object of purchasing it, together with the conspirators, for $125,000. The defendant was committed for trial, and admitted to bail on his own recognizance.

ATHLETIC NEWS AND GOSSIP FAST TRIP ROUND BELT LINE

Thos. Hyslop Covers Distance in 46 Min. 11 Secs. — Brockville Runners in Montreal and Hamilton Marathons.

Thomas Hyslop, a veteran local walker, and an employe of Gallagher's fruit store, did a Belt Line walk last evening within less than two minutes of the record. Accompanied by Bert Haley on a wheel, the pedestrian started at Wellesley and Sherbourne at 8.20, and was around at 9.06.11, or the distance in 46 minutes 11 seconds. The timers were Morris Leonard and [illegible] Carter. Mr. Hyslop states that he is willing to back himself against the Port Hope record of 38 hours for $300 at 5 to 3.

Brockville road-racers are putting on the finishing touches for Thanksgiving Day events. The Harrier Club has entered Herb Humble, N. R. Milroy, E. O. Chester, G. Fletcher and S. Cuthbertson in the Montreal Herald ten-mile event, and Charles Russell for the Hamilton Herald 20-mile go. Russell is the best long-distance man of the bunch, and he is picked in many quarters to win. He captured the Ottawa Marathon at the old boys' reunion this summer. The runners have been training five months for these events.

All members of the West End Y.M.C.A. Boys' Department intending to enter in the athletic events at the Exhibition next Saturday afternoon are requested to report to the secretary not later than the evening of the 23rd, as all entries have to be on official blanks not later than the 24th. The members of the junior, intermediate and senior harriers are also requested to meet in the new rooms on Wednesday evening, when final arrangements will be made for the Marks Trophy race. The junior boys will be given a try-out on the runs and jumps at Varsity Athletic Field on Wednesday at 4 o'clock. Come and see what you can do.

Last night the new rooms of the West End Y.M.C.A. Boys' Department presented a very imposing sight, decorated as they were with flags and bunting and the trophies of the boys. The occasion was the opening banquet, which taxed the spacious quarters formerly used as an auditorium, but now given over to the exclusive use of the boys. After the supper the Bible-class certificates won in the recent international examinations were presented by Mr. John Alexander. The toast list included: "The King and Canada," proposed by Charles Temple and responded to by Fred Samuels; "Our Association," proposed by Charles Sharp and responded to by Mr. A. Stokes, secretary of the association. The toast to the new boys' department was proposed by Mr. Ashley, physical director, and responded to by John Eadie. The old boys, who were there in goodly numbers, were honored by Douglas Brewn, Frank Watt and responding for them. The final toast, which also included presentation of a bouquet of chrysanthemums, was to "The Ladies' Auxiliary," who have been the staunch friends of the boys of the past. This toast was proposed by Ross Taylor, and responded to by Mrs. Menzies, president of the auxiliary. Mr. Tait, on being called upon, spoke of the growth and achievements of the department under adverse circumstances, and outlined the plan of campaign for 200 new members, which the new department will accommodate handily. The new rooms will be open to visitors all next week. The entrance is by the last door on Dovercourt-road.

FRENCH REPULSED.

Moorish Troops Equipped With Field Guns.

TANGIER, Oct. 22.—According to semi-official information received at the Spanish legation here today the French forces at Casablanca, under the command of Gen. Drude, suffered a serious repulse yesterday at the hands of the Moors.

Moorish troops, estimated at 7000, and equipped with field guns and modern rifles, not only drove the French back to the city walls, but menaced the town to the extent that the French authorities found it expedient to request aid from a Spanish warship in the harbor to repel the attack.

BERLIN'S PUBLIC SERVICES.

Salaried Commission May Manage Them All.

BERLIN, Oct. 22.—(Special.)—Berlin's four municipal ownership ventures—waterworks, street railway, and power and sewage disposal—are at present under the management of three separate commissions, but there is a movement to have one salaried commission manage the three.

This question bids fair to become a big issue in the forthcoming municipal campaign.

Rumor has it that the contestants for Berlin mayoralty for 1908 will be ex-Mayor Eden and L. McBrine, at present deputy reeve.

WAS NOT ABUSED.

Asylum Attendants Exonerated of Blame in Robinson Death.

Coroner Cotton's jury last night, after hearing a large number of witnesses, including several doctors, returned a verdict that James Robinson's death was due to general paresis, and that the Mimico Asylum officials had not abused him while he had been an inmate there. The presence of cuts and bruises were attributed to falls sustained by Robinson during his rovings at night.

Mrs. Robinson testified that coming from Mimico Asylum in the cab her husband begged of her not to take him back to the asylum.

"I asked if," she said, "he had been abused, and he screamed 'Oh, yes!' When a man would come into the room he would yell: 'Take the guards off me.'"

Drs. James G. Caven, A. Primrose and John Noble said that death was due to general paresis.

Several guards from the asylum said that deceased had been accorded the best of treatment.

Creditors of A. G. Watson, grocer, Queen-street, met at the office of N. L. Martin, assignee, yesterday. No offer forthcoming from the debtor, it was decided to realize the assets and close the estate forthwith. Liabilities are $1000.
