To Enforce Western J. C. Rules.

San Francisco, Cal., March 10.—On account of the affiliation of the Pacific Coast Jockey Club with the Western Jockey Club, President Williams announces that all horses outlawed by the latter organization will be barred in California. Trainers are much at sea at present, as the situation is critical with those having entries at tracks controlled by both associations. The better class of stables will avoid taking sides by racing around New York.

Jockey Bonner has disappeared, leaving no trace of his whereabouts. Walter Jennings secured a contract on the boy from his father, in which the jockey was to have everything he made on outside mounts. It is believed George Marsh, who does the stable work for C. McCafferty, has the boy in hiding. Marsh narrowly escaped turf discipline by claiming Major Mansir out of a selling race, ostensibly for himself, but in reality for McCafferty.

Two car loads of horses arrived to-day from Los Angeles, including the stable of J. Millen.

King Edward Cup for Hackneys.

One of the most attractive classes at the Canadian Horse Show will be the new class for the champion high-stepper, for which the King Edward Hotel has kindly consented to give a magnificent challenge cup of great value and artistic design. This class for the champion high-stepper, driven to a gig or dogcart, is on similar lines to the event which has created the greatest interest at the New York Show for several years past, namely the Waldorf Cup, for which the rivalry has been so great that Judge Moore paid $10,000 for a horse imported from Great Britain especially to win this cup. The full conditions of the prize are as follows:

"Class 36, champion high-stepper, King Edward Hotel Challenge Cup, pure or grading, Canadian bred, sired by a registered hackney or standard-bred roadster stallion, Conformation and style of going, as well as high action to be considered. To be shown to a gig or dogcart. Cup to be won by exhibitor. Three prizes in cash, $40, $30, $15."

Crooked Bookmaker Got His.

Los Angeles, March 10.—P. J. Gorman, part owner in a stable now racing at Ascot, and Gerald Evans, a bookmaker, and J. Cecot, better known around race tracks as Diamond Joe, to-day were ruled off by the judges at Ascot pending an investigation of charges made by Jockey M. Lynch. Lynch went before Judge Hamilton before the race, and told the judge that Gorman had approached him with an offer of $100 if he would keep Sinner Simon from finishing in the money. Judge Hamilton instructing the jockey to say nothing, but to ride the ed Lynch to say nothing, but to ride the race to the best of his ability. Evans' money was placed with the bookmakers, book laid top prices against Sinner Simon, and took all the money offered. Sinner and Simon won and the book, whose sheet was sent for by the judges, showed that, whereas it had expected to win $3125 by keeping Sinner Simon out of the money, really lost $2193 onaccount of the horse's victory.

Hockey enthusiasts will find a full account of the Ottawa-Rat Portage Stanley Cup match and the St. George's-Marlboro city championship match in The Toronto Sunday World. For sale at all news stores and from all newsboys.

VICTORIA HARBOR CHAMPS TIED BERLIN; WON ROUND 9-6

Last Game for O.H.A. Intermediate Championship Results in Score of 2 to 2.

Berlin, March 10.—(Special.)—Berlin is down and out. The game with Victoria Harbor in Berlin to-night resulted in a draw, each team scoring twice, giving the Harbor team the O.H.A. intermediate championship, the score on the round being: Victoria Harbor 9, Berlin 6.

The result was a surprise, altho there were plenty of people who, while they looked for a Berlin victory in this game, considered it improbable that the Dutchmen would be able to overcome the Harbor's lead of three goals. That Berlin did not was due to the strong defensive game put up by the visitors, breaking up nearly all attempts of the Berliners to get in effective combination play, and the home boys were greatly off-color in shooting. True, there were a number of shots on the Harbor goal, and Regan did marvelous work in stopping shots which looked like sure counters until he cleared. Referee Charlie Rankin of Stratford got the game started sharp on time. There were about 3000 spectators present.

The game opened with Berlin on the aggressive, and for about ten minutes the puck was near the visitors' goals, but their defence was impregnable, Corbeau at point being especially strong. Then for a short period play became rather slow, the opposing defence men indulging in repeated long lifts, until the crowd became weary and called for real hockey. The game was 16 minutes old when Corbeau scored for the Harbor on a long lift, the puck hitting Forest's shoulder and bounding past Bricker into the net. The checking became close and fierce after that, and before the half ended Goodwin was ruled off for two minutes and Corbeau for three minutes for tripping. The former was also given a minute's rest for loafing. There was no further scoring in this half.

In the second half Schmidt scored for Berlin in five minutes. In another five minutes the visitors pulled ahead again, Good doing the trick. With nine minutes of play left, Gross scored up once more, scoring on a long lift. Despite herculean efforts, the locals could not do any more scoring, and the match ended with the score 2-all. In this half Goodwin and Corbeau of the Harbor were each ruled off for three minutes, the former for holding V. Cochrane's stick, and the latter for jumping into Knell, Knell of Berlin was ruled off for three minutes for tripping, and again for two minutes for loafing, and Gross was off three minutes for making a fierce jump into Corbeau, who measured his length on the ice in consequence. The teams were the same as in Wednesday night's match. Referee Rankin gave entire satisfaction.

Harriston Northern Champions

Wingham, March 10.—In the final game in the Northern League, Wingham won from Harriston here to-night by 5 to 2, and thus tied the round, having lost at Harriston by a score of 5 to 3. For the visitors, Bingo at goal put up a good game, and for the locals Burns, Fleming and Wilson played a hard game, while Galloway and Elliott and Johnstone combined for several nice rushes. Moore on goal saved the round by many nice stops in the last half. The line-up:

Harriston (2)—Goal, McQueen, point, Dowling; cover-point, Buzz; rover, McDowell; centre, Dowling; right wing, Cameron; left wing, Shortreed.
