Remarkable Tactics Adopted in North Grey.

Sir Charles Tupper Thrown Overboard by Former Friends.

Only by Sacrificing Him and His Friends rDo the Conservative Agents Hope for Victory.

Owen Sound, Aug. 15.—The campaign for the bye-election is proceeding with as great warmth as the weather will permit. Hon. Wm. Paterson and his friends are putting up a good fight, and it seems reasonable that though North Grey was gerrymandered into being a Conservative riding, it will declare on Tuesday, Aug. 25, that the new Government shall have a fair show.

A sensation was caused in this town last night by the formal nomination at a Conservative meeting of Clarke Wallce, M. P., as Conservative leader, vice Sir Charles Tupper, deposed. The meeting was held in the town hall, which was crowded. The speakers were Dr. Beattie Nesbitt, of Toronto; Mr. George Taylor, the Conservative whip; Mr. Wallace, Dr. Sproule and Mr. Alex. McNeill. Mr. Taylor, who voted for coercion, announced that the Conservative party was through with remedial legislation.

Hon. Mr. Foster, Hon. Mr. Montague and other coercionist leaders, were billed to appear, but failed to show up. A portrait of the late Sir John Macdonald hung pendant from the motto "Canada for Canadians." Sir Charles Tupper had no place in the picture gallery.

Dr. Beattie Nesbitt, who was one of the speakers, repudiated the leadership of Sir Charles Tupper. "Now, gentlemen," said Dr. Nesbitt, "we want the fight to go on, and we propose that it shall go on, and go on under a true and loyal man, and that man is the Hon. Clarke Wallace." "I can tell you this," he went on, still slapping at Sir Charles, "that if we, the Conservative party, are to direct the destinies of Canada, if we are to prevent Quebec domination, there is one man who satisfies the ideal and meets the wants and principles of the Conservative party in this Province, and that man is the Hon. N. Clarke Wallace."

"What about Tupper?" asked a Conservative present.

Dr. Nesbitt—"You will have to ask me something easier. We will line up this Province," he went on, enthusiastically; "give you a Government of Premiers, men like Clarke Wallace. As far as I am concerned, I am not a man who will follow the Conservative party under Birmingham or Montague. I am a man who stands for principle, and I will stand for Clarke Wallace. Clarke Wallace is good enough for me, good enough for you, and good enough for Canada, and we will stand by him."

Dr. Sproule having supported the candidature of Mr. McLaughlin, Mr. Clarke Wallace said the Conservative party had strayed from the true path when they undertook to force on Manitoba separate schools. They must prevent that policy being adopted in the future. Mr. Laurier had promised to settle the question in six months. It should be settled in six hours. It had been announced that the erroneous policy of forcing separate schools on Manitoba had been abandoned by the Conservative party, now they are beaten. The gentlemen who lent themselves to this policy were seeing the error of their ways. He was rejoiced to know it; he would take them back into the Conservative party, forgive them, use them well.

A SIDE MEETING.

At Henley's school house, Mr. W. F. Maclean, M. P. for East York, spoke. He alluded to himself and five other anti-coercionist Conservatives as the saviours of the Conservative party. He drew a word picture of what he termed the great fight of the six against the remedial bill, and proclaimed that the half dozen which he mentioned saved the Conservative party from destruction. He took good care not to mention the name of Mr. Geo. Taylor, M.P., the Conservative whip, who at the same time as Mr. Maclean was speaking was at a meeting in Owen Sound. Mr. Maclean repudiated the leadership of Sir Charles Tupper entirely, stating that he (Mr. Maclean) had in his pocket a copy of a letter containing a general invitation to the Conservative members to consider the advisability of selecting a new leader. Sir Charles Tupper had told him (Mr. Maclean) personally, "We have got rid of the question of the remedial bill forever."

Mr. J. A. Barron spoke on behalf of the Liberals, and during the course of his address the chairman frequently interrupted with the remark, "We do not want any more Tupper."

DR. MONTAGUE.

Dunnville, Aug. 15.—Dr. Montague, the late Minister of Agriculture, who is spending a couple of weeks on the lake shore, was in town yesterday. Questioned regarding the published statement that he would take part in the contest in North Grey, the doctor said he had not agreed as yet to address any meetings in that constituency, although he had been urged to do so. He added: "I am at present having a few days' pleasure at the lake, and I shall go to Parliament next week. I have no other arrangements made at present."
