FARMERS OF YORK ENTER COMPLAINT

W. F. Maclean, M. P., Presents to Railway Commission Milk Shippers' Grievance.

By a Staff Reporter.

Ottawa, March 26.—W. F. Maclean, M. P., for South York, presented to the Dominion Railway Commission this morning the complaint of a number of farmers who ship milk to Toronto from Unionville, Markham, Stouffville and other points on the Grand Trunk.

They complain that the train which formerly arrived at Toronto at 9.30 a.m. has been taken off and the only train by which they can ship is the one scheduled to arrive at 11.30, which, during the winter, has been running irregularly and generally behind time. They say they will have to discontinue shipping milk to the Toronto market unless the railway service is improved.

The complaint will be investigated and acted upon by the board without delay.

Rising Dislike of War Makes German People Mutinous

Chicago, March 26.—Miss Blanche Slocum, held a virtual prisoner in Germany since the outbreak of the war, arrived at her home in Chicago today and told of the suffering of the German people, of their rising hatred of the war and of the government. "The people are literally starving and are very mutinous," she said.

"I have had German soldiers tell me they wished Germany would lose the war so they could get out of the terrible situation. If the people were not victims of frightfulness and half-starvation there would be an immediate revolution."

LIVE STOCK MARKET

There was a light run of cattle at the stock yards market yesterday—736 head, all told—360 calves, 976 hogs and 20 sheep—practically nothing doing in sheep.

For cattle, the trade was steady with Monday's decline, assuming there was a decline, which some of the folks on the market do not concede, but which The World still maintains was, notwithstanding, very much in evidence. However, the market was steady with Monday, with all the offerings practically cleaned up. Fresh arrivals of stock sold well, but there were no outstanding features worthy of note.

Sheep, Lambs and Calves.

The market for sheep, lambs and calves was steady, and good Easter calves were from 40c to 50c higher.

Hogs.

NEWSY MARKET NOTES.

A feature of the market on Monday was the sale by Quinn & Hisey of 37 ex-ra choice lambs, averaging the weight 95 lbs. apiece, and consigned by E. C. Drury of Barrje to Quinn & Hisey, and sold by that firm for $20.85 per cwt., which is said to constitute a new high record on the Union Stock Market.

Good Prices, These.

Rice & Whaley sold five extra choice steers on Monday, averaging 910 lbs. each, at $13.50, to the Harris Abattoir. The cattle were consigned to Rice & Whaley by Robert Winter of Seaforth, and were a decided credit to the feeder, the commission house and the buyers.

Some Boy, This,

Eddie Zeagman on Monday received the hearty congratulations of everybody on the exchange when the news of the advent of a little baby boy into his home became known. Not many men are better known or better liked than the aforesaid Eddie.
