Political Gossip

A well-posted man on the street told The World on Saturday that he would not be surprised if the spirit of independence won out on election day in the east and in the west. He had been over the whole city and had found among the Conservative workers a spirit of apathy. There did not seem to be any vim in the straight-line Conservative canvass. On the other hand he found the independents enthusiastic and the Liberals working harder than ever. Further, he looked to see the Labor candidate make a good showing in South Toronto and George Gibbard take a position similar to that taken by D. C. Hossack in the north. He believed John Shaw would be elected in the north, but that would be more thru Providential intervention than thru good earthly management. General apathy seemed to be abroad thruout the province so far as the Conservatives were concerned.

A Montreal special says: At the Monument National, on Monday evening, will take place a mass meeting to be addressed by Henri Bourassa and his friends. The speakers will be Messrs. Armand Lavergne, M.P., who is credited with the intention of resigning his seat in the house of commons to contest Montmagny in the provincial elections; N. K. Laflamme, K.C., J. E. Bedard, K.C., candidate in Quebec County; L. J. Cousineau, K.C., candidate in Ottawa County; J. H. Rainville, candidate in Vercheres, and others. Requisitions are being numerously signed in St. James' Division calling upon Mr. Bourassa to oppose Hon. Lomer Gouin at the forthcoming general election in that division.

William Price of Maidstone Township, former warden for Essex County, has announced himself a candidate on an independent Liberal ticket to oppose Hon. J. O. Reaume at the coming provincial elections in North Essex. If he sticks there will be a three-cornered contest in the north riding. Dr. Reaume as an out and out Conservative, being opposed by two "independents," Price and Adolph Gignac, another "independent Liberal." Mr. Price has lived in Maidstone Township for 30 years. For 12 years he was a member of the township council, and for eight years sat on the county council, serving as warden four years ago. His boast has been that he carries Maidstone in his pocket, ready to deliver to whom he pleases. The new candidate was a Conservative until Dr. Reaume received the nomination of the party the first time.

Mr. Donovan, the Brockville Conservative candidate, has been approached by Mr. Buell, his Liberal opponent, to enter into an agreement for the conduct of a strictly "clean election." He suggested that for the purpose of enforcing the provisions of a draft agreement certain persons named were to constitute a tribunal with full power to enquire into and determine all cases of illegal violation of the agreement. They were empowered to destroy any evidence taken and keep secret any statements made before them. Upon finding a breach of the agreement on behalf of the successful candidate Mr. Buell desired that he should resign. Mr. Donovan, in his reply, rejected the idea of the investigation proceedings being kept secret, preferring full and complete exposure of the offenders. Mr. Donovan signifies his willingness to co-operate with Mr. Buell in any feasible and efficient scheme which can be evolved, but so far nothing has been done.

Does Your Spine Ache?

Spinal twinges are usually caused by colds, that excite inflammatory condition of the superficial parts, but owing to the large nerve supply, pain in the spine is attended with the most excruciating agony. Nerviline cures and cures quickly because it penetrates ment. It cures quickly because it is immensely stronger and more soothing to inflamed parts than any other liniment. It cures quickly because it is actually an antidote for pain. Ask anybody about Polson's Nerviline, and they will tell you there's not an ache or a pain in any part of the body that's not quickly and promptly cured by Nerviline. Sold by all dealers.

ALDERMEN ARE WOBBLING ON THE POWER QUESTION

Seem Anxious to Evade Fulfilment of Expectations—J. J. Scott Welcomed Home.

HAMILTON, May 24.—(Special.)—The aldermen will have to face a vote on the power question next Thursday evening, unless they discover some more excuses for evading the issue. Several aldermen, who were elected on the supposition that they would oppose the aggressive Cataract and fight for the rights of the people, now that the critical time has come, allege that they have not sufficient light on the hydro-electric proposition to enable them to choose between competition and monopoly. It is claimed that some of these aldermen have enjoyed, or are interested in firms that have enjoyed, large contracts from the company.

J. J. Scott, K. C., the Conservative candidate in East Hamilton, who arrived Saturday evening from Europe, was met at the station by the 91st Regiment Band and a procession was formed. He was driven to the Conservative Club rooms, where he got a hearty reception from an audience that filled the rooms. Mr. Scott declared that he would support Premier Whitney and his party with every vote. Ontario and Canada were traveling away behind the rest of the world in the matter of technical education, and he said that if he had been elected in 1906 a technical college would now be in the course of erection here. John Hoodless, Mayor Stewart and F. C. Bruce, ex-M.P., also spoke.

The governor-general and his party will arrive at the T., H. and B. station Monday morning at 10.25, and after an automobile spin around the city, his excellency will unveil the Queen Victoria memorial statue.

The 91st Regiment, 450 strong, under Major Bruce, and the Army Service Corps, under Capt. Lawson, 80 strong, attended the service this morning in St. Andrew's Presbyterian Church. Lt.-Col. Logie was brigadier. It was the first appearance in public of the Army Service Corps, and they made a favorable impression.

John H. Dougherty was arrested Saturday, on the charge of stealing chickens from W. A. Peer, 11 South Walnut-street.

Patrick F. Crowley, a traveler for a Plainfield, N. J., paper firm, was taken from one of the hotels to-day and locked up, on a charge of insanity. His wife is said to live at Des Moines, Ia.

The registration courts closed Saturday night. It is estimated that nearly 7000 registered.

MELBA EXCELS.

LONDON, May 24.—Mme. Melba's returned to Covent Garden has revived the discussion of the rival claims of the two great songstresses. Tetrazzini and Melba. Every one seems agreed that Melba sang on her reappearance in London as she never sang before.

Playgrounds Association.

In response to a circular letter sent out recently over seventy-five leading citizens expressed themselves as favorable to the organization of a Toronto Playgrounds Association to assist the parks commissioner in providing children with properly equipped and supervised play centres. A public meeting has, therefore, been arranged for Thursday afternoon at 4 o'clock in the city council chamber, to which all interested are cordially invited. It is particularly desired that the various benevolent societies, clubs, labor and social organizations should be represented.

To Protect British Birds.

LONDON, May 24.—Lord Avebury has asked parliament to pass a bill based on a law which at present obtains in the State of New York, and which provides that no wild birds for which there is an open season, can be taken or possessed at any time, dead or alive, except under the authority of certificates, and no part of the plumage, skin, or body of any protected bird can be sold or had in possession for sale.
