College girls can obtain and board lodging for the coming school year at Miss Gourley's, Linden avenue. Early applications desired. tf.

The residence on Prospect street recently occupied by Prof. Gray has been purchased by Rev. I. W. Porter [illegible] shortly occupy it.

The marriage took [illegible] tly at Melbourne, Australia, of Herbert Taylor, son of Capt. H. S. Taylor, formerly of Wolfville, and Janet Helen, only daughter of Dr. Turner, a distinguished physician, and for many years physician to the governors of Victoria.

Mr. and Mrs. Elias B. Harris, Lower Wolfville, desire in this way to express their heartfelt thanks to all those friends who were so kind and helpful during their daughter's long illness and in their time of trouble and sorrow. Such kindness can never be forgotten.

'Sovereign' Cashmere Hose with linen splicing wear the best.

The Japanese tea given in the Baptist vestry on Tuesday evening was a very successful and interesting affair. The proceeds, which are to be devoted towards the educating of a little girl in India, amounted to the creditable sum of $43.00. The affair was under the management of Miss Treva Mitchell, who deserves much credit for its success.

The annual business meeting of the W. C. T. U. was held on Monday afternoon, when reports were presented and officers elected for the ensuing year. The report of the year's work with list of officers elect will appear in the regular column next week. Mrs. W. Mitchell, Mrs. C. M. Murray and Mrs. B. O. Davison were elected as delegates to the Provincial Convention.

A mass meeting under the auspices of the W. C. T. U., will be held in the Baptist church next Sunday evening, at the close of the regular service. An address will be given by Rev. H. F. Laflamme. Music will be furnished by a choir and solos by Miss Annie H. Murray and Mr. Fred Bishop will be rendered. There will be a collection in aid of the world's mission. It is hoped there may be a large attendance.

The Wolfville public schools reopened on Monday of this week, there being a good attendance in all departments. Quite a number of pupils from outside the town are taking advantage of the benefits of the school in spite of the increased fee this year. This increase, by the way, appears to be decidedly unpopular with the citizens and will likely be repealed at the next meeting of the School Board. If the members of the Board consider the wishes of the rate-payers in this matter, the former rate will be returned to. The present efficient staff of teachers is as follows:

R. W. Ford, Principal.
Miss Rosamond Archibald.
Miss Ethel Cochrane.
Miss Effie Brinton.
Miss Alice Spurr.
Miss Vera M. Smith.

Miss Spurr, who was a valued member of the staff last year, is substituting for her sister, Miss Hortense Spurr, who is unable on account of illness to be present at the begining of the session.

It is to be hoped that the teachers and members of the Board may receive the fullest co operation of the citizens in their efforts to make our schools efficient in every particular. Our public school is undoubtedly one of the most worthy institutions of the town, and much more importance should be attached to its conduct on the part of the citizens than is now the case.

The Upper Baptist church, the scene of the wedding, was attractively decorated with golden glow, asparagus and potted plants and an arch of evergreen under which the bridal party stood. Amid a shower of rice the happy couple entered the automobile of Bishop Bros. and were conveyed to the home of the bride, where congratulations were received and refreshments served to a large number of guests after which Dr. and Mrs. Loomer again took the automobile for Wolfville and boarded the Bluenose for Halifax. After spending some weeks in Chester, they will return to reside in Canning. The bride received a large number of beautiful presents of cut glass, silver, etc., and from the congregation and choir of the Baptist church, where she had been organist for several years, a handsome buffet. Gaspereau.

Perhaps a few items from the valley will prove interesting to the many readers of this valuable paper.

Last week we were glad to welcome back our pastor, Rev. J. W. Brown, and family, who have been spending their vacation at the sea-shore. We were glad to hear him once more on Sunday and to learn that the vacation had given him the much needed rest.

The holidays are now to a close, and the sound of the school bell is again heard calling the children to studies. The teachers for the advanced and primary departments are Mr. Ross F. Coldwell and Miss Grace Hennigar, of Chester Basin. The two successful candidates for 'C' at the recent examinations are Miss Hattie Benjamin and Miss Mattie Kinnie. Congratulations.

Mrs. Frank Coldwell and two children, who have been visiting relatives here, returned home last Friday, accompanied by Mrs. Austin Eagles and family. They intend making their home in Mass.

Mrs. F. M. Davidson and daughter, Mrs. J. J. Barnes, left on Tuesday for their home in San Francisco. They have spent two months visiting friends in and around the valley and think after all there is no better place to live than in Nova Scotia.

Among the recent appointments to the staff of teachers at Acadia Seminary we notice that of Miss Cassie Benjamin, daughter of Mr. and Mrs. N. O. Benjamin, of this place. We wish her every success in her new work.

Miss Winnie MacGowan, of Hillsdon, has been visiting at the home of her uncle, Mr. Judson Millett.

Rev. and Mrs. E. Pryor Coldwell have been spending a week in the valley at the home of Mrs. Delight Coldwell. They returned to their home at New Ross on Tuesday.

Mr. and Mrs. W. B. Pleadwell and daughter Lovora, of East Aurora, N. Y., are visiting at Mrs. Pleadwell's home here. We hope she will be benefited by this much needed rest.

Mrs. Wesley Bishop, her son Robert and her little daughter, Lulu, of Hantsport, spent last week and a portion of this with friends here.

Dr. J. W. Brown preached an excellent sermon to the people here last Sabbath afternoon.

Are You Bankrupt
IN NERVE FORCE?

If you spend three dollars a day and earn two you are sure to come to bankruptcy and yet this is just what thousands of us are doing in regard to health. By overwork, worry and anxiety the energy and vigor of the body is wasted more rapidly than it is built up and the result is bankruptcy of health. Sleeplessness, headaches, indigestion, worn-out feelings, spells of weakness and despondency are some of the symptoms which tell of the approach of nervous prostration or paralysis.

Dr. A. W. Chase's Nerve Food

supplies in condensed and easily assimilated form the very ingredients from which Nature constructs nervous energy and builds up the human system. It positively overcomes the symptoms referred to above and prevents and cures the most serious forms of nervous diseases. 50 cents a box, at all dealers or Edmanson, Bates & Co., Toronto.

Mrs. Edward Schwartz, Ladysmith, Que. writes:

"Nervous prostration was my trouble, I was weak, run down, nervous and unable to do my housework, Dr. Chase's Nerve Food built up my system and cured me of sleeplessness, heart palpitation, headache, weakness and dizziness."
