August 1st, 1848. 179w3*

The TRUSTEES who were present at the ...e Examinations, were pleased to express ...eir opinion in the following terms:—

"The half yearly examination of the London District Grammar School, which took place on the 7th JULY, in the presence of three of the Trustees, the Rev. Benjamin Cronyn, Rev. Wm. Proudfoot and J. Harris, Esq., was conducted by the Principal, Benjamin Bayly, Esq., B. A., and was most satisfactory. The Trustees present, who expressed themselves much gratified, not only at the proficiency exhibited by the Pupils in various departments of English and Classical Education, but also, at the able manner in which the examination was conducted by Mr. Bayly. The Trustees feel that the presence of the parents and friends of the Pupils at the half yearly Examinations would be calculated greatly to benefit the School, and would operate as an encouragement to the Teachers to carry out with energy the work of instruction which they have so well begun. They would therefore take the liberty to suggest to those interested in the welfare of the School, that they should attend at the half yearly examinations and by their presence encourage both the Teachers and the Pupils."
