—Col. White, Deputy Postmaster-General, is visiting in the city.

—Mr. T. H. Luscombe has been elected vice-president of the Septennial Union.

—Sergeant R. J. M. Webbe, of "D" company of the Seventh, has resigned.

—The officers and members of the Seventh are talking up the idea of holding a field day at Springbank on Friday next.

—Miss Hannah Miller, who has been with Messrs. A. B. Powell & Co. for several years, left yesterday for the Canadian Northwest.

—Geo. Coleman, a young lad, was tried before the police magistrate yesterday on a charge of stealing chickens from Stephen Garside Sunday afternoon. The complainant said he saw two boys running from his chicken coop, and taking a roundabout course captured Coleman, who had thrown the birds aside and commenced to run on seeing him. The youth denied any intention of stealing. Two other boys had given him the chickens and he became frightened at Garside when he saw the latter running. The magistrate suspended judgment with a warning.

—Miss Beckham, of Niagara Falls, is visiting at Station Master McHarg's.

—A union meeting of the Christian Endeavor Societies of the city will be held on Tuesday evening, March 31, in the First Presbyterian Church. The committee with the arrangements in hand promise an interesting programme.

—A prominent city lawyer, owing to the impetus with which he bolted down his office stairs yesterday, suddenly found himself embracing a young lady who happened to be passing the Richmond street door at the time. He blushed, begged pardon, raised his hat, looked around to see if his wife was in sight and then walked on amid the giggles of a number of women who witnessed the affair.

—Thos. Webb, charged with stealing $184 from Mrs. John Smith on Dec. 13 was brought from jail to the Police Court yesterday for trial. The prosecution lacked one witness, and Mr. McKillop asked for an adjournment. Mr. Meredith, for the defense, opposed it on the ground that the prisoner had been incarcerated too long at the pleasure of the Crown. Magistrate Parke granted a week's adjournment, refusing to take bail.

—The Kincardine Review announces the death of Mrs. B. Walden, wife of Dr. Walden, of that town. Her maiden name was Ettie Kennedy. She was a daughter of the late Henry and Jemima Kennedy, of Delaware, Middlesex county, was born in the year 1858, and was well known in London and vicinity. In the year 1877 she married Dr. B. Walden, of Kincardine. She leaves three children. The funeral took place to the Kincardine cemetery and was largely attended. Among the mourners were Mr. I. T. Thomson, of Owen Sound, and Mr. Alf. E. Walden, of London, brothers-in-law of the deceased; Richard Walden, of St. Marys; her brother, James Kennedy, of Delaware, and Mrs. Harry Dean, of Detroit.

Ontario Court of Appeal.

The court will not sit again until further notice. The chief justice of Ontario and Mr Justice Burton are both unwell.

A Popular Clergyman Going.

Rev. R. Hicks, the popular young curate of St. Paul's Cathedral, has received a call to the rectorship of Simcoe, the charge of the late Rev. John Gemley. Mr. Hicks is a graduate of Huron College and has been connected with St. Paul's for about five years, during which his ability, gentlemanly disposition and winning manners have made him a general favorite with the congregation. He will commence in his new field after Easter.

Recording Their Objections.

The "Nationalists" held a well-attended meeting Sunday afternoon in the Union Labor Hall. Bro. Joseph Brent occupied the chair, and after a few opening remarks called upon Bro. Johnston to address the meeting upon the subject of "The evolution of the vegetable and animal kingdom." Following the speaker's remarks a discussion on the proposed action of the City Council in granting a gratuity to City Clerk Abbott was introduced. The system of bonusing worn-out officials was roundly condemned and before adjourning a resolution strongly expressing the society's disapproval of such action was unanimously passed.

To Wed in the West.

About 50 of the friends and relatives of Miss Alice V. McNames, daughter of Mr. Leutian McNames, Hyde Park, gathered at the C. P. R. station, London, on Saturday afternoon to bid farewell to the young lady, who leaves for Morden, Manitoba, where she is to meet and wed Mr. Wilmer G. Nixon, formerly of Hyde Park, and now a prosperous and well-to-do farmer, in the West. He is the son of Mr. Geo. Nixon. The young couple have many warm friends in Hyde Parke and vicinity who will be glad to hear of their success and happiness in their new sphere of life. Alice, as she is known by her friends, was made the recipient of many valuable presents, and, amidst a shower of rice and best wishes, she left for her new home, where by her amiable character, her lively disposition and winning manner she will doubtless win many friends.

To Jail for a Month.

The Murtagh assault case, which took place on March 7, came up for final disposal at the Police Court yesterday. Bridget Murray, a boarder at Pat Murtagh's house, testified to seeing the prisoner hit his wife in the head with a plate of beef and afterwards punch her and catch her by the hair. She ran for a policeman, and on returning found them both covered with blood. P. C. Egelton corroborated the latter part of this evidence. Mrs. Murtagh seemed to have forgiven her husband and shook her fist at Mrs. Murray, whom she said was swearing falsely. She claimed to remember nothing of the affair except falling against the door. Murtagh was sent to jail for a month by the magistrate.

Teacher—Freddy, how is the earth divided? Freddy—Between them that's got it and them that wants it.

Mr. Job Scales, of Toronto, writes: "A short time ago I was suffering from Kidney Complaint and Dyspepsia, sour stomach and lame back; in fact, I was completely prostrated and suffering intense pain. While in this state a friend recommended me to try a bottle of Northrop & Lyman's Vegetable Discovery. I used one bottle, and the permanent manner in which it has cured and made a new man of me is such that I cannot withhold from the proprietors this expression of my gratitude."

Why will you allow a cough to lacerate your throat or lungs and run the risk of filling a consumptive's grave, when, by the timely use of Bickle's Anti-Consumptive Syrup the pain can be allayed and the danger avoided? This Syrup is pleasant to the taste, and unsurpassed for relieving, healing and curing all affections of the throat and lungs, coughs, colds, bronchitis, etc.

A spiritualist asks: "Did you ever go into a dark room where you could see nothing and feel that there was something there?" "Yes, frequently, and the something unfortunately chanced to be a rocking-chair."

Mothers

Castoria is recommended by physicians for children teething. It is a purely vegetable preparation; its ingredients are published around each bottle. It is pleasant to the taste and absolutely harmless. It relieves constipation, regulates the bowels, quiets pain, cures diarrhœa and wind colic, allays feverishness, destroys worms and prevents convulsions, soothes the child and gives it refreshing and natural sleep. Castoria is the children's panacea—the mother's friend. 25 doses, 35 cents.

Mrs. T. Youngwife (sobbing)—Y-you are ungrateful. Didn't I bake you three big cakes last week, and what have you done for me? Thomas—Didn't I eat them?

We have no hesitation in saying that Dr. J. D. Kellogg's Dysentery Cordial is without doubt the best medicine ever introduced for dysentery, diarrhœa, cholera and all summer complaints, sea sickness, etc. It promptly gives relief and never fails to effect a positive cure. Mothers should never be without a bottle when their children are teething.

The Cream of the Havana Crop.

We beg to notify the trade, and more paricularly to those customers whom we have kept waiting for several months for our La Cadena and La Flora brands of cigars (owing to the Havana crops not having been at that time in fit condition to use), that we are now commencing to manufacture the above-mentioned brands, our buyer, who has just returned from Havana, having purchased several lots of tobacco, which were picked from the cream of the crops regardless of price. We make no idle boast when we state that our clear Havana cigars are equal in every respect to the highest class of imported Havana cigars and at much less figures. We wish particularly to impress upon smokers the fact that these brands are not made in competition with the great majority of rank, cheap Havana cigars that are offered to the public as fine goods.
