EIGHT GROUP CHAMPIONS

THE CALEDONIANS BEAT PARKDALE.

Another Close Game Between City Teams—Single Rink Competition.

The primary competitions in the Ontario Tankard series were completed yesterday after keen rivalry and many close scores in each of the eight groups. Among the new-comers this year is Southampton, an added entry in group 7; Lindsay and the old Galt club are also in, while Ayr and Dundas will curl in the finals after a short absence. Groups 1, 4 and 6 have the same champions this year as last. The runners-up in the different groups are entitled to play for the Governor-General's prize. As the present cold snap will probably hold out another week the Ontario Curling Association Committee will most likely order the different teams to report in Toronto on Monday or Tuesday to decide Tankard holder and Governor-General's prize winner for the year. Paris and the Toronto Caledonians were the lucky clubs in 1901.

Ayr Wins in Group 3.

Woodstock, Jan. 29.—Two rinks from each of the following places: Bright, St. Thomas, Ayr, London and Woodstock, curled yesterday afternoon and evening until 12 o'clock, and the two winning rinks played off this morning. The games were played in the Ontario Tankard series, these places forming No. 3 group of the association. The playing was very spirited at the last and the score was so close that the enthusiasm of both sides, when a point was scored, was shown by the shouts which rang thru the rink. The result in brief was as follows: Bright defeated St. Thomas, Ayr defeated Paris, Woodstock defeated London, Ayr and Bright played off, Ayr winning. Woodstock and Ayr then played and Ayr won by 9 shots. Ayr will go to Toronto as a result of the drawing here, to compete for the Ontario Tankard.

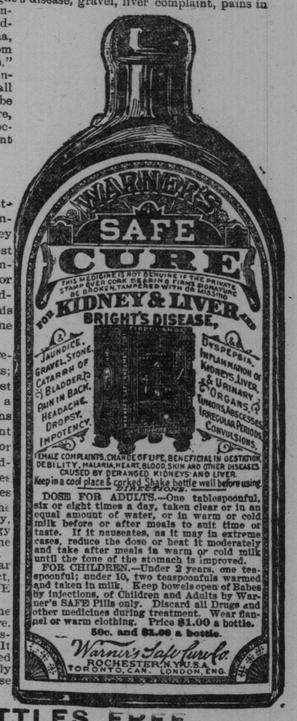
Bright's disease, gravel, liver complaint, pains in the back, rheumatism, rheumatic gout, inflammation of bladder, stone in the bladder, uric acid poison, dropsy, eczema, scrofula, blood disease, offensive odor from sweating, so-called "Female Weakness," painful periods, too frequent desire to urinate and painful passing of urine are all caused by diseased kidneys and can be speedily cured by Warner's Safe Cure, which has been prescribed by leading doctors for 25 years, and used in all prominent hospitals exclusively.



CURES KIDNEYS

Mr. J. L. Barker, Assistant Postmaster, Stevens' Point, Wis., writes: "Warner's Safe Cure has cured me of kidney trouble and indigestion. It is the best tonic I ever took, and it has permanently cured me of what my doctor called one of the worst cases of kidney disease he ever came across in his experience. It is the family medicine in this part of the country."

Warner's Safe Cure is purely vegetable and contains no harmful drugs; it does not constipate; it is a most valuable and effective tonic; it is a stimulant to digestion, and awakens the torpid liver, putting the patient into the very best receptive state for the work of the restorer of the kidneys. It prepares the tissues, soothes inflammation and irritation, stimulates the enfeebled organs and heals at the same time. It builds up the body, gives strength, and restores energy that is or has been wasting under the baneful suffering of kidney disease.

NEW YORK STATE B. B. LEAGUE.

Syracuse and Kuntzsch Have Difficulty in Joining Circuit.

Syracuse, Jan. 29.—Applications for one vacancy in the New York State Baseball League caused a whole lot of discussion at the annual meeting of that organization at The Yates, in this city, to-day. The Waverley franchise is the property of the league, and Amsterdam, Johnstown and Glens Falls applied to the league for the franchise, all offering flattering inducements. This city had been counted upon to come in the circuit, but a boomerang was thrown into the meeting this afternoon when it was announced that George N. Kuntzsch, who was to secure the franchise here, had been notified that his lease of Star Park would not be renewed. As the league is anxious to secure Syracuse as a member of the circuit, the matter of making up the circuit was finally, after two hours' discussion, put into the hands of a Circuit Committee, of which President Farrel is the chairman. It is said that the Rapid Transit Railroad will build a park for Mr. Kuntzsch.

It was decided to increase the forfeit money from $100 to $250, to be paid into the league treasury before April 1. It was decided to make a change in the constitution, whereby the Board of Directors will hereafter consist of five members, including the president, who will appoint the other four members. The season will open on May 9 and close on Sept. 6. No double-headers will be played until after July 15. The salary limit prescribed by the National Association of Minor Leagues was left standing at $1200. Some clubs wanted it placed at $1500, but a vote to put it there was lost. President Farrel holds over as the leading officer of the league under the five-year agreement. The Circuit Committee probably will meet in this city the latter part of this week, when the matter of this city being admitted will be settled. A resolution endorsing the National Association of Minor Leagues was introduced and unanimously passed.

Tenpin Games To-Night.

The following five tenpin games are scheduled for to-night:

Mimosas at Liederkranz A.
Insurance at Highlanders.
Liederkranz B. at Merchants.
Q.O.R.B.C. at Indians.
Grenadiers at Q.O.R.

Another Toronto Lacrosse Club.

Ottawa, Jan. 29.—Toronto has another lacrosse Club which is anxious to get into the National Amateur League, and to that end propositions have been made to President Pittaway, so that the new Queen City aggregation may be enabled to make a grand swoop upon the league at its next annual meeting. It is said that there are some good people of Toronto behind the scheme, and the present promoters state that they have the material capable, beyond question, to place a winning team in the game.

Another Win for McEachern.

Philadelphia, Jan. 29.—Archie McEachern, the Canadian, added another victory to his string in this city by defeating Bennie Monroe of Memphis and Otto Maya of Erie, Pa., in a 15-mile paced bicycle race at the Second Regiment Armory last night. His victory was a hollow one in that his competitors met with accidents which compelled them to leave the track. McEachern's time was 24.41 4-5, which is one minute and 35 seconds better than the world's record on an indoor track.

Basketball.

The basketball game at the West End Y.M.C.A. last night resulted in a victory for Piper's team over Alexander's by 29 to 15. The next games are: Patterson v. McKenzie and McGuire v. Piper.

Shot at Live Birds.

New York, Jan. 29.—Simon Glover of Rochester defeated Dr. J. G. Knowlton of this city by a score of 94 to 91 killed in a 100 live bird match shoot at Interstate Park, L.I., to-day. The match contest took place during a snowstorm, and as there was scarcely a breath of wind, the birds had all the best of it. Knowlton was successful with his barrel 22 times and Glover 15 times. Knowlton lost four dead out of bounds and Glover one. Many of the most prominent trapshooters in this vicinity watched the match.

An innovation in racing in Michigan will be inaugurated at the Port Huron Driving Park on Feb. 11, 12 and 13, 1902. A mid-winter three days' race meeting will be held. A club to have this sport in charge was organized Jan. 4, 1902, and is composed of six business men of that city. Eight hundred dollars in purses is hung up, and horses from Canada and from different parts of the state are expected to compete.

Grand Circuit Dates.

Detroit, Jan. 29.—At a session, which lasted until 10 o'clock, the stewards of the grand trotting circuit, who held their annual meeting to-day fixed the following dates for next season's harness meetings, and adjourned to meet in Boston on Jan. 27, 1903:

Detroit, July 14 to 19; Cleveland, July 21 to 26; Columbus, July 28 to Aug. 2; Buffalo, Aug. 4 to 9, Glens Falls, Aug. 11 to 16; Readville, Aug. 18 to 25; Providence, Aug. 28 to 30; Hartford, Sept. 1 to 6; Cincinnati, Sept. 22 to 27; Terre Haute, Sept. 29 to Oct. 4.

Representatives of the different tracks announced that the following amounts will be offered in stakes and purses: Detroit, $50,000; Cleveland, $35,000; Columbus, $40,000; Buffalo $30,000; Glens Falls, $30,000; Reading, $40,000; Providence, $45,000; Hartford, $45,000; Cincinnati, $40,000; Terre Haute, $35,000. Total, $390,000.

Sporting Notes.

Peter Maher's mother died in Galway, Ireland, on Jan. 13.

Tim Hegerty got the decision over Aurelia Herrera at the end of 20-round bout at Bakersfield, Cal., Tuesday night.

John Flanagan, the champion weight tosser, has joined the Sixty-Ninth Regiment, Company E, of New York.

Another Mike and Kid Broad have been matched to box 20 rounds before the West End Club of St. Louis on Feb. 10. The weight agreed upon is 126 pounds.

Harry Weldon, the well-known sporting writer, died at his home in Circleville, O., Tuesday night. He was sporting editor of The Cincinnati Enquirer until two years ago, when he was stricken with paralysis.

Ralph Black, as trainer of the steeple chase stable of Thomas W. Lawson of Boston, has just bought of Samuel Hildreth at Memphis, Tenn., three jumpers, Wooster Boy, Duty and Lullah, who have reached Saratoga. They are at Horse Haven, where are also two others of Lawson's jumpers, Ronkonkoma and Draughtsman.

The list of winning owners at the New Orleans meeting up to and including Saturday shows the firm of A. Simons & Co. to have won the most money—$3656. James Arthur is a close second with $5492, and G. C. Bennett & Co. third. Coburn still leads the jockeys by a big margin. He has ridden 46 winners, while Lyne rode 29 and Cochran 16.

Tom Eck, the veteran manager and trainer, has his eye upon a piece of property at Coney Island, and if his present plans are carried out Eck will build a new bicycle track near the seashore. It was said last night that Eck had already paid $50 down on his option, which would indicate that he is prepared to conduct a track at Coney Island in opposition to the present cement track at Manhattan Beach.

Incidents at Oakland.

San Francisco, Jan. 29.—The arrangement by which Green Morris had first call on Winnie O'Connor here is off, and the jockey will not ride for the stable in future unless peace is declared. Mr. Morris was greatly displeased at what he considered the incompetent handling of Jance by O'Connor in the Lissak Handicap last Saturday. This morning he announced that L. Jackson would ride the mare in to-day's race, and O'Connor expressed his displeasure at his rival securing the mount.

Morris replied that Jackson would ride Janice and O'Connor then said he would accept no more mounts from the stable. Morris agreed to the ending of the engagement. Jackson rode Janice and landed her a winner. O'Connor is talking of going to Kentucky. Favorites, second choices and long shots were all in evidence to-day. Weather clear; track fast. Summary:

George Chadwick of the Champion Wellingtons Suffering From Scarlet Fever.

OUT OF GAME FOR THE WINTER.

Results in Different Leagues—Notes of the Clubs and Players.

George Chadwick, the centre forward of the Wellingtons is now isolated at his mother's residence on Howland-avenue, suffering from scarlet fever. The attending physician says that the fever was working on him before he went to Winnipeg. The boys all say that Chadwick was not himself in the cup games and on the train. He was not as full of fun as is usual and it was owing to this sickness that he did not show up as well as usual. Mr. Chadwick felt ill all the way home and was not in the party at Shea's on Tuesday. The case is only a mild one.

The Wellingtons, in speaking of their last game at Winnipeg, say it was hard, but that there was no intentional rough play indulged in by either the Winnipegs or themselves. The champions are unanimous in voting the Winnipeg people good sportsmen.

Sporting Editor World: The officers and members of the Wellington Hockey Club, thru their Finance Committee, desire to publicly thank the following gentlemen, who so generously went on a bond to guarantee the expenses of a team to play for the Stanley Cup at Winnipeg: Messrs. J. W. Flavelle, A. E. Ames, Henry M. Pellatt, H. C. Cox, George T. Irving, F. W. Baillie, A. F. Rutter, Mark H. Irish, J. W. Woods, Henry Barber, J. Fraser Macdonald, C. A. B. Brown, L. C. Cosgrave, Arthur Ardagh, W. Howard Chandler, D. Worts Smart, George Chadwick, Alex. Milne, J. E. Ardagh, Alex. Warden, Harold A. Wilson, Henry F. Darrell, W. H. Lamont, Geo. B. Mackay, G. Mortimer Clark, and the Caledonian Curling and Skating Club.

The club also wishes to register the gratitude of its members for the very magnanimous way in which the Central Canada Loan & Savings Company came forward and advanced the cash upon this bond to carry the men on their journey. It is a matter of much gratification to the Finance Committee to be able to report that it will not be necessary to call upon these gentlemen for a single dollar, the undertaking having proven self-sustaining. Nevertheless, great praise is due to those who, in the interest of a good amateur sport, were willing to become sureties for a venture larger than any heretofore attempted by Ontario hockeyists.

Wellington Hockey Club Finance Committee—Mark H. Irish (chairman), Arthur Ardagh, W. H. Lamont.

Wellingtons or St. George's.

The St. George's took their last hard practice last night for the game on Saturday night with the Wellingtons. There is a great deal of interest taken in this game and it should be a good one, as the Saints beat Varsity last week and are in good shape. Chadwick will be out of the game for the rest of the season. Bilton will play goal, and it is likely that Lamont or Worts will take Chadwick's place. The St. George's will play the same seven that represented them against Varsity on Saturday.

In the Merchants' League last night at the Collegiate Rink, the Robert Simpson Co. defeated J. F. Brown by 7 to 2. Mr. Clemes refereed.

He is here to see the performances of the "Road to Ruin" at the Toronto, in which he is interested. Dougherty and Steve Flanagan boxed 15 rounds here about 4 years ago.

The final game of the second series of the Bank League will be played at the Victoria Rink on Saturday afternoon at 3.30, between Toronto and Dominion Bank teams. The match should be a fast one, and with good ice the result should be close, as both teams are in good shape. The winner will go into the semi-final at the end of the season, with Commerce, who won the first series.

The sub-committee of the O.H.A. met yesterday, when some testimony in the Woodstock-Stratford case was heard. Woodstock says Easson was aggressor and nobody touched him till he slugged a spectator. More evidence will be taken and a decision given later. The goal scored by a piece of the puck in the Front-Queen's junior game was not allowed and thus the teams are tied in their district. They will play off Monday or earlier.
