compound remedy, in which we have

Para Sarsaparilla, so combined with o
stances of still greater alterative powe
afford an effective antidote for the dis
saparilla is reputed to cure. It is belie
t such a remedy is wanted by those
fer from Strumous complaints, and that
ich will accomplish their cure must p
immense service to this large class of
icted fellow-citizens. How completely
npound will do it has been proven by ex
ent on many of the worst cases to be fo
the following complaints:—
Scrofula and Scrofulous Compla

St. Anthony's Fire, and indeed the w
ass of complaints arising from Impurit
e Blood.

This compound will be found a great
oter of health, when taken in the spring
xpel the foul humors which fester in
ood at that season of the year. By the
expulsion of them many rankling diso
e nipped in the bud. Multitudes ca
e aid of this remedy, spare themselves
e endurance of foul eruptions and ulc
res, through which the system will stri
d itself of corruptions, if not assisted
his through the natural channels of the
y an alterative medicine. Cleanse ou
itiated blood whenever you find its impu
ursting through the skin in pimples, erupti
r sores; cleanse it when you find it
tructed and sluggish in the veins; clea
whenever it is foul, and your feelings will
ou when. Even where no particular dis
s felt, people enjoy better health, and
onger, for cleansing the blood. Keep
lood healthy, and all is well; but with
abulum of life disordered, there can b
asting health. Sooner or later somet
must go wrong, and the great machine
ife is disordered or overthrown.

Sarsaparilla has, and deserves much
reputation, of accomplishing these ends.
the world has been egregiously deceive
preparations of it, partly because the
alone has not all the virtue that is cl
for it, but more because many prepara
pretending to be concentrated extracts
contain but little of the virtue of Sarsap
or any thing else.

During late years the public have been
led by large bottles, pretending to give a
of Extract of Sarsaparilla for one dollar.
of these have been frauds upon the sick
they not only contain little, if any, Sa
rilla, but often no curative properties wh
er. Hence, bitter and painful disappoint
has followed the use of the various extra
Sarsaparilla which flood the market, unt
name itself is justly despised, and has be
synonymous with imposition and cheat.
we call this compound Sarsaparilla, and
to supply such a remedy as shall resc
name from the load of obloquy which
upon it. And we think we have grou
believing it has virtues which are irre
by the ordinary run of the diseases it is
ed to cure. In order to secure their co
eradication from the system, the remedy
be judiciously taken according to directi
