FOUR DAYS LATER FROM ENGLAND.

The steamer Ericson, which sailed from Liverpool on the 1st of April, arrived at New York on Wednesday, bringing important news relative to the elections.

The despatch says that the elections have resulted in a complete triumph for Lord Palmerston's administration. Cobden, Bright, Layard and other Liberals defeated.

No quotable change in the markets.

The Arabia was to sail on the 8th, in place of the Persia, which is repairing.

LATEST FROM ENGLAND.

"ARABIA" ARRIVED AT NEW YORK.

The Steamship *Arabia*, arrived at New York, yesterday afternoon, the following is the telegraphic report of the news brought by her.

Breadstuffs firm. Bank of England had advanced rates to 6 1-2 per cent. Consols 93 1-8.

The members returned are 325 Whigs, and 210 Conservatives.

Great anxiety prevails in England, on account of supposed loss of Australian Packet Ship, with a large number of passengers.

The quarrel between Austria and Sardinia, is threatening a rupture.

Peace with China considered probable.

SHIP NEWS.—At Glasgow, 21st, Milo, Corning, hence; at Liverpool, 30th, Peter Maxwell, Marshall, New Orleans.

To Correspondents.—"Verum" Poem too late for publication, will attend to the suggestion, and thanks for the donation.

Our "Elgin" friends are informed that the Chronicle is mailed regularly at 3 on Friday. Fault must be at upper offices. Will see to the matter.

☞ Every lady should be "posted" on the fashions at this season of the year. GODEY'S LADY'S BOOK, for April, contains the latest colored illustrations of the Spring Fashions, besides a variety of other useful and entertaining subjects. Godey is first in all new designs, of which his late numbers are replete.

THE NAUTICAL MAGAZINE for April is also received. It contains the usual amount of information on nautical affairs, and among others, an instructive article on the "strength of vessels," no doubt applicable to ship building in this Province. "Ventilation of Ships and Cargoes at sea," is another article; besides other remarks of a general character, useful and instructive to those engaged in ships and ship building.

MONSTER PIG.—The extraordinary animal now on show near the Ottawa Hotel, Sault au Matelot-street, is an object of great interest to agriculturists and pork raisers. Strangers have had an opportunity of realizing what to many of them had been a myth—a fine fat specimen of Lower Canadian swine. This sow, now two years and half old, weighs 1,002 pounds, and measures from the back of the ear to the beginning of her tail plump seven feet. It would be difficult indeed to find in Canada a larger pig, or one in so prime a condition, and it must be no slight gratification to the breeder as well as the owner, Mr. Walker, of St. Silvester, to be able to exhibit so superior an animal as having been raised in this district.—*Quebec Chronicle.*

RAILROAD FROM THE ATLANTIC TO THE MISSISSIPPI.—This day the cars run the entire distance from Savannah and Charleston, on the Atlantic ocean, to Memphis on the Mississippi river. Now for the first time, there is uninterrupted railroad communication through slave-holding States from the Atlantic to the Mississippi. Savannah is thus brought within 741 miles, or a little less than forty hours' travel, of Memphis. The distance from Charleston is but fifteen miles greater. From Memphis an extension, now under way, stimulated by the liberal grants of public lands, is to be made to Little Rock, Arkansas, and thence on the Fulton and Anderson, Texas, there to connect with the Southern Pacific Railroad.—*Georgetown Journal.*

BIGGER AT LARGE AGAIN.—We learn from the Miramichi *Times* that the notorious Jail breaker Kennedy Bigger, made his escape from the Newcastle prison on the morning of Sunday the 5th inst., In passing out (says the *Times*) he called at the cells of his fellow prisoners and told them if they were willing to leave he would see them safely out. As for him, he said he had been in prison long enough for any thing he had done, and has it was election times and the weather fine he was determined to go and canvass! As they showed no disposition to take any advantage of his obliging offer, he bid them good bye and cleared!

☞ The ice in the Rivers has given way, and the steamers have commenced their trips.

☞ *Holloway's Ointment and Pills.*—The worst cases of ulcer in the leg, for which salves, poultices lunar caustic, and all the so-called "established remedies" have been tried in vain, are readily cured by Holloway's Ointment in an incredibly short space of time. The remedical effect of this powerful unguent in eruptive disorders is a phenomenon in medicine. In ordinary practice, different topical applications are prescribed for different external affections. But these are mere *palliatives*. They merely relieve the pain or inflammation for the time being by cooling the surface. Any evaporant will do this; but Holloway's Ointment penetrates to the sources of irritation, neutralizes the virus which causes it, and thus extirpates the disease. The Pills are no less thorough in their operation in liver complaint, dyspepsia, and disorders of the bowels.

ELECTION CARDS.

To the Electors of the City and County of Saint John.

GENTLEMEN,—

THE combined action of the opposition in the Assembly during the last Session, having obstructed the Government in carrying on the business of the Country, it become necessary either to resign the management of public affairs into the hands of a minority, or advise His Excellency to dissolve the House and again appeal to the people—the latter alternative being a strictly constitutional one has been adopted. It now rests with the several constituencies to apply a remedy to a state of affairs so prejudicial to the public interest, by sending men to represent them influenced by patriotic motives. During the eleven years I have had the honor of representing you, I have endeavoured to pursue such a course, as in my opinion would best promote the general good; if my public conduct meets with your approval, I shall feel grateful for your continual support.

I have the honor to be gentlemen,
Your most obedient Servant.
April 10. ROBERT D. WILMOT.

To the Electors for the City of St. John.

GENTLEMEN,—

BEING solicited by a number of my fellow citizens, I offer myself as a Candidate to represent you in General Assembly. In doing so I can assure you that I have no private interests to serve, my only desire is the prosperity of this City and the Province generally.

I am gentlemen, yours &c,
April 10. L. H. DEVEBER.

To the Electors of the City of St. John.

GENTLEMEN,—

IF my conduct during the short period I had the honor to be one of your representatives in the Provincial Assembly meet your approbation, my services are again at your disposal.

I am Gentlemen, your humble servant,
April 10. J. W. LAWRENCE.

TO THE ELECTORS OF THE CITY OF ST. JOHN.

GENTLEMEN—

HAVING yielded to the solicitations of a number of my fellow Citizens, I will be a Candidate for your suffrages at the approaching Election of Representatives to the General Assembly.—Should I be again honored with your confidence you may rely upon my best exertions on behalf of the interests of the City, and those of the Province generally.

I have the honor to be, gentlemen,
Your Obedient Servant,
April 17. S. L. TILLEY.

To the Freeholders of the City and County of Saint John.

GENTLEMEN:—

THE extraordinary position of the public affairs of the Province impels me once more to offer my services at the approaching General Election, as one of the Candidates to represent the City and County of Saint John in General Assembly.

My public conduct for the past thirty seven years, is a matter of history, which your are all well acquainted with, and it is therefore unnecessary for me to say anything on the subject.

I shall be proud of the support of such of the independent Electors as approve of my former course, and if again returned as one of your representatives, you my rely on my supporting all measures, which in my judgement are calculated to promote the general prosperity, and the happiness of the people.

I am, Gentlemen,
Your obedient Servant,
April 10. CHARLES SIMONDS.

To the Electors of the City and County of St. John.

GENTLEMEN,—

I INTEND at the coming Election to be a Candidate for your suffrages for the County. If the course I have pursued since you last elected me, meets with your approbation—I shall again be happy to serve you, and do what I can to promote your interests.

Your obedient servant,
St. John, April 10. J. H. GRAY.

TO THE ELECTORS OF THE CITY AND COUNTY OF SAINT JOHN.

GENTLEMEN,—

I INTEND again to offer myself as a Candidate for your suffrages at the coming Election, and if my past conduct has been such as to merit your approbation, and I should be again returned as one of your representatives, I will endeavor to serve you as heretofore to the best of my ability.

I am, gentlemen,
Your obedient servant,
April 10. JOHN F. GODARD.

To the Independent Freeholders of the County of King's.

GENTLEMEN—

THE Assembly having been dissolved with the view of affording the Constituencies an opportunity of expressing their opinion on the present state of public affairs, I have been induced to offer myself as a Candidate for the important position of one of your Representatives.

If elected, I shall endeavour to maintain and defend the principles of Responsible Government, believing that the door of office should be open to every man whatever his Creed, profession, or occupation.

To the establishment of Municipal Corporations or to any Educational system, comprising among its provisions Direct Taxation, I am opposed, as unsuited to the age and condition of the country.

I shall support the present Government in all measures conducive to the welfare of the country, and oppose them when I conceive the rights and privileges of the people are invaded,

In *factious* opposition to any Government, I hope never to be found, but will use whatever ability I possess to promote the true interests of the Province.

I have the honor to be,
Gentlemen,
Your obedient servant,
E. A. VAIL.

MEDICAL REVOLUTION!

THE WORLD UNANIMOUS.

HOLLOWAY'S OINTMENT.

THE GREAT COUNTER IRRITANT!

The virus of disease often makes its way to the internal organs through the pores of the skin. This penetrating Ointment, melting under the hand as it is rubbed in, is absorbed through the same channels, and, reaching the seat of inflammation, promptly and invariably subdues it, whether located in the kidneys, the liver, the lungs, or any other important organ. It penetrates the surface to the interior, through the countless tubes that communicate with the skin as summer rain passes into the fevered earth diffusing its cool and regenerating influence.

SKIN DISEASES & GLANDULAR SWELLINGS.

Every species of exterior irritation is quickly reduced by the anti-inflamatory action of this Ointment. Angry Eruptions, such as SALT RHEUM, ERYSIPELAS, TETTER, RINGWORM, SCALD HEAD, NETTLE RASH, SCURVY (or FRCW) &c., die out, to return no more under its application. Hospital experience in all parts of the world proves its infallibility in diseases of the skin, the muscles, the joints and the glands.

ULCERS, SORES, AND TUMORS.

The effect of this unrivaled external remedy upon Scrofula, and other virulent ulcers and sores, is almost miraculous. It first discharges the poison which produces suppuration and proud flesh, and thus the cures which its healing properties afterward complete are safe as well as permanent.

WOUNDS, BRUISES, BURNS, AND SCALDS.

In cases of the fracture of the bones, injuries caused by steam explosions, BRUISES, BURNS, SCALDS, RHEUMATISM, STIFFNESS OF THE JOINTS, and contraction of the sinews, it is employed and warmly recommended by the faculty. This marvellous remedy has been introduced by its inventor in person into all the leading Hospitals of Europe, and no private household should be without it.

UNDENIABLE TESTIMONY.

The Medical Staff of the French and English Armies in the Crimea have officially signed their approval of Holloway's Ointment, as the most reliable dressing for sabre cuts, stabs, and gun-shot wounds. It is also used by the surgeons of the Allied Navies.

Both the Ointment and Pills should be used in the following cases:

Bunions,	Rheumatism,	Sore Throats,
Burns,	Ringworm,	Sores of all kinds
Capped hands,	Salt Rheum,	Sprains,
Chilblains,	Scalds,	Stiff Joints
